

Chapter: 3257

She didn't want to pay attention to An Tianxiang, so she forced herself to close her eyes and stop thinking about some messy things. However, it was not until the middle of the night that Yang Ning completely pulled herself out of the situation in front of her, and fell asleep under the breath of the two of them. past.

Early the next morning, Yang Ning suddenly woke up from his sleep.

She glanced at the people around her, but found that Xiao Ai was long gone, only An Tianxiang who was still sleeping with her eyes closed.

Yang Ning sat on the bed, propping her forehead, her sleepiness prompted her to yawn.

“Wake up so early?”

When An Tianxiang's voice came from his own side, Yang Ning swallowed in fright, and got stuck halfway through his yawn.

She looked sideways at the person in front of her, and couldn't help jumping off the bed quickly: “Well, I woke up when I woke up.”

Seeing her escaping, An Tianxiang's eyes were indistinguishable. He sat up from the bed, got out of bed, passed over the nervous Yang Ning, and opened the curtain behind her.

For a time, the slightly dim room was filled with sunlight. An Tianxiang was wearing a thin white shirt with slightly messy hair. Standing in the golden powder, he looked extraordinarily elegant and handsome.

“Xiao Ai got up in the morning to go to morning reading, and I sent her to class.”

The fluttering sentence seems to be trying to cover up everything that happened yesterday. Yang Ning was relieved and a little disappointed when he saw that he naturally changed the topic.

“Well, I don't know yet, maybe I slept too dead.”

Yang Ning smiled and planned to take a shower, but An Tianxiang held her back, his lowered eyes were lazy and full of different meanings.

He held her tender fingers, his voice was rather hoarse: “Really, you slept well, but I didn't sleep well at all, should you stay with me for a few more minutes?”

Hearing An Tianxiang's words, Yang Ning's heart seemed to be scratched by a cat's claws, and his whole body trembled uncontrollably.

This man really uses his charm.

Afraid of losing his hand, Yang Ning pursed his lips and pulled out his hand.

She turned her face away and took two steps back with a complicated expression: “No, it's better to go to sleep on your own. I want to get up and see Xiao Ai.”

“She is more important than me?” An Tianxiang was dissatisfied with this answer, he took a step forward, his voice was low, and his mood was obviously not as relaxed as before.

This time, he asked Yang Ning down, saying that he was important, and he was afraid that he was going to sleep with him. Saying that he was not important seemed to be saying something against his heart.

So, she had to stand silent.

“If you don't speak, I'll have nothing to do with you?” An Tianxiang tilted his head and looked at the woman who was bowing his head in front of him. He reached out and raised Yang Ning's smooth chin.

The slightly rough fingers rubbed gently, and Yang Ning's heart became more and more uneasy.

“I... I have something to do today, so I must go back early.” Yang Ning clenched his fingers, his eyes dodged, and his heart was pounding.

An Tianxiang saw her emotions in his eyes, raised the corners of his lips calmly, stepped forward and hugged her by the waist.

“Wow!”

The sudden action startled Yang Ning, she quickly embraced An Tianxiang's neck, her cheeks rested on his chest, her heart was beating vigorously.

“What are you going to do?”

An Tianxiang's footsteps stopped in front of the bed, he looked down at the restless Yang Ning, and chuckled: “Go back to sleep.”

When the words fell, Yang Ning was thrown on the soft bed by him. Before she could react, a huge creature slept next to the empty space, hugging her waist tightly.

Such a neat and tidy action made Yang Ning still a little stunned. She reacted and couldn't help but start struggling.

“Stop moving.” An Tianxiang put his face on her cheek, rubbing her auricle.

“You...don't do this...”

Last night, there was still a little AI between the two, he couldn't do anything, but today, if An Tianxiang really has any thoughts, she can't resist.
