

# Chapter: 3259

He stood up with his slightly sore waist, and what caught his eye was the mess of clothes all over the place.

Yang Ning's face changed, and she suddenly became embarrassed. In the morning, she still couldn't stabilize, but she also knew that it was too much for her to want to retreat safely under the charm of An Tianxiang. Difficult.

Picking up the clothes on the ground and putting them on, Yang Ning patted his face, feeling embarrassed when he saw An Tianxiang.

“Boom!”

Just as Yang Ning's thoughts were wandering, there was a knock on the door of the room. She reacted and quickly got up and ran to open the door.

“woke up?”

The one standing at the door knocking on the door was none other than An Tianxiang, who Yang Ning never wanted to see.

She stared at the person in front of her in a daze, and suddenly seemed to have reacted to something, and quickly wanted to close the door.

Seeing this, An Tianxiang was prepared to resist the door and squeezed in through the crack of the door.

“The car is already below, don't make trouble, hurry up.” An Tianxiang took Yang Ning's hand naturally, and there was no embarrassment in his expression, as if nothing happened in the morning.

However, Yang Ning could not do this.

Her hand struggled in An Tianxiang's broad palm, and her face flushed a little bit. Fortunately, the weather was cold, which cooled her face down.

“So reluctant?”

An Tianxiang suddenly stopped and turned his head, and Yang Ning almost bumped into his back.

She raised her head, blinked, and soon hid her face in the scarf again.

“I'm not used to it yet.”

The aggrieved and embarrassed tone of voice made An Tianxiang raise his eyebrows, she was so crazy that day, and she never showed such a shy expression after waking up in the morning, a woman like a creature is really hard to understand.

He sighed lightly, with a smile and helplessness in his eyes.

Shaking his head, An Tianxiang put Yang Ning's hand in his pocket, deliberately took a step slower, and walked side by side with Yang Ning.

He held the small hand in his palm, heard her embarrassed tone, his always calm eyes seemed to be thrown into stones, the lake in his heart rippled, and it was difficult for Jun Yi's face to show a charming and gentle look.

“It's okay, I'll let you get used to it in the future.”

The words that seemed to be teasing and like a promise made Yang Ning stunned for a moment. She tilted her head and glanced at the man beside her. The turbulent mood in her heart gradually changed into bursts of spring breeze, and her whole body was wrapped in warmth.

After a while, the two said goodbye to the dean and Xiao Ai, and got into the car parked at the door together to go to the airport.

Yesterday, because he was in a hurry, An Tianxiang didn't complain less when he took the bus to her village, so today he specially called his secretary and came to pick him up to the airport.

After more than ten hours of flight, Yang Ning finally returned to the city where she was going to struggle all the time. As soon as her feet stepped on this land, she thought of Yang Yue and Cheng Hao again. All kinds of realities hit, like a tide, drowned her.

And everything in Qingshui Village is like an illusory story, and there is no real sense of experience at all.

“Why, looks a little absent-minded.”

As soon as An Tianxiang got in the car, he turned on the computer and began to process the backlog of documents for the past two days. He glanced at Yang Ning inadvertently, but found that she was looking out of the window absently, her expression obviously mixed with thoughts.

“It's nothing, just thinking about the next job.”

Casually perfunctory, Yang Ning withdrew his uneasy expression, and the smile returned to his face.

An Tianxiang, who had been paying attention to the screen, didn't pay attention to the change in her expression. He heard her talk about work, his typing fingers paused, and he raised his head and glanced at her.

“What job are you going to take? If there is no program, you can come to Tianhua.”

This is not the first time he has invited him, but Yang Ning doesn't want to go to Tianhua because of the current situation. With the experience of living a lifetime, even if there is no brokerage company, she will not get along very badly.

“If I need it, I'll come to you again. Now I'm a bit famous for playing “Peerless Beauty”.”
