

# Chapter: 3263

“It doesn’t matter if this dress is mine or not. Asking a woman like this, you are not very gentlemanly.”

Yang Ning didn’t want to answer this question head-on, and tried to perfunctory, but Zheng Tao, who was on the side, didn’t want to continue to ask.

So, he put one hand in his pocket and chuckled: “Really, that’s really offensive, I’m sorry, I’ll go see Yang Yue first.”

The sound of the leather shoes colliding with the marble class rang in the corridor, and Yang Ning’s relaxed expression changed instantly. It seemed that Zheng Tao had discovered something.

However, how did he find out? He never mentioned his relationship with An Tianxiang at all, and just based on a piece of clothing, did Zheng Tao decide like this?

Xiaodong on the side watched Yang Ning’s expression fluctuate, but she didn’t understand why, so she couldn’t help but said, “Yang Ning, why did your expression change? Did Zheng Tao say something just now?”

In the corridor, some celebrities came to interview from time to time. Yang Ning frowned and couldn’t speak loudly. She looked at the time and wanted to ask An Tianxiang to verify something.

“Xiaodong, I’ll tell you later, you are here to watch for me, the interview is about to begin, and hurry up and call me.”

Leaving a hurried sentence, Yang Ning hurried to the door of the gym.

She took out her mobile phone and dialed An Tianxiang’s number. The constant beeping made her a little irritable.

“Hey, what’s wrong?”

In Tianhua’s office on the top floor, An Tianxiang was sitting in a soft chair. He didn’t expect Yang Ning’s call to come so quickly. He thought that the two of them were unhappy when he was about to get out of the car. He didn’t make the call, she was won’t call.

Yang Ning didn’t want to talk nonsense either. She pursed her lips and said straight to the point: “I have a question for you. The clothes you gave me shouldn’t have any of your personal characteristics, right?”

She still remembered Zheng Tao’s surprised look just now, and she couldn’t help but feel that this dress reminded her who was standing behind her.

If so, didn’t she put the label of An Tianxiang on her body today?

When Yang Ning thought about it, she felt that it was too embarrassing. If the directors in the circle knew about it, I am afraid she would question her ability again.

“Personal characteristics?” An Tianxiang raised his brows. He didn’t expect Yang Ning to ask such a question. His tone dropped sharply, and he obviously didn’t want to answer her properly: “I don’t know.”

This attitude of refusing to cooperate made Yang Ning a little angry, she narrowed her eyes, her face sank, and her irritable mood stabilized: “Can you cooperate, if you don’t say anything, I will give you everything when I go back. The clothes are all thrown away!”

Hearing Yang Ning threatening her, An Tianxiang couldn’t help but let out a light tut, she dared to talk to herself like this now.

This woman really doesn’t like it at all.

“Okay, throw it away if you want.”

If he really wants to get angry, An Tianxiang has a domineering personality, and he will not think about others. Yang Ning stimulates him, and he simply breaks the jar.

Just as he was about to hang up the phone, Yang Ning suddenly changed his personality and stopped him gently.

“Wait, this question is really important to me.” Yang Ning clenched his phone tightly, suppressing the emotions that were about to explode in his heart.

If An Tianxiang were in front of him, he would definitely be surprised by her cold and mean expression.

“Really?” An Tianxiang replied lukewarmly, thinking about Yang Ning’s question in his mind.

For a moment, he seemed to remember something, and he said with his forehead: “Most of the clothes are selected by the shopping guide for me, but there is a set of sportswear specially designed by their designer alone.”

Designing sportswear?

I have heard of designing various styles of clothes, and if you want to say that you are specializing in customized sportswear, An Tianxiang is not the first among the rich, right?
