

# Chapter: 3268

“It’s better to say than to sing, Yang Yue, did you bump into it on purpose?”

As soon as these words came out, the audience almost dropped their jaws again. What reason does Yang Yue have to do this kind of thing deliberately?

One is a rising star, and the other is a newcomer who has become popular recently. I heard that the two are still half-sisters. Although the appearance is very different, they are also relatives.

How could Yang Yue attack Yang Ning?

None of the people present could understand why Yang Ning would say such a thing, but the director and Zheng Tao understood it.

Originally, this interview was just a scene that Zheng Tao had already discussed with the director. Yang Yue was originally an actor, but in the corridor, Zheng Tao saw Yang Ning’s dress and was a little hesitant.

He ran to the director and mentioned Yang Ning and An Tianxiang, but learned that An Tianxiang had not specially greeted him and wanted Yang Ning to appear on the show.

This time, Zheng Tao was puzzled, and the director began to waver. Should Yang Ning be better?

The two discussed for a while and decided to let Yang Yue appear on the show, because the two had a lot of grievances and Yang Yue could not see Yang Ning’s good, losing the role he had already promised, she was very likely to do extreme things.

Besides, An Tianxiang has never said hello, either Yang Ning doesn’t value this show, or her love is not enough.

All in all, it is most appropriate to sell favors to Yang Yue in this matter.

It is also because of this that Yang Yue dared to come to the interview wearing high heels and a skirt recklessly. She obviously didn’t want to leave the scene.

“Yang Yue, since you have admitted it, then you are solely responsible for this matter. If you don’t finish the matter, don’t even think about taking on the drama.” Zheng Tao stared at Yang Yue’s face with seemingly real grievances. His expression was calm and dark. Unfathomable in the eyes.

Fortunately, she is still smart enough to know how to deal with those messes. Even if Yang Ning wants to bite back, it may not be so easy.

Yang Ning, who had been lying on the ground, didn’t want to listen to the two of them. Anyway, the ability of the dog and the man in front of him to speak nonsense was very emotional.

Now she can’t move, and she doesn’t bother to argue with them. If Yang Yue is in a hurry, if she just steps on her a few more times, it won’t be the end.

After thinking about it, Yang Ning kept her mouth shut and waited for the ambulance to put her on a stretcher before she dared to glare at the three singers.

Yang Ning hadn’t been at the hospital for a long time, when Yang Qingfeng suddenly appeared in the hospital, she opened her eyes and saw him suddenly, and was startled.

“Why are you here?”

On the hospital bed, Yang Ning was tightly bandaged. The doctor said that her recovery period would take at least a week.

Yang Qingfeng looked at this scene with mixed feelings in his heart. His always handsome and sunny complexion was full of sadness.

It has been a long time since the last time the two met, and the anger accumulated in the heart at that time has already turned into a pain, which is deeply engraved in my heart.

What was the truth on the day of the reception? Yang Qingfeng himself had already lost the courage to explore. He was afraid of regrets, and even more afraid that all the disappointments were caused by himself.

Instead of that, it’s better to reconcile with yourself temporarily, follow your wish to meet someone you care about, and tell yourself that no matter who she belongs to, at least you can stay by her side.

“The friend who was interviewing with you told me, and I came to see you.” Yang Qingfeng said softly, the light in his eyes flickered, and he couldn’t tell whether he was telling a lie or whether he was covering up his embarrassment.

Hearing this, Yang Ning smiled reluctantly, and his thoughts were suddenly pulled back to the day when he broke up unhappily, and the mood in his heart suddenly became dull.

But she thought about it again, since Yang Qingfeng could take the initiative to come to her, it means that he should have figured it out. After all, her attitude was clear enough that day.

Yang Ning raised his eyes uncertainly and glanced at Yang Qingfeng’s slightly worried expression. He had never seen all the expectations from the inside. He finally breathed a sigh of relief, and his mood gradually turned from cloudy to sunny.
