

Chapter: 3278

“I’ve decided, I’ll play twenty-four.”

Cheng Hao was full of confidence, and the brilliance in his expression seemed to have been won over.

The table at twenty-four.

Yang Ning looked at Cheng Hao beside him with some amusement. There was obviously some expectation and some panic in his eyes. It seemed that everything unknown on the gambling table attracted him to bet.

The atmosphere at the scene was already heated up by the dealer, and everyone was staring at the cards she was dealing with, and the adrenaline was shocking everyone’s thoughts.

“The deal is over.”

As the dealer’s words fell, Cheng Hao’s eyes tightened slightly. He nervously lifted a corner of the card, and saw that his hole card and the open card only added up to fourteen points.

Yang Ning raised his eyebrows, lowered his eyes and glanced at Cheng Hao’s tangled and excited expression, he had no longer cared about the 50,000 yuan in his heart.

At this moment, the man in front of him has no other thoughts than winning, and one of his feet has already stepped on the edge of the abyss.

Sure enough, Cheng Hao at the poker table couldn’t stop bidding, he continued to ask for cards, and it was time to show the cards.

For a new casino player like him, whether it is a gambler or a casino player, only if he wins more, he will be more greedy for this feeling of unearned gain.

“Win, win! Yang Ning, these chips are all mine!”

The card face has been revealed, and the result of twenty-four o’clock did not make the people around him feel a little surprised, but Cheng Hao, for the first victory, jumped up from the chair excitedly, and stretched out his long arms to embrace it. All chips at the table.

The gamblers at the poker table felt somewhat uncomfortable seeing this scene. They looked at each other and looked down at the cards they had lost in silence.

Yang Ning smiled lightly, Cheng Hao in front of him still looked handsome and elegant on the screen, he was simply a lunatic, wantonly tasting the taste of victory.

“Yang Ning, let’s continue! I have a feeling that I will definitely make a lot of money today!” Cheng Hao held the chips in his hand, and looked in high spirits. When Yang Ning saw it, he only felt that this handsome face was exaggerated. Disgusting.

She was completely blind in her last life, and she would actually like this kind of person.

“Well, I also think, after all, your luck was so good just now.”

Appropriate flattery is needed. Yang Ning pretended to smile softly and nodded very seriously. In Cheng Hao’s view, this was a great encouragement to him.

He was so excited that he couldn’t help but grabbed Yang Ning’s shoulder and hugged her desperately: “Yang Ning, you are really my goddess! If I make a profit today, I will give you 40%!”

Cheng Hao’s suffocating embrace almost made Yang Ning faint, she gritted her teeth desperately, resisting the urge to kill him.

He really has no self-awareness at all, doesn’t he know that he is trash, and he is desperately throwing himself on others!

“If you let go, I don’t want it at all.”

Yang Ning’s indifferent tone seemed a little trembling in the noisy venue, Cheng Hao looked up at her, and his excitement seemed to be poured into a bucket of cold water.

He asked inexplicably, “Why do you suddenly seem to be a different person?”

After a light cough, Yang Ning reluctantly raised a smile and said, “No, as long as you can win, I only need the principal.”

Yang Ning’s gentle and harmless eyes were as bright as stars, Cheng Hao was stunned, feeling that he seemed to have missed his eyes just now, obviously the woman in front of him had an unspeakable affinity.

Forget it, what do you think about, you should give up all thinking in a Las Vegas casino! Just do things by instinct!

Cheng Hao shook his head, the doubts on his face faded, he smiled and looked at the chips in his hand, his eyes were looking for a suitable gambling table, so that he could show off his skills.

“Okay, Yang Ning, as long as I can earn it, I won’t lose a cent of your principal.”

Hearing his promise, Yang Ning couldn’t help sneering in his heart, and Cheng Hao was still immersed in his dream of getting something for nothing.
