

# Chapter: 3283

“Okay, here we are. You’ve all read the script. This episode is a swimming pool chase, which will test your physical strength. Let’s warm up first.”

The director brought everyone to the swimming pool, and then asked the actors to prepare well, while the staff of the program team prepared the cameras.

Yang Ning looked around the guest members and the shooting environment, and the scenes he had seen in “Run, Star” in the previous life naturally emerged in his mind.

The content of “Run, Star” in the first season is rich and colorful, which can fully show the energetic side of the star, and is loved by many young people.

And this episode of Pool Chase, as the opening chapter of the show, fully expresses this.

After the guests warmed up, they went to the changing room and changed into their swimsuits. The equipment on the director’s side was almost adjusted, and the test shooting had already started in the venue.

“Okay, everyone pay attention. Although there is a script, it is up to you how to play it.”

The director’s eyes swept across the men and women in front of him, and the obvious seriousness at the corner of his mouth made everyone nervous, and the official shooting began immediately.

After the recording started, Yang Ning’s whole performance was remarkable. Even if he was pushed into the pool by the men or smashed in the face with some props, he kept laughing and didn’t get angry at all.

The men who were filming together were also impressed by her at the moment, and felt that Yang Ning’s toughness was quite powerful.

“Yang Ning, you are a bit amazing!”

Zheng Ming in the same group has always been a tepid star. Taking advantage of the intermission, he couldn’t help running over to talk to Yang Ning, staring straight at Yang Ning with his bright eyes.

Sitting on the edge of the pool, Yang Ning glanced back at Zheng Ming and didn’t really want to pay attention to him.

Because, in the last life, the man in front of him would frequently mess around after he became popular, and he was simply a representative of a scumbag.

“It’s nothing, I’m just a little professional.”

Taking into account the “friendship” in the same group’s face, Yang Ning still responded. Zheng Ming, who was on the side, saw that she was so indifferent to him, and suddenly became interested.

He smiled and sat beside Yang Ning, his long legs dangling aimlessly in the swimming pool with her, his body wearing only swimming trunks was almost leaning against Yang Ning’s body.

“Tsk tsk, it looks like you are quite aloof. There are too few women who don’t even look at me.”

Zheng Ming bent down and seemed to want to see Yang Ning’s expression with his head lowered. His handsome face was full of curiosity about her.

However, Yang Ning didn’t take it seriously. If anyone owned An Tianxiang, who would feel a tinge of affection for the man who was chatting up everywhere in front of him?

“Hey, why are you ignoring me?”

Yang Ning sat by the pool, like a sculpture, except that he said a few words to him at the beginning, but now he is completely ignoring him.

“You are noisy.”

Having lost his patience, Yang Ning squinted his eyes and glanced at him coldly, and even the temperament around him became dull.

Seeing this, Zheng Ming was startled, and his body involuntarily took a step back. After reacting, he felt a great fire.

No woman had dared to do this to him.

Zheng Ming gritted his teeth, his wheat-colored skin glowed with the light of the swimming pool, he approached Yang Ning an inch, and when he looked at the two from a distance, he felt that the two were extraordinarily close, as if they were about to kiss.

“You don’t seem to understand your situation. This is another swimming pool. Even if something happens to you here, they won’t be able to come here as soon as possible.”

If it was very threatening, Yang Ning couldn’t help but glanced at Zheng Ming, wondering what kind of courage he had to provoke him. Could it be that what he experienced was all experienced by another girl?

She stood up calmly from the pool, looked down at Zheng Ming, who was still sitting by the pool, and sneered: “Your aunt, I didn’t grow up on a vegetarian diet, and I’m the only one who threatens this kind of thing for others to see. .”
