

Chapter: 3284

Zheng Ming was stunned by the arrogant words.

He didn't think about Yang Ning's backing at first, he could hardly think of it, the only thing he could think of was Yang Qingfeng, who had a scandal with her.

Could it be that Yang Ning wanted to walk sideways in the entertainment industry just by virtue of Yang Qingfeng? Simply ridiculous.

Zheng Ming stood up and stared at Yang Ning's face mockingly, showing his disdain.

"I can't see it. You are quite an arrogant woman. Do you really think you have a lot of capital?"

Hearing his ignorant questioning, Yang Ning didn't even bother to squeeze out an expression. She turned her head and wanted to leave, but was held back by Zheng Ming and repeatedly asked.

Does this man have to be so stubborn?

Yang Ning rolled his eyes, turned around, and sneered: "Capital, even if I don't have capital, it's not the reason for you to harass me. I think you need to go under the pool to wake up, so let me give you a ride."

After all, Yang Ning glanced at Zheng Ming sympathetically, and turned around and let Zheng Ming fall into the water.

"you!"

Zheng Ming can swim. He fluttered in the water with his arms outstretched. The breath in his chest was about to blow him up. This woman who didn't know the heights of the sky dared to kick herself directly into the water!

"What are you, calm down here, what kind of people should be offended and what kind of people shouldn't be offended, don't you understand at such an old age?"

Yang Ning was too lazy to deal with the man in front of him. He was obviously unable to get it, so he became angry.

Ignoring the swearing behind him, Yang Ning came out of the other swimming pool in annoyance and joined the people who were filming. His mood was still affected by what happened just now, and he was a little unhappy.

After all, the two had less interaction in the last life. She didn't know that Zheng Ming was not only distracting, but also so annoying.

"What's the matter, Yang Ning, you seem to have something on your mind?"

Han Shaoqiu on the side is different from Zheng Ming, just looking at it like this, he knows that he is a very honest and sincere man, and Yang Ning has no resistance to him in his heart.

She shook her head, a little absent-minded: "It's nothing major, the shooting is about to start, let's get ready."

When the words fell, Yang Ning smiled at Han Shaoqiu and ran to the side to start the warm-up exercise. When Han Shaoqiu saw this, he opened his mouth and didn't stop her. Everything he wanted to say was blocked in his throat and he couldn't say it.

The shooting in the afternoon went exceptionally well. Although Yang Ning and Zheng Ming had an unpleasant incident, they were both tacit and did not want to break it.

Time passed by minute by minute, and in the ups and downs of the two of them, the day's work soon came to an end.

In the evening, after everyone returned to the hotel, they started their own rest.

Yang Ning sat on the bed and wanted to call An Tianxiang with her cell phone to talk about what happened today, but when she remembered the jet lag and knew that he should be in a meeting, she sighed and retracted her cell phone helplessly.

She was still a little bored in a foreign country, so she had to brush up on Weibo and update her latest news on the way.

However, after only ten seconds, Weibo seemed to be paralyzed, and all the web pages disappeared.

"what happened?"

Yang Ning thought that her phone was broken, and after waiting for a few minutes, she logged on again, opened a hot search, and the blood all over her body almost froze.

"Yang Qingfeng meets the big boss late at night, and the sunny guy is actually gay."

The dazzling words on the screen almost blinded Yang Ning's eyes. It was clear that the last time we met, it was fine, why did it suddenly become like this this time.

It must...someone must be framing him, but she clearly knows that Yang Qingfeng is definitely not gay.

Yang Ning's thoughts were already a little confused. She quickly picked up her mobile phone and wanted to make a call to Yang Qingfeng. However, no one answered the phone at all.
