

Chapter: 3287

The last time it was to help her at the wine table, Yang Qingfeng and Wang summed up Liangzi. It seems that after meeting her, Yang Qingfeng's luck has not been very good.

She really is his evil star.

Thinking of this, Yang Ning felt more and more that she had to help the people in front of her this time, otherwise her conscience would be condemned.

She patted Yang Qingfeng on the shoulder and said with relief: "It's okay, since the gossip news says you are gay, then you can just find a girlfriend. It's not that complicated, you don't have to think too much."

How turbulent this incident is, in fact, both of them are well aware of it. Yang Ning was just saying some words of comfort at the moment. Yang Qingfeng folded his hands and clenched tightly, obviously still thinking desperately about this matter.

"It's not complicated, but it's not that simple either. When you announce that you have found a girlfriend on the cusp of this storm, anyone will think it's just a cover up."

Yang Qingfeng's consideration was not unreasonable. Yang Ning nodded in agreement. She leaned back on the chair and pondered. Suddenly, Yang Ning's thoughts turned and suddenly thought of someone.

"By the way, I know that there is the best person to be your girlfriend!"

Yang Ning's eyes were shining, and he jumped directly in front of Yang Qingfeng, which caught him by surprise, raised his eyebrows in surprise, and stared at the ruddy woman in front of his eyes.

"Who do you think of?"

His tone was obviously disbelieving, but Yang Ning smiled confidently, pointed at himself proudly, and laughed: "Of course it's me!"

As soon as these words came out, Yang Qingfeng fell into a long silence, his eyes darkened, and he stared at Yang Ning in front of him, wondering if she was joking, or if it was her true thoughts.

"Do you really think so?"

Yang Qingfeng was obviously very hesitant, not only because of Yang Ning's original relationship with An Tianxiang, but also because of his own selfishness.

If Yang Ning really agrees, then he can't guarantee that he will control himself not to fake it.

No matter how he played it, Yang Qingfeng felt that he couldn't play a man who didn't care about Yang Ning. If that was the case, wouldn't Yang Ning be tired of him?

With more and more questions and concerns in his heart, Yang Qingfeng dared not to think like this, but the firm look in Yang Ning's eyes seemed to be pressing his true emotions all the time, letting him talk to his lips. The refusal turned into a rhetorical question.

"Of course!" Yang Ning answered very succinctly, not paying attention to the complex emotions in Yang Qingfeng's eyes, she stood up and explained to herself: "We have had scandals before, even if it is announced at this time, it can only be said that it is true. It's public, it can't be said that it is trying to hide it!"

This move is indeed the most stable, but it is equivalent to tying Yang Ning and Yang Qingfeng into the public eye. As a result, An Tianxiang's status has become embarrassing.

Yang Ning couldn't have thought about this, but she chose to ignore it. She was ready to withstand the storm caused by An Tianxiang's emotions.

At the same time, she had planned to take the initiative to be frank about this matter and could not wait for An Tianxiang to ask questions, otherwise the consequences would be more serious.

"That's true, but..." Yang Qingfeng frowned, feeling complicated. While he was thinking of hoping that Yang Ning would agree, he was also worried that An Tianxiang would make it difficult for her.

After struggling with various emotions, Yang Qingfeng finally closed his eyes and sighed.

It seems that no matter what, he still can't hurt Yang Ning for himself.

Yang Qingfeng opened his eyes, his eyes were calm, and he calmly explained the possible consequences: "You should have considered An Tianxiang, if he knew about this, he would not let you off easily."

Hearing this, Yang Ning's brows twitched.

She didn't know the consequences, but she was already prepared, so she didn't plan to think about it.

So, Yang Ning chuckled lightly, with a fearless expression on his face: "It's alright, don't worry about it, then let's buy some couples' items to go out on the street, don't be too deliberate, just shoot those people generously. already."
