

# Chapter: 3292

An Tianxiang lifted the quilt, sat back on the bed, looked down at her, Yang Ning paused in his heart, and revealed a head, with a rosy halo on his cheeks.

She twisted and didn't know what to do, opened her mouth, but didn't know what to say.

Seeing her embarrassed appearance, An Tianxiang was no longer embarrassing her, and opened all the quilts generously, causing her to scream.

“What are you doing!”

Yang Ning covered his body and wanted to wrap it in a quilt, but An Tianxiang turned around without saying a word, and put on his clothes with his back to Yang Ning.

“Don't stay in bed anymore, get up quickly, I'm going to work too, and I'll take you to the recording scene later.”

Looking at An Tianxiang's generous back, Yang Ning felt a little silly for a while, she scratched her head, and quickly picked up the clothes on the ground.

He is far less bad-tempered today than he was yesterday. Could it be that he has forgiven himself?

It seems that men are more coaxing than women.

The two dressed in silence. Yang Ning went to the bathroom to wash his face and brush his teeth. He was surprised to find that there was a brand new set of toiletries in it. Did he ask someone to prepare them yesterday?

Yang Ning picked up his toothbrush and brushed his teeth, feeling a little flustered and a little happy for a while.

The panic is that An Tianxiang seems to have turned this place into a canary's cage, and the joy is that one day she can get the real attention of An Tianxiang.

While brushing her teeth and looking at herself in the mirror, Yang Ning really didn't notice anything special about her appearance. She couldn't figure out what An Tianxiang liked in her, or was it just a lie about Yang Ning?

When his thoughts were scattered, An Tianxiang's urging voice came from the door. Yang Ning quickly finished what he was doing and followed him downstairs to the parking lot.

After a while, An Tianxiang's car stopped not far from the recording site of the program, and walked to the scene on foot.

Her relationship with An Tianxiang was too easy to be misunderstood when she didn't have the strength and popularity, so Yang Ning wanted to keep a low profile and didn't want everyone to think she was a vase.

“I'm going, Yang Ning, you're finally here! Where are you going when you get off the plane and don't go home!”

Xiaodong, who never used foul language, saw Yang Ning finally appear in his field of vision, and immediately rushed up and scolded her fiercely. The worry and impatience in his eyes made Yang Ning feel guilty.

She hesitated to speak, but fortunately, her mind turned fast, and she immediately picked up the words: “Last night, I drank too much with my friends and slept in the hotel. Fortunately, I still remember today's announcement.

Xiaodong rolled her eyes angrily, seeing that she was all right, and his anger dissipated most of the time: “You, anyway, send a message here, I've been worrying about you all night! Forget it, let's not talk about this, Recording in half an hour, hurry up and do your makeup.”

Looking at Yang Ningsu's face to the sky, Xiaodong felt a little helpless. It could be seen that she should have washed her face in the drinking place and came out, even her hair was still messy.

“Okay, I'll go right away. By the way, Qiwei didn't act. How about the evaluation of Yang Qingfeng on Weibo?”

Yang Ning walked quickly to the makeup booth, while rushing to put on makeup, while asking Xiaodong about Yang Qingfeng.

Yesterday, she was taken away by An Tianxiang as soon as she came back, and she didn't get any space after that, so she still didn't know how far the matter of Yang Qingfeng had fermented.

Hearing this, Xiaodong glanced at Yang Ning, took out his phone, flipped it over, and said easily: “Qiwei has acted, most of the comments on Weibo have been successfully criticized by him, and the Internet has begun to spread wildly about you and Yang Qingfeng. Photos of couples objects, those netizens who had previously disliked you in every possible way have also begun to ask you to make your relationship public as soon as possible, it seems that they want to confirm the scandal between you and him.”

Sit down the scandal, this is what Yang Ning thinks, the more this is, the more she feels that victory is imminent.

However, the relationship between the two is fake, Yang Ning has no plans to make it public at all, as long as the cameras of the media focus on it.
