

Chapter: 3296

The reason for the suspension was exactly what she thought. Yang Yue was eliminated a minute before the show started, and Zheng Tao would never give up easily.

Yang Ning thought about it, only with Zheng Tao's wrist, it is impossible for Yang Yue to be easily eliminated after only appearing in a show for a few minutes.

They must have gone to the director to discuss it just now.

“Everyone is here.”

The director took Zheng Tao and Yang Yue and stopped in front of the crowd. Han Qiusheng, who was on the side, keenly captured the director's ugly face, and even his stern tone became a bit dejected.

He couldn't help turning his eyes to Zheng Tao. He heard that this man is quite powerful. As long as he cooperates with Sheng Tian, besides dealing with Sister Luo, it is him, and Zheng Tao's iron and bloody skills are well-known in the circle.

At this moment, the director who has always been arrogant has been rehabilitated and obedient, his face is embarrassed, and Han Qiusheng's heart is more and more jealous of him.

However, Yang Ning was not afraid of Zheng Tao at all. He had already experienced enough of his methods in the previous life. At this moment, Zheng Tao was just trying to coerce and lure him.

“Suddenly stop shooting, what's the matter, director?” Zheng Ming has always loved beautiful women, but he is not very interested in Yang Yue. He saw the two people who were eliminated appearing in front of him again, and his tone became a little impatient.

The director looked up at Zheng Ming, frowned, and his expression was full of gloom.

He pointed to Yang Yue beside him, his voice was hoarse, and each word seemed to be squeezed out of his throat: “There is something, the script has been changed, and everyone, please pay attention, try not to let Yang Yue be eliminated first, Take care of the new guy.”

Take care of the newcomer?

Yang Ning snorted disdainfully, his eyes swept across Yang Yue's face wantonly, his face sneering.

Everyone here has only participated in one issue. For them, everyone is the same as themselves, and they are treated equally.

She said dissatisfiedly: “Who is not a newcomer, we have only participated in one episode, she is squeamish and needs to be protected?”

Everyone present knew that Yang Ning and Yang Yue were sisters, but this sister's words seemed a little too heavy, and every word seemed to be aimed at Yang Yue.

Han Qiusheng pulled her arm, frowned and shook his head, signaling her not to be impulsive, but Yang Ning pulled his hand away in disgust, looking irritable.

Because of Yang Ning's non-cooperation, the atmosphere at the scene became more tense for a while, and everyone stood aside and their pores were filled with chills.

Zheng Tao saw the burning anger in Yang Ning's eyes, and raised the corners of his lips with ease, showing the irony at a glance.

He seemed to think that the scene was not exciting enough, and he fanned the flames with cold eyes: “What's the matter, you seem to be very dissatisfied? speak for you.”

With a sneer, Yang Ning suppressed the anger in his heart and did not want to show Yang Yue a joke.

She looked at Zheng Tao silently, with a hint of pity in her arrogant gesture. If she really stayed in Shengtian in the end, no one would talk to her in such a situation. Rather, she would be even more inferior.

After all, Yang Yue is the real future star of Shengtian, and her value to Shengtian is like that dowry maid who can be abandoned at any time.

Yang Ning raised her eyebrows, restrained her thoughts, and squinted at him contemptuously, her eyes like a deep well, unable to guess her emotions.

Just listening to her jokingly said: “Really, I really hope you can always feel that way. People who deceive themselves usually fail quickly.”

The two went back and forth, and neither refused to admit defeat. As soon as these words came out, the atmosphere at the scene became more and more gloomy.

All the people present were shocked by Zheng Tao's sudden gloomy aura, but Yang Ning had been calmly responding and dared to say a few words.

Everyone couldn't help but dare to look at the thin woman in front of her. What made her so confident and dare to stand on her own?
