

Chapter: 3297

Yang Yue stared at Yang Ning's arrogant face, and the emotions in her heart couldn't be suppressed.

Originally, she had accumulated resentment against Yang Ning because of being deliberately eliminated by Chen Dong. She felt that she had instigated Chen Dong to eliminate herself, so she wanted to teach her a lesson. If Zheng Tao kept asking her not to interrupt, so that she could record the show with peace of mind. Now she has long since slapped in the past.

Just relying on him, Yang Ning, why should he ride on his head and go wild? Her pride and self-esteem first a hundred disagree.

Yang Yue's face was gloomy, her expression was indifferent, and she looked at Yang Ning with contempt, with light contempt in her eyes: "Yang Ning, do you really think that you can be proud of yourself when you climb An Tianxiang's high branch? She is just playing Just playing with you!"

Shouting, in an instant, the thing that Yang Ning didn't want to reveal in front of everyone was exposed, and the relationship between her and An Tianxiang had never risen to the level of interest.

Even the deliberate approach at the beginning was only to prevent him from falling into Yang Yue's trap and causing trouble for himself.

However, these people who are present will not understand these things, they will only look at themselves with alternative eyes, pointing to their noses and scolding her as a woman who sells her body by any means.

Yang Ning's thoughts were dull, and she was speechless for a while. Yang Yue thought she had hit her dead end, and she kept smashing words in her mouth and threw them on Yang Ning's heart. .

These cannonball-like trash talk was meaningless, Yang Ning was silent for a long time, and didn't want to endure it any longer.

She raised her long white neck, and her indifferent aura was wide open, and anyone could detect the extreme indifference in her eyes.

"You should say these words in front of An Tianxiang, and see if he abandons me, or will he fix you first? I advise you not to be a long-tongued woman, thinking that all women in the world want to be like you."

The amount of information in Yang Ning's sentence is really too large. Everyone's eyes wandered back and forth between the two, and their eyes widened in surprise. It turned out that the An family sisters all love An Tianxiang, but one got it and the other failed. .

"You fart! I never did!"

Yang Yue was already furious, and the words she said had the smell of a country savage. Zheng Tao, who had calmed down, couldn't help frowning when she heard such vulgar words.

"Yang Yue, calm down and keep your demeanor."

Zheng Tao's words were like a pot of cold water, pouring it from Yang Yue's head to the end. She bit her lip and stared at the woman who was in need of beating in front of her, with all kinds of complicated emotions ups and downs in her heart.

"Zheng Tao, you can't keep berating this woman! Besides, she's talking nonsense!"

Hearing Yang Yue's words, Yang Ning knew that she definitely wanted to default on her debt. However, Yang Yue couldn't do this with a clear conscience.

She chuckled lightly and looked at Yang Yue, but there was no smile in her eyes: "It's not a coincidence, I happened to take a photo of the incident that day. Would you like to show it to my colleagues?"

Yang Ning's calm tone was as if he was discussing how much money would be for tomorrow's meat. However, for Yang Yue, this sentence cost tens of millions of endorsements, and she must not let this kind of thing be known.

"Don't go too far, Yang Ning!"

Yang Yue had no choice but to point to Yang Ning's nose hysterically, her gaffe expression gradually revealed.

Seeing this, Yang Ning sneered twice, not taking her threat seriously at all: "Who is it that is too much? Since you doubt my ability and my background, I can also question you."

The people present saw that the two were arguing with each other, and they were supported by the background, and those who were planning to mediate for a while did not dare to come up.

The director has been watching the farce of the two from the side, and he is very disappointed with the two in front of him.

What they can't let go of is not relatives and feelings, but the comparison between disputes and greed. The only thing they can see is power and money.

However, whether it is Sheng Tian or An Tianxiang, the director never cares, and everything outside is always enough.
