

Chapter: 3298

“Okay, are you arguing enough?”

Seeing that both of them stood silently without speaking, the director glanced around, and finally stood up again with the script.

No one in the room responded to him, he seemed to be blown away by the turmoil just now, and the director didn't mind, he said to himself: “Mr. Yang and I talked about it just now, Yang Yue will have more scenes, Yang Ning If you do, you'll be caught in midfield and you'll be eliminated.”

What a light-hearted word, in an instant, the direction of the script and the attribution of the game clips were determined.

It seems that this issue, the director is determined to make himself Yang Yue's supporting role.

In this case, it is useless to struggle, Zheng Tao must have already opened extremely attractive or threatening conditions.

So, Yang Ning responded immediately: “Okay, I accept it.”

Without any hesitation, Yang Ning agreed immediately. The director glanced at her in surprise, rubbing her wrinkled face together.

He raised his eyebrows, and the vicissitudes in his eyes were like a shade of trees, shrouding Yang Ning's heart: “I didn't expect you to promise so readily, and I thought you would mind somewhat.”

No one will believe him if he doesn't mind, but Yang Ning is very rational and knows that even if he does, there is no chance of a comeback.

Instead of acting like that angry and uneasy look and making others laugh at it, it is better to play casually and pretend not to care, this will make Yang Yue feel that it is not cool enough.

Raising his eyebrows, Yang Ning retracted his thoughts and nodded in a fake manner, with a flat tone: “I do mind, but I don't want to delay the construction period.”

“Don't pretend to be a good person there, it's really disgusting to look at.”

Yang Yue replied without hesitation, looking at Yang Ning with stubborn disgust in her eyes, Zheng Tao on the side gave her a stern look, the warning is self-evident.

He pondered unhappily, why the woman in front of him just didn't understand the truth that disaster comes from her mouth, and it seemed that it would be very difficult for her to be a little bit more restrained.

If you really want to compare it, Yang Ning's temperament and ability are much stronger than hers, but unfortunately, he is a master who refuses to accept discipline, and he does not have the face of the country.

Not noticing what Zheng Tao was thinking, Yang Ning glanced at Yang Yue's arrogant expression, and couldn't help looking at her with arms folded. on the heart.

“I'm talking to the director. It's not you. If you were a woman, you wouldn't understand restraint and respect for others? Besides, if I'm disgusting, there's probably no one in the world who's more disgusting than you.”

Yang Ning raised her brows and her face was calm. Anyway, she was used to Yang Yue picking things up. No matter what she said, she felt like she was listening to a dog barking.

She stared at Yang Yue's angry face and smiled without saying a word, as if she felt that it was not enough, and immediately added fuel to it: “However, I really want to remember that you once laughed at me on the plane, saying that I would pick you up. This variety show is a naive and rotten show, how come I see you now, even if you are eliminated, you still have to stay here and not leave?”

When the people present heard this question, their expressions changed, and their hostile eyes swept Yang Yue from beginning to end.

Yang Yue, who thought she was in the upper hand and suppressed Yang Ning ruthlessly, did not expect to be suddenly stabbed from behind by Yang Ning. She sank her face and stood aside a little embarrassedly, her disgusting eyes never left Yang Ning's body. Pass.

“Okay, that's it.”

When the director saw that the two were fighting each other and they were arguing, he hurriedly stood in the middle of the two to persuade, looking helpless, just like Yang Ning said, he didn't want to delay the construction period.

“As long as she shuts up, I don't need to speak.” Yang Ning stood aside indifferently, ignoring Yang Yue's intentions at all, and even her tone was light.

Seeing her underestimate herself, Yang Yue's fire went straight, and Zheng Tao, who was on the side, suppressed her emotions with his eyes, and didn't want to hear her say some stupid words again.
