

# Chapter: 3303

She sighed a little and comforted him softly: “It’s all over, don’t worry too much, no matter what you want to do, just be happy and willing.”

Yang Ning sighed, and the gloomy colors gathered between her brows like a river. Suddenly, she seemed to think of something, and quickly said: “Speaking of which, I may have one more thing that I need your help with. Are you free now?”

Qiwei poured out the smoke, paused for a while and said, “You can talk about anything, as long as it’s not difficult.”

“Of course it’s not difficult, it’s your job, I hope you can reveal two things on Weibo in the form of a question and answer.” Yang Ning pondered the question, and then said: “The first thing is about the second issue. In “Let’s Run, Star”, Yang Yue interfered with the filming, and the second thing was about Yang Qingfeng, and it was necessary to clarify that he was not gay.”

Hearing this, Qiwei was silent for a while, and said casually, “Is there any benefit?”

Although he no longer faced Yang Ning with an aggressive attitude, his basic profit-seeking behavior, Qiwei, will not change.

Yang Ning thought for a while, then said, “I’ll pay you this time, but maybe not so much. After all, I just fixed Cheng Hao.”

Hearing Cheng Hao’s name, Qiwei’s drooping eyelids obviously lifted up again. He chuckled lightly, “You can use this message as your reward, tell me what happened to you and Cheng Hao, and I’ll send you a WeChat message immediately. Bo.”

Yang Ning was stunned for a moment, not expecting Qiwei to be so straightforward, so she immediately and carefully told him what happened in Las Vegas.

After hearing this, Qiwei thought it was a little ridiculous, and he pouted and complained: “It’s a loss, this news is not valuable at all, but since I promised you, you can rest assured that I will handle this matter for you.”

“Okay, then I’ll thank you in advance.”

Hanging up the phone, the two of them finished chatting, and Yang Ning breathed a sigh of relief.

That woman Yang Yue is going to try the feeling of being ridiculed by the whole network this time. When she thinks of such a scene, Yang Ning feels relieved. Every time she takes the initiative to provoke herself, she must pay a price.

And what happened in Las Vegas, this account is put aside first, and when there is a chance, she will not let her go easily.

However, the most gratifying thing is to solve Yang Qingfeng’s problem. I believe that after Qiwei’s Q&A is released, everyone will dispel some doubts.

After all, these clarifications are not what Yang Qingfeng himself said. In this way, it is easy to form a feeling that everyone in the circle is well-known, but you are guessing randomly outside the circle.

No matter what, Yang Qingfeng is now safe on base.

Hanging up the phone, Yang Ning and Xiaodong both felt a little hungry, so they found a restaurant and ordered some dishes to fill their stomachs.

Even though she was sitting in the far corner of the restaurant, many people found out that it was Yang Ning, and many people came up to sign. She didn’t want to refuse, and she didn’t want to refuse, so a meal was almost like “sign after two bites”. in a rhythm.

“Wow, Yang Ning, now you are also a big star!”

The two quickly slipped out of the restaurant after eating. Xiaodong remembered that Yang Ning was soft on signing the signature just now, and he felt that she was not far from Dahong. As soon as he rushed out of the restaurant, he couldn’t help shouting excitedly.

However, Yang Ningque on the side was quite calm, she held Xiaodong’s shoulders, pinched her face, and hid the happiness in her eyes: “Don’t be silly, this is far from what I thought. It’s a long way off, and our ceiling is too low if so many fans are to be satisfied.”

Said these words, not to attack Xiaodong, but to motivate himself, Yang Ning stared at his hand, not wanting to be satisfied with the status quo.

Regardless of her natural resources and acquired connections, she is still a lot worse than those artists who have the backing of strong brokerage companies. If she wants to catch up, she can’t neglect her mentality at all.
