

Chapter: 3315

As soon as these words came out, Yang Ning remembered that when she called him just now, she forgot to tell him. She was stunned for a moment, and then her eyes became sad again.

“He probably doesn’t care, I’ll let him know, and forget about other things.”

Xiaodong was stunned for a while, not understanding what was going on between the two, but the original matter and there was no room for her to intervene, after thinking about it, he still didn’t ask a few more questions, just chatted with Yang Ning about something else, and pulled her. Went to bed.

After the filming of the second issue of “Let’s Run, Star”, due to the public opinion issue this time, the program team became more cautious in selecting guests.

Everyone has an account in their hearts about these public opinions that happened on the Internet, but they have nothing to say.

After a few more episodes, Yang Ning will officially start filming “Love in Progress”.

From the day the contract was signed, she had already informed An Tianxiang by text message. After all, she didn’t want to do the same thing again.

However, An Tianxiang hadn’t returned to China, and there had been no response from there, so she gradually became less concerned.

On this day, Yang Ning was preparing to pack some clothes on Xiaodong’s side. He was ready to go abroad to shoot the show. Half of the things were packed, but the phone came.

“Hey.”

Picking up the phone casually, Yang Ning folded his clothes with one hand. After a long silence on the other end of the phone, a clear male voice came.

“Yang Ning, it’s me.”

It was Yang Qingfeng who called. Yang Ning was not very surprised. He raised his tone slightly, but felt a little strange: “What’s the matter, suddenly calling me at this time?”

Yang Qingfeng smiled and said: “I want to meet you now, don’t get me wrong, isn’t it going to be a show, I want to know more about you.”

In the final analysis, the show “Love in Progress” is to show all kinds of things about love among stars. For Yang Ning, the meaning of this show is for Yang Qingfeng.

Therefore, he proposed to get to know each other, but Yang Ning himself did not have any extra excuses, but in her consciousness, she always felt that she and Yang Qingfeng had known each other for a long time.

So she said, “Okay, let’s make an appointment to meet in a cafe, but I think we are familiar enough, what else do you want to know?”

Yang Qingfeng sneered and said, “It’s nothing, such as hobbies and the like, who likes and so on.”

“Pfft, you are too serious, this is a show.”

Yang Ning smiled, feeling a little emotional about his simplicity, and some parts of his heart also resisted.

“Don’t think about fake dramas, I will always treat you as your best friend.”

There were some things she didn’t want to say so straight, but if it was someone else, Yang Ning would have misunderstood.

However, Yang Qingfeng is different. This person is someone who has helped her. Any kindness will be repaid, and vengeance will be avenged. This is the principle of her life in this life, so she will not be willing to drag her on and hurt the people in front of her.

Hearing Yang Ning’s answer, Yang Qingfeng was silent for a long time. He held down all the impulses in his heart and tried to show his calm side.

“I know. If you don’t remind me, I won’t think so. Since I want to whitewash myself, I must be more serious.”

“Alright then, let’s meet at the cafe.”

Yang Ning quickly accepted his words, nodded, and was about to hang up the phone, but Yang Qingfeng stopped her again.

Just listen to him hurriedly: “Wait, I want to meet at your house.”

Hearing this, Yang Ning was stunned for a moment, frowning for unknown reasons, she asked suspiciously, “What’s the matter, do you want to meet at my house?”

“If I was photographed entering and leaving your house, wouldn’t it be more reassuring that I’m not gay. Originally, we didn’t officially announce our relationship, so many people speculated that it was whitewashed.”

Although his words are reasonable, they don’t seem to be Yang Qingfeng’s style. He is a very decent person, and he will never come up with such ideas for his own affairs.
