He looked away, not wanting to let the psychological defense line he finally built up collapse like this.

Regarding Yang Qingfeng's apology, Yang Ning was speechless for a while. She was even more angry at An Tianxiang than at Yang Qingfeng during the phone call in the morning.

It's just that for now, all she has left is self-blame for herself.

"It's nothing, you don't need to care so much, now my anger is almost gone."

Sitting on the rattan chair, Yang Ning took a sip of red wine and stared at the dark blue sky with a pair of almond eyes.

At this moment, what is An Tianxiang doing?

Looking at Yang Ning's absent-minded appearance, Yang Qingfeng lowered his eyebrows, the light and shadow overlapped on his face, which was exposed between light and dark, and his mood was depressed.

He stood up and ate a chopstick Yang Ning's dish, which was bitter and hard to swallow, but Yang Qingfeng swallowed it anyway.

"fine."

Putting down his chopsticks, Yang Qingfeng's face was expressionless. He glanced at Yang Ning's surprised eyes, and the corners of his mouth couldn't help but twitch.

"What's the matter, do you think it's unbelievable for me to eat?"

Yang Ning took a sip of red wine unimaginably. Even if she made this dish, she didn't want to eat it.

"Um...you have extraordinary courage."

"Well, some people say that it is true love that can eat this kind of food."

Yang Qingfeng raised Yang Junyi's eyebrows in a playful manner, not sure if it was a joke or his sincere thoughts.

Yang Ning thought about it, but didn't know how to answer. In the end, he sneered, and his eyes flickered perfunctorily.

At night, the show crew and the two slept together in the villa. Yang Ning was lying on the bed, but she couldn't sleep. She took out her mobile phone and dug out An Tianxiang's mobile phone number, and became entangled for a while.

She hadn't let go of what happened in the morning. She wanted to make a phone call and apologize to him. Recently, in front of him, she always seemed to be misunderstanding him.

Hesitating, not knowing whether to press this key or not.

Suddenly, her phone lit up, and Yang Ning took a closer look and found that it was a text message.

"are you asleep?"

After Yang Ning read the text message, he glanced at the sender again and found that it was An Tianxiang.

She was tight in her heart, not expecting that he would take the initiative to contact her.

In the darkness, the light on the screen was slightly dazzling, Yang Ning blinked, thinking about how to reply to him.

The mood was complicated, and there was a lot to say, but Yang Ning finally responded by saying "I didn't sleep."

After waiting for only a second, a new text message came from the other end of the phone.

Yang Ning couldn't wait to open it, and couldn't help but want to quickly check the text messages on the screen.

"Me too, why don't you sneak out and I'll take you for a ride."

Go for a ride?

Yang Ning was stunned for a moment, then reacted, her expression suddenly became excited, she immediately raised the corners of her lips, jumped up from the bed, and the worried look just disappeared.

Almost without thinking about the consequences, she hurriedly put on her clothes and shoes, sat on the bed and quickly texted An Tianxiang back.

"Okay, come pick me up!"

She seems to have never been so excited, and she has never wanted to do something so much. All kinds of annoying things and bad relationships seem to have wrapped her heart around in circles and suffocated. The plastic film has already exhausted her.

At this moment, Yang Ning just wanted to blow the cold wind fiercely and put those unhappy things behind him.

"Okay, you wait for me, I'll come right over."

An Tianxiang's message was quickly replied. After reading the text message, Yang Ning threw the phone aside, put his arms on the bed, and finally felt a lot more relaxed.

After a while, Yang Ning's cell phone rang again, she answered the phone quickly, and An Tianxiang's voice came from the receiver.

"I'm downstairs, come down quickly."

"Okay, come down now."
