

Chapter: 3331

You must know that a fresh and beautiful woman like Yang Yue is priceless in the industry, and he doesn't care about this amount of money.

The dishes on the table were already cold. Yang Yue glanced at the delicate dishes, mixed with Yang Ning's voice and President Wang's disgusting touch, the dirty feeling in her heart rose again.

Across the round table, she stared coldly at Yang Ning who was sitting across from her, her expression always silent, becoming arrogant and defensive: "Is it your turn to intervene in my affairs? Yang Ning, You are just that wild child who was beaten and scolded in the countryside and didn't know how to hide!"

Yang Yue couldn't bear it any longer. Whether it was the constant scrutiny in Yang Ning's eyes, or the various humiliations and touches of President Wang, she couldn't force herself to face all this.

Today is simply a stain in her life. She gritted her teeth fiercely, and her nails had already penetrated into the palm of her hand.

In the end, Cheng Hao is to blame for all this. If he hadn't come to him suddenly and told Zheng Tao what he had done with him in Las Vegas, everything would not have become out of control. .

Up to now, she still clearly remembers Zheng Tao's furious appearance, loudly blaming and berating herself for being a waste.

waste.....

That's right, she is really a waste. I believe that Cheng Hao's stupidity can drag Yang Ning's slippery head into the water. After the failure, he was approached by him and threatened with money.

Those hundreds of thousands are simply her own IQ tax. If Zheng Tao hadn't thought of such a solution for herself, this time, she would have been completely killed by Cheng Hao's revelations.

"Of course I'm not questioning you, it's just a questioning. You don't refute your expression, that's an admission?" Yang Ning raised his eyebrows contemptuously, and a little Xinghan fell into his deep eyes.

Yang Yueqiang suppressed the discomfort and nausea in her heart, took President Wang's arm, looked charming, and her soft body kept leaning against him.

"I admit, since you can cling to An Tianxiang, why can't I go with President Wang? Both of them have equal power, or does this make you red-eyed?"

In the circle, not many people knew that she was related to An Tianxiang, and the people present had never heard her mention that they knew such a powerful person, and their eyes were somewhat awe-inspiring.

How many small flowers in the entertainment industry tried to get An Tianxiang, but they all ended in failure. The seemingly ordinary woman in front of her eyes conquered An Tianxiang's heart instead.

"Really, Yang Ning, I haven't heard of you at all!"

"Yang Ning, isn't An Tianxiang very handsome!"

...

One after another inquiries surrounded Yang Ning like a tide, she frowned irritably, and the last thing she wanted to be known was being stabbed by Yang Yue.

She stared at the woman in front of her, frowned, and her eyes were full of warning.

"Let's not talk about whether we are related at all. Even if there is, it is definitely not a relationship between you and President Wang, right?"

Annoying Yang Ning, she didn't pay attention to her words at all. Since she wanted to offend, she didn't mind offending enough.

As soon as they heard such impolite words, Yang Yue and President Wang's faces turned pale with anger.

However, when President Wang heard that Yang Ning had a relationship with An Tianxiang, he was full of doubts for a while. Even if Yang Ning scolded him like this, he would not dare to act rashly for the time being.

"Yang Ning, you are really going too far!"

The ignorant is fearless, and can no longer stand Yang Ning's aggressive questioning, Yang Yue immediately slapped the table and stood up, pointing at Yang Ning's nose with an uprising posture.

However, Yang Ning sneered sarcastically, and didn't even bother to look at her: "I got this role, and Director Zhong personally interviewed and approved it, but you directly instigated investors to help you fill the role, who is too obvious?"

Yang Ning's words made everyone at the scene speechless. She sneered and looked at Yang Yue who shrugged her shoulders and kept pretending to be cold, trying to divert her attention. Her tolerance has reached the highest level.
