

Chapter: 3334

There is no other way, even if he is completely shameless, he can't drink to death here.

As a result, his heart sank, and he knelt directly in front of Yang Ning and An Tianxiang, which caused an uproar among those who had not left.

"Mr. An, Miss Yang, I was too reckless before, please raise your hands and let me live, I will never appear in front of your eyes in the future!"

A dignified seven-foot man, Wang Haidong said that he would kneel when he knelt. Yang Ning and An Tianxiang both snorted and disapproved. However, An Tianxiang had no intention of actually committing a murder case. Since he has all knelt, it is not impossible to give him one. down the steps.

Turning his eyes, An Tianxiang kicked Wang Haidong, motioned him to get up, his expression was indifferent and distant, and his tone was low: "You have begged me to not give you a way to survive, it seems too ruthless, then, take these with you. Wine, leave with your stinky rag, better hurry, lest I go back."

Kneel on the ground. Wang Haidong didn't expect to be able to retreat with Yang Yue, he breathed a sigh of relief, and the fat on his face finally relaxed.

"Thank you, Mr. An! I'll leave immediately!"

Wang Haidong sent someone to get the wine, and said goodbye to An Tianxiang with a flattering face, and his fat hand pulled Yang Yue to leave. Although the latter struggled with all his strength, it was of no avail.

Seeing this scene, Yang Ning's eyes were calm, and he only felt that this night Yang Yue was more fortunate than lucky, because Wang Haidong had played with many women in his last life.

However, he was powerful and powerful, and he played some unknown stars. Even if he died, he didn't make too much waves. Yang Yue blindly climbed up on this man, feeling that his lifespan was too long.

After Wang Haidong and Yang Yue left, not long after, Yang Ning and An Tianxiang also left the box, and some of the people left in the room were chatting with relish about what happened just now, and they might not leave until very late.

In the parking lot, Yang Ning and An Tianxiang got into the car and planned to go home. The atmosphere around them was a little silent, as if they were deliberately covering up something.

Unable to bear the cramped atmosphere, Yang Ning lowered the car window slightly, and a cool breeze rushed in, making her dull heart feel a little happy.

"If you encounter something in the future, call me, don't carry it by yourself."

Yang Ning was staring aimlessly at the flashing neon scene outside the window, when An Tianxiang suddenly spoke, and the words were thrown into her heart like a stone.

She lowered her eyebrows in silence, dumbfounded for a while, and the colorful patches quickly slipped away from her face: "It's not that I don't want to call you, I don't want to rely on you for everything."

"I know, I know you are an independent woman and don't want to be meddled by others in your life."

An Tianxiang held the steering wheel, and the loneliness in his tone was so obvious that Yang Ning couldn't ignore it. She lowered her eyelashes in silence, turned her head and glanced at his face hidden in the shadows.

In the hesitant mood, there is a hint of uncertainty: "Can you... give me some time, I really don't know if it's time to back down."

In these matters, she has her own reasons for insisting. Although she loves and misses the person in front of her in her heart, she can't follow her own thoughts in many things.

Love is the most variable and the easiest to get out of control, so Yang Ning had to draw a circle for this kind of relationship and not cross into his own career.

She never forgot that the purpose of this life was to embarrass Cheng Hao and Yang Yue's death.

He could hear the reluctance in Yang Ning's tone, but An Tianxiang didn't say much. He subconsciously clenched the steering wheel, nodded, and said nothing.

The next day, when Yang Ning woke up, An Tianxiang was no longer at home. She pinched her sore waist and found a new message on her phone.

Rubbing his hazy eyes, Yang Ning opened it casually, and it turned out to be a piece of news.

[Shareholders of well-known companies are suspected of murder and have been arrested and brought to justice]
