

# Chapter: 3337

He lowered his eyes and looked at the woman in front of him quietly, the many feelings in his heart turned into an evil thought.

Yang Qingfeng's eyes darkened, he stretched out his hand, pinched a strand of Yang Ning's hair scattered on his shoulders, and rubbed it recklessly on his fingertips.

The hair was lightly wrapped in his hand, and the soft and elastic touch made Yang Qingfeng more and more uneasy. He looked at Yang Ning's clenched fingers and the roots of his ears that were already red, and couldn't help but wonder if her lips were in line with this hand. feel exactly the same?

The more he thought about it, the more he calmed himself down, and the silence in the room undoubtedly fueled the madness in his heart.

“Can I give you a hug?”

Yang Qingfeng loosened his fingers, and the strands of hair fluttered back to her shoulders. Yang Ning didn't understand the reason for her request, and opened his eyes in confusion.

As soon as she caught her eye, it was Yang Qingfeng's thick chest. She blinked a little helplessly, trying to keep herself from noticing that he was half-naked.

“Um...why? Even if you want to hug, you should get dressed...”

Yang Ning's eyes were confused, and the only thought that came up in his mind was to leave quickly, but if he turned around and ran away, I'm afraid Yang Qingfeng would feel that he hated him again.

After all, he only had no clothes on his upper body, but he was well-dressed on the bottom. With his current sensitive state, it was inevitable that he would think too much.

Hearing Yang Ning's answer, Yang Qingfeng chuckled lightly, the dark light in his eyes was like a shell wrapped in layers, and suddenly broke out of the shell, shattering the darkness.

For a moment, he really wanted to force Yang Ning directly. However, her worried and confused eyes looked at him with confidence, and the guilt and guilt in his heart kept piercing his heart.

He is really a coward, but he has never been able to hurt her. If he can do it one day, it must be that he is about to be driven crazy by his suppressed feelings.

“Okay, I'll go get dressed.”

Looking at Yang Qingfeng's back, Yang Ning was a little puzzled. Why did he suddenly make such a strange request? Forget it, if it made him feel a little happier, the hugs between friends were nothing.

After a while, Yang Qingfeng got dressed and Yang Ning was waiting for him outside the door. Someone from the program team saw Yang Ning and Yang Qingfeng talking in front of Yang Qingfeng's door, and ran over with a camera.

“Go on, go on, I'm the air.”

The photographer saw that Yang Ning and Yang Qingfeng noticed him, and waved their hands quickly and took a few steps back, trying to be invisible.

Yang Ning was a little helpless. She forced a smile and said, “Do you mind? If you don't mind, I will give you a hug to soothe your recent depression.”

Standing in front of Yang Qingfeng, Yang Ning's eyes were bright and upright. In her heart, it was not that she didn't know Yang Qingfeng's thoughts, or that kind of desire for her.

In the past, she was always avoiding and denying it. As long as Yang Qingfeng didn't say that she liked her, she didn't plan to admit it. After thinking about it, she might be afraid that she would be shaken.

But now, the relationship between her and An Tianxiang is no longer the youthful period, Yang Ning felt that she should not let some other things affect the two.

Between her and Yang Qingfeng, what was owed was paid, and the extra kindness was that she could be friends without caring about his love, for which he also quarreled with An Tianxiang.

But now she wants to face Yang Qingfeng's feelings for her calmly, just as she was determined to be friends with him before. After this hug, she will no longer think about his liking for her, and at the same time, also Don't get too hot.

Just keep being familiar, but don't try to be a close friend.

“Looking at your eyes, you seem to have already decided something.”

Yang Qingfeng saw the light in Yang Ning's eyes that was different from the past. In the past, when he saw that he would only show dark eyebrows, he finally showed a smile.
