

Chapter: 3342

In the empty and quiet box, Yang Ning felt that An Tianxiang had no intention of stopping, so she quickly coughed twice to express her dissatisfaction.

This small sound was especially harsh in the quiet room. The men and women who were trying to do something wrong at the dining table immediately became alert. However, when they looked up, they saw Yang Ning and An Tianxiang who had been standing here for a long time. .

“what!”

Seeing Yang Ning looking at her calmly, Yang Yue almost thought she had hallucinations and screamed in shock. She obviously did not expect to meet Yang Ning here.

Pulling up her skirt quickly, Yang Yue’s face was extremely pale, while Cheng Hao’s expression was surprised, but there was no other expression.

He stood in front of Yang Yue, and there was a cold light in his eyes, which shot directly at the two of them: “Are you deliberately trying to break us, or is it really a coincidence?”

Today’s Cheng Hao lives by clinging to Yang Yue, and his only role is to protect himself and seal his mouth.

The two people in front of them are not good things, and Cheng Hao did not expect that his good deeds would be shattered like this.

Yang Ning stared at Cheng Hao’s disgusting face, his eyes were three-pointed cold, and his tone was dissatisfied: “Watching you play the erotic palace carefully? Do you think your acting skills are very good?”

Can’t understand Cheng Hao’s thoughts, Yang Ning has complained about his self-improvement 10,000 times in his heart, when she was together in the last life, she was really fed up, and now she is going to harm Yang Yue, she is happy to see it happen.

An Tianxiang took his mobile phone and took several photos of the two of them, but neither of them noticed it.

He put away his hands, folded his arms and took a few steps forward, ignoring the fact that the two of them were standing in the same place with disheveled clothes, and slammed the door open directly.

Seeing this, Yang Yue immediately hid in the dark as if she could not see the light.

An Tianxiang’s eyes were dull, and he stared at the two of them closely, with an unspeakable emotion in his expression: “Since you feel that you are doing well, and you need others to look at it carefully, why don’t you open the door? , so that everyone can appreciate it, and can also promote it for you in the entertainment industry.”

The dazzling lights in the corridor squeezed hard into the darkness of the whole room. After listening to An Tianxiang’s words, Yang Yue’s face became even paler.

How could she have thought that she was only framed by Cheng Hao once, and then she was smashed by Yang Ning and An Tianxiang, who she was thinking of, this would be a stain on her life!

Yang Yue felt resentful in her heart, and the emotions in her eyes were like a vortex, which dragged her into a deep current. There was no doubt that she didn’t feel that she was wrong at all, and she only resented Yang Ning and An Tianxiang who couldn’t wait to appear here. The humiliation was branded with their own hands.

“Yang Ning, you don’t have to be so rude! If you don’t leave me behind today, I will never let you go tomorrow!”

This sounded ridiculous, but Yang Ning laughed unceremoniously. She sneered and looked at the person in front of her. The light in her eyes was ups and downs, like the shadow of the moonlight on the deep sea.

“I advise you to reflect on it. As for what you did? I didn’t do anything. Are you still forcing me to watch your erotic drama? If you really say it, you are the one who did it. Did you forget about Las Vegas?”

Yang Ning raised his brows lightly, half of his silent face was hidden in the dark, half of it was illuminated by the light, and the eyes at the boundary were as cold as arrows.

Hearing Yang Ning’s words, Yang Yue frowned, her soft lips tightened tightly, and her cool eyes glanced at Cheng Hao from time to time, her expression a little unexpected.

She said in a deep voice, “That means you know everything?”

Yang Ning raised the corners of his lips, his eyes fluttering at Cheng Hao’s dodging eyes, he already understood what was going on in his heart.

She blinked and sarcastically said, “It seems that you were deceived by someone.”

However, this is more than a deception, it is a fraud!
