

Chapter: 3346

Xiaodong didn't have time to say anything, so he quickly stabilized the car and glared at Yang Ning, "Don't touch me, sister, I'm driving! What do you use to film when you die!"

Being roared by Xiaodong, Yang Ning also reacted instantly. She was still on the road, she hurriedly sat back to her own position, and there was still uncontrollable excitement on her face.

You must know that the role of the heroine in the previous life was given to an actor who was not very famous, but her acting skills were first-rate, and she was an old actor in the entertainment industry.

It can be seen that the program team has high requirements for the artists themselves, and it is precisely because of this that (Ru Feizhuan) has become popular in the north and south of the country.

"Xiaodong, you are too strong, this character can definitely lift me to another level!"

Yang Ning's excitement was written on his face, Xiaodong pursed his lips and parked the car downstairs, happy for her, but also a little doubtful.

She turned her head to Yang Ning and said, "Although this is a big-budget TV series, how can you be sure to make you famous?"

Sitting in the co-pilot, Yang Ning was stunned by Xiaodong's question. She froze at the corners of her mouth, realizing that she seemed too excited and let herself be exposed.

He faltered and couldn't say a word, Yang Ning's eyes flickered, and after a long time, he finally got a few words out of his throat.

"Didn't you say it's a big production? I'm definitely not thinking that way, so I'm exaggerating a bit."

After smirking twice, Yang Ning tried to keep calm and wanted to perfunctory.

Xiaodong, who was on the side, didn't have any scheming. Although he thought it was a little weird, he didn't get into her words in the end.

She raised her eyebrows and watched Yang Ning get out of the car. She followed and locked the car.

The two went upstairs together, Xiaodong and Yang Ning were chatting, and suddenly remembered that it was extra easy to talk about the contract this time.

She couldn't help but said to Yang Ning, "Yang Ning, when I went to negotiate the contract today, I encountered a strange thing."

Xiaodong's serious face made Yang Ning a little puzzled. She turned her head and said, "Why are you so serious? Could it be that something happened in the middle?"

Recalling the scene at that time, Xiaodong couldn't help frowning, she leaned on the sofa with her forehead propped, and thought slowly: "It's not a big deal, it's just a little strange, for example, those managers talk to their own artists. The contract has been in for a long time, but when it came to me, I was given the opportunity to audition very quickly."

When she said this, Yang Ning was quite surprised. As far as she knew, every actor in this drama in the previous life was painstakingly set, and many actors who were not optimistic were finally nodded by the director who made a guaranteed investment. of.

Now, how could it be possible to set a role for Xiaodong without asking anything?

"This is really strange." Yang Ning frowned, his eyes fell into contemplation.

Just like the resident guest who got "Run, Star" last time, there may be An Tianxiang's help behind it.

"Hey, don't think too much. Anyway, it's just an audition opportunity. It's not sure if you can't pass it."

Xiaodong probably also sensed something from Yang Ning's hesitant expression. She pressed the switch on the TV and was eager to change the subject.

Unlike Yang Ning, as Tang Qian's former assistant, she is well versed in the rules of the entertainment industry. Since she has connections, she must use it, otherwise it will just waste resources in vain.

Sitting on the sofa, Yang Ning could see that Xiaodong didn't want her to go deeper into this issue. She sighed lightly and tried her best not to pay attention to it, but she was still reluctant to respond.

However, any role in "The Legend of the Concubine" is an opportunity for her. She has already decided that she does not have to play the leading role. As long as the director approves her role, she will play which role.

The next morning, Yang Ning woke up in Xiaodong's rental house. She hadn't returned to An Tianxiang for several days, because he was almost always on business trips and rarely stayed at home.
