

Chapter: 3352

Xiaodong covered his mouth and smiled, thinking of the sweet interactions between her and Yang Qingfeng that she secretly watched on TV while Yang Ning went to bed yesterday, her girlish heart also exploded.

“You probably haven’t watched your own variety show yet. The editor is too strong. He really made you into a princess-like character. Yang Qingfeng is the perfect match for you, His Royal Highness, woo woo woo.”

Seeing Xiaodong’s exaggeratedly moved look, Yang Ning became more and more afraid to look at it, she was afraid that she would be disgusted by herself on the screen.

“Okay, okay, don’t play tricks in front of me, aren’t you just pretending to be in love? You look like I’m getting married.”

Yang Ning raised her hand, a little helpless and a little embarrassed in her expression. So many people said that she and Yang Qingfeng felt like a couple. She was really afraid that An Tianxiang would see it, and then she came to lose her temper.

Thinking of An Tianxiang, Yang Ning suddenly remembered what Huang Wen said in the interview hall. Someone recommended her resume. She felt that there would be no one else for this person, but she didn’t ask. Can’t settle down.

Thinking of this, Yang Ning temporarily decided to go to An Tianxiang first and ask clearly.

“Xiaodong, you go upstairs first, please lend me this car first, I want to find An Tianxiang.”

“Ah?” Xiaodong blinked, a little confused, and asked, “Why did you suddenly want to find him?”

Yang Ning was silent for a moment, and then said: “It’s not a big deal, but I still feel uneasy when I think about what Huang Wen said. Although they finally admitted my acting skills, Huang Wen is also willing to give me a chance, but Without this person’s recommendation, everything that follows is empty talk.”

“So, do you want to thank him?” Xiaodong suddenly smiled, but when he thought of the way she and Yang Qingfeng kissed me on the screen, he suddenly became worried about Yang Ning’s relationship.

“I’m here to thank you, and I also want to let go of myself.” Yang Ning raised the corner of his lips slightly and blinked at Xiaodong.

An Tianxiang’s help this time was too important to her, and Yang Ning also knew that he was helping her in a measured way.

At first, she heard Huang Wen say that she was forced into the interview, and she was embarrassed and angry, but after receiving Huang Wen’s approval, Yang Ning didn’t feel that way.

In any case, he did not set a role for himself, but pointed her in the direction like a nobleman and asked her to work hard.

If it is such a benign help and support, she must thank her to make her heart feel more comfortable.

Hearing Yang Ning say this, Xiaodong was also a little helpless, she glanced at her and handed her the car key in her hand: “Well, although I think you two are like old couples, there’s no need to be polite, But I know that you are a person who loves and hates clearly, and this kind of thing is especially clear.”

After taking the car keys, Yang Ning raised her eyebrows in a funny way, hugged Xiaodong and kissed her on the cheek, the pride on her face was clear: “Haha, you know me best, then I’ll go first!”

“Okay, pay attention to safety on the road!”

Xiaodong wiped the lipstick mark on her face, and she couldn’t help laughing. She waved her hand with a chuckle and watched Yang Ning drive away.

While waiting for the traffic light on the road, Yang Ning called An Tianxiang, but the person who picked up his phone was not himself, but his secretary, telling her that An Tianxiang was in a meeting.

Hearing this, Yang Ning was a little surprised, because she just received a text message this morning, saying that he would arrive at noon. It seems that he was caught up in business again, and now he has gone to the company.

There was no other way, Yang Ning had to turn around and drive the car in the direction of Tianhua.

There was no obstacle along the way, Yang Ning hummed a little song, and could see that she was in a good mood. This was the first time she went to Tianhua. Even in the last life, she had never been there.

Ten minutes later, Yang Ning arrived at Tianhua’s downstairs. She parked the car and looked at the office building that was a hundred times bigger than Shengtian. It’s worth over 100 million, it’s hard to imagine Anjia’s property.
