

Chapter: 3361

He was stunned for a moment, how could Yang Ning know about this, could it be that Yang Ning was standing behind him when he was on the phone?

No wonder, that time the two of them had dinner, she was not very interested, it turned out to be discovered by him long ago.

Recalling the situation at the time, Cheng Hao was almost certain that Yang Ning had been waiting for him at that restaurant very early, otherwise she would never have listened to his call silently behind her, and didn't know what to do. noticed by him.

It seems that she has long been wary of herself.

“You... did you already know that my relationship with Yang Yue is not normal?” Cheng Hao's attitude suddenly became calm, he frowned and stared at the person in front of him, and suddenly realized that what the young master said was right, this is by no means a simple woman.

Hearing this, Yang Ning glanced at him a few times, the light in her eyes was scattered and scattered, which could not illuminate the emotions in her eyes: “What do you think, I know very well about you and Yang Yue. How do you know, you still remember when I borrowed money for you, I took your mobile phone and checked your call records.”

“You, the loser, didn't seem to find out at all. When you came back to China to find me, I also deliberately asked you to find Yang Yue. This is precisely because I know your relationship very well, but unfortunately you didn't find anything, you are still stupid. I thought I was really thinking about you.”

Yang Ning revealed the truth unceremoniously, like gauze on a rotten wound. For her, at any moment of revenge, she did not see Cheng Hao looking at her in disbelief, revealing a look of defeat. The attitude of the person made her feel happy.

In the last life, Cheng Hao won him. In this life, she must let him lose this life.

Cheng Hao was intimidated by Yang Ning's eyes, but what he didn't understand was that Yang Ning's hostility had surprised him from the very beginning when the two met.

Perhaps this is the natural enemy.

Taking back his thoughts, Cheng Hao's gloomy eyes slanted, he frowned, looked at Yang Ning a few times, and clenched his fists.

“It seems that you are quite confident in yourself. Since you have readily admitted it, this time I admit it. Speaking of which, I came to see you for something else, so I will trouble you to come with me.”

After he finished speaking, Cheng Hao's complexion changed dramatically, he took two steps slowly, and the calm expression he had just shown suddenly darkened.

Yang Ning was startled and felt something was wrong. She took two steps back, and her whole body became nervous.

She roared alertly, “What do you want to do?”

This is downstairs in Tianhua, but Cheng Hao looks fierce towards her. Could it be that he is not afraid of An Tianxiang at all?

Just when Yang Ning's thoughts were complicated, Cheng Hao suddenly stretched out his hand and grabbed Yang Ning's arm fiercely. She was shocked, with a look of horror on her face, forcing the fear in her heart to confront the person in front of her. up.

“Let go of me! Could it be that you still want to kidnap me! Don't forget whose territory this is!”

Normally, she tries to avoid her relationship with An Tianxiang as much as possible, but at this moment, she can't care much, and can only think of the most threatening words to shock the people in front of her.

Cheng Hao seemed to turn a deaf ear to her words, he smiled coldly, grabbed her arm, and dragged Yang Ning to the car.

He said ruthlessly: “Even if you are on the land of the Lord of Hell today, you have to go with me!”

“You let me go!”

After all, there is a difference in the strength of men and women. Yang Ning yelled and twisted and struggled violently, but it did not affect Cheng Hao at all.

Now how to do? This was the only question Yang Ning thought about at the moment.

It was obviously on the side of the road, but those who saw it turned a blind eye, and they didn't dare to look here.

However, she is not so easy to admit defeat, the feeling of powerlessness only occurred for a moment, and she was quickly erased.
