

Chapter: 3371

Yang Ning sneered and tried her best to hide her embarrassment. She had to say how to say it, and she really forgot about him...

“No, no, I remember you, didn’t something happen in the middle, or I would have come back long ago.”

Although she really didn’t remember it, Yang Ning knew she couldn’t say that. She quickly shook her head, spinning like a spinning top, and didn’t dare to slack off.

An Tianxiang lowered his head, and caught the guilty conscience in her eyes in just a moment, he raised his eyebrows, and his cheeks approached her a bit: “I don’t think you remember it at all, you have to be firm when you lie. Forget it, follow me. Tell me, what happened to you?”

Holding Yang Ning tightly, An Tianxiang had no intention to care about trivial matters. Since Yang Ning said what happened to them, that must be the focus of the inquiry.

Yang Ning didn’t plan to say this, but since he asked, he would only arouse suspicion if he didn’t say it. With a sigh, she simply repeated it.

A moment later, after listening to Yang Ning’s words, An Tianxiang’s face immediately darkened. Tang Qian, a woman who knew she was standing behind her, dared to act so arrogantly.

Artists under Shengtian’s subordinates would not take him seriously.

“Hey, don’t be angry because of this kind of thing, you have a cold yet.” Yang Ning saw An Tianxiang pursing her lips and didn’t speak, a worry arose in her heart, she raised her head and stared at the pair thoughtfully. eyes, afraid that he would trouble Tang Qian for this.

This is not to protect Tang Qian, but she feels that things can’t be made too much. With Tang Qian’s connections, even if An Tianxiang touches her, the final aftermath will be extremely troublesome, so why bother.

Anyway, Tang Qian hasn’t threatened her yet. When it’s really irreversible, she should use An Tianxiang’s trump card.

“Don’t you care at all?” An Tianxiang glanced at Yang Ning from the corner of his eye, with an obvious annoyance in his eyes.

Yang Ning pursed her lips, spread her hands and said, “I’ve already quarreled with her, what else is there to mind, you don’t care about this for the time being, she can’t play any tricks anyway.”

Unraveling An Tianxiang, Yang Ning just wanted to perfunctory in her heart. She shifted her gaze to the study materials on the dining table and remembered that this was what he gave her today.

Seeing these, she felt a lot of emotion in her heart. At that time, she was forced to drop out of school, and now she finally has the dream of entering school again, and these books are the first step.

“What are you thinking about? An absent-minded look.”

An Tianxiang glanced down at Yang Ning, and suddenly noticed that her eyes were wandering, as if she was thinking about something else, Yang Ning recovered and blinked.

She chuckled: “It’s not a very important matter, I’m just thinking that I’m going to enter the campus as a student again, and I hope this time I can get what I want.”

Yang Ning raised his head slightly, and there was a soft broken light in his eyes, his delicate face was soaked in the light, and the smile at the corner of his mouth seemed to make all this more and more brilliant.

The woman in front of her, although not absolutely beautiful, looked extremely clean at first glance. The aura surrounding her was mysterious and changeable, attracting him like a magnet.

An Tianxiang’s deep eyes darkened again, he hugged Yang Ning tightly, the tip of his tongue touched her small earlobe, and the numbness spread all over Yang Ning’s body for a while.

“Ok?”

Not understanding why he suddenly made this move, Yang Ning made a strange sound instinctively, her face flushed, she quickly closed her mouth, and put her hands on his shoulders.

The warmth from the auricle made her feel uneasy for a while, Yang Ning bit her lip lightly, trying to perfunctory this uncomfortable feeling, she said very unromantly: “Hey, what are you doing, you have eaten.?”
