

Chapter: 3374

“It turns out that this is the case. During this time, I don’t have to travel for business. I will accompany you in this filming.”

An Tianxiang played with her hair, his eyes flashed, and his tone was obviously tentative. He didn’t forget that when he was filming “Love In Progress”, he was just on the same flight with them, but Yang Ning dumped them all. face.

“this.....”

Sure enough, Yang Ning hesitated.

She frowned and thought about it, she still didn’t really want An Tianxiang to appear in the crew, but, as the sponsor of this episode, it wouldn’t be surprising if Tianhua appeared there.

“It’s better not to go. Since you don’t have to travel, shouldn’t you stay at home and have a good rest?”

After thinking about it, Yang Ning still thought it would be better not to let him go, so he refused without any doubts.

Hearing this, An Tianxiang paused while playing with Yang Ning’s hair, and the expression on his face was stiff.

He didn’t understand why he was so ostracized when he just appeared beside her. If it was just for her reason, it would be really ridiculous.

Thinking of this, An Tianxiang laughed lightly, but there was no smile in his eyes. He said indifferently, “If you don’t let me go, today, you will be held on this bed by me.”

Yang Ning was stunned for a moment, and her expression was quite depressed. She did not expect that An Tianxiang would actually start to practice tough tactics. If he really did this, she would have no chance of winning against him.

So what should we do?

An Tianxiang doesn’t eat hard food, but she seems to eat soft food. Maybe she should pull her face down and comfort the man in front of her.

Wanting this, Yang Ning turned around in An Tianxiang’s arms, showing a pleading expression: “Don’t embarrass me, I’m just going to film, I’ll be back soon, you don’t need to follow.”

Hearing Yang Ning’s words, An Tianxiang’s fire became even more intense, but it was difficult for her to appear around her.

His face turned cold, and there was an irreversible determination in his eyes.

“It’s useless to say anything. I’m still saying that. Don’t let me go. You will be detained on this bed today. I won’t let you go to the ground, including the bathroom.”

As soon as these words came out, Yang Ning was stunned. She reacted and sighed helplessly.

Obviously, if you confront him head-on at this time, I am afraid that you will only encounter more and more serious quarrels. The best way at this moment is to not talk to both of them. The most important thing is to calm down temporarily.

Yang Ning lay on the bed and stopped talking. She played with her fingers while thinking that she fell asleep again after an unknown time.

When she woke up again, An Tianxiang who was beside her had disappeared. Yang Ning opened her eyes in surprise, thinking that this was not a perfect chance to escape, she quickly got up and put on her clothes, and hurriedly opened the door to want to escape. leave.

However, just as she was about to leave, a strong figure appeared at the door, with two suitcases in his hands.

“you.....”

The person in front of him was none other than An Tianxiang. Yang Ning saw that he was ready to go, and knew that he could not run away or get rid of him.

If she had known earlier, she should not have told him that she would be gathering at night.

The words have already been said, and it is useless to complain any more. Yang Ning sighed and stopped talking, which was tacitly acquiescing to his behavior.

Seeing this, An Tianxiang was a little proud. No matter how stubborn a donkey was, there would be a day when he was taught well, not to mention that Yang Ning was very smart and knew how to give up.

He opened the door, raised his lips and said, “Let’s go, it’s already eleven o’clock, and it’s not too early to get there.”

“Well, let’s go.”

The two brought them to the airport, and after waiting for a while, they joined up with the “Love in Progress” team. Everyone saw Yang Ning and An Tianxiang appearing together, and their eyes showed varying degrees of surprise.

Among them, only a small number of people who participated in the recording of the second phase were not too surprised, including Yang Qingfeng.

His eyes only glanced at them politely, and then he quietly stood aside. To him, Yang Ning was now a distant figure.
