

Chapter: 916

what!

Grandmaster?

Hearing this, Bai Chen was stunned.

But Old Madam Bai, Uncle Bai Hai, and all the high-level members of the Bai family all around them felt as if they were hearing hallucinations, and could hardly believe their ears.

“Who...who is the Grand Master? You mean Lin Fan?”

Old Madam Bai’s body was trembling, and there was a thick and unbelievable in those muddy eyes.

The rest of the Bai family also looked at Bai Wen and Bai Wu as if they had seen a ghost.

“That’s right! That’s Lin Fan!”

Bai Wen gritted his teeth with hatred, and there was still a deep fear in his expression:

“That guy is pretending to be a pig and a tiger! Our two brothers have fought with him, and none of them even The power to fight back!”

“We can be sure that he is 100% Grand Master!”

Jing...In one sentence, the entire Bai family became silent in an instant. Whether it is the old lady Bai or the rest of the Bai family, they just feel like they are dreaming.

Lin Fan?

In their eyes, they are eating waste waiting to die.

The rubbish who was humiliated by them day by day and ridiculed every night turned out to be... the master?

Grandmaster!

Almost all of the great masters in Jiangnan City are under the command of the four hidden giants.

The Bai family never dreamed that there was such a character hidden in their family.

This has simply subverted their three views.

“Okay! What a bastard who pretends to be a pig and eats a tiger! No wonder their family has the courage to disobey the orders of our Jiangnan Bai family!”

At this moment, Bai Chen was so angry that his complexion was ashen.

There was a strong murderous and chill flashing in his eyes:

“Just, does he think this is the end? Bai Wenbaiwu, the communication family, mobilize a team of white angels to Jiangshi!”

White angel!

Hearing these four words, the old lady and everyone else shuddered.

Everyone seemed to have heard the name of the devil.

If you say, what is the most terrible thing in Jiang City!

That is the force value in the hands of the four hidden world giants!

In the eyes of ordinary people.

The most powerful in Jiangnan are the two great masters Leng Aotian and Helan Mountain.

But many people don’t know.

The really powerful ones are the subordinate organizations of the four hidden world giants!

Through a hundred years of development and acquisition, they have almost all the top powerhouses in the Jiangnan area, all income under their command, and established four great underground organizations!

For example, the Bai family...white angel!

Inside, there are gatherings of great masters, and there are even great masters who are strong.

Countless killings!

Invincible!

This is also the ultimate heritage of the century-old giants.

And now!

In order to deal with Lin Fan, a team of white angels had to be dispatched, which made the hearts of the Bai family complicated.

“Old lady, do you know who is usually the closest to Bai Yi’s family?”

Bai Chen asked the old lady with his eyes flashing with chills.

The relationship recently?

Grandpa Bai was taken aback for a moment, but for a while, she didn’t know how to answer.

On the contrary, the uncle Bai Hai next to him was extremely excited and said:

“Master Bai Chen, I know!”

“In Jiang City, if you say that there are four people who support Bai Yi and Lin Fan the most! One is the chairman of Tianlong Group. Xu Tianlong, the second is the Blood Rose of the Shengshi Club! The other two are Nancheng Tiger Lord and Beicheng Dao Lord!”

“As far as I know, these four people are now completely Lin Fan’s lackeys!”

Xu Tianlong!

Blood rose!

Tiger Lord!

Master Dao!

Hearing these four names, the corner of Bai Chen’s mouth became more vicious:

“Okay! Isn’t the Bai Yi family unwilling to submit? Then I will send someone to arrest all the people closest to them!” “If you don’t agree in one day, I will kill one, and if you don’t agree in four days, then I will kill all!”

Bai Chen’s words were shockingly murderous.

But falling in the ears of the many Bai family members around, making them all cold and cold.

Almost all the Bai family knew.

As long as the team of White Angels arrives, it will herald the death of Lin Fan and others!
