

Chapter: 922

king!

The blood wolf suddenly trembled, and a pair of eyes burst into a thick and incredible color:

“Master, although the Jiangnan Bai family and the white angel are in Jiangnan Province, they belong to the top power! But in front of the king, It’s just ants and reptiles!”

“Dare they deal with the king?” The blood wolf was a little unbelievable.

After all, only they really understand how terrifying and powerful Lin Fan is.

Xuefutu shook his head, and the smile at the corner of his mouth became thicker and thicker:

“That’s because the king is too low-key!”

“That’s why a group of ants and reptiles will appear one after another!”

Finished!

A hint of expectation appeared on his face, and he smiled and waved his hand:

“Let’s go, let’s return to Jiangshi! This time, the king might not drive us away!”

Huh?

In a word, the eyes of Blood Wolf suddenly lit up.

The last time I met with Wang, it was Wang who told them to leave and return to the Caribbean, but the blood wolf has been recovering from injuries these days, which delayed the trip. Mobile terminal:

Until today, the injury healed and I had to leave.

And if you can stay with the king, this is definitely what the master and apprentice dream of.

Thought of this.

The master and apprentice looked at each other, and there was a thick smile of excitement and ecstasy on their faces.

...

At the same time!

Land Rover.

Bai San in the back row took out a pack of cigarettes from his pocket, his palm tremblingly pressed the lighter and lit the cigarette.

Obviously, until this moment, he still hadn’t woke up from the fear just now.

“Three... Three brothers! We have a brother dead, so forget it?”

The man who drove was changed to another person, but his face was full of deep resentment.

After all these years.

Only white angels kill people, but no one has dared to kill white angels.

Today, it is simply their shame.

“What can you do if you don’t count!” A wry smile appeared at the corner of Bai San’s mouth:

“That’s two great masters! Especially the Blood Buddha, I am afraid that in our organization, except for the leader, no one is his opponent!”

“We are considered to have escaped today, otherwise, our entire team will be wiped out!”

Bai San felt extremely lucky.

Only one person died, but everyone else was saved.

Otherwise, once the battle starts, their group will have no reason to survive, it will definitely be gone!

Heard this!

The man who drove, no matter how unwilling he was, he could only turn into a long sigh:

“I really don’t understand, the two masters and apprentices of the Blood Buddha have become great masters. What are they doing in Jiang City?”

Jiang Shi ?

White shook his head:

“What do they come to River City, and we have no relations now the only news is that Lin Fan’s men, all a bunch of Jiunangfandai, otherwise, we will be extremely troublesome task this time!!”

Said to here!

Bai San and the man who drove, heaved a sigh of relief.

It’s just that if they knew, the two masters and apprentices who almost scared them just now were just Lin Fan’s subordinates, so I don’t know how they would feel.
