

Chapter: 941

boom!

In a word, Bai San was almost paralyzed in shock.

The King of Blood Prison!

This was the name he had just heard yesterday, but he remembered it clearly. The old grandfather Bai once said last night that Grandmaster Lin in Jiang City is very likely to be the King of the Blood Prison!

And now...

“No...it’s not right!”

Bai San suddenly thought of something, and then shouted at the Blood Buddha in disbelief:

“Blood Buddha, there must be a misunderstanding, we did not provoke the King of Blood Prison, nor did we provoke him. Grand Master Lin, why should he deal with us, why should he deal with the Bai family? This...this is impossible!”

Bai San tried to break his head, and couldn’t figure out this problem at all.

Since they knew that the King of Blood Prison had appeared in Jiangshi, they had repeatedly planned to act in a low-key manner, just for fear of provoking the terrifying dragon.

And now...

“Hey...”

Xuefutu smiled.

He looked at the Bai third class, as if looking at a group of idiots:

“Did not provoke my king?”

“You obviously want to take away my king’s new Bai family, you obviously want to kill my king’s men, you Tell me now, didn’t provoke my king? ”

Wh...what!

Hearing this, Bai San seemed to be struck by lightning.

A name suddenly appeared in his mind! Mobile terminal:

That is – Lin Fan!

“You mean, Lin Fan is the King of the Blood Prison?”

Bai San’s voice was trembling, but he knew that Lin Fan was just a hairy boy in his early twenties, so young, how could he be the King of the Blood Prison?

This is simply incredible.

Looking at the horrified expressions of Bai San and others.

The smile on the corner of Xuefutu’s mouth grew stronger and stronger:

“Besides, let me tell you another news!”

“My king is not only the king of the blood prison, but he is also the new master of the Huaxia Forest Park!”

Wo... wocao !

Upon hearing this, Bai San and the others only felt that their three views were about to be broken.

The King of Blood Prison!

Master of the Globe!

China Forest Block!

These three terrifyingly terrifying identities turned out to be the same person. What is especially unbelievable is that this person has been hiding in a small third-tier city to be a door-to-door son-in-law.

“I...My Bai family is over!!!”

A deep despair appeared on Bai San’s face.

Especially at this moment!

Huh!

Bloody Buddha’s palm slammed at the three of them.

Scarlet blood splashed out from the necks of Baisan three people in an instant, and then the three hideous heads with deep despair and fear slowly slid down from their necks and fell to the ground.

One second, kill!

...

At the same time!

Tianlong Group.

At night, the Tianlong Group was completely dark, and most of the office lights had already been extinguished.

There is only one office on the top floor, brightly lit.

This is Xu Tianlong’s office.

At this moment, Xu Tianlong was lying on the table, dealing with a contract, just at this moment.

Noisy!

The lights in the office flickered slightly, and the door of the back room was kicked open by someone from outside!

Bang!

A piece of sawdust collapsed and flew.

It’s just that Xu Tianlong didn’t seem to be surprised by all of this. As if he hadn’t heard, he still dealt with his contract.

“Xu Tianlong!!!”

Three white angel members rushed in.

They looked at Xu Tianlong, who was immersed in the contract, and the corners of the three people’s mouths were full of disdain and coldness:

“Okay! You don’t have to pretend, come with us!”
