Especially, when they saw the uncontrollable joy on the faces of Bai Chen, Mrs. Bai, and all the Bai family members.

All the guests were slightly taken aback.

Especially when they think of the fact that Bai Chen didn’t know who to call before and said “action begins”, it seems that the two must be related.

“Parents, don’t worry! He can’t hurt me!”

“On the contrary, I will surprise you!”

What!

Hearing Lin Fan’s self-confident words, whether it was Bai Yi or Baishan’s couple, they were all bewildered.

They didn’t expect that Lin Fan would dare to speak big words and brag at this time.

This...

Old Mrs. Bai got up first, greeted the guests in the courtyard, and then walked toward the backyard with many Bai family members. , See this scene!

Only Bai Yi’s family of three is hesitant at this moment.

They were hesitant to leave for fear that Lin Fan would be in danger.

“Doctor Zhang, please take my wife and my parents to the backyard!”

Lin Fan smiled slightly and said to Zhang Tianyi.

Master Zhang Tianyi stood up immediately, facing the Bai Yi family, respectfully said:

“Three, come with me! Don’t worry, there are few people in this world who can hurt Mr. Lin!”
