

Chapter: 946

Especially the car sound, violent and violent.

When the three Bai Chen heard it, they knew it was the voice of Land Rover.

“Come on!”

Bai Chen’s eyes suddenly brightened, and when he looked at Lin Fan’s smile, his smile became more intense:

“Hahaha...say Cao Cao, Cao Cao is here! Lin Fan, your men are coming to see you soon, are you ready? Already?”

Bai Chen seemed to see Lin Fan’s corrupt appearance at this moment. especially!

After he heard the sound of the four engines, they stopped at the front door of Bai’s house.

Bai Chen turned to the courtyard and shouted loudly:

“Bai San, you can bring people in!”

“Let this Lin Fan see how rubbish his men are, like ants! Hahahaha...”

Bai Chen and Bai Wen and Bai Wu laughed wildly.

But then, something unexpected happened to them.

After Bai Chen’s voice shouted, there was no response from outside the courtyard. Bai San and the others did not escort Xu Tianlong and the others in as they expected.

Ok?

This scene gradually solidified the smiles on the faces of the three Bai Chen.

The three of them frowned slowly.

“What’s the matter? Didn’t Bai San and the others hear what Ben Shao said? What are they doing?”

Bai Chen’s heart couldn’t help but he couldn’t help but continue to face the door of Bai’s house and continue to shout loudly:

“Bai San, Didn’t you hear what I said? Bring in Xu Tianlong and the others to Ben Shao! ”

Jing!

Still no response, still no one came in.

At this moment, the complexions of the three Bai Chen finally changed, and the ugly premonition in their hearts became stronger.

But this does not stop.

“Your people, I’m afraid I won’t be able to get in!”

What!

Hearing this, the eyes of the three Bai Chen looked at Lin Fan.

They discovered that all the anger and corruption on Lin Fan’s face disappeared completely, replaced by a deep contempt and playfulness:

“However, since you miss Bai San so much, all right! I will satisfy you!” said Finish!

Lin Fan smiled and clapped his hands:

“Bring in Bai San and the others!”

Boom!

In a word, the bodies of the three Bai Chen trembled fiercely.

What... what do you mean?

Could it be that the thirty-two members of the White Master were all captured by mistake?

This, how is this so possible.

It’s just a small Jiangshi, how can the existence of a group of ants make it possible for the twelve masters to miss all of them? This is simply incredible.

However, the next scene completely frightened the three people of Bai Chen.

Huhuhu!

Under their incredible sight, things like watermelons were thrown in from outside the door.

One!

Five!

Ten!

...In the blink of an eye, twelve chubby things flew to the ground, grunting, and all rolled to the feet of the three people of Bai Chen.

And when they saw the chubby thing.

boom!

As if a bolt from the blue sky, Bai Chen, Bai Wen, and Bai Wu were almost scared to the ground.

This turned out to be... a human head!

Twelve bloody heads.

With disheveled hair and blood stains on his face.

What is especially frightening is that the expressions on these heads are terrifying, as if they had seen something unbelievable before they died.
