just!

Lin Fan shook his head slightly, and then said to Bai Yi:

“Wife, how can I kill people because I am so kind!” “These people were killed by revenge because they offended the four great masters of the Blood Buddha. , If you don’t believe it, you can ask Master Bai Chen! ”

What!

When Bai Yi and the people in the courtyard heard this, they were slightly taken aback.

Didn’t Lin Fan kill it?

At the moment, almost everyone’s eyes turned to look at the white dust sitting on the ground.

especially!

Looking at Bai Chen still looking dumbfounded, Lin Fan couldn’t help but feel a chill in his eyes: “Master Bai Chen, you come to testify for me, did I kill these people?”

Boom!

A simple sentence fell in Bai Chen’s ears, but it was like a blast of thunder, causing his whole body to shudder.

The expression was horrified:

“No...no! These people are all survivors of death. They died at the hands of the four great masters of the Blood Buddha Tu. They have nothing to do with Mr. Lin !”

After getting this answer, many people heard what was wrong in Bai Chen’s words.

To know.

Just half an hour ago.

Bai Chen still hated Lin Fan and wanted to tear Lin Fan alive.

And now, it’s only half an hour. Mobile phone:

Bai Chen, the young master of the Jiangnan Bai family, actually called Lin Fan’Mr. Lin’, which... is incredible.

This is more than that.

Some sharp-eyed people found that Bai Chen kept his head down when he was speaking, and he didn’t even have the courage to look at Lin Fan. He was like a kid who had done something wrong and caused a catastrophe, fearful and yet again. helpless.

How is this going?

Many people are extremely puzzled.

Even if they wanted to break their heads, they couldn’t figure out why the maternal grandfather of the Jiangnan Bai clan would be so afraid of the door-to-door son-in-law of Lin Fan, which is totally unreasonable.

“Master Bai Chen, you can’t come back to life from death. Please also be sorry!”

Old Madam Bai stepped forward at the moment and comforted Bai Chen.

For him and the Bai family.

As long as these people weren’t killed by Lin Fan, they would be fearless, because Bai Chen still couldn’t let Lin Fan go.

Hearing the words of the old lady, the rest of the Bai family also woke up from fear one by one.

They stepped forward and comforted Bai Chen:

“Young Master Bai Chen, the bloody scorpion, we can’t afford to offend, we can only report back to the Bai family and let the mistress decide!”

“Yes, Young Master Bai Chen, now The most important thing is how we are going to deal with this Lin Fan! After all, all this is because of him!”

“Yes, you can’t let him go! If it is not to deal with him, there is no need to mobilize the white three, the white three and the others I won’t die at all! Since we have nothing to do with the Blood Buddha, then we can only let Lin Fan pay for the victims!”

“...”

Many Bai family members, you say a word to me.

Almost everyone’s voice contained a strong resentment, and they couldn’t wait to buckle this black pot on Lin Fan’s head.

However, they did not find out.

After hearing this sentence.

Bai Chen’s face gradually changed from white to cyan, and then it turned red, until finally, it was completely green.
