

Chapter: 956

“Dad! I... what do we do now? Do you really want to hand over the Bai Family Group?” Erye Shirakawa almost burst into tears at this moment.

And the uncle Bai Hai looked at the old man pitifully, obviously, he also completely lost his square inch.

“What else can I do?”

A wry smile appeared on the corner of Old Madam Bai’s mouth.
Mobile:

He knows that his Bai family has completely come to an end.

It’s just that he couldn’t figure out how Lin Fan did it.

In just half an hour.

Not only did it add fourteen heads here, it even made Bai Chen, a magnificent young man, so frightened that he even had to abandon their Bai family in the end.

This is simply a devilish method.

“Come here, take out the transfer contract of our Bai Group, and give Bai Yi...sign it!”

After saying this!

The old lady Bai felt dizzy and dizzy, and she fell to the ground, her face like gray ashes.

Next to him, Bai Hai, Bai Chuan, Bai Yan and others were even more dumbfounded.

this moment!

In their minds, they couldn’t help but recall Lin Fan’s words.

“Prepare the transfer contract of the Bai Group!”

At that time, almost everyone felt that Lin Fan’s words were simply idiots.

But they couldn’t even dream of it.

This guy’s crazy talk turned out to be true. This guy is simply a devil.

All of a sudden.

A trace of chill filled the hearts of all the Bai family members, and the fear of Lin Fan was extremely strong.

It’s not just them!

The Baiyi family who benefited the most at this moment are also dreaming.

“The Bai Group, is it really going to be transferred to us?”

Bai Shan pinched his thigh, and after feeling extremely painful, he was completely stunned.

And Bai Yi.

He looked at his husband in astonishment.

She suddenly realized that she seemed to be getting more and more unable to understand Lin Fan. Every time she felt that she had taken Lin Fan’s method to a higher level, but found that it was still far from enough.

This man, like a god, can create stunning miracles again and again.

“Bai...Miss Bai Yi, please sign!”

At this moment, a senior of the Bai family handed the contract to Bai Yi with a gray face.

See this scene!

Bai Yi could only bite the bullet, nodded, and then signed his name on the contract.

Until now!

The Bai Group was completely reduced to the hands of Bai Yi and Lin Fan.

And the Xinbai clan has also become another hegemonic terrorist force in Jiangshi.

this moment.

The impact on the surrounding Jiangshi celebrities was extremely strong. They watched with their own eyes that the Bai Family, one of the four largest hidden giants, immediately became a giant chaebol and was completely desolate.

I also watched with my own eyes that the new and precarious new force of the Xinbai clan was rising against the sky.

All of a sudden.

The celebrities in Jiangxi, as if crazy, rushed in the direction of Bai Yi and Lin Fan:

“Mr. Lin, I am the chairman of Fengda Group, Li Fengda! Can I treat you to a casual meal someday?”

“Miss Bai, I am Li Yao from Les Group. This is my business card. I am glad to meet you!”

“Mr. Baishan...”
