

Chapter: 962

Ok?

Hearing this, Bai Yi was stunned for a moment. She turned her head to look, and suddenly saw that in the first-class seat, was sitting a handsome young man in a suit and leather shoes.

“You... are you Chang Yuan senior?”

Bai Yi was taken aback for a moment, and then asked in surprise.

“Hahaha... I really didn't expect that after so many years of graduation, Goddess Bai Yi still remembers me as a senior!” The young man named Chang Yuan smiled heartily and looked extremely happy.

Bai Yi was also very happy. He said to Lin Fan and his wife Baishan:

“Lin Fan, Mom and Dad, this is the chairman of the student union during my college years, senior Chang Yuan!”

“He was from our school back then. A man of the wind, before graduating, he founded the Chang Group by himself! Last year, Chang Yuan's senior was named one of the top ten young entrepreneurs in the south of the Yangtze River!”

Bai Yi said this, full of envy in his tone.

And after listening.

Chang Yuan was even more happy to the extreme. He didn't expect that Bai Yi, who was the school flower of the year, was still paying attention to his news. He even knew that he was named one of the top ten young entrepreneurs last year.

At the moment, Chang Yuan quickly stood up and shook hands with Baishan Shen Yumei:

“Uncle and Auntie , hello! You can just call me Xiaochang !” he said.

Chang Yuan couldn't help but looked at Bai Yi with admiration and continued: “I was a loyal suitor of Bai Yi when I went to school. After chasing her for two full years, she refused! Otherwise, we are all now. It's a family! Hahaha...”

Chang Yuan's words were half-joking.

But anyone can hear the ingratiation and admiration for Bai Yi in his words.

just!

Hearing this, both Bai Yi and Baishan's face became stiff.

Obviously, they did not expect that this Chang Yuan would be so direct, and even the matter of pursuing Bai Yi back then was directly spoken out.

Now!

Bai Yi's family of three couldn't help taking a peek at Lin Fan.

It was only after discovering that Lin Fan's face was always smiling with Ruoyouruowu, and there was no slightest anger, the family of three let out a long sigh of relief.

Ok?

The reaction of Baiyi's family also fell in Chang Yuan's eyes.

He glanced at Lin Fan involuntarily, frowned and asked:

“I don't know who this is?”

“This is my husband, Lin Fan!” Bai Yi smiled slightly, and immediately grabbed Lin Fan. Arm.

And this affectionate action made Chang Yuan's expression slightly changed. In his eyes, a deep jealousy flashed:

“Oh? Lin Fan, right? I've heard your name. You are extremely in Jiangshi. Famous! ”

Famous?

There was a slight sarcasm in Chang Yuan's smile.

The fame he said was naturally the name of Lin Fan's son-in-law.

Not only that!

Before Lin Fan could reply, Chang Yuan ignored him and asked three of Bai Yi's family:

“Bai Yi, what are your family going to Jiangnan City for?”

Chang Yuan seemed extremely enthusiastic.

It's just that in his eyes, Lin Fan is just a stranger, and he doesn't even have the qualifications to say a word to him.
