

Chapter: 977

ten people!

Fifty people!

One hundred people!

In the blink of an eye, nearly a hundred fully armed sergeants rushed into the courtyard of the Yang family, and the entire courtyard of the Yang family was blocked.

“Is this Sergeant Dragon and Tiger?”

Seeing the characters ‘Dragon’ and ‘Tiger’ embroidered on the collars of these sergeants, and then feeling the terrifying and fierce aura in them, everyone in the Yang family looked pale.

What happened?

What happened?

None of the Yang family could understand how the two great war gods, Lin Zuo and Dragon and Tiger, could suddenly visit their little Yang family.

This is simply incredible.

And just when many Yang family seniors hesitated.

clatter!

The sound of dense footsteps resounded again.

Then, Yu Guang of the Yang family saw that a young man in a black trench coat led the two gods of the dragon and tiger, followed by Liu Zhen, the richest man, Ma Yong, and all the senior officials of the eight chaebols all gone. Come in.

At the moment he saw the black-clothed youth.

boom!

All the Yang family members who were kneeling on the ground shook their bodies together, and then all bowed to the ground:

“The Yang family is full of doors, welcome to the forest seat!

Welcome to the dragon and tiger two war gods!” Yang Tianhao’s voice.

Full of fanaticism and piety.

just!

After his words resounded.

be quiet!

No reply, no words!

The young man in the black windbreaker just brought a lot of bigwigs to the front of the Yang family, watching quietly, as if watching a group of dead people.

Puff!

Puff!

At this moment, Yang Tianhao and every Yang family seemed to be able to hear his own heartbeat.

Dense cold sweat crackled and flowed down from their foreheads.

At this moment, they even have a feeling of being a death row prisoner.

As long as the forest seat in front of you, under one word, then the entire Yang family will be full of people, and heads will fall to the ground.

“Lin...Lin Zuo! My Yang family respects Lin Zuo. Just now I was still discussing how to get along with Lin Zuo, but I didn’t expect that Lin Zuo would come first!”

Yang Mingyu suppressed his anxiety at this moment. He raised his head and said to Lin Fan.

His face was filled with a flattering smile.

It feels like a pug, offering flattery to his owner.

Yang Mingyu was the first to speak.

Patriarch Yang Tianhao could only bite the bullet and said:

“Ming Yu is right! Lin Zuo, our Yang family is willing to go through fire and water for Lin Zuo, and do whatever it takes!”

“As long as Lin Zuo speaks, then we can contribute to the entire Yang family. Come out and let Lin Zuo dominate! I only hope that Lin Zuo can give the Yang family a chance to be loyal!” Allegiance?

Hearing this, the corner of Lin Fan’s mouth showed a playful arc.

He did not expect.

The Yang family, who was still using his wife’s idea before, now wants to dedicate the entire family business and allegiance to them.

“The Yang Family?”

Lin Fan smiled slightly:

“I am afraid that there is no such blessing. Enjoy your allegiance!”

What!

Lin Fan’s words, although plain as water, fell in the ears of every Yang family, like a thunderstorm, making them almost scared to pee.

“Lin Zuo! Do you have any misunderstanding? We Yang family always regard Lin Zuo as an idol! I only hope that Lin Zuo can give us Yang family a chance!” Yang Tianhao’s heart almost popped out of his throat at this moment. The tension is extreme.

Just heard this!

Lin Fan narrowed his eyes and continued:

“I’m here this time, not for your allegiance, but for something to do!”

“Is any of you planning to attack Bai Yi in Jiangshi?”
