

Chapter: 982

“Patriarch, I think the most important thing now is to eliminate Lin Zuo’s anger and dissatisfaction! Only in this way, our Yang family may still have a glimmer of life! Otherwise, it will only be the two commanders of the dragon and the tiger, as well as the number one Liu Zhen and the eight chaebols. It’s enough to make our Yang family never stand up!”

Huh?

As soon as these words came out, Patriarch Yang Tianhao’s eyes lit up: “Yang Hua, you continue to say!” At this moment, Yang Hua became the backbone of everyone, and his eyes were locked on Yang Hua’s body.

Feel everyone’s expectations, Yang Hua, thought a moment, this bite the bullet and said:

“! All of us, to go to the hospital together, one, to Shen Tai Gong abject apology, two, white surrender cling to Miss Iraq”

“at all For the price, Miss Baiyi’s forgiveness!!!”

At the same time!

Lin Fan did not travel with the Yang family after leaving the Yang family with the second commander of Longhu and Tiger.

He has already dealt with the Yang family’s affairs.

And now!

He is alone and is going to the hospital to meet with Bai Yi’s family.

Jiangnan City People’s Hospital, in ward 302.

Bai Yi’s family of three and Chang Yuan have entered the ward.

Taigong Shen was lying on the hospital bed, and on that vicissitudes of life, his face was pale, and his whole body was extremely weak.

especially!

After he saw the Bai Yi family enter the door, his mouth squirmed, as if he wanted to say something, but he couldn’t say a word.

“Dad!”

Shen Yumei saw Taigong Shen’s appearance, and suddenly she couldn’t cry.

And Bai Yi, who was next to him, hurried to the bed of Shen Taigong, tears like rain:

“Grandpa! How are you?”

Although this old man was extremely bitter towards himself and Lin Fan.

But he is his grandfather after all.

Bloodline family affection, how can we give up.

See this scene.

The younger uncle Shen Jian next to the bed could not help but sighed:

“Bai Yi, your grandfather’s ribs were broken four by one! The calf bone was broken! Coupled with his old age and physical frailty, he almost died this time. !”

Speaking of which.

Shen Jian’s complexion was full of deep bitterness.

Their Shen family can be regarded as a wealthy family in Jiangshi.

But in this place in Jiangnan, it is like an ant reptile, which is trampled on by people, but unable to fight back.

And cousin Shen Jie, who also looked so gloomy to the extreme, gritted his teeth with hatred:

“That pair of Yang brothers are so deceptive! How can they imagine that they actually did something to such an old man!”

“Hateful, I don’t have Shen Jie. Ability, otherwise, I must make the Yang brothers pay the price!”

Brother Yang?

Hearing these four words, Chang Yuan was taken aback for a while.

In his cognition, among the second-rate and third-rate families in Jiangnan City, there seems to be no well-known Yang brothers.

As for the first-class family, Chang Yuan automatically ignored it.

After all, it has reached the power of the chaebol, and he is not a small Changyuan who can contact.

and!

How can the first-class chaebol forces look at the small business of the Shen family in Shangjiang City, let alone invite Taigong Shen to discuss cooperation, this is simply impossible.

Thought of this.

Chang Yuan subconsciously thought that the one who injured Taigong Shen this time must be a small character who was not even considered a third-rate player.

At the moment, he patted his chest and said:

“Don’t worry, everyone, this matter is covered by Chang Yuan!”

“Whoever hurts the old man, I will make him pay a painful price!”

Huh?

Hearing this, Shen Jian’s father and son’s gaze, before they noticed Chang Yuan’s figure, they couldn’t help but asked curiously:

“Bai Yi, this is...”
