

# Chapter: 986

A scream of screams continued one after another in the ward.

Everyone found out in shock.

These gangsters were not only pumped back, but even some of their cheeks were collapsed by soy sauce, and their cheeks were shattered.

Some salty pork knuckles were broken and completely deformed.

Others, as if hit by a train, their chest ribs collapsed completely.

Terrible.

now!

Looking at the bad guys who were seriously injured on the ground, no matter it was Yang Mingpeng, Bai Yi, Shen Jian and others, they couldn't believe their eyes.

Especially when they turned their eyes, they saw that a thin figure had appeared in front of Bai Yi at some point.

It is... Lin Fan!

“Lin...Lin Fan!”

Bai Yi was completely stunned. She did not expect that at her most critical moment, it was Lin Fan who appeared in front of her again to help herself resolve the danger.

The thick warm current surged Bai Yi's heart, and even made her have an urge to hug Lin Fan and cry.

“Wife, it's okay!”

Lin Fan rubbed Bai Yi's head and smiled slightly.

Until then.

He turned his head, that warm smile suddenly turned into a ferocious smile, staring at Yang Mingpeng, as if looking at a dead person:

“You, want to take my wife abducted?”

Boom!

A look, a word!

Falling in Yang Mingpeng's eyes, his body immediately shuddered.

This feeling, as if being stared at by a devil, caused him to stand upside down involuntarily.

“Yes...I want to take Bai Yi away, so what!”

Although Yang Mingpeng was extremely guilty, he still bit his head and replied viciously:

“You are Lin Fan? Bai Yi's husband?”

“Boy, already long ago ? I heard that you can do some work, but if you dare to ruin my eldest brother Yang Mingyu's affairs, then you will die without a place to bury!”

Yang Mingpeng's words were extremely vicious.

Just heard this!

Lin Fan smiled, laughing so sarcastically and playfully:

“Is your elder brother? He...dead!”

What!

As soon as Lin Fan spoke, not only Yang Mingpeng was stunned, but the Bai Yi family of three, as well as Shen Jian and his son, and even Shen Taigong on the hospital bed, could not believe their ears.

Yang Mingyu!

That Yang family, who is ten times more vicious and ten times more brutal than the second youngest Yang Mingpeng, is dead?

What an international joke.

“Hahaha...” After Yang Mingpeng reacted, he looked at Lin Fan, smiling forward and backwards, almost as if he was looking at a fool, he almost lost his anger:

“Boy, you are really good at telling jokes! What a laugh! I

‘m dead !” “My eldest brother is dead? In Jiangnan City, who would dare to kill my eldest brother, are you dreaming?”

“To tell you the truth, the reason why I came here is my elder brother gave me Command!”

Yang Mingpeng's words were full of self-confidence and arrogance.

And heard his words.

The Baiyi family and Shen Taigong's family also didn't believe that Yang Mingyu was really dead.

after all!

Yang Mingyu had just given the order, and the second youngest, Yang Mingpeng, came here.

This is less than half an hour.

A fierce young man, could die so easily? It's an international joke.

just!

Just when Yang Mingpeng smiled most brilliantly.

Snapped!

There was another slap in the face, and it resounded crisply in the room.

But it was Yang Mingpeng who was slapped and violently retreated by Lin Fan.
