

Chapter: 989

When he heard, Lin Fan actually said that his Yang family would come and kowtow to Bai Yi and Shen Taigong, and then sensed the severe pain of broken bones on his cheeks. The second youngest Yang Mingpeng suddenly jumped from the ground:

“Little Animal, you are really dreaming! You hurt me, and you dare to humiliate our Yang family!”

“You wait, you all wait for Lao Tzu! My Yang family and you will never die!”

Boom!

Endlessly!

After hearing these cruel and cruel words, both Chang Yuan and Shen Jian and others turned pale with fright.

This is the top chaebol in Jiangnan.

If you really mobilize all forces to deal with them, they, this group of people, is afraid it is impossible to leave Jiangnan City alive.

Thought of this.

Shen Jian’s heart was even more furious, and he yelled at Bai Yi:

“Bai Yi, look at your rubbish husband! What else can he do besides beating and bragging!”

“This time, your grandfather and us, He was all killed!”

Shen Jian was desperate.

Heard this.

The corners of Bai Yi’s mouth could not help but feel a deep bitterness.

She also had difficulty understanding Lin Fan.

Sometimes, this guy is mysterious and elusive, but sometimes his violence and bragging are simply unreasonable.

“Lin Fan, you are really too much this time! We have all fallen to this point, can you stop talking big!”

Bai Yi looked at Lin Fan with deep disappointment in his eyes.

She doesn’t dislike Lin Fan’s uselessness, but she especially dislikes Lin Fan’s bragging problem.

Heard this.

The corners of Lin Fan’s mouth twitched, and he shrugged helplessly and said,

“My wife, what I said is true!”

“The Yang family will not only kowtow to you, but also give you a generous gift. You!”

Wow!

Keep blowing?

Seeing Lin Fan at this moment, instead of stopping, he continued the bragging scene.

Chang Yuan next to him, as if watching a clown, burst into laughter:

“Hahaha...Lin Fan, Lin Fan, you are definitely the most bragging cowhide king I have ever seen!”

“Now you are not only ruined .” Our negotiations are so wishful thinking that you don’t deserve to be called Bai Yi’s husband at all!”

Mobile phone terminal:

Chang Yuan’s words are full of ridicule against Lin Fan.

The two little Yang Ming Peng, is to see the eyes of the Lin Fan, like looking at a dead man, like:

“!!! Hey kid, you continue to blow it you blow more ruthless, the more miserable you die will,”

“No one Dare to hit me, you are the first! Don’t worry, I will let you die the worst!”

Yang Mingpeng’s words were extremely cruel.

Just heard this!

Lin Fan’s eyes narrowed slightly, and a sharp curve appeared at the corners of his mouth:

“Your mouth is very annoying! Don’t worry, you will have to suffer again in a while, your father’s ten slaps!”

“I said it!”

what!

Will Yang Mingpeng still slap his father ten more?

What did you say?

This is crazy!

At this moment, both Shen Jian and others, or Chang Yuan and others, looked at Lin Fan as if they were looking at another lunatic.

And Yang Mingpeng burst into laughter even more frantically, as if he had heard the most funny joke in the world:

“Hahaha...I originally thought you were a violent maniac, but now I know that you still have delusions!”

“Bai Yi, look at what kind of shit husband you are looking for. This kind of person is a trash. He can’t even match a hair of my elder brother Yang Mingyu! Hahaha...”
