

Chapter: 992

“Yang Tianhao led all the Yang family members and gave Miss Bai Yi... apologize!!!” To Miss Bai Yi... apologize!

Hearing this sentence, I looked at the dense clusters in front of me, from inside the ward, knelt down and bowed to dozens of high-level Yang family members on the corridor.

Everyone just felt like they were dreaming.

Can't believe the facts at hand.

Kneeling?

Yang Tianhao, a frontline boss, actually kowtowed his head to apologize, which is simply unbelievable.

But this is more than that.

Yang Tianhao continued with shame on his face:

“I have no way to discipline Yang Tianhao, and the dog has done a lot of evil. I can only give Miss Bai Yi, knock three heads to apologize!”

Finished!

Wow!

With Yang Tianhao as the leader, dozens of high-ranking Yang family leaders, one by one, kowtow to the ground.

咚咚咚...

The sound of that dense head knocking to the floor, inside and outside the ward, resounded continuously.

It was even more like a burst of thunder, blasting on the hearts of Bai Yi and others, making the astonishment and shock on their faces more intense.

One!

again!

All the Yang family members, after three more heads, turned their knees , facing Taigong Shen on the bed, and continued: “I Yang Tianhao is incompetent, causing the dog to be arrogant and hurting the old man!”

“We The Yang family, kowtow to you to apologize! ”

What!

Hearing this, Shen Taigong above the hospital bed shuddered suddenly.

Knock again?

Not only Shen Taigong, but everyone clearly saw that Yang Tianhao and others kowtowed Bai Yi's head to apologize, and knocked their foreheads red.

And now...

咚咚咚!

There were dozens of people again, before Shen Taigong, knocked their heads again.

There were a total of three. When they all kowtowed to apologize, everyone found that Yang Tianhao and the high-level members of the Yang family had blood stains on their foreheads.

Looks embarrassed and miserable.

Confused...

At this moment, Chang Yuan was even more like seeing a ghost. He kept rubbing his eyes, confirming that the person in front of him was really Yang Tianhao, and the one who knocked his head was really after Yang Tianhao.

In his heart, there was a shocking wave.

“Oh my God, Yang Tianhao kowtows to apologize. This is definitely a big news that can make a sensation in Jiangnan!”

“Unbelievable! It's incredible. What is it that made a big guy like Yang Tianhao come here to kowtow in person?”

Chang Yuan said in his heart. Shocked, but his mind is constantly spinning.

And when he thought of the prince of the Tian family who had promised him, his eyes suddenly lit up:

“Could it be... the prince came out! Even the Yang clan was so scared that he had to come and plead?”

“For sure ?” That's right! Otherwise, Yang Tianhao and others would have no reason to kowtow to apologize!”

Chang Yuan was convinced of this. Mobile phone: The ecstasy reached the extreme in an instant.

He didn't expect that the crown prince would be so powerful, for his own sake, actually forced the Yang family into this way, his face is simply...too much.

Just now!

Everyone didn't know Chang Yuan's thoughts at all. Bai Yi and everyone else were completely shocked by this shocking scene.

especially!

After Yangtian Hao et al., Koushou apologize, they did not even get up, but against the White Iraq, said:

“! White Iranian president, this time the shock and distress caused to you, we Yang hundred dead Mo redeemed”

“So, we We are ready to transfer the most famous landmark under the Yang family, the Star River Building, to you free of charge, as an indemnity!”
