

Chapter: 999

“No...impossible!”

“Dad! Lin Fan has been a door-to-door son-in-law in Jiangshi for three years. How could he know the eight chaebols, the richest man Ma Yong, the No. 1 Liu Zhen, and...the god of war!”

“This guy ! , Who is it?”

Yang Mingpeng really felt at this moment that he really seemed to have caused a terrible disaster.

And next.

Yang Tianhao’s words completely crashed his head.

“All this, because Lin Fan is...Hua Xia Lin Zuo!”

Boom!

As soon as this remark came out, it seemed as if thunder was thundering, causing Yang Mingpeng’s ears to buzz, and he almost completely lost consciousness.

Not only that.

His body trembled like chaff, and a trace of urine flowed out from under his crotch.

China Forest Block!

These four words, as if they contained magical powers that shocked the sky, actually scared Yang Mingpeng, the second young master of the mixed world devil, to pee.

“Hua Xia Lin Zuo!”

“He... how could he be a Hua Xia Lin Zuo!”

Yang Mingpeng seemed to be demented, and muttered to himself:

“I... I actually humiliated Hua Xia Lin Zuo and yelled at him today. The Chinese forest seat! The one who beat me is also the Chinese forest seat!”

“Oh my God! What happened to this world? What is going on!”

Yang Mingpeng was completely scared and doubted his life.

And see this scene!

A wry smile appeared at the corner of Yang Tianhao’s mouth.

He naturally understood the shock and horror of his son. After all, that person was the highest magnate in the entire Chinese military.

If he hadn’t seen it with his own eyes, even if he had been killed, he would have been unable to believe it.

“Lin Fan, he is definitely a man like a devil!”

Yang Tianhao took a deep look at the direction of the hospital, shook his head bitterly, then started the car, took his son, and left Jiangnandi.

A people’s hospital parking lot.

have to say!

The spread of news is extremely fast.

Only an hour later, under Chang Yuan’s proud propaganda, the news of the Yang family’s submission was instantly exploded.

The whole Jiangnan City was a complete sensation!

Whether it is a chaebol family or a market alley, they are almost all talking about what happened in the hospital today.

The second youngest, Yang Mingpeng, was beaten into a pig head!

The Yang family kowtowed to apologize and even sacrificed the Galaxy Tower.

Each of these news shocked people to the extreme.

just!

The protagonist of this shock, under Chang Yuan’s deliberate display and publicity, was not Lin Fan, but the handwriting of Chang Yuan and the prince behind him.

In just one day, when the news has completely spread.

Chang Yuan is in Jiangnan City, and his fame has risen.

In fact, many of those infamous characters have completely regarded Chang Yuan as their idol, and they have been crazy about it.

Time passed slowly.

Unconsciously, half a month has passed.

During this time, all the Baiyi family stayed in Jiangnan.

After all, it will take a long time for Shen Taigong to recover. During this time, Bai Yi also intends to establish a branch of the new Bai family in Jiangnan City.

And the location.

So I chose the Galaxy Tower.

This landmark building has been completely transferred to Bai Yi’s name, and she has now become a business queen with tens of billions of assets.

And tonight.

In Jiangnan City, a banquet is to be held.

Almost all the men and women attending the banquet were a group of famous ladies and second generations from Jiangnan City.

Bai Yi was also invited to participate.
