

Chapter 2561

Chengfeng respectfully invited Dan Mai to sit on the sofa. After sitting down, he sighed and said in pain, "Hey! Uncle Mai, you must help me this time!"

Dan nodded and said seriously: "Since I have come here, I will naturally do my best, so you must tell me everything exactly."

Chengfeng replied and sighed: "After all, I am to blame for being confused and making some unreasonable decisions..."

With that said, Chengfeng told Zhifei and Zhiyu brothers and sisters to go to Japan to be kidnapped, then Ruoli killed the Matsumoto family, and then he betrayed Ruoli and assassinated Liona. It was probably related to Dan he Narrated again.

After speaking, he asked with a worried look: "Uncle Mai, do you think I am being retributed?"

Dan waved his hand and said seriously: "Chengfeng, you are my worldly nephew, so I won't follow you with that tricky stuff. Remember, in this world, no matter from the perspective of Feng Shui From a scientific point of view, there is no such thing as retribution at all."

Chengfeng asked in surprise, "Why? The Taoist law you believe in is not about rebirth and retribution?"

Dan shook his head and said, "What you are talking about is Buddhism. Moreover, our Fengshui metaphysics is not in the same line as Taoism. We are the Book of Changes and Eight Diagrams, Qimen Dunjia."

Chengfeng hurriedly asked: "Then you just said that there is no karma, is this true?"

Dan smiled and said, "In my opinion, it's natural, but it doesn't matter if you don't believe it. I will sort out our perspectives in Feng Shui metaphysics for you, just like a discussion."

Chengfeng hurriedly said, "Please tell me."

Dan paused slightly and said, "I ask you, according to the saying of karma, those who do evil must be punished severely, and those who do good will be rewarded, right?"

Chengfeng nodded, "According to it, it is true."

Dan asked, "Then I ask you, some babies die right after they are born. They have only just begun in this life. There is no evil and no good. Why don't they even have a chance for healthy growth?"

Chengfeng looked embarrassed: "This...I...I can't say..."

Dan nodded and asked, "Then I will ask you again, why do some people have ill-fated destinies all their lives?"

With that, Dan sighed in a melancholy manner and said slowly: "When I was young, it happened during the Central Plains war. Father moved the family from Central Plains to Eastcliff to escape the war."

"At that time, my family lived in Mao'er, and there was a woman next door who ate and recite Buddha every day, remembering the way of doing good."

"Her husband died young, and she took pains to pull the three sons to grow up and let them start a family, but when she was old, none of the three sons provided for the elderly."

"The three daughters-in-laws were fighting for the family property, beating and scolding in turn, and even every time they came, they deliberately snatched her little rations, and even the water tank had to be smashed before they were satisfied, just hoping that she would die sooner. So as to occupy that old house."

"Although the three sons didn't want to do anything to her, they are always ridiculing when they come over. Even when someone next door is in a funeral, they point to her nose and curse at her why she can't be the same as the neighbor's old man, get acquainted and die soon."

"Not only did the old woman not have enough to eat or dress warmly, but she also washed her face with tears all day long. Although she didn't cry and blind her eyes, her

eyesight also deteriorated. In addition, she couldn't light the lamp oil. Every time the sun went down, she would not reach out her fingers. , Life was suffering."

"But she didn't expect any son's conscience to discover, and eventually froze to death on that extremely cold winter day in Eastcliff!"

Chapter 2562

"On the day of the funeral, the cry of the three sons could be heard through the three alleys, but everyone could see that it was just a scene for outsiders. After the play, they happily sold it. The ancestral house where the mother lived, after the money was divided, was used as a bird and beast scattered."

"You said, if there is really karma, why was this old woman doing good and accumulating virtue all her life, but she suffered all the suffering in her life?"

Chengfeng thought for a while and said seriously, "Perhaps it is a debt owed in the previous life. Will you pay the debt in this life?"

Dan sneered and said disdainfully: "Only people who can't understand the law of events will use such rhetoric to impose an explanation. If everyone believes in the previous life or the next life, then you might as well borrow all of your money. Give it to me, I will pay you twice in my next life, do you agree?"

"This..." Although Chengfeng knew that Dan was just joking and giving an example, he began to agree with Dan's statement in his heart.

At this time, Dan continued: "Similarly, some people are full of evil, but what is the result? Not only can they start and end well, but also the descendants can be shaded!"

"It's like the old woman I just said. After her tragic death, her three sons turned out to be very lucky. One was successful in business, one became a warlord, and the other went to Nanyang to work hard. Well-known entrepreneurs, good people have not enjoyed a day of blessing, but bad people have blessed their own generations. Do you think this karma is the opposite?"

Chengfeng was speechless for a while.

Zynn on the side couldn't help asking, "Grandpa Mai, if karma does not exist at all as you said, then this family has these two extremes. What is the reason?"

Dan smiled slightly: "Zynn, you are asking about the idea, why? If you don't understand the rules, you will only curse with your head up. God is not long-sighted, and add the sentence "Good people don't live long. "The scourge remains for a thousand years", but have you ever thought about it. If there really is causal reincarnation, this sentence is impossible at all, because causal reincarnation will not make good people not live for a long time, nor will it cause harm to the millennium. This itself is a contradiction. paradox."

As he said, Dan turned around and said, "But! If you can understand this law, you will know that, in fact, all of this has nothing to do with karma, but from the different life patterns of the family. ."

Chengfeng hurriedly said, "Uncle Mai, what is the explanation for fate?"

Dan explained: "Fate is numerology, the principle of life, or the law of life."

"My father once said that the old woman was originally the fate of the lone star of the evil gods. Although she does good all day long, no matter how good she does, it will be difficult to change her fate."

"To use the simplest analogy, no matter how many carrots you eat, you cannot become a rabbit, because these are two completely different sets of logic."

"You can't be self-righteous and think that rabbits like to eat carrots, and if you eat more carrots, you should become a rabbit."

Chengfeng and Zynn both nodded thoughtfully.

Dan continued: "The lone star of Tiansha not only kills husband, wife, but also the children and grandchildren. The worst thing is that she not only defeats others but also cannot escape the loneliness of her six relatives and the lonely end of her old age. There is a lifetime of suffering, and a lifetime of sin."

"Although her three sons are extremely unfilial, in terms of fate, their own career prospects are invisibly suppressed by the fate of the old woman."

"Because the old woman died early, the three of them won't die because of this, and only then has the opportunity to soar into the sky later."

"If the three of them are filial sons, and take their mothers, in turn, to take turns to do their filial piety, then it is possible that these three sons will die prematurely due to various reasons, maybe they will all die in front of the old woman in the end."

"This, although it sounds absurd and incredible, this is the real fate!"

Chapter 2563

The words of Dan made Chengfeng and Zynn stunned!

In fact, they didn't have much faith.

Mr. Su doesn't believe in gods, immortals, karma, or feng shui.

There is only one he believes in, and that is strength.

However, the Su family has frequently encountered various troubles recently, which made him feel that it might be retribution.

But listening to Dan's analysis, it seems that it has nothing to do with retribution.

Therefore, Chengfeng couldn't help asking: "Uncle Mai, I want to ask more specifically, what on earth is the Su family's recent encounters with various problems?"

Dan did not speak but beckoned to his great-grandson, Mike.

Mike immediately walked forward and handed a compass to Dan, and handed several dice made of animal bone joints and a few old mottled copper coins to Dan.

Dan stood up and paced back and forth in the living room. Chengfeng and Zynn hurriedly followed by their side, watching his every move nervously, but did not dare to interrupt them.

Dan looked for a moment, pointed to the Bogu shelf used to partition the space on the side of the hall, and said, "Mike, remove this shelf!"

Mike immediately stepped forward and reached out and moved the Bogu frame made of solid wood to the side.

Dan placed the compass on the ground where the Bogu shelf was originally located and then re-adjusted the compass's direction according to the scale and position on the compass.

Afterward, he opened his mouth and said: "Chengfeng, tell me about your birth date!"

"I..." Chengfeng said awkwardly, "I don't know..."

"Then say the year, month, day, and the approximate time of birth!"

Chengfeng recalled for a moment and reported his birth date to Dan.

Dan pinched his fingers for a moment and said lightly: "From the perspective of the birth date, your life is generally relatively smooth, but the birth date alone is not exhaustive. After all, there are so many people in the world, and people with the same birth date. There are many people, this can only guess a general direction."

Chengfeng hurriedly asked: "Uncle Mai, how can I be more detailed?"

Dan said seriously: "I just said that in the Yijing gossip, everything in the world follows a set of invisible and intangible rules. There are many factors that affect this rule. One, in addition, there are your own bones, the feng shui of your Su family's good house and evil house, and even the eight characters of your spouse and children."

Chengfeng asked puzzledly: "I think many Feng Shui masters just use a compass to calculate. Why is it so troublesome to come to you?"

Dan was not angry, and said lightly: "Most people's fate and fate are constantly changing. That's why some people are too hard to eat in the first half of their lives, but in the second half of their lives, there is a clap of thunder and sudden riches, this is because his fate has changed. It may be that he married a wife of Vanves, and it may be that he gave birth to a son whose birthday character can bring him great fortune. These are unpredictable by ordinary people. ."

"It's like real estate. You develop a residential area in a certain area of a city. The market price of this building is 50,000, but if suddenly one day, the subway is open, the price may rise to six. Suddenly one day, a well-known school set up a campus nearby, and the price may rise to 70,000; if other huge favorable policies can be met, the housing price can even breakthrough 100,000 and higher all the way, and put it on people The subway may correspond to a good wife, and a well-known school may correspond to a good son. This is a good direction."

Chengfeng hurriedly asked, "What about the bad direction?"

Dan said: "Bad directions are more possibilities. Similarly, taking real estate as an example, you may also repeat the mistakes of many so-called ghost towns."

"Originally, you thought that the city was very developed and you tried to build a lot of real estates, but then, it is possible that local resources will begin to dry up, the local economy will be frustrated, and house prices will fall; it may also be that local resources are affected by the market and their prices continuously decline, this has caused companies to go bankrupt and house prices fall; it may even be due to the emergence of other competitors that the entire city's industries have suffered a blow."

Chapter 2564

After speaking, Dan said again: "You should have heard the story of Detroit. It was originally the largest automobile city in the United States. It was extremely brilliant, but in the end, it was so depressed that a large number of people fled. The local real estate even shrank by more than 90%. Who defeated this city? It was Toyota and Honda of Japan, Mercedes, and BMW of Germany. These are all factors that may change the pattern."

Chengfeng suddenly realized, and hurriedly asked, "Uncle Mai, just tell me what information you need, I must know everything!"

Dan nodded, and said calmly: "I want your wife's birthday eight characters, and abiding birthday eight characters."

Chengfeng hurriedly agreed and immediately reported the specific date of birth.

Dan listened and counted, the more he listened, the more puzzled he became.

After hesitating for a moment, he opened his mouth and said, "Your wife and Zynn are dead. It can be said that from this point, they are very prosperous for you, and they are the kind of prosper who burns themselves and adds firewood to you."

After that, he said again: "Furthermore, your five elements are very prosperous, and the four heavenly stems are all prosperous. Combining your wife and children, from the perspective of life, you are either rich or noble in this life, and even rich and noble."

"It stands to reason that your fate, let alone one in a thousand, is hard to find one in a million or ten million, it is almost impeccable. According to the development of your fate, your life will be smooth. Water, reaching the peak, shouldn't have this ordeal..."

"Really?!" Chengfeng asked excitedly, "Uncle Mai, then what is going on with me now?"

Dan shook his head, and said, "Don't worry!"

After finishing speaking, he grabbed a handful of bone dice and threw it on the ground casually, and threw down a few copper coins.

Immediately afterwards, he kept observing the bone dice, as well as the position and orientation of the copper coins, and the whole population was muttering words, not knowing what was being said.

Chengfeng became more and more nervous, staring at Dan intently, not even daring to blink his eyes.

A minute later, Dan suddenly grabbed one of the copper coins on the ground, fixed his eyes on him, and murmured: "No... if this hexagram shows it, this Tianju Tongbao is not It should be heading up..."

As he said, he threw the coin high again.

Copper coins worth four or five million fell on the ground with a crisp ding sound. Then, it rotated several times and finally stopped.

However, this time, this Tianju Tongbao still had its head up.

He was a little nervous, grabbed the coin and threw it again.

But who could have imagined that the copper coin had gone for several laps, and after it finally stopped, it would still face up!

This time, Dan's cold sweat has flowed down.

Seeing this, Chengfeng on the side was also hung tightly in his heart, and couldn't help but ask carefully: "Mai...Uncle Mai...this...how on earth did this coin come back? What?! I missed it three times in a row, and the words are all up, too evil, right?!"

Dan's forehead is already covered with sweat!

He stretched out his hand, wiped a cold sweat with his cuff, and murmured: "This Tianju Tongbao, in my gossip, represents the dry sky, and dry for the sky, it should have been written upside down. , But now I toss it three times in a row, and it's all heads up, which means that this hexagram will change someday..."

"The sky has changed?!" Chengfeng murmured in his heart, and said to himself, "Although I don't know what the hell is the sky change, I can clearly feel that this is definitely not a good thing!

So he hurriedly asked, "Uncle Mai, what does the sky change mean?"

Dan stared at the bone dice and copper coins all over the floor, and said dumbfounded: "From the perspective of the hexagram, it is the Dragon who came to the world..."

Chapter 2565

"Dragon came to the world?"

Chengfeng's expression was horrified, but at the same time, he had some doubts.

He murmured in his heart: "What kind of dragon came to this world, this word doesn't feel reliable!"

However, he soon thought that Dan Mai tossed the coin several times just now, and in the end, it was all heads up. It couldn't be a coincidence, right? So he felt something was wrong again in his heart.

So, he tentatively asked Dan: "Uncle Mai, what is the birth of a dragon? Why do you sound so mysterious?"

Dan was shivering a bit, and he said falteringly: "If you look at this hexagram, the birth of the Dragon means that in your fate, there is a great figure with the fate of the Dragon.."

Chengfeng frowned, "Then is this big man an enemy or a friend to me?"

Dan said seriously: "At present, the possibility of being an enemy is far greater than a friend!"

"How is it possible?" Chengfeng blurted out, "But I haven't provoked any powerful people recently. Why is there such an enemy suddenly?"

Dan shook his head and said, "I can't see this anymore. Maybe it's because I'm not good enough, or my power is not enough. I can't see through the rest."

After speaking, Dan said again: "But from the perspective of this hexagram, it is really bad for you. It is very likely that all the problems you have encountered recently originated from this!"

Chengfeng still didn't quite believe it. He pointed to the copper coin in Dan's hand and asked, "Does it mean that the so-called dragon came into the world as long as the coin is upright?"

"Correct."

Chengfeng asked again: "Can the hexagram go wrong?"

Dan said earnestly: "This is the case with the hexagram image, and it can't be wrong."

Chengfeng didn't give up, and said, "Uncle Mai, can I trouble you to toss the coin a few more times. If the word is down, does it mean that the trouble has gone away or disappeared?"

Dan sighed and said, "I toss it a few times, and the result is the same."

After speaking, he grabbed the Tianju Tongbao and threw it upward again.

Everyone stared at the coin, but the coin still had its head up.

Chengfeng gritted his teeth: "Thank you Uncle Mai for trying again!"

Dan did not speak, picked up the copper coin and threw it out again.

This time, the result is still head up.

Dan sighed, "Chengfeng, this is fate, and the hexagram is a form of expression of fate. It just displays your fate truthfully. If you want to change the fate, you must solve the problem fundamentally, absolutely not. It can be solved by tossing more copper coins."

Chengfeng was already sweating coldly.

He couldn't help muttering: "It's fcking wicked! This is obviously a 50-50 probability. How can it be all heads up five times in a row?"

As he said, a fierceness flashed in his eyes, rushed to grab the Tianju Tongbao, and then threw it forward.

This time, the copper coin was spinning on the ground for a long time. When it finally stopped, Chengfeng said excitedly: "The word is head down! This time it is the word head down!"

Dan shook his head helplessly and said, "I started the hexagram. Only what I throw is counted. You throw it is meaningless."

With that said, he picked up the copper coin again and threw it away.

The copper coin is still heading up!

Chengfeng felt a little hairy in his heart.

He looked at Dan and asked, "Uncle Mai, how much influence will this so-called dragon's coming into the world have on me?!"

Chapter 2566

"This, I'm not good." Dan said truthfully: "The other party's fate is too strong, I can't see through."

With a somewhat unconvincing attitude, Chengfeng asked, "Is this man better than me?!"

Dan nodded and solemnly said: "This kind of fate is the most powerful. It is described as strong and invincible in two words. It is absolutely impossible for anyone to beat him in fate!

While Chengfeng was horrified, he couldn't help but mutter in his heart: "I have always suspected that Zhiyu and Liona are likely to be still alive, and it is very likely that they were saved by the mysterious expert in Japan. Now, what is the old man saying? The dragon came into the world, could it be that he was talking about?!"

Thinking of this, Chengfeng felt a panic in his heart. If all this was as he had guessed, then this mysterious expert would definitely become himself, and even the enemy of the Su family!

In a panic, he suddenly thought of Regnar, and hurriedly asked the butler Anson: "Where is Regnar Wu? Is he here?!"

Anson hurriedly said, "Master, Regnar has come. I have arranged for him to rest in the living room and wait for your instructions."

Chengfeng blurted out, "Quick! Call Regnar over!"

Anson hurriedly said, "OK Lord, I will!"

After Anson left, Chengfeng said to Dan: "Uncle Mai, this Regnar is the patriarch of a large family in Suzhou. Some time ago, something very strange happened to their family..."

With that, Chengfeng explained Wu Qi's glorious deeds to Dan.

After hearing this, Dan looked terrified and blurted out, "Is there really such a thing?!"

"Yeah!" Chengfeng said, "I didn't fcuking believe it at first, but after watching the video, I believed it. It's so fcuking disgusting!"

Dan frowned and analyzed: "According to common sense, even if a person undergoes some changes and is psychologically devastated, his seizures should be random. It is impossible to have such a strict uniform frequency..."

"Yeah!" Chengfeng said, "That's why I suspect that 80% of the people behind this are ghosts! But Regnar hasn't found out by himself, so I want Uncle Mai to show him and see if you can find any clues. , Can these clues be merged and unified."

Dan nodded lightly and said, "I will try it!"

At this time, Anson walked in with Regnar.

Chengfeng immediately greeted Regnar and said, "Mr. Wu, this is the famous Feng Shui master in the United States, Dan Mai!"

Regnar respectfully said, "Hello, Master Mai!"

Dan nodded slightly at him, and then went straight to the topic: "Mr. Wu, has your son's situation improved?"

Regnar shook his head and sighed: "There is no improvement, it's still the same as before."

Dan said, "In this way, you can bring him here and let the old man take a look."

Regnar was overjoyed and hurriedly said, "Master Mai, wait for a while, and I will inform the family and ask them to send the boy here!"

Zynn hurriedly pulled him aside and said, "Mr. Wu, remember to tell your family to let him eat before letting your son go out. Don't let him have an attack in front of Mr. Dan!"

Regnar said embarrassingly, "OK President Su, don't worry!"

Having said that, he hurried to the side, took out his mobile phone, and called the housekeeper.

Ten minutes later, a helicopter slowly landed in the courtyard of the lakeside villa. Wu Qi, who had just finished eating, was helped by his brother Roger and walked off the helicopter.

Anson handed Wu Qi a mask and a bottle of mouth wash, and instructed: "Chew this bottle of mouthwash, don't leave anyone, then put on the mask and go in!"

Knowing that the other party disliked him, Wu Qi was depressed and did not dare to delay any time. He hurriedly opened the bottle and poured the whole bottle into his mouth.

After gurgling hard for a long time, until the cheeks hurt, Anson greeted: "Hurry up and put on the mask and follow me in!"

Wu Qi could only put on a mask obediently and walked into the villa with his brother Roger...

Chapter 2567

Since the incident, Wu Qi has not been out of the house or seen outsiders for a long time.

Originally, he had always been very reluctant to go out, wishing not to step out of the house for the rest of his life, but when he heard that there are experts today who might be able to heal his unspeakable concealment, hope suddenly rekindled in his heart.

After entering the villa, Anson took the two brothers to the living room by the way.

Regnar hurriedly introduced to everyone: "Master Su, Master Mai, this is my youngest son Wu Qi, next to my elder son Roger Wu!"

Both the Chengfeng and his son looked at Wu Qi with interest.

Because Wu Qi is indeed as famous as his name, he is a strange person, because he was popular on the short video platform at the beginning, and his popularity is no less than that of any star.

Wu Qi was stared at by the Chengfeng and his son, feeling uncomfortable all over his body and lowered his head unconsciously.

Regnar hurriedly said to Dan Mai at this time: "Master Mai, please show my little son to see what is going on with him."

Dan walked in front of Wu Qi, stretched out his hand on his forehead and the back of his head, carefully touched for a moment, then grabbed the coins, muttered something in his mouth, whispered a few words, and then The copper coins were dropped on the ground, staring at the location of each coin intently.

After a while, he spoke: "Mr. Wu, this boy's problem should not be his own."

Chengfeng on the side hurriedly asked: "The problem is not with himself, that is to say, is it coming from others?"

"Yes." Dan nodded and said seriously: "I suspect that boy should have been hypnotized or suggested subconsciously."

Regnar was not surprised at this conclusion, because he knew that the reason why his son became like this was because of Charlie.

Even the Eight Great Heavenly Kings are not Charlie's opponents at all, let alone his own little son who has no power to restrain the chicken.

So he hurriedly asked, "Master Mai, since you can see the root of my child's problem, I wonder if there is a way to cure him?"

Dan thought for a while and said, "It just so happens that I have some research on hypnotic suggestion. I can give the boy a try, but I can't give you a package if he can be cured or not."

Regnar hurriedly said, "This is natural! As long as you are willing to try, I will be grateful for it!"

After speaking, he saw Wu Qi standing there without saying a word, and hurriedly scolded, "Hurry up, thank you, Master Mai!"

Wu Qi hurriedly bowed again and again, and said nervously, "Thank you...Thank you, Master Mai..."

Dan nodded slightly, took a red string from his pocket, took another ancient coin, and threaded it with the red string.

Immediately afterwards, he merged the inner strength in his body into his fingertips and slammed Wu Qi's forehead.

This force was relatively strong, so Wu Qi suddenly felt a little dizzy.

Afterwards, Dan placed the tied ancient coin in front of Wu Qi, swaying slowly, and said, "Looking at this coin, from now on, what do I ask and what do you answer, absolutely Can't lie to me, do you know?"

Wu Qi nodded repeatedly: "I see..."

Dan asked him again: "Then tell me now, what kind of hypnosis and hints did the other party give you?"

Wu Qi vaguely said, "He...he told me every hour...must...must...must eat once... .."

Before the last word came out, Dan immediately said, "Okay, you don't need to say the last word!"

After speaking, he said again: "Wu Qi, from now on, no matter what others have asked you to do, what kind of hints they have given you, you have to completely forget it, do you understand?"

Wu Qi nodded ignorantly and stammered: "I...I understand..."

Chapter 2568

Dan gave a hum, and asked in a deep voice, "Then do you still remember what hint the other party gave you?"

Wu Qi nodded blankly and said, "Remember, he asked me every hour..."

Dan hurriedly blurted out: "Stop talking! You will pay close attention to the copper coins in my hand. From now on, forget all the orders others gave you. Do you understand?!"

Wu Qi continued to nod: "I understand..."

Dan wiped his sweat, and asked with some uncertainty, "Then do you still remember any hints that the other party gave you?"

Wu Qi said without hesitation: "Remember, he let me..."

Dan's expression was very ugly, and he scolded loudly, "You...you...you...hurry up!"

Wu Qi was taken aback, and immediately awoke from the hypnotic state, and immediately closed his mouth.

Regnar asked nervously in the clouds and mist he was watching, "Master Mai, what is going on?!"

Dan shook his head, and said with horror, "The man who gave your son hypnotic hints seems to be far more capable than me...The hypnotic hints he gave, I can't erase it at all, and I can't even shake it. ..."

"What?!" Regnar was speechless in shock.

He couldn't believe that a ninety-year-old master of Feng Shui and Metaphysics would have nothing to do with Charlie's tricks!

What's even harder to believe is that Dan would take the initiative to admit that Charlie's ability is far greater than him!

Chengfeng on the side was even more shocked. He blurted out, "Uncle Mai, what did you mean? Looking at the whole country, there is absolutely no possibility that any metaphysical master can be compared to you!"

Dan's face is somewhat unbearable. Just now, he was envied and hated by the divine dragon in the hexagram. He did not expect that there is another mysterious master who is better than himself in professional skills. It made him feel more shocked.

So he said angrily: "This... can only be said that there is a sky outside the sky, and there are people outside the world..."

Chengfeng was shocked!

Originally, he inferred that in Aurous Hill, there must be a very powerful master against him.

Now Dan also said that what made Wu Qi look like a ghost was a person who was stronger than him in Feng Shui metaphysics, and Wu Qi happened to be in Aurous Hill again, which means that Feng Shui metaphysics master is also in Aurous Hill? !

If the two are the same person, wouldn't it be more difficult for him? !

So he hurriedly asked Regnar: "Mr. Wu, who did your son offend when he was in Aurous Hill?!"

"This..." Although Regnar knew that Charlie was the one who had offended his son at the beginning, now he dare not say 10,000.

After much deliberation, he could only hesitate to explain: "Mr. Su, to tell you, my son looks harmless to humans and animals, but it's not a good thing!"

"Fcking, I sent him to school. He was fine. After he went to school, the good ones didn't learn bad ones. He just wanted to do some PUA on the female classmates, so that several girls suffered a lot of harm because of him."

"So I have always suspected that he ended up like this because he offended a certain big person, or made a big person displeased."

Chengfeng hurriedly asked, "Could that master hide in the university in Aurous Hill?"

Regnar said awkwardly, "This...I don't know..."

Dan paced back and forth on the spot, muttering in a low voice, "Aurous Hill...Aurous Hill...I really can't figure out how could Aurous Hill's three-square-meter land have such strength. A strong person? Is this place outstanding, or is there any treasure..."

The great-grandson Mike of Dan, who has never spoken much, said at this moment: "Grandpa, don't you always hope that you will have another breakthrough in your lifetime? I think this is definitely a great opportunity!"

Chapter 2569

Mike's words, let Dan's whole person cheer!

He has studied Yijing Bagua and Fengshui Metaphysics all his life, and it seems that he has reached the pinnacle. In fact, he has just passed the entry-level in Feng Shui Metaphysics.

True metaphysics is far more than feng shui and gossip, but a large school of wisdom and inheritance of Chinese ancestors.

Among them, many advanced metaphysics have been lost, and almost no one knows.

In this life, Dan has been quite accomplished in Feng Shui, but he has been crushed by several other masters. Among them, Lai Qinghua, who is ten years older than him, is the most cruel.

Lai Qinghua can be regarded as the most accomplished in the field of Feng Shui metaphysics among all Chinese Americans.

There are still two high-level masters, but they are no longer alive.

Dan has been hoping that after Lai Qinghua enters the soil, he will become a leader in Feng Shui metaphysics.

However, seeing that he was in his nineties, Lai Qinghua, who was over a hundred years old, was not dead yet.

A few years ago, Qinghua left the United States and returned to China for three years.

And those three years were the three years in which Dan had the strongest sense of accomplishment.

Because no one could find Lai Qinghua, he temporarily became the strongest in the field of geomancy and metaphysics in the United States.

He once felt that the reason why Lai Qinghua wanted to leave the United States and return to China was probably that he had reached the end of his life, so he wanted to return to his roots, return to China to spend the last time in his life, and would not live back to the United States.

What he did not expect was that Lai Qinghua returned to the United States some time ago.

What made him even more unexpected and unacceptable was that Lai Qinghua was in excellent condition. Although he was over a hundred years old, he looked better than him.

For a time, Lai Qinghua, who was nearly twenty years old, became the focus of discussions in the entire American Chinese circle. Countless people regarded Lai Qinghua as an old god. For a time, legends about him spread throughout the Chinese community.

During that time, Dan was extremely depressed.

Although depressed, he was also very curious and yearning for Lai Qinghua's changes, so he made a special trip to visit him very humbly.

During the visit, he tentatively asked why he became young. Lai Qinghua only said to him in eight words: "There is a sky outside the sky, and there are people outside the world."

Dan also understood the meaning of his words. He knew that Lai Qinghua was telling himself that he met an expert in China, so he also encountered great luck.

Although Dan didn't know what kind of destiny Lai Qinghua encountered, he speculated that Lai Qinghua could suddenly be twenty years younger when he was about to die, and he might have mastered a higher level of metaphysics.

In addition to the feng shui mystery, metaphysics also has the Fu seal formation. The nine-character mantra spoken by the ancestors: Lin, Bing, Fight, Zhe, Ji, formation, column, forward, and line are the core of the Fu seal formation.

However, these are not the true top techniques of metaphysics.

Because, in the field of metaphysics today, there has always been an unproven legend, that is aura!

In ancient literature records, Reiki is often mentioned, as well as the chain repair method based on Reiki.

There are even relevant records in many folklore and famous stories.

It is said that aura is the highest among all powers, and if you master aura, you can master everything.

However, since modern times, the metaphysical circle has not found any cultivation method that can harness spiritual energy.

Countless people in the metaphysical circle searched desperately, but did not find any practical clues.

Although Dan was also full of longing, but he was also very clear in his heart that he certainly did not have such good luck.

However, the words of great-grandson Mike reminded him.

Chapter 2570

Aurous Hill, maybe it's his own opportunity!

Thinking of this, he immediately said to Chengfeng: "Chengfeng, your second son, eldest daughter-in-law, and eldest granddaughter all disappeared in Aurous Hill, and Mr. Wu's son was hypnotized by masters in Aurous Hill. In my opinion, this Aurous Hill must have a Hidden Dragon and Crouching Tiger, if this is the case, I will personally go to Aurous Hill to see if I can find a clue!"

Chengfeng suddenly became excited when he heard this.

What he worries about most now is that he doesn't know the situation in Aurous Hill at all.

Since Dan was willing to go, he certainly couldn't ask for it.

So, he said excitedly: "Uncle Mai, you are willing to go to Aurous Hill, it would be better there. If I need to prepare in advance, please speak!"

Dan waved his hand: "You don't have to prepare anything specifically for us. The more you prepare, the more likely it is that someone will discover the connection between us."

Chengfeng hurriedly said, "Uncle Mai, then I will help you arrange food, clothing, housing and transportation to Aurous Hill in advance."

"You don't have to." Dan refused: "You don't need to prepare anything. Tomorrow morning, Mike and I will take a train to Aurous Hill together. When we get there, we will find a hotel again."

Seeing Dan's resolute attitude, Chengfeng no longer insisted, and said, "Then everything will be Uncle Mai's!"

.....

An hour later, a Gulfstream G650 private jet landed at Aurous Hill Airport.

Ito Nanako was so excited, her heart was already surging when she thought that she had finally come to the city where Charlie lived.

After passing the customs inspection, the group came to the exit of the corporate jet building. A convoy of luxury cars has been waiting here for a long time.

Warnia saw Ito Nanako pushing Ito Takehiko out of the wheelchair, and immediately smiled and waved at her: "Nanako!"

When Ito Nanako saw her, she was naturally very happy, and quickly responded, "Sister Warnia, why are you here to pick us up yourself!"

Warnia smiled and said, "You and uncle came all the way. As the host, I didn't come to meet you personally. Wouldn't it be a bad etiquette?"

With that, she hurriedly bowed slightly to Ito Takehiko, and said politely, "Uncle Ito, welcome to Aurous Hill!"

Takehiko folded his hands together, squinted slightly, and said with a smile: "Thank you, Miss Song, you made a special trip to pick us up."

Warnia hurriedly said, "Uncle Ito, you are welcome! This time, you have to stay in Aurous Hill for a few more days. Then I will accompany you and Nanako around!"

While talking, Warnia said again: "Nanako, Uncle Ito, the team is ready, let's go to my house to take a rest, the rooms are ready, I specially prepared a dinner party for you to start with!"

Ito Yuihiko hurriedly said, "Miss Song, I have already booked a hotel. Emi, Tanaka, and I are staying in the hotel together, so I won't come to bother you!"

Warnia hurriedly said, "Uncle Ito, you have arrived in Aurous Hill. As the host, how can I let you stay in a hotel! The rooms at home are ready, and there are enough rooms, so you can live in peace!"

Ito Yuihiko smiled and said, "Miss Song, we are not the last resort. We don't want to cause trouble to anyone. Nanako is a good friend to you. She lives in your house. I naturally don't have any opinions. People don't come to disturb your house, otherwise, if a dozen people disturb your home, I really feel sorry for it."

Although the Japanese are very polite and polite on the surface, they are actually a little cold in their bones. This indifference is actually not a weak human trait, but they don't like to cause trouble to others. If they can do things by themselves, try their best to do it themselves. , Not to trouble others as a last resort, this is basically the norm in Japanese social life.

Therefore, Ito Yuhiko prefers to stay in a hotel, being free, without restraining himself, and without causing trouble to others.

Warnia wanted to persuade him again, and Nanako Ito hurriedly said, "Sister Warnia, you don't have to persuade my dad. He has a stubborn temper. You can't convince him."

Seeing this, Warnia stopped insisting.

At this moment, Emi Ito stepped forward, took the wheelchair from Ito Nanako, and said to her, "Nanako, give me the handle. You can talk to Miss Song."

Nanako Ito nodded repeatedly and smiled, "Then please, Aunt-sama!"

After finishing speaking, she hurriedly took Warnia's arm and ran far away, throwing everyone away 20 or 30 meters. Then she asked with excitement, "Has Sister Warnia seen Charlie recently? How is he?"

Chapter 2571

"Charlie?" Warnia heard Nanako's question, and then saw her big eyes full of expectation, she couldn't help feeling a little bit: "It seems that this little girl's feelings for Charlie are really deep in her bones, but she is Living in Japan most of the time, I really don't know what she should do in the future."

Immediately afterwards, she thought of herself again, and could not help but secretly laughed at herself: "I patronized her with emotion, so why am I not the same? Although Charlie and I live in the same city, he has married after all. I usually think It is not so easy to meet him."

Thinking of this, she really sighed and said to Nanako: "I haven't really seen Charlie these days. The last time I saw him was the time I went to Aoxue's house for dinner."

Nanako nodded in disappointment, and sighed: "Well, I don't know if I will have the opportunity to see him more this time..."

Warnia asked in surprise, "Did you not tell him this time?"

Nanako shook her head: "I haven't told him yet."

Warnia hurriedly said, "Why don't you tell him in advance? Would you like me to call him now and invite him to dinner at home in the evening?"

Nanako said with some embarrassment, "I...I actually want to give Charlie a surprise..."

After that, she looked at Warnia and asked expectantly, "Sister Warnia, can I trouble you with something?"

Warnia smiled slightly and asked her, "Do you want me to call Charlie and invite him to eat at home without telling him that you have arrived in Aurous Hill."

"Yes!" Nanako said with excitement, "Sister Warnia, can you help me?"

In fact, Warnia herself, like Nanako, has been enamored of Charlie for a long time.

So, in the final analysis, the two people are actually rivals in love.

It's just that Nanako was a few years younger than Warnia, and she was pretty and cute. Now she is looking forward to Warnia and her eyes are shining, which makes Warnia feel affectionate.

Seeing her in love, this little cute girl, Warnia really couldn't bear to refuse, so she said helplessly, "Well, since you want to surprise him so much, then I will trick him into coming home."

"Great!" Nanako was so excited, she said with excitement, "Thank you Sister Warnia! Thank you so much!"

Warnia shook her head helplessly, she had to admit that this little Japanese girl was so coquettish that she could not resist herself as a woman.

So, she had to take out her phone and called Charlie.

At this time, Charlie was busy in the greenhouse vegetable garden at home.

The barrels of compost made by Claire years ago are almost decomposed. This organic fertilizer made from leaves, vegetable leaves, and kitchen waste is green and pollution-free and is very suitable for growing flowers and vegetables at home.

Originally, Charlie and Claire worked together in the greenhouse at home, but now Claire took over the renovation project of the Emgrand Group and was very busy every day, so Charlie took the initiative to take care of all these things.

While he was busy fertilizing, his cell phone kept shaking in his pocket. Charlie took out his cell phone. Seeing that it was Warnia's call, he connected and asked, "Warnia, do you have anything to do with me?"

"Master Wade..." Warnia glanced at Nanako and hurriedly said, "I want to ask if you have time to come to my house for a meal tonight?"

Charlie had already learned from Issac that Ito Yuhiko was going to stay at Shangri-La today, so he speculated that Nanako would definitely go to Warnia's house. At this time Warnia called to invite him to dinner. It is estimated that she is likely to be with Nanako.

Chapter 2572

However, Warnia did not expressly say on the phone that Charlie was not good to directly show that he knew the specific situation, so he pretended to be curious and asked, "Why are you asking me to have dinner?"

Warnia hurriedly said, "That's right. Grandpa said that I haven't had a chance to invite you to sit at home recently, so he wants me to ask you if you have time to come to your house for dinner tonight."

Charlie didn't expect that Warnia's remarks turned out to be that Mr. Song wanted to invite him to dinner, and never mentioned Nanako. It was estimated that Nanako wanted to surprise him.

Thinking of the beautiful and generous, gentle and quiet Nanako, Charlie inevitably missed her a little, and for a while, the scene of walking with her on a snowy night in Kyoto came to mind.

After a moment of contemplation, Charlie said to Warnia, pretending to be confused, "Since it's the old gentleman's invitation, I can't refuse it. Please tell him, I will pass tonight."

Seeing Charlie's promise, Warnia said happily, "That's great, do I need to drive over to pick you up?"

Charlie smiled and said, "Don't bother, my father-in-law happened to be at home, and I will drive his car over in a while."

"Okay." Warnia said with joy, "Then I will wait at home for Master Wade to come!"

Warnia bid farewell to Charlie, and then ended the call.

Nanako, who was already dancing with excitement, hugged Warnia's waist and said happily, "Sister Warnia, you are so kind!"

Warnia smiled and said, "Don't patronize and thank me. This is the first time I lied to Master Wade since I knew him. When you meet him later, you have to explain to him why I lied to him."

Nanako Ito said with a smile: "Sister, don't worry, I will definitely explain it. My sister has helped me so much. How can I let my sister carry a scapegoat for me?"

As she said, Nanako Ito said again, "By the way, Sister Warnia, please help me make an appointment with Aoxue. I picked an Akita for her from home and stayed with the accompanying bodyguard."

Warnia smiled and said, "That's great. You don't know how much she like the Akita you gave me. As long as I post the little guy's photo to the circle of friends, she will definitely like it and leave a comment. Yes, I will let her know!"

Nanako hurriedly reminded: "Then you must tell her to keep Mr. Charlie a secret before she comes, and don't disclose the information about my coming to Aurous Hill to him in advance."

Warnia nodded: "Don't worry, I will tell her."

.....

At this moment, Charlie saw that it was almost time for dinner, Claire said hello in advance, and did not come back for dinner tonight, so after finishing his work, he returned to the villa.

Elaine had already prepared a few dishes at this time, and when Charlie came in, she said hurriedly, "Oh my son-in-law, are the things in the vegetable garden finished?"

Charlie nodded: "It's over."

Elaine hurriedly said, "Oh, it's really hard work for you! Mom is going to make the meal, so you can wash your hands and eat.

Charlie said, "By the way, Mom, I have a dinner at night, so I won't eat at home."

"Ah?" Elaine asked a little surprised: "Why are you going out to eat all of a sudden? Mom has almost prepared this meal, and I have cooked a prairie lamb chop for you!"

While talking, Jacob walked downstairs and said in a hurry, "I'm not at home to eat at night, Charlie has to come with me and eat with people from the Calligraphy and Painting Association!"

Chapter 2573

Charlie was amazed when he heard what the old man said.

"When am I going to eat with the old man?"

Just wondering, Jacob kept winking at him, and at the same time urged: "Oh, Charlie, why are you still wearing an apron for work? Go back to the house and change your clothes, we will be too late!"

Elaine asked at this time: "Jacob, you don't have to do business in that painting and calligraphy association all the time, why do you still get your son-in-law together? How can people have time to socialize with you?"

Jacob curled his lips and said, "What do you know? Charlie knows Orvel. Orvel is very famous in Aurous Hill. President Pei of our Painting and Calligraphy Association gives Orvel the most face. It just so happens that the leadership of our Painting and Calligraphy Association is about to change. This time I have to let President Pei run an executive vice president for me. In that case, I will be the second in command of the Calligraphy and Painting Association!"

Elaine said with a look of contempt, "You used that calligraphy and painting association all day long. I didn't see you earn a cent to bring home!"

Jacob said disdainfully: "The Calligraphy and Painting Association was not originally a profit organization. This is the elegance among the literati. You do not know a sh!t!"

Elaine snorted coldly, "Jacob, did I give you a face? I tell you, hurry up and quit that sh!t association! Stay at home honestly in the future!"

"The beauty you want!" Jacob blurted out: "The Calligraphy and Painting Association is the second spring of my career. Why should I quit when you say to quit?"

Elaine slapped the table: "No retreat, right? Okay, I won't let you go out of this door today! If you dare to go out, I will go to your Calligraphy and Painting Association tomorrow!"

Jacob was in a hurry and said hurriedly, "Are you sick? What do I do to you?"

Elaine said coldly: "Stop the fucking nonsense with me. I and you are still a legal couple. If you irritate me, I will go to the Calligraphy and Painting Association to sue you for messing with men and women! I see if you have any face in the future. Stay there!"

"You..." Jacob was a little scared at once, and said hurriedly, "Elaine, why are you doing this? I don't usually provoke you, but occasionally go out to socialize. You have to confront me. What do you mean?"

Elaine said coldly: "I'm not against you, I'm just letting you know who has the final say between the two of us!"

Charlie hurriedly came out at this time and said, "Oh Mom, Dad has liked antique calligraphy and painting for so many years, and finally found a development opportunity in the Calligraphy and Painting Association, so don't stop him."

Elaine said seriously, "Good son-in-law, mom tells you the truth, my leg was broken for so long, and your dad, an old guy, didn't care about me even once! Do you think he still has a conscience?"

"Not only that, my legs and feet are uncomfortable. I rarely go out every day. I even use my mobile phone to buy food. He is good. He runs out all day long without staying at home. If I don't care about him, maybe I'm going to get better with which fox!"

Jacob was taken aback and blurted, "Elaine, don't talk nonsense! There are eight leaders in the Calligraphy and Painting Association, and all eight are men!"

Elaine curled her lips and said, "I'll take care of you guys, but I won't let you go in the future!"

Charlie said helplessly, "Mom, don't be familiar with dad. If you are bored at home, let dad take time to accompany you every day, take you out for shopping, or do

rehabilitation training, but dad is here and really needs a little personal space, so don't interfere too much."

When Jacob heard this, he hurriedly said, "That's it! I'll spare more time to accompany you in the future. Is this the head office?"

Elaine felt a little better, and said to Jacob, "I won't be as knowledgeable as you in the face of my son-in-law, but don't forget what you just said!"

Jacob quickly said: "Don't worry, I will never forget it! So, tomorrow I will take you to the China World Shopping Mall. You had no chance to go shopping during this time. You must be tired of staying at home."

Only then did Elaine calm down and said, "What you said, remember for yourself, if you dare to let me dove, I will never end with you!"

Jacob hurriedly smiled and said, "Don't worry, I will accompany you tomorrow!"

Seeing that Elaine had really calmed down, Charlie took the opportunity to say, "Mom, if there is nothing else, I will go out with dad first."

Elaine nodded: "Go, be careful when driving on the road!"

Jacob couldn't wait to say, "Charlie, go and change your clothes, I will wait for you in the car!"

Chapter 2574

Charlie responded, went back to the room to change clothes, and came to the garage. Jacob was already anxiously gearing up on the co-pilot.

Charlie sat in and asked him, "Dad, are you really going to have dinner with President Pei tonight?"

Jacob waved his hand: "No, I have something delicious with him. This guy has been following my but.t to fawn on me, and I don't even bother to care about him."

Charlie asked curiously, "Then which one are you singing?"

Jacob hurriedly said: "Just now, your Aunt Meiqing said on WeChat that she seemed to have a fever. It happened that Paul went on a business trip again. Your Aunt Meiqing was not taken care of at home, so I wanted to buy some medicine quickly and buy something to eat and take it over."

Charlie was taken aback, and immediately asked: "Are you going to Aunt Meiqing's house?"

"Yes." Jacob nodded and blurted out: "You drive me over quickly, and then we two will be busy."

Charlie didn't think much, he Even nodded and said, "Where is Aunt Meiqing's house? I'll see you there first."

Jacob immediately handed the phone to Charlie and said, "Here, this is the location, Meilun Villa District."

Charlie glanced at it. This location was in the same direction as Warnia's house, and not too far away, so he started the car and drove Jacob away from the house.

On the way, Jacob directed Charlie to buy some anti-fever medicine at the pharmacy, and then directed him to drive to the door of an authentic local restaurant.

As soon as the car stopped at the entrance of the restaurant, Jacob hurriedly said, "Charlie, you are waiting for me in the car!"

After speaking, he couldn't wait to push the door down.

Seeing this, Charlie said hurriedly: "Dad, I'll go, you sit in the car and rest."

As soon as Jacob heard this, he said: "Then please help me buy some duck siu mai, and also a pickled Tuk fresh and a millet porridge."

Charlie nodded, pushed the door and got out of the car, and entered the restaurant.

He suddenly felt a little worried when he headed out with the packed food.

The old man is going to Meiqing's house.

But Paul is now on a business trip, and Meiqing must be at home alone, and she is now sick again. The old man is going to take care of her at this time. Whether it is real or fake, he is not sure.

In case, if something is taken care of, it might be difficult to end.

Thinking of this, he simply took out a rejuvenating pill from his pocket, scraped off a little powder with the key, and melted it into the millet porridge.

It is estimated that if Han Meiqing drank this bowl of millet porridge, the ordinary headache and brain fever would definitely be fine on the spot.

The main reason why Charlie did this was to prevent something that shouldn't happen between the old man and her tonight.

He didn't worry about Han Meiqing's character, but he was very worried about the concentration of the old man, and how determined Han Meiqing was when she was sick.

In case the old father-in-law is taking care of her while thinking about it, and Han Meiqing is physically ill, and still somewhat dependent on Jacob psychologically, if the old father-in-law takes the initiative, maybe she will let him take advantage of the void and enter.

Although Charlie also hopes that Jacob will one day be married to his lover, but he has not divorced Elaine after all. If he is really cheated in marriage and is known by Elaine, then the family will definitely be furious. Claire and himself have no good life.

Therefore, Charlie can only hope that Han Meiqing will immediately recover after drinking this bowl of millet porridge.

In that way, if the old man, really moved his eyes, at least there would be no chance to get in...

Chapter 2575

As soon as Charlie drove away with his front foot, Jacob became a little impatient and quickened his pace.

In fact, since the time when Meiqing told him on the phone that she was coming back to China, his heart was full of her shadow.

After she returned to China, he ignited the sparks that had been buried for many years.

In the past two to three decades, Jacob's happiest moment was the moment when Meiqing came back to cook at home and he embraced her in the kitchen.

However, Meiqing's mentality is very sensible. She knows that Jacob and Elaine are not divorced, so she has always held a firm sense in her heart and is unwilling to make substantial progress with Jacob.

Jacob often scratched his head for this, but he never found any chance to breakthrough.

Although He was very useless all his life, he was at least a normal man. He had been looking forward to Meiqing for so many years, not only was he obsessed with her psychologically, but also physically.

Therefore, he has always been eager to relive his old dreams with his first love girlfriend, but the occasions where the two of them have the most contact are at the university for the elderly, so he has always been in estrus and stopped at courtesy.

However, things are different today this time.

Suddenly Meiqing fell ill and had a fever, and there was no one around to take care of her. Jacob felt that a woman was the most vulnerable at this time, and she also needed it the most, with solid support.

Coupled with the fact that the two of them have had a past where they were in harmony, and now they still have feelings in their hearts, in this case, it is easier for the sound of the waves to remain.

Therefore, Jacob hurried over, looking forward to a breakthrough today.

As for Elaine, he didn't bother to think about it, nor did he want to think about it.

After all, in his opinion, Elaine is the saboteur of his life. He has no feelings or loyalty towards Elaine.

Excited, he ran all the way to the door of Meiqing's villa.

This is a single-family villa with a small footprint but looks very European-style. Jacob stood at the door and immediately pressed the electronic doorbell next to the door.

At this time, Meiqing in the villa, wrapped in a thick down jacket, came to the security monitor inside the door weakly. Seeing Jacob standing outside the door, she pressed the open button and said, "Jacob, I feel really sick, so I won't come out to receive you. Come in by yourself."

Jacob hurriedly said, "Meiqing, don't come out, lest you suffer the wind and chill again. I have brought you some food, so I will bring it in."

With that, he hurriedly opened the door of the villa, walked through the small courtyard, and came to the entrance door of the villa.

When Meiqing opened the door, a heatwave rushed into his face.

Jacob was surprised and said, "Why is it so hot in your room?"

Meiqing wrapped her down jacket tightly, and said weakly, "I was too cold, so I turned on the floor heating to the maximum, and then turned on the air conditioner."

Seeing her sluggish and pale, Jacob couldn't help but said distressedly, "What the hell is going on? Okay, why did she suddenly have a fever?"

Meiqing said helplessly: "Hey, it seems that the weather this year is too humid. Although the temperature is not cold, it is really easy to make people sick..."

Jacob hurriedly stretched out his hand and grasped Meiqing's soft hand tightly, and said distressedly: "Oh, why are your hands so hot? Have you taken your temperature? How much fever?"

Chapter 2576

Meiqing said, "I just measured it and it was 39.2 degrees. I took the anti-fever medicine, but it didn't work."

When Jacob heard that it was more than thirty-nine degrees, he was even more distressed. He proactively bent down and pressed his forehead against Meiqing's forehead. After feeling for a moment, he blurted out: "Your forehead is really hot, or you Go and sit on the sofa first. I'll get you a wet towel."

Meiqing said embarrassedly, "That's really too much trouble for you, Jacob..."

Jacob said solemnly, "Are you still being so polite with me? Do you remember that when I was in college, I had a fever and couldn't go to class in the dormitory? You took the initiative to skip class and came over the wall to the boys' dormitory and took care of me for a day. ."

When Meiqing heard this, her expression immediately became extremely ashamed.

She naturally remembered the past that Jacob said.

Because that time, it was far more than just Jacob's illness and fever.

At that time, the two were in love, but the college students at that time were relatively simple, so they only held hands occasionally, or gave a gentle hug on the riverside where no one was there.

Apart from this, there was basically no further development.

But that time when Jacob was seriously ill, Meiqing was really worried, so she sneaked into the boys' dormitory and took care of him in every possible way.

At that time, there were only two of them in the male dormitory. They were originally lovers in love, and suddenly they had such a good opportunity to be alone. Moreover, Meiqing took care of Jacob. Naturally, the two of them were in close contact with each other, so they came and went. Let the atmosphere heat up infinitely.

The two were alone for a few hours in that heart-pounding state. Jacob's body temperature gradually dropped, but the temperature of affection between the two continued to increase.

Jacob was also a passionate young man at the time, so he didn't hold it all at once, so he took advantage of that perfect opportunity to use his body that had just recovered from his illness to take away Meiqing's first time.

Of course, although Meiqing was half pushing and half pulling, but deep down is also completely voluntary.

Although Jacob has nothing to do, he is okay and loves to brag and do, but in his bones, he is actually a boring character.

Now suddenly mentioning the past in a serious manner, just deliberately trying to draw the atmosphere to it.

In his opinion, the best thing is to reproduce the atmosphere in the boys' dormitory back in this villa. That would be great for him.

really!

As soon as he said this, Meiqing's pale complexion suddenly turned ruddy!

After all, Meiqing is a woman. At this time, she was naturally ashamed and intolerable and recalling the past that year, the unforgettable scenes in the depths of her memory, unconsciously surfaced in her own mind.

However, she is embarrassed to give any positive response. After all, this kind of thing is indeed a bit too ambiguous.

Jacob was actually holding back a little bit of badness in his heart. He deliberately brought up the past, just to see Meiqing's embarrassment.

Because in his opinion, the more shy Meiqing is, the more proof that she still loves him deeply in her heart.

Seeing Meiqing not speaking, he hurriedly laughed and asked, "Meiqing, why are you not talking? Did you forget the period when you went to the dormitory to take care of me? Would you like me to help you carefully recall the memories?"

Meiqing was ashamed and anxious, and said hurriedly, "You...didn't you say to wet the towel for me? Go quickly..."

Chapter 2577

"Oh oh oh!" Although Jacob felt a little disappointed in his heart, he still pretended to be suddenly enlightened, patted his head, and exclaimed, "Oh, look at my brain, patronizing the memory of the past, and forgetting the business upfront."

After speaking, he hurriedly said again: "Miqing, you sit and wait for me first, I'll get you a wet towel!"

Meiqing hurriedly said, "There is a bathroom on the first floor. Turn left in front."

"OK!"

Seeing Jacob turned around and went to the bathroom, Meiqing was finally relieved.

In fact, Jacob's purpose was very clear to her.

To be honest, Jacob is not only her first man but also the man she loves most in her life, so she naturally has some illusions and expectations for Jacob in her heart.

However, after all, she is a woman who has received higher education and has been a decent woman all her life.

She knew that even though Jacob and Elaine had separated, their view of marriage still existed. Based on this, she felt that she could not make a principled error anyway.

Although Elaine shamelessly used her body to intervene in her and Jacob's feelings, she was unwilling to do the same thing.

Just as she sighed in her heart, Jacob had already walked over with a wet towel.

Jacob wiped her forehead with a wet towel, and said, "Meiqing, I bought you some digestible dinners. After a while, I will help you go back to the room and lie down on the bed. Then I will feed you something. In addition, you have already taken the anti-fever medicine, I believe it will not take long for the fever to go away."

Meiqing nodded: "Thanks for your hard work, Jacob, to be honest, I'm really hungry. I haven't eaten much all day."

Jacob hurriedly said, "Hey, why didn't you tell me earlier? You should have told me as soon as you fell ill. In the end, you are fine. If I didn't ask you on WeChat, you won't tell me the truth!

Meiqing said, "I don't want to bother you either. I thought I can survive it. I didn't expect it to get worse.

Jacob sighed and said with affection: "If you have something like this in the future, you must notify me as soon as possible. I will definitely come here as soon as possible, okay?!"

Meiqing nodded and said gratefully: "Okay...I see..."

Jacob was satisfied, and said, "By the way, Meiqing, where is your temperature meter? I'll take your temperature again to see if it has improved."

Meiqing nodded, pointed to a thermometer on the coffee table, and said, "Before you came, I wanted to take another test, but I really don't have any strength in my body. I can't shake the mercury thermometer, so, please. Give it a shake..."

Jacob hurriedly reached out and grabbed the thermometer in his hand. While shaking it, he said distressedly: "Hey, I really didn't know that Paul was on a business trip. Otherwise, I must have come to see you a long time ago. You are sick at home. What can I do if there are three long and two short..."

As he said, he handed the thermometer to Meiqing, and said, "Clip it quickly. Next time, I will buy an electronic thermometer to avoid inconvenience for you."

As soon as he finished his speech, he remembered something, and hurriedly changed his words: "Don't buy electronic ones. Electronic ones are not as accurate as mercury. If you can't shake it by yourself, ask me and I will help you."

Meiqing nodded moved.

She was naturally very pleased with the thoughtfulness of Jacob in her heart, especially when she was sick, she suddenly didn't know where the sense of dependence grew.

So she said with a bit of shyness: "Thank you, Jacob."

Chapter 2578

Jacob smiled and said, "You still have to say thank you to me? Didn't you take care of me like that back then?"

When Meiqing heard this, her face turned red.

She whispered helplessly: "It's all about old and rotten grain, so don't always talk about it..."

"That's how it works!" Jacob said emotionally, "I won't forget what happened that day, even if I die. I have wanted to tell you for so many years that I just didn't have a chance. I finally took a chance. You didn't let me. Say....."

Meiqing also said helplessly: "I didn't let you say...I am...I am..."

Speaking of this, she didn't know how to continue on this topic, so she sighed and said, "Hey, I just think that if you run to me so late, Elaine will definitely be angry if she finds out. , Or you still go back quickly, lest Elaine will be unhappy."

When Jacob heard her mention Elaine, he snorted coldly, and said, "Don't mention that shrew in front of me. If it weren't for her, how could we two become like now? Maybe we both Already married and have two or three children!"

Meiqing smiled helplessly and said seriously: "Some things are fate, and Elaine may not really be to blame..."

"Of course it's her!" Jacob said annoyedly, "I hate her as long as I think of you these years!"

After that, Jacob waved his hand and said, "Okay, let's not mention her anymore. It's too disappointing to mention her!"

Meiqing said, "I guess if I rest in bed for a while, I should be able to recover slowly. If you have problems at home, you should go back sooner to avoid problems."

Jacob did not expect that when he arrived at Meiqing's house, she couldn't wait to let him go home.

This made him a little bit hurt.

However, he quickly blamed all of this on Elaine, and thought to himself: "Meiqing wants me to go back. It's definitely not that she doesn't want to talk to me, but that she is afraid of Elaine bltch! Elaine stinky lady is really is haunting him everywhere!"

Thinking of this, he snorted angrily and said, "I won't go! I won't go anywhere until you recover! What about Elaine? I don't bother to pay attention to her at all. In my mind, she still is not as important as the thermometer in your armpit!"

Meiqing didn't know how to return him at once.

At this time, Jacob checked the time and said hurriedly, "Five minutes, show me the thermometer."

Meiqing took out the thermometer carefully and handed it to Jacob.

Jacob glanced at it, then heaved a sigh of relief, and said, "It is 39 degrees right now. You measured it at 39.2 degrees, right?"

Meiqing nodded.

Jacob said happily, "It has dropped by 0.2 degrees. Although the decline is not large, at least it has begun to decline. I guess, if you lie down and eat something, take a good rest, you should be able to get better. , I will help you upstairs!"

Meiqing hurriedly said, "Or don't toss and lie on the bed and eat. I'll just have a bite here."

When Jacob heard this, he hurriedly waved his hand and said, "How can that work! Are you uncomfortable? Sitting here will only make you feel more uncomfortable the longer you sit. Come, I will take you to bed and put two pillows on your back. You will feel comfortable. As for eating, there is nothing to worry about, I will just feed you!"

Meiqing hesitated for a moment. Seeing Jacob's expression firm, she nodded and said, "Then...that will do it...you can help me to the elevator..."

Jacob was overjoyed and couldn't help but sighed secretly, "Haha, here's an opportunity!"

Chapter 2579

Seeing Meiqing promised to send her to the bedroom, Jacob was so excited that he bloomed.

Ever since Meiqing came back, he has been looking forward to having the opportunity to relive his old dream with her, and today is finally beginning to look forward to.

On weekdays, Meiqing is beautiful and dignified, and very independent. It is not easy to approach such a woman.

But Jacob knew in his heart that no matter how strong a woman's heart was, she would immediately become soft who needed a man's protection as long as she was sick for a lifetime.

At this time, no matter how powerful a woman is, she will remove her defenses.

Jacob graciously helped Meiqing into the elevator of the villa until he reached the third floor.

After Meiqing directed Jacob to send her into the bedroom, she lay on the bed with the help of Jacob.

Jacob graciously helped her put two pillows behind her so that she could comfortably lean against the soft head of the bed.

After Meiqing lay down, she said weakly to Jacob, "Jacob, I'm still very cold. Please help me cover the quilt."

Jacob said earnestly: "Meiqing, you have a high fever right now. It's definitely not good to be wrapped in a blanket. It is not conducive to dissipating heat. Maybe your body temperature will get higher and higher."

Meiqing nodded, and said helplessly: "But I really feel very cold now, from head to toe, the whole person has been swaying non-stop, please help me to cover the quilt..."

Jacob sighed and said, "Let's do it, I'll cover the quilt for you first to keep you warm, and then I'll go to the bathroom to put a jar of warm water for you while keeping the water while feeding you something. You'll take a bath in the bathtub in a while."

Meiqing asked suspiciously, "Can I take a bath if I have a fever?"

"Of course." Jacob said: "Fever is actually the most important thing to cool down. Taking a warm bath can quickly help you cool down your body temperature and relieve fatigue to a great extent! Trust me, I won't harm you."

What Jacob said is also the truth. Whether it is an adult or a child, taking a bath can effectively lower the body temperature in the case of fever, but it depends on the situation. If the body is too weak, it is naturally inappropriate.

Jacob asked Meiqing to take a bath, on the one hand, out of concern, on the other hand, he also thought that he could draw the distance between the two closer, and even make a final breakthrough.

After all, if a weak woman wants to take a bath, he must help her before and after. In that case, it is definitely the best time to launch a further offensive.

At this time, Meiqing didn't think too much, she just felt that it was too uncomfortable. She was suffering from the bone-to-shoulder cold that can only be felt when she had a fever, and she was also suffering from various discomforts caused by the high fever. She was very painful. Seems to make some sense, so he nodded and said, "Thank you, Jacob..."

Jacob said diligently: "Oh, you are welcome, you wait, I will put the water for you first."

After that, Jacob hurried to the bathroom, opened the mixing valve of the bathtub, and tested the water temperature, and found no problem. He quickly got out of the bathroom and said to Meiqing on the bed: "Meiqing, I'll feed you first. Eat something, it will make you resistant!"

Meiqing nodded weakly and said, "I have a fever, and I don't seem to have any appetite or taste anymore. Or you can feed me two bites of millet porridge."

"Okay!" Jacob hurriedly said: "Millet porridge is rich in carbohydrates. This kind of time can replenish energy, and the most important thing is that it also nourishes the stomach. It is most suitable for sick patients. You don't know, to buy this bowl of millet. I ran to several restaurants."

Meiqing said touchedly, "Jacob, I made you bother..."

"It should be!" Jacob quickly opened the lunch box containing the millet porridge and took out the soup spoon given by the restaurant. He first took a spoonful by himself, took a bite, and said, "Well, the temperature is right. Come, Meiqing, eat more while it's hot!"

Chapter 2580

With that, he hurriedly took another spoonful and handed it to Meiqing's mouth.

Although Meiqing didn't have any appetite, she thought of having to replenish energy and nutrition when she was sick, so she forced herself to open her mouth and ate a spoonful of millet porridge.

What surprised her was that as soon as this millet porridge entered her abdomen, she felt an extraordinary flow of heat, flowing into the stomach along the esophagus, dissolving in the stomach, and then making her feel the whole body warm.

This warm current is very rare for Meiqing, who has been feeling cold all the time. She felt a lot more comfortable in an instant. She couldn't help but exclaim, "Jacob, this millet porridge is really comfortable to consume!"

Jacob smiled and said, "That is! I don't study all kinds of health knowledge at ordinary times. I already have experience! You used to stay in the United States often, and your lifestyle is probably Westernized. They know to take medicine, but they don't know to drink a bowl of millet porridge. This is the wisdom of our ancestors!"

As he said, he handed the soup spoon to Meiqing's mouth again, and said with a smile, "Meiqing, hurry up and eat two more bites!"

Meiqing nodded. The bite of millet porridge just now made her feel that her whole person's spirit has been restored to a certain extent, so she took another bite without hesitation.

It stands to reason that the effect of this rejuvenation pill is indeed very strong.

A rejuvenating pill can heal people who are dying on the spot, and it is simply a peerless remedy for healing and saving lives.

Therefore, to deal with Meiqing's fever and cold, it is simply an anti-aircraft gun hitting mosquitoes.

However, although the effect of this Pill was very strong, Charlie also deliberately controlled the dosage.

He just scraped off a little bit of powder from a rejuvenating pill and put it into the porridge. The amount of medicine was originally small. Then, when diluted by a bowl of porridge, the effect that can be really eaten with every bite is actually minimal.

But even so, having two mouthfuls of porridge made Meiqing more comfortable.

As a result, her physical and mental state became better and better before she knew it, and her appetite improved. After a while, she drank a bowl of porridge completely.

Seeing that Meiqing had eaten so much porridge, Jacob's complexion improved a lot. He sighed with great relief, "Meiqing, I think your complexion has improved a lot!"

Meiqing asked, "Really? I feel much better myself..."

Jacob laughed and said, "Don't tell me, this millet porridge is effective. As the old saying goes, whole grains are the most nutritious!"

As he said, he thought of the bathtub still filled with water in the bathroom, and hurriedly said, "Meiqing, you just finished a bowl of porridge, so you can relax in bed first. I will check if the water is ready. Come and help you in the bath."

Meiqing nodded: "Okay, you go, thank you, Jacob!"

"What are you polite?" Jacob smiled and waved his hand, quickly put down the tableware, and stepped into the bathroom.

As soon as he entered the bathroom, he rubbed his hands in excitement.

I couldn't help feeling: "Oh! It seems that I and Meiqing have been separated for almost thirty years! Thirty years, today I can finally relive the old dream with her!"

Thinking, he strode to the bathtub. At this time, the bathtub was half full. He stretched out his hand to test the temperature of the water. Whether it was hot or cold was just right.

So, he hurriedly turned around and got out of the bathroom, and while walking out, he said happily, "Meiqing, the water is ready, you go and soak...er...I...I Go ahead..."

Chapter 2581

Before the word "bath" for Meiqing to take a bath was finished, Jacob was stunned by the scene before him.

At this time, Meiqing had got out of bed and was standing by the bed.

She had already taken off the down jacket on her body. She was only wearing a single at home, not to mention, the sleeves on both sides were struck above her elbows.

And at this time, Meiqing, how could the whole person still look like the sickness just now?

She can be said to be in excellent condition, energetic, ruddy, and shiny...

What's even more exaggerated is that at this time, Meiqing was stretching her arms vigorously. She might feel that it was not enough to relieve her hatred, so she simply jumped on the spot twice.

Jacob was stunned, and he was shocked for a long time before returning to his senses. He stammered and asked, "That...beautiful...Meiqing...you...what are you... Are you down?"

Meiqing said in full aura: "Jacob, I feel like I am completely better! Thanks to your bowl of millet porridge!"

Jacob felt that the whole world seemed to have become magical, and blurted out: "It's just a bowl of millet porridge, where is such a magical effect..."

While moving her body, Meiqing said earnestly, "But now I do feel that my whole person is completely healed, not only is completely better, and the condition is much better than when I was not sick before. Not only I don't feel cold at all. , And it's still very hot, and more importantly, I feel like I'm having endless energy..."

"This..." Jacob was almost crying, and said with a gloomy look: "This...what's going on? I live such a big life, I never heard that millet porridge is so big. The effect of this is not reasonable, this..."

Meiqing pinched her waist with one hand, raised her hand high, and stretched it to the side, and said without changing her face: "I also think it's very magical as if you put some elixir in millet porridge..."

Jacob sighed, "I...Where did I get the elixir..."

As he said, he hurriedly asked, "Meiqing, then...are you still soaking in the bath?"

Meiqing shook her head and said hurriedly, "Jacob, what time do you plan to go home?!"

Jacob asked depressedly: "Meiqing...you should chase me away when you get better..."

Meiqing hurriedly said, "Oh, where did you want to go? Am I that kind of person? I want to call you to exercise together, but I am afraid that it will delay you too long, and it will be difficult to explain to your wife after you go home."

"Exercise?" Jacob subconsciously became a little fanciful, and hurriedly said, "It's okay, it's okay! No matter what time I go back, I have no problem! I have to have two or three hours!"

Meiqing said excitedly, "That's great!"

Jacob asked subconsciously, "Meiqing, you...what exercise do you want to do?"

Meiqing blurted out: "I want to go for a run by the river! You first wait for me at the door, I'll put on sportswear and then we will go!"

"What?!" Jacob said with a look of shock, "Going for a run by the river at night?!"

Meiqing nodded and said, "Yeah! I feel like I am full of energy right now, so I especially want to go out for a run, and have a good run!"

After that, she looked at the time and said, "That's not too late. It's just seven o'clock. Many people who like to run at night usually start at this time and run until half-past nine."

Jacob's desire is gone.

"What the hell is going on? When did the fever get better so quickly? Under normal circumstances, isn't the body extremely weak after a high fever? But right now, it doesn't seem to be in line with common sense at all."

Just when Jacob was full of depression and surprise, Meiqing urged a little anxiously: "Jacob, are you willing to go? If you want to leave, I can't help it! "

Jacob is too embarrassed to say it?

"If I don't go, Meiqing will go for a run. I can't stay at someone's house, right? Even if I stay at her house, what can I do by myself? I can't go to her bathroom for a bath, right? His fate is too weird..."

Chapter 2582

Thinking of this, Jacob could only say with a sad look: "Okay, since you want to run, then I must accompany you!"

"That's great!" Meiqing hurriedly said, "Then you go out first, I'll get dressed quickly and we will set off immediately!"

"Okay..." Jacob, who was so depressed, could only agree, turned around with a sullen expression, and left the door.

This bedroom, in his eyes, was the tender hometown he had been away from for nearly 30 years.

But now, he can only stand outside the door, waiting for Meiqing to change clothes inside.

The key is that after she changes clothes, she has to take him to run...

Depressed, Jacob sighed, covering his face with one hand, and holding his head with the other, before squatting down at the door of Meiqing's bedroom.

When he squatted down, he was still wondering: "Where is the problem? Is it possible that millet porridge really has such a magical effect?!"

Three minutes later, the bedroom door opened.

Meiqing stepped out. At this time, she put on a full set of tight running clothes and tied her long hair in a ponytail. She looked like a fifty-year-old woman, and there were many people who said she was thirty, and later seemed true.

She saw Jacob actually squatting on the ground and hurriedly asked, "Jacob, why are you squatting here for?"

Jacob quickly stood up and said awkwardly, "It's okay, I'll rest for a while..."

After that, he took a closer look at Meiqing, who was wearing tights, and that perfect figure almost made him see his eyes off.

He really didn't expect that Meiqing would still maintain such a good figure after being so old.

Because this kind of tights is very revealing of the pros and cons of the body, if the body has a little fat, you can see clearly under this kind of tights.

But Meiqing's figure can hardly fault her.

Seeing Jacob in a daze, Meiqing felt a little bit ashamed, but she didn't care too much, and hurriedly said, "Let's go out, I'm almost out of the heat!"

Jacob could only nod angrily and followed her downstairs.

The villa area where she lives is not far from the riverside. After going out from the front door of the community, after passing a green area and crossing a road, you will be directly on the riverside road.

Over the years, the state has been encouraging people to strengthen physical exercise. Therefore, the City built a 20-kilometer-long road along the riverside, half of which was a track paved with rubber particles, specifically for citizens to run.

Meiqing lives here since she moved here, and basically, she has to run a lap every day. The reason why she has such a good figure is that she has continued to exercise for decades.

On the other hand, Jacob, although his body is not bad, is the standard of an ordinary middle-aged person. He rarely exercises. Apart from drinking tea, bead beads, and walnuts, the biggest exercise is to chat with others in the Calligraphy and Painting Association. , The lips are more neat than the legs.

Therefore, as soon as he ran with Meiqing, he was a little out of breath and couldn't keep up within three minutes.

But on the other hand, Meiqing is almost as if she was beaten up. With such a small amount of exercise, let alone panting, there is no change in her complexion.

Soon, Jacob really couldn't hold it anymore, panting and saying, "Beautiful...Meiqing...that...that...I really..... I really can't run, let's... shall we rest for a while?"

Not only did Meiqing not feel tired, but she felt that she hadn't even begun to enter the state.

So she hurriedly said: "Jacob, why don't you walk slowly by yourself, I will run for a while and then come back to find you? I don't know what's wrong with me, I feel that my strength is useless, I can only rely on two The legs are exhausted, so I can't stop at all..."

Jacob gritted his teeth and said, "Then...then I will be with you..."

After speaking, he quickly used the strength of the milk and followed desperately...

Chapter 2583

When Jacob broke his leg with Meiqing on the riverside, Charlie was only the last few kilometers away from Song's manor in the outskirts of the City.

At this time, in the banquet hall of the Song Family Manor, the father and daughter of the Ito family, Emi Ito and Koichi Tanaka, were accompanied by Warnia, chatting with Mr. Song.

Although the Song family's cooperation with Nippon Steel relied on Charlie to cure Nippon Steel's chairman Shinwa Watanabe, it was also thanks to Ito Yuhiko's matchmaking.

Moreover, after Warnia had an accident in Japan and was rescued by Charlie, it was also thanks to the care of the Ito family.

Therefore, Mr. Song was very kind to the guests of Ito's house.

As for Nanako, she was busy chatting with Warnia and it was all the whispers between women. The two kept whispering, often laughing out of control as if they were good sisters.

And the Akita dog that Nanako brought was lying on her feet obediently, staring curiously everywhere with round eyes.

Just in time, Qin Gang took Aoxue his daughter, and Charlie arrived at Song's house one step at a time.

As soon as the father and daughter entered the banquet hall, Warnia hurriedly got up and waved to Aoxue, "Aoxue, come here!"

Aoxue saw Warnia and Nanako, and quickly waved at them.

Seeing Nanako, Aoxue felt a little bit embarrassed in her heart. After all, she inadvertently injured Nanako very badly in the previous game. In addition, she was a lot weaker than Nanako. Charlie's pill was only able to counterattack, so she felt even more ashamed.

Immediately afterward, she saw the Akita lying at Nanako's feet. She was immediately attracted by the puppies' naive appearance and screamed, "Wow! Is it Momotaro?! My goodness, it's so amazing. So cute!!!"

As she said, she ran over.

Her bluff attracted everyone's attention.

Qin Gang suddenly said with a little embarrassment to Old Man Song and the rest of the Ito family: "Sorry everyone, this girl has no rules and always makes a fuss..."

After speaking, he was about to reprimand Aoxue twice, but Aoxue had already run to the Akita dog, squatting down and reaching out to tease the dog.

Qin Gang shook his head helplessly, and Mr. Song said with a smile at this moment: "Mr. Qin Gang, come and sit down and let me introduce you to Mr. Ito from the Japanese Ito family."

Qin Gang hurried forward and shook hands with everyone in the Ito family one by one, and said apologetically, "I'm really sorry for just now. The little girl likes to tease cats and dogs all day long. Please bear with her."

Ito Xiuhiko smiled and said, "Mr. Qin doesn't have to be so polite. Little girls are like this. Your Aoxue is about the same age as our Nanako. Although they are in their early twenties, they are still little girls. I can't understand this state better."

Qin Gang nodded and smiled: "Indeed, the children of our two families are all about the same age, and they both love martial arts. Hey, sometimes I get worried. You said this little girl doesn't like piano, chess, calligraphy, and painting. They like dancing knives and guns, kicking sandbags at home every day, and kicking two of them a week, do you think you can stand this..."

Yuhiko Ito smiled and said, "I used to like to supervise children. Not only did they let them learn martial arts, but also let them learn piano, chess, calligraphy and painting, and even tea ceremony flower arrangement. I always wanted to cultivate her into a real fine lady."

Speaking of this, Ito Xiuhiko sighed, and said, "But now I think about it. As long as the child is happy and doesn't go wrong, it's enough. Let her explore the rest. ."

"Yes." Qin Gang nodded and said with a smile, "I can't control her now, so I don't bother to control her either."

Here, Aoxue's attention was almost completely attracted by the Akita dog.

Chapter 2584

While stroking Akita's head, she looked expectantly at Nanako, and asked, "Nanako, is this dog really for me?"

"That's right!" Nanako nodded and smiled and said seriously: "It's called Momotaro. He is a little boy. Although he is a boy, he has a good temper and good learning ability. From now on, I will ask for your care!"

Aoxue was extremely excited and gratefully said, "Nanako, thank you so much!"

Nanako smiled and said, "Everyone is a friend, what are you doing so politely."

Aoxue blushed and said, "I...I'm sorry...I hurt you like that in the game before, and I haven't had a chance to say sorry to you..."

Nanako hurriedly said, "Since it's a competition, there will be winners and losers, and some people will be injured. Everyone is playing fair. Sorry, don't take it to your heart."

Aoxue said embarrassedly, "But...but...but I was...I was..."

Suddenly, Aoxue didn't know how to explain it.

After struggling for a while, she gritted her teeth and blurted out: "But I didn't rely on my own ability to win you at the time. I relied all on Master Wade's help...So after all, I couldn't win that match... .."

Nanako smiled slightly and said seriously: "Aoxue, everyone has their own different chances. It's like some people master higher-level fighting skills, while some people master better ways to strengthen the body, so there is nothing to win or lose, besides, thanks to you wounding me, Mr. Wade will be thinking about helping me heal the injury. It is precisely because of Mr. Wade's concern that my entire family and I will be saved by him. After all, I thank you that it is not too late..."

"Ah?!" Aoxue asked in surprise, "Is there anything like this?!"

Nanako nodded: "It sounds outrageous, but it is true. If Mr. Wade had not come to Kyoto to heal me, I would have been dead now."

When Warnia heard this, she felt a little sour in her heart.

Before she knew Nanako, she thought that she was the only one who allowed Charlie to travel thousands of miles to rescue.

But it turns out that Charlie did the same to Nanako.

While sighing with emotion, Warnia also recovered, and she couldn't help reminding her: "Warnia, Warnia, how can you be jealous with a little girl... After all, Master Wade has a wife, his sweetheart is Claire, not Nanako, nor you Warnia..."

Thinking of this, she couldn't help sighing, her heart depressed.

Nanako heard her sigh and hurriedly asked, "Sister Warnia? Why did you suddenly sigh? Is it in a bad mood?"

Warnia hurriedly waved her hand to deny: "No, I just thought that I almost died in Japan back then. Thanks to Master Wade's help, I couldn't help feeling a little..."

Nanako nodded sympathetically.

The reason why she and Warnia get along very well and treat her as a sister in her heart, is because the two are too similar in many ways.

Both of them are the eldest ladies of a big family, but they also encountered the danger of almost losing their lives more than once, and both of them were rescued by Charlie at the critical moment of their lives...

More importantly, Nanako can see that Warnia, like herself, loves Charlie deeply...

Therefore, having such a similar experience gave her a feeling of sympathy deep in her heart.

Chapter 2585

Aoxue felt a little lost when she heard the two talk about being rescued by Charlie.

She held Momotaro in her arms, sat down on the ground, and sighed, "Hey, I suddenly envy you..."

The two couldn't help looking at her at the same time. Warnia asked, "Aoxue, what do you envy us for?"

Aoxue said earnestly: "I envy you all for having the experience of being saved by the hero like Master Wade. Why haven't I encountered such a thing..."

Nanako hurriedly interrupted her, blurting out: "Aoxue, don't talk nonsense! This kind of thing is not a joke!"

"That's right!" Warnia also said extremely solemnly: "This kind of flag must not stand in disorder! Peace and safety is the most important thing!"

Aoxue whispered: "But...but I really envy you..."

Seeing her hopelessness, Warnia and Nanako couldn't help but glance at each other and laughed bitterly at the same time.

On the one hand, the two of them were surprised by Aoxue's amazing brain circuit, and on the other hand, they couldn't help feeling in their hearts. It seemed that Aoxue, like the two of them, loved Charlie deeply in her heart, otherwise it would not be possible to have such an idea suddenly.

Warnia looked at Aoxue and said with a smile: "You, don't envy others indiscriminately. In fact, I am quite envious of your experience of Master Wade escorting you at every critical moment. It's like being protected by a prince all the way. Little princess, don't need to see the sins in the world."

Aoxue blushed all of a sudden, and said vaguely, "Ah...Where...I am not Master Wade's little princess... ."

Warnia nodded, looked at Nanako, and smiled: "It seems that Aoxue doesn't want to be Master Wade's little princess. When we turn around, we have to remind Master Wade."

Nanako nodded in agreement and said, "Yes, when Mr. Charlie arrives, I'll find a chance to tell him."

Aoxue was anxious and blurted out: "Oh, don't get me wrong...I didn't mean that..."

Warnia deliberately asked her, "Then what do you mean?"

Aoxue replied with shame, "I...I think...I think Master Wade will not treat me as his little princess..."

Warnia smiled and said, "Aoxue, listen to what you mean, don't you like Master Wade?"

"Ah..." Aoxue was startled, blushing immediately and waving her hand: "I don't...I really don't..."

"I don't believe it." Warnia smiled: "You must like Master Wade. Look at you, your face is red."

"Yes." Nanako also joked: "It looks like a ripe red apple. I can't wait to take a bite. If Mr. Charlie saw it, maybe he would have the same idea... "

Aoxue suddenly covered her face with her hands, and said shyly: "Don't talk nonsense, I didn't blush..."

Although she said so, she was very worried in her heart. She hurriedly stood up and said hurriedly, "Sister Warnia, Nanako, I...I'll go to the bathroom, you guys... talk first..."

After speaking, she ran away quickly.

Warnia and Nanako looked at her back and couldn't help but smile at each other. Warnia said seriously, "Nanako, do you mean Master Wade?"

Nanako pursed her mouth and said seriously, "I don't know if Charlie is not a flower, but I feel that he is a flower himself, and a flower that attracts bees and butterflies..."

Chapter 2586

Warnia nodded in admiration, and said with emotion: "Apart from him, there may be no other flower that can attract bees and butterflies..."

At this moment, the men in the other corner of the banquet hall also talked happily.

After everyone chatted, Mr. Song looked at Qin Gang and smiled: "By the way, President Qin, don't you have a lot of exports to Japan recently? You can get in touch with Mr. Ito in the future to see if there is any good cooperation, just set a direction."

Ito Yuihiko asked curiously: "Oh? Mr. Qin also has business in Japan?"

Qin Gang nodded and said truthfully: "To be honest, I was originally in the business of medicinal materials, originally only for China's domestic market, but recently the export volume from Japan has soared, accounting for half of all my medicinal materials sales, even It's still growing."

Yuhiko Ito asked in surprise, "How much does Mr. Qin supply to Japan?"

Qin Gang said with a respectful expression: "I am afraid, these medicinal materials are all supplied to Master Wade's JX Pharmaceutical. Didn't Master Wade buy Kobayashi Pharmaceutical in Japan some time ago, and then handed over all the supply of medicinal materials for several production lines to me."

"That's it!" Ito Yuihiko suddenly understood.

Before, he also wanted to invest in JX Pharmaceutical, but he didn't expect to have a little unhappy with Charlie because of this, so Charlie was scammed by 4.5 billion US dollars.

At first, Ito Yuihiko thought that the 4.5 billion US dollars must not be given to Charlie so easily, but then Charlie saved his daughter, avoided the Ito family from being harmed, and even saved his own life. Kindness made him stop thinking about the 4.5 billion dollar thing a long time ago. Even if he thinks about it, he doesn't feel distressed at all but feels lucky.

In fact, there is another very important reason why Ito Yuihiko doesn't care about the 4.5 billion US dollars now, that is, the Ito family survived the Tokyo chaos almost intact.

On the other hand, the Takahashi family and the Matsumoto family suffered a heavy loss and the other was wiped out.

The Ito family relied on the integration of their resources and markets, and their strength increased rapidly. This huge increase is simply not comparable to US\$4.5 billion.

Therefore, not only did Ito not hate Charlie but instead regarded Charlie as the benefactor of the entire Ito family.

Qin Gang is actually the same. He sighed with respect and emotion: "Since Master Wade handed over the supply of medicinal materials for JX Pharmaceutical to the Qin family, the family's business volume has more than doubled, and the revenue growth ratio has been higher... ."

"More importantly, Master Wade is not like other manufacturers. Other manufacturers like to keep prices down."

"Of these companies I work with, the longest billing period is over half a year!"

"Take the previous Wei's Pharmaceuticals, for the raw materials I gave him in January, he has to wait for July to settle the bill!"

"During this period, I will continue to supply the raw materials for the five months from February to June, which is equivalent to being in the hands of their family alone, which has suppressed my half-year payment for goods, and the financial pressure is extremely high."

"However, now working with Master Wade, Master Wade has never pressured any settlement. As long as the medicinal materials supplied by me have arrived and passed the inspection, the finance will transfer the money to me immediately..."

Elder Song, who was on the side, smiled slightly and said with emotion: "You, me, and everyone, have been greatly favored by Master Wade. If it weren't for Master Wade, we wouldn't be in the state we are today..."

After speaking, he looked at Warnia who was chatting with Nanako and Aoxue, and exclaimed, "If it weren't for Master Wade, Warnia and I would have died long ago, and the Song family would not have us today..."

Ito Yuhiko also sighed: "Yeah! If it weren't for Master Wade, not only would the little girl be killed by the murderer, but the Matsumoto family's fate might have to be borne by the Ito family..."

Qin Gang hurriedly said, "Since everyone has received the favor of Master Wade, then Master will come later, we must respect him with two more cups!"

At this moment, Charlie just stepped forward under the leadership of the housekeeper. Hearing Qin Gang's words, he smiled and said, "What? You guys are discussing it well. Do you want to drink for me all night?"

Chapter 2587

Seeing Charlie came, Qin Gang was first to stand up and respectfully said: "!! Master leaves you to come and we are when it comes to You"

Charlie smiled and said: "I heard, you said a little later I drink a few glasses to keep it?"

Qin hastily laughed: "You really want to drink a few glasses, but certainly did not want to fill you mean."

Charlie smiled, then said to Father Song said: "Mr. Song, how have you been recently?"

Father Song nodded respectfully said: "Mr. Wade, thanks to you, my decrepit body is in very good shape."

Charlie nodded. At this moment, Ito Yuihiko beckoned to Charlie and said respectfully, "Hello, Mr. Wade, we meet again!"

Charlie already guessed Ito Takehiko somehow here, however, the natural surface was normal and he pretended to be very surprised and said: "Oh, it is Mr. Ito, I did not think you were here."

Then, Charlie looks to his side and Ito, smiled and said: "Ms. Ito, and Mr. Tanaka are also here."

Megumi Ito quickly stood up, gave a ninety bow, and said: "Hello Mr. Wade!"

Without his lower limbs, Tanaka could only put his hands together and said, "Hello, Mr. Wade!"

Charlie nodded slightly, not far from the Warnia to chat with Nanako, blushed slightly and said: "! Charlie!"

Charlie looked at Nanako, and saw that she was still soft and watery, and said with a smile: "Nanako, I have heard Warnia say that you are coming to Aurous Hill for a concert, but I didn't expect you to come so early."

Nanako said shyly, "Charlie, I just happened to be not that busy recently, so I wanted to take this opportunity to come to Aurous Hill to relax and take a break."

Charlie nodded, smiled, and asked her: "how not tell me ahead of time before coming?"

Nanako pursed her mouth, and said in a low voice, "I...I...I wanted to give you a little surprise, so I didn't say anything, please don't be angry... "

Charlie laughed: "how could it be, but next time you may consider telling me in advance, that time I would prepare to give you a welcoming dinner."

Nanako quickly said: "Ok, next time I will tell you in advance!"

Charlie nodded, aside Warnia said with a smile: "? Mr. Wade, do you think we do not want to take a seat now."

"Okay." Charlie said with a smile: "I'm sorry to let you wait for me for so long. The journey was from a bit far away. I just happened to see my father-in-law."

Father Song then stood up, smiled, and said: "We were just talking about you, as you arrived here."

Charlie laughed: "Mr. Song, you are the master, of course, that you have to be seated first."

Father Song would like to shirk, but Charlie insisted: "Come, sit down at your main seat up, you are sitting next to me."

Seeing Father Song did not refuse, quickly said: "I will follow whatever you order Mr. Wade."

At this time, Aoxue, who had just splashed her face with cold water, also came out of the bathroom. Seeing Charlie coming, she immediately ran to the front with excitement, and said excitedly, "Master Wade, you are here!"

Charlie looked at her and nodded and smiled: "Aoxue is also here."

". Yes," Aoxue happy to say: "Nanako brought me an Akita dog, I came here to pick it."

Then, she blushed and said: "Mr. Wade, do you want to play with it?"

Qin Gang blurted out and scolded: "Aoxue! Didn't you see that everyone is going to eat at the table? You know you are fooling around, and sit down next to me."

Chapter 2588

Aoxue curled her lips when she was reprimanded, and said angrily, "I know Dad..."

Charlie smiled at this time: "The dog will let the housekeeper take care of him first, and then play with him after eating."

Father Song hurriedly ordered the housekeeper to take the dog out first.

Everyone sat down one by one.

On Charlie's left is Mr. Song, and on his right is Ito Takehiko.

As for Emi Ito and Koichi Tanaka, they were originally beaten to death and did not want to be on the table, but Charlie still kept them.

The relationship between master and servant in Japanese society is very clear. Sometimes the title of a predecessor can kill a person, but here it is relatively less rigid, and Charlie is not the kind of person who cares about these details, so he can tell them to sit together..

Emi Ito and Koichi Tanaka are naturally flattered.

After everyone was seated, Mr. Song asked everyone to pour the wine. This time the wine is still the same Moutai. In the upper class, this is the most popular brand and the only choice for foreign guests and envoys at the state banquet.

Moreover, the Maotai collected by Mr. Song are almost all treasures that the rich can't buy on the market. Just take out a bottle, and it has a history of at least 20 years.

After the servant poured white wine for everyone, Ito Yuihiko couldn't help holding up a glass, sniffed it under his nose, and exclaimed: "It really is China's national wine! The fragrance alone is enough to be intoxicating."

Mr. Song asked curiously: "Oh? Mr. Ito also has research on Chinese liquor?"

Yuhiko Ito nodded and said earnestly: "You said, in Japan, ordinary people love beer and sake. Young people love whiskey and red wine. Some older upper-class members and members of established families My favorite is actually Huaxia's baijiu."

After speaking, he exclaimed: "After all, the cultures in Japan originated from China, and the wine culture is the same."

"Old-fashioned Japanese families require their children to learn Chinese culture from an early age, so we learned from the records in historical books that ancient Chinese said that "the world's fine wine is the only one in the world"."

"A few decades ago, Japanese Prime Minister Kakuei Tanaka visited China, and he also expressed this feeling."

"When we studied Tang poetry and Song Ci, in order to find the uninhibited feeling of ancient Chinese poets, we even went to find a few cups of Chinese white wine. The hearty feeling is really nostalgic..."

Mr. Song nodded and said with a smile, "That's right, take advantage of today's opportunity, you must drink a few more glasses! If you like to drink, when you return to Japan, I will have someone prepare a batch for you to take back!"

Ito Yuihiko said, "Thank you, Mr. Song! If Mr. Song has time, come to Japan for a few days, and I will entertain you all the time!"

Father Song smiled and said, "Okay, I must come over and disturb you if I have a chance!"

After all, he looked at Charlie and said respectfully: "Master Wade, why don't you have an opening remark? Let's toast and meet each other."

Charlie smiled and said, "You are the head of the family. If I were to say the opening remarks, wouldn't it be overwhelming?"

Mr. Song firmly said, "You are the great benefactor of the Song family. You are here. This is your home court. We are all sitting there thanks to your care and favor. The opening remarks from you are absolutely suitable. That's it!"

Charlie was silent for a moment, nodded, and said, "Okay!"

After all, he stood up, holding a wine glass, and said seriously: "First of all, welcome Mr. Ito and his family to Aurous Hill. I have no good impressions of most Japanese companies and entrepreneurs, but Mr. Ito still impresses me."

"So, I also hope that Mr. Ito can cooperate more with the Song family, with the Qin family, and with JX Pharmaceutical in the future!"

"Everyone strives to achieve resource exchange, resource development, and resource symbiosis. Together, we will find more opportunities and incubate more projects."

Chapter 2589

As soon as Charlie said this, the expressions of Old Song and Qin Gang became a little excited.

They knew that Charlie was actually helping them match up.

The Ito family is now the strongest family in Japan, and its asset scale is also trillions of yuan converted into RMB. The Song family, but just entered the 100 billion club, Qin Gang is now halfway from the threshold of the 100 billion club.

Therefore, if they can cooperate with the Ito family, it is indeed a high climb for both of them. If the Ito family really cooperates with them, it will definitely bring them more growth opportunities!

Naturally, Ito Yuihiko knew Charlie's intentions, so he said almost without hesitation: "Since Mr. Wade has said so, then our Ito family will naturally go all out to cooperate with Ms. Song and Mr. Qin!"

As he said, he looked at Warnia and said seriously: "Miss Song, have you already started cooperating with Nippon Steel? After your new project is completed and put into production, all the real estate development projects of our Ito family will purchase Song's in addition to the products of the joint venture between us, several of our shipyards will transfer all steel orders over!"

When Warnia heard this, she was immediately stunned!

The cooperation between the Song family and Nippon Steel will focus on special steel in the future. Ito Takehiko's words are tantamount to binding a solid high-quality large customer to the steel industry of the Song family.

In the real economy, the most important thing is to find high-quality customers. A foundry company like Foxconn can bind a company like Apple to generate tens of billions of output value in a year. Such customers are the most important resource thing in the real industry.

So, Warnia said with surprise and joy, "Mr. Ito, thank you so much!"

Yuihiko Ito waved his hand and smiled: "You don't have to be so polite. In future cooperation like this, just let Nanako directly connect with you. She will definitely give you as many resources as possible, and we will work together for a win-win situation."

Nanako Ito took the conversation, nodded, and smiled: "Yes, Sister Warnia, we must strengthen cooperation in the future. If your Song Group wants to develop overseas, you are welcome to come to Japan for a visit, and then we can work together!"

Warnia folded her hands together and said gratefully, "Thank you very much! It just so happens that Nanako and you will be staying in Aurous Hill for many days this time. You can also take a look at some of the current industrial plans of our Song family and see if there are any projects worthy of cooperation."

Nanako Ito nodded without hesitation and said, "It's okay. Sister Warnia will work hard to help me introduce the current situation of the Song Group in detail!"

At this time, Ito looked at Qin Gang and said with a smile: "Mr. Qin, I don't know what business does the Qin family do besides medicinal materials business?"

Qin Gang said hurriedly: "In fact, our previous business lines were quite complicated. In addition to medicinal materials, we also did some retail and trade businesses, including antiques, automobiles, and some heavy industrial and mining equipment."

Ito Nodded and smiled: "I don't know much about antiques, but if you do automobile trade and heavy industrial and mining equipment, if you need to import from Japan, you can contact me, Japanese automobile companies, and many well-known heavy industries. The bosses of the companies are very familiar with me. If they don't cooperate, I can help you match up. If you have already cooperated, I can help you get better terms."

When Qin Gang heard this, he immediately said excitedly: "That's really a thank you to Mr. Ito. To be honest, we do still have a few brands that we want to cooperate with. If possible, please help us to connect."

Ito Nodded and said with a smile: "Mr. Qin, don't worry, I still have some face in this regard."

Chapter 2590

After speaking, Ito looked at Charlie and said seriously: "Mr. Wade, the Su family's ocean shipping license was revoked recently. It is definitely a good opportunity to quickly enter this field. I wonder if you are interested?"

Charlie waved his hand and said with a smile: "I don't know anything about ocean transportation, and I don't even have a transport ship, so I'm talking about ocean transportation."

Ito Yuihiko hurriedly said: "Mr. Wade, the ship is actually not a problem. In fact, most ocean shipping companies all over the world rent freighters and oil tankers, just like most airlines are rented. Some companies are good at operations, but not good at heavy asset management and fixed asset planning; while some companies are good at fixed asset investment but not good at operations. This is like many companies that open global chain retail stores, but generally do not choose to buy shops on their own, and those real estate developers who invest in shopping malls often only rent shops to merchants and collect rent themselves."

"A large part of the world's ships and airplanes are purchased by leasing companies. They usually place orders with manufacturers early. After the orders are delivered, the ships and airplanes are not enough for themselves, so they just rent them out and start collecting them. Renting makes money."

"Now a large number of cargo ships of the Su family are idle, and many of them are leased. If they cannot resume normal operations in a short period of time, they are unable to afford so much rent. They are very likely to cancel their leases in batches. At that time, there will be a large number of freighter resources released in the market. You can eat it on a large scale, and then take the opportunity to grab the Su family's ocean transportation business!"

When Mr. Song on the side heard this, he couldn't help sighing: "Ocean shipping is indeed a very, very profitable industry. Now the vast majority of international trade logistics rely on shipping, so as long as the countries and countries on the earth are still working normally The ocean shipping industry will continue to grow."

With that, he looked at Charlie, and said, "Mr. Wade, your JX Pharmaceutical now has the momentum to sell well all over the world. You might as well take this opportunity of a lifetime to start ocean transportation, and in the future, it will be important to the global logistics of JX Pharmaceutical. Transportation also helps a lot."

Qin Gang couldn't help but said, "Mr. Song, I have no intention of arguing with you, but Mr. Wade's JX Pharmaceutical, which produces all medicines, is small in size and light in weight. If it is sold globally in the future, it will be shipped to one country at a time. At most two or three containers are great, but a freighter often has thousands of containers. The demand and supply are not equal..."

Mr. Song laughed and said, "Of course it is not equal to relying on JX Pharmaceutical, but have you ever thought about it, your import and export trade, your car import business, don't you have to rely on shipping? And all you do are imported cars. In our domestic market, imported cars are nothing more than so few origins. The most recent is Japan, followed by Germany, France, Italy, and the farthest is the United States. As far as I know, one standard container can hold two cars. Imported luxury cars have a huge demand for ocean transportation!"

Qin Gang slapped his thigh and smiled: "Mr. Song can see thoroughly. I only think about Mr. Wade's JX Pharmaceutical, but I didn't even think about including my own business!"

Mr. Song continued: "When our joint venture with Nippon Steel is completed and put into operation, we will have a very high demand for iron ore. Iron ore is generally imported from Brazil or Australia, and a ship is loaded with more than a dozen. Ten thousand or even hundreds of thousands of tons, the demand for ocean shipping is also huge. If Mr. Wade runs ocean shipping, it will actually be good news for everyone!"

Charlie hasn't spoken, but he couldn't help but feel a little moved in his heart.

"JX Pharmaceutical will definitely go global in the future, but with only one JX Pharmaceutical, it will be difficult for me to catch up with the top old families like the Wade family and the Su family."

"At the moment, when the Su family is at its weakest, why don't I take the opportunity to grab the Su family's business?"

"In this case, I will not only make my assets stronger but also greatly weaken the Su Family!"

"Moreover, didn't Grandpa Zhongquan always want me to return to Wade's house? Since he asks me, then I can ask the family not to directly compete with me in the field of ocean transportation!"

"In this way, even if the Wade family wants to take advantage of the Su family's share, they have to step aside for me!"

"This is not two birds with one stone, but three birds with one stone!"

Chapter 2591

Charlie now has sufficient funds in his hand, and there is also a money printing machine that is constantly making money, JX Pharmaceutical, so it is really not difficult for him to start ocean transportation.

Whether it is setting up a company, docking a dock, or leasing a freighter, there is no problem with funding.

However, the most critical issue is that if you want to start such a large piece of new business, you must have someone with sufficient ability to take care of it.

The first thing Charlie thought of was Doris.

Needless to say, Doris's ability and his character is absolutely trustworthy.

However, the only problem is that Doris still has to manage the Emgrand Group. If she is asked to take the lead for ocean transportation at the same time, she may be lacking.

After thinking for a moment, Charlie decided to wait for Doris to come back from Hong Kong and talk to her first to see if she had any good ideas, or if she knew other talents who were good at management.

Therefore, he said to everyone, "Thank you for your suggestions. I will carefully consider the ocean shipping."

Ito Yuihiko hurriedly said, "If Mr. Wade wants to do it, I will definitely support!"

Warnia also said without hesitation: "Master Wade, I am also willing to support you unconditionally!"

Qin Gang hurriedly said, "Master Wade, and me! When I go back tonight, I will call Tailai. He is deeply rooted in Haicheng, and it seems that he has also taken a stake in the port of Haicheng. If you choose Haicheng, with his assistance, you will be able to get twice the result with half the effort!"

Charlie nodded and said, "Alright, you can help me ask about Tailai's situation. After I go back, I will give it a comprehensive consideration."

Qin Gang quickly agreed, "OK, Master Wade!"

Just as Charlie was at the dinner table and was tempted by ocean transportation, in the other city nearby, at the lakeside villa, Su's were also eating, and suddenly received a tip.

After listening to the newsletter, he immediately said to Zynn with a dark face, "Zynn, I just got the message that Ito Yuhiko of the Ito family has gone to Aurous Hill!"

"What?!" Zynn exclaimed, "Dad, how come Ito Takehiko went to Aurous Hill? The Ito family doesn't seem to have any business in Aurous Hill."

The old man Chengfeng said solemnly, "Although I don't know what business the Ito family has in Aurous Hill, I think things are not simple this time, because a bear is like his sister, and his loyalty All of his subordinates chose to stay at Shangri-La in Aurous Hill!"

"Shangri-La?!" Zynn blurted out, "Isn't that the Wade family's property?"

Chapter 2592

"Yes!" Chengfeng Su gritted his teeth and said: "Aurous Hill was originally in the Wade family's sphere of influence, belonging to the Wade family's territory. Suddenly Ito Yuhiko went to Aurous Hill. It is very strange in itself. He chose to stay at the Wade family hotel. It's even more dangerous."

Zynn hurriedly asked, "Dad, are you worried that the Ito family will cooperate with the Wade family?"

"Yes." Chengfeng said earnestly: "At present, our ocean shipping industry has been suspended across the board. For a while, the entire industry is in turmoil. On the one hand, because of our suspension, there is a huge gap in the demand for international

shipping that could not be met. Not counting the increase. On the other hand, the rented ships in our hands will be released to the shipowners. Once released to the shipowners, these ships will become the items that other families and businesses compete with each other for. Among them, the threat is the greatest, it is from the Wade Family!"

Zynn pondered for a moment, and said, "Dad, if Wade's and the Ito family get on the line, it will be too bad for us! Maybe the Wade family will completely overtake the Su family because of this opportunity!"

Chengfeng hummed, and said gloomily, "So right now there are several tasks that you need to solve urgently."

Zynn hurriedly stood up and said, "Dad, if there is anything I need to do, please tell me."

Chengfeng said: "I want you to go to Aurous Hill. First find out what Ito's motivation for going to Aurous Hill is, and then find a way to establish contact with Ito, and then strive for cooperation with the Ito family. You can also drive higher. First, let the Ito family give up the cooperation with the Wade family, and then slowly establish the cooperation with them. This time we don't know how long it will punish us. We must prepare for both! "

Zynn hurriedly said, "Dad, if I also go to Aurous Hill, then there will be no one to take care of you in Suzhou. I don't know if you are in Aurous Hill now, you can't get away for a while."

"Don't worry about me." Chengfeng said lightly: "No one knows that I am in Suzhou. If they scold me outside, they can't do anything with me. So you should hurry up and get things done with the Ito family! Even if you can't talk to Ito. Once the family has reached cooperation, we must not let them hold hands with the Wade family. Once they get together, then we will be in big trouble!"

In Chengfeng's eyes, the Wade Family had always been his mortal enemy.

The Su Family and the Wade Family are like two bullies in the village. In terms of combat effectiveness, the Su Family is slightly stronger than the Wade Family. However, if the two parties really fight, the Su Family cannot easily win. Therefore, there has been no real major conflict between the two sides.

Now, the Su family accidentally slapped the foot, and the injury will not recover for a while, so the combat effectiveness is a bit weaker than the Wade family, which means that the situation of the two sides has changed, but neither side dares. Fight to the death with each other.

However, at this time the bully in the next village went to the Wade family as a guest. What the Su family was most worried about now was that the Wade family and the bully in the next village would unite to deal with him. If that were the case, the Su family would have little power to resist.

Zynn said at this time, "Dad, if they both reach a consensus, then their next cooperation will be determined. It is difficult for us to influence their choice!"

Chengfeng said indifferently: "It doesn't matter if they can't control their choice. The big deal is to find a way to kill Ito Takehiko in Aurous Hill and then throw the pot to the Wade family. Think about how the Matsumoto family did it? They just wanted to kill Zhifei and Zhiyu, and then throw the pot to the Ito family?"

Zynn hesitated and said, "Dad, we have already encountered a lot of problems now. Ruoli, Zhiyu, and Liona are all targets of the outside world against the Su family. If we continue to engage in this kind of action, in case If it is really exposed, the consequences would be disastrous and unthinkable!"

Chengfeng said coldly: "Unthinkable? Let me tell you what is unthinkable! Once the Wade family and the Ito family have reached a cooperation, they will definitely take this opportunity to expand rapidly in the field of ocean transportation. It is likely to be in a few months. Destroy all our foundations. If we lose this business, our strength will be a bit lower than that of the Wade Family. If we lose this business and are picked up by the Wade Family, then this is the case. , We will be more inferior than them!"

With that said, Chengfeng said with a cold expression: "In any case, we can't throw away the big cake of ocean transportation! Take a 10,000 step back and say, even if Chengfeng can't eat this bowl of rice, I must smash this Wade family's rice bowl. Now! I can't eat this bowl of rice, anyone else can eat it, but the Wade family"

Chapter 2593

When Charlie finished the banquet and left from the Song family, Zynn had already started to set off for Aurous Hill.

In order to be able to get in touch with Takehiko Ito as soon as possible, he specially arranged for his staff to book a hotel room in Shangri-La with other identities.

He also knew very well that Shangri-La was the property of the Wade family, so he not only couldn't let the Wade family know that he was staying at Shangri-La, but he couldn't even let them know that he was going to Aurous Hill.

According to his plan, after he has booked the room, checked in, and received the room card, he will wait near the Shangri-La Hotel. When he arrives, give him the room card, and he can skip the check-in link and enter directly into the hotel room.

Although the hotel clearly requires the real-name system at the moment, the real-name system can only be implemented to the opener.

And the higher the level of the hotel, the more attention is paid to the user's feelings and s3x. As long as the guests entering and leaving are dressed decently, there will be basically no staff to verify his identity.

Charlie didn't know that Zynn was on his way to Aurous Hill.

He drove away from the Song's house and called the old father-in-law Jacob on the road. As soon as the phone was connected, he asked, "Dad, I'm done here, what about you? If you are over, I will pick you up."

Jacob gasped and said, "Charlie, I...I'm almost exhausted...You hurry up and save me..."

Charlie asked in surprise, "Dad, what's the matter with you?"

Jacob's voice said in despair, "Don't mention it, I was pulled out for a run by your Aunt, and my leg is about to break..."

When Charlie heard this, he couldn't help laughing.

Meiqing was sick and suddenly took Jacob out for a run, which seemed to be due to excessive physical strength and energy.

From this point of view, the dose of this rejuvenating pill is still a bit large.

Immediately, he smiled and asked Jacob, "Dad, where are you running? Send me the location. I will pick you up."

Jacob hurriedly said, "Wait a minute, I will send you the position!"

After speaking, Jacob hurriedly ended the call and sent Charlie a location on WeChat.

Immediately afterwards, another text message was sent: "Good son-in-law, come on, my leg is about to break!"

Charlie replied and drove to the location.

At this moment, Jacob was sitting on the curb on the side of the road, sweating profusely all over his body.

He really did not expect to dream today. He wanted to take advantage of Meiqing's illness to brew the atmosphere, and the sound of a wave would still be there, but who would have thought that he would be dragged by Meiqing and ran on the riverside all night.

And Meiqing's physical strength is surprisingly good, it seems that she is not tired from running, but her old body has such a foundation, and after half an hour of running, he almost lost half his life when tired.

He wanted to give up a long time ago, but because he didn't want Meiqing to look down on him, he had to grit his teeth and persist. However, even if he tried his best, he still lags behind her a lot, so she could only run out by herself for a while and then turn back. Jog with Jacob for a while, then run out, and so on.

Jacob ran away crying without tears.

Now he, let alone trying to find a way to keep the sound of the waves with Meiqing, even if Meiqing took the initiative to ask, he is fundamentally powerless, just want to go home quickly and lie down.

Charlie drove quickly to the location. When he saw Jacob, Meiqing was standing beside Jacob, waving at him vigorously to signal him to continue running, while Jacob was sitting on the road gutter with pain on his face. Waved his hands again and again.

Chapter 2594

Charlie pulled over and stopped the car. When Jacob saw him, it was as if he had seen a savior, his eyes gleaming.

However, he still deliberately did not speak to Charlie immediately.

When Meiqing saw Charlie, she smiled first, "Charlie is here!"

Seeing Meiqing wearing tight-fitting sportswear, Charlie secretly exclaimed: "This Auntie is indeed the idol of middle-aged and elderly men. How does this figure, look, and temperament can be said to be of a fifty-year-old?"

If she is thirty years old, most people will believe it.

Immediately, Charlie nodded and smiled at Meiqing, and said, "Hello, Aunt."

After speaking, Charlie was holding back in his heart, and deliberately asked her: "Auntie, I heard Dad say that you are sick, why did you come out and run? And your complexion looks very good, not at all sick. Looks like you are even better than the last time."

Meiqing smiled and said, "I did have a high fever at first, but your dad brought me a bowl of millet porridge. I just had it!"

Charlie pretended to be surprised and asked, "Is the porridge so magical? This is the first time I have heard of it."

Meiqing smiled and said, "To be honest, I don't know the principle, but I am really well, and my body feels endless strength."

Charlie nodded and looked at Jacob, who was sitting on the floor with a flushed face and sweating profusely. He joked, "Dad, why didn't you come with a bowl of millet porridge?"

Jacob said angrily: "I want to know that millet porridge has this effect. I must have bought an extra bowl at the time."

After finishing speaking, he deliberately turned off the topic, pretending to be helpless, and asked him: "Oh, Charlie, why are you here so soon? Didn't I say that you waited half an hour to pick me up? I still have to Run with your Aunt."

Charlie was a little bit astonished at first when he heard the words of Mr. Athlete but soon recovered.

Presumably, the old man was afraid of losing face in front of Meiqing, so he said this deliberately, acting as if he was not in a hurry to escape.

So Charlie smiled and said, "My side ended early, so I came here first. If you haven't run enough, you will continue to run for a while. I'll be waiting for you."

As soon as Jacob heard this, he waved his hand quickly: "If you don't run away, you won't run away. It's so late. I'm sorry to keep you waiting for me."

Charlie smiled and said, "Waiting! I don't have any serious business all day long. You don't know. Besides, Claire has a meeting in the Emgrand Group today. I am not in a hurry to go back."

Jacob gave Charlie a faintly white look and said in his heart: "It's because I call you my son-in-law every day. At this time, you don't know how to find me a step-down, and you deliberately demolish my platform."

Thinking about it, he couldn't help sighing, and said, "Oh, just remembering, I made an appointment with an old man to pick up something from his house in the evening. It was too late, or let's go there first."

After speaking, he looked at Meiqing and said apologetically, "Meiqing, why don't I come here today and I will run with you when the sky gets down?"

Meiqing smiled and nodded, and said, "Okay, it's not too early, you and Charlie will go back. It is so hard for you to come and take care of me so far, and you have been running with me for so long."

Jacob wanted to cry without tears in his heart, but he smiled and said, "These are all trivial things, or you can go with us and let Charlie send you home."

Meiqing thought for a while, nodded, and said, "Okay, it's not interesting to run by myself, so please trouble Charlie to drop me."

Charlie smiled and said, "Auntie, you are too polite. Get in the car."

Jacob immediately opened the rear door for Meiqing diligently. When Meiqing was about to board the car, someone suddenly shouted in surprise, "Meiqing! Why are you here?!"

Chapter 2595

The trio followed their reputations and found a muscular middle-aged man wearing sports shorts and short sleeves, trotting all the way to the front.

Charlie couldn't help but look at this middle-aged man. The opponent was almost 1.8 meters tall, had a very well-proportioned figure, and had muscle lines all over his body. He looked only in his early forties.

Moreover, the other party is on such a cold day and wears so little to run, and he knows that his physical fitness is very good.

What's more rare is that this man is very handsome and has thick short hair, which is really stylish.

When Jacob saw this man, he immediately became vigilant, looking at him up and down, but he couldn't help feeling a little inferior.

Compared with this man, Jacob is an ordinary fifty-year-old middle-aged man. He usually does not exercise, let alone fitness, and has no systematic diet and exercise habits. His energy and spirit are far behind.

Meiqing was also surprised at this time and said, "Oh, Mr. Watt, why are you here?"

The middle-aged man known as Mr. Watt smiled slightly and said, "Didn't you come out for a run? I didn't expect to meet you here."

The more Jacob looked at the other's spirit, the more jealous he became, and couldn't help asking, "Miqing, who is this?"

Meiqing hurriedly introduced: "Jacob, this is my colleague at the University for the Elderly, Mr. Watt, Pollard Watt. Mr. Watt used to be a professor of economics and management at MIT. He also recently returned to China and served as an associate at the School of Economics and Management of Aurous Hill University of Finance and Economics. The dean is also a visiting professor at a senior university."

When Charlie heard Aurous Hill University of Finance and Economics, he couldn't help but think to himself: "Isn't this the school Aoxue attended?"

After speaking, she said to Pollard Watt: "Mr. Watt, this is my former university classmate Jacob, next to him, his son-in-law Charlie."

Jacob asked subconsciously, "MIT? What MIT?"

At this time, Pollard Watt took the initiative to explain to Jacob: "Gentleman, MIT is the abbreviation of Massachusetts Institute of Technology, which is a university in the United States."

Jacob's expression immediately became extremely embarrassed.

Massachusetts Institute of Technology is ranked among the top three universities in the world. Jacob is also a university student, and of course, he has heard of it.

However, he did not know that the abbreviation of Massachusetts Institute of Technology is MIT, so he suddenly showed his timidity.

Looking at this man again, Jacob feels even more inferior: "He's a professor at the Massachusetts Institute of Technology. To be able to be a professor at MIT, he must have at least a Ph.D. degree? And I, just graduated from Zhongshan University. , The rank is one hundred and eight thousand miles worse than that of him, and he looks young with a tendon, sh!t, standing face to face with him, acting as if I were his second uncle... ."

Seeing that Jacob hadn't spoken for a while, Pollard smiled and asked, "Hello, Mr. Jacob, I don't know where is Mr. Jacob now?"

Meiqing on the side introduced: "Jacob is the standing director of the Calligraphy and Painting Association. Our calligraphy hobby group at the University for Seniors often interacts with them."

Pollard Watt nodded and smiled: "Unexpectedly, Mr. Jacob is still in the calligraphy and calligraphy circle. I actually like calligraphy very much. I have practiced some days before, but now I am busy with work, so I don't have time to take care of it. If I have a chance, there will be more learning from Mr. Jacob."

Jacob didn't expect that this guy's academic qualifications and background would be awesome. When he opened his mouth he was so humble, and suddenly he felt that he had lost a lot of meaning, and he said, "Oh..., There will be opportunities in the future."

After speaking, he deliberately looked down at the Rolex on his wrist and said, "Brother Watt, it's a bit late today. We have to go first, sorry."

Pollard smiled slightly: "It's okay, Mr. Jacob should be busy first if he has anything."

Chapter 2596

Then, he said jokingly: "By the way, Mr. Jacob looks like he should be about fifty years old?"

"Yes, fifty." Jacob nodded.

Pollard smiled and said, "Then you can't call me old brother. I am a few years older than you. This year is fifty-five."

"What?!" Jacob asked dumbfounded, "You are fifty-five this year?!"

"Yes." Pollard Watt said with a smile, "I just passed my 55th birthday in January this year, and I am considered 56 years old..."

Jacob's expression suddenly became a little ugly.

It's not anger, it's mainly inferiority complex.

He thinks Pollard Watt should be around forty-five, but he didn't expect this guy to be five years older than himself!

Pollard Watt looked at Meiqing at this time and asked her: "By the way, Meiqing, Mr. Jacob has to go first. How about you? Are you going back in a hurry? If you don't go back, let's run for a while?"

Meiqing just hadn't run to the fullest, and she felt that she was still full of energy and strength. When she heard Pollard Watt's proposal, she almost agreed without hesitation and said with a smile: "Okay, I just didn't run enough. Let's run for a while."

After that, she looked at Jacob and Charlie and smiled: "Jacob, Charlie, then I won't go back with you. Charlie, you will drive back on the road slowly."

Jacob was depressed to death and wanted to stop her, but he didn't know where to cut in.

Charlie complied and said to Meiqing, "Auntie, then we will leave first."

After speaking, Charlie gave Jacob a hand: "Dad, let's go."

Jacob was extremely bored. When Charlie returned to the car, Meiqing had already run forward with Pollard.

He looked at the backs of the two of them and said angrily, "Charlie, the grandson said he was fifty-five years old. How could a fifty-five-year-old person be so young?!"

Charlie smiled and said, "People like sports, just like Aunt. Most of the credit for keeping self so well comes from long-term unremitting sports."

Jacob smacked his lips and said with a black face: "I think this grandson is interested in your Aunt!"

Charlie casually said, "Aunt is so good, surely many men are interested in her, right?"

Jacob said anxiously, "The point is, this grandson seems to be quite good too! Professor of MIT, this title alone is already very scary, maybe he will become my biggest competitor!"

As he said, he couldn't help but gritted his teeth and cursed: "Damn, you said this group of men who have gone abroad, since they have all gone out, can't they just stay in the foreign country? Why run back so blindly?"

Charlie didn't take it seriously and said with a smile: "Young people leave home and return to the boss. After all, local people still hope that they will return to their roots in the future. Besides, when they return to China to become professors, they are also contributing to the country and at least able to cultivate talents for the motherland.

Jacob said angrily, "Then it's not a loss to the country! Especially this guy is from the United States! Your Aunt has also lived in the United States for many years. They must have many common things. What about me? I fucking have never seen anything in the United States."

Chapter 2597

Thinking of the fact that he had never been to the United States, Jacob hated Elaine unconsciously.

He sat in the co-pilot and said cursingly: "I have been ruined by Elaine's stinky existence all my life. If it weren't for her, I must be a top student studying in the United States. Maybe I would also be an MIT graduate. A professor at Harvard in the United States!"

Speaking of this, he complained angrily: "What happened? The result was that he was completely locked up by Elaine, a junk stock right after he graduated from college, and has not been able to solve the problem until now!

Charlie couldn't help but be comforted: "Okay, dad, there are some things you can't just think about in the most optimistic way. You see, although your marriage is not happy now, at least you are in good health. Think about it from another angle, if you were destined in the United States to suffer a car accident, or when you arrive in the United

States, you got killed in a shooting. If the mom kept you in the country, it is tantamount to saving your life in disguise."

Jacob said with a gloomy expression: "You don't fool me here anymore. When we were young, the education we received was materialism and Marxist theory. We didn't believe in fate. Back then, we sang a Soviet revolutionary song, "There was never a savior. Don't rely on the emperor, I've been sturdily destroyed in Elaine's hands in my life!"

Charlie smiled helplessly and said, "Dad, or let's talk about Pollard Watt."

Jacob hugged his arms and asked angrily, "What does he have to say? Isn't it just a higher degree, what's so great? In addition, he looks a little more handsome, a little better, and a little taller. Son, he looks a little younger than me, besides this, what else is he better than me?"

Charlie said embarrassingly, "Doesn't this take the inside and out?"

Jacob rubbed his temples: "Hey...it's a headache, hey Charlie, do you think he has a wife and children?"

Charlie thought for a while and said seriously: "A man who came out for a run at night, I think he should have no wife, but he is 55 years old, I think there must be children. According to this analysis, there should be more than one history. Marriage history, but he should be single right now."

"Damn it!" Jacob said dejectedly: "When I saw his look at your Aunt, I felt that something was wrong. This guy liked your Aunt 80% of the time, and both of them were single. They were still colleagues in the senior college. They have many years of life experience in the United States, and they both like to exercise. According to this analysis, they are the most suitable to live together. This is nothing less than damn me!"

As he said, Jacob vomited annoyedly: "You said, he was a magnificent MIT professor who came to Aurous Hill University of Finance and Economics to teach. Isn't this sick?"

Charlie nodded and said with a smile: "He's still a professor of economics and management at the Massachusetts Institute of Technology, with a high gold content."

Jacob asked curiously, "Do you know the Massachusetts Institute of Technology?"

"A little bit." Charlie said seriously: "Massachusetts are the world's first in the past two years, but the strongest in Massachusetts is not in economics and management, but in science and engineering, electronic engineering, aerospace, etc., the best in economic management. It should be Stanford and Harvard."

Jacob asked curiously: "How do you know so clearly? I remember that you have only been in college for one year."

Charlie casually said, "Hurt! Haven't eaten pork, haven't we seen a pig run?"

In fact, when Charlie was very young, he was very eager about American universities.

It is not how much he yearns for the United States, but his mother grew up in the United States and was a high-achieving student from Stanford University.

Moreover, Stanford University is close to Silicon Valley, a famous high-tech industrial base in the United States.

Many Silicon Valley Internet giants first studied at Stanford University and then graduated to start their own businesses in Silicon Valley.

Most of the first-generation Silicon Valley entrepreneurs who graduated from Stanford in the early 1990s and worked hard in Silicon Valley were classmates of Charlie's mother.

When Charlie was young, he often heard her mother talk about the characteristics of American universities, especially Stanford.

Charlie remembers that when she was five or six years old and followed her mother to visit relatives in the United States, she also took him to Stanford University to visit.

Chapter 2598

At that time, accompanied him and his mother to visit Stanford, there were many famous people in Silicon Valley, but they were not well-known at the beginning. As for now, just mentioning any of them is like a thunderbolt internationally.

If it weren't for the accident of his parents back then, Charlie's life path would be to first go to the United States to study, and after finishing his MBA at Stanford, stay in Silicon Valley to start his own career, or return to China to help his father.

It is a pity that the car accident at the age of eight completely changed his life trajectory, and he did not even have the opportunity to finish his undergraduate degree.

Thinking of this, Charlie couldn't help feeling a little sad.

Jacob, who was on the side, was unsure. Seeing Charlie's melancholy expression, he couldn't help asking: "Charlie, what's the matter with you?"

Charlie came back to his senses, smiled slightly, and said, "I also think it's a shame not to go to a university like Stanford in the United States."

Jacob was stunned for a moment, then shook his head and said, "Charlie, I didn't see it, you are quite humorous."

Charlie smiled lightly and didn't say more.

.....

In the early hours of this night, Zynn arrived at Shangri-La in Aurous Hill.

Although coming to the room from the hotel lobby? The road was very smooth, but Zynn was still a little dissatisfied.

The reason for his dissatisfaction was that his luxurious suite was far away from the presidential suite booked by Yuhiko Ito, and it was not on the same floor at all.

The presidential suite of Shangri-La is on the top floor of the entire hotel. The top floor is divided into two areas, east, and west. The east area is the presidential suite and several rooms assigned to the presidential suite, and the west area is the administrative area.

Ito Yuihiko and his entourage took over the entire Eastern District, while the entire Western District was isolated by Issac. Ruoli, Zhiyu, and Liona all lived here.

Zynn's subordinates couldn't book a room on the top floor at all. They really couldn't, so they booked him a luxurious suite.

This luxurious suite is on the second top floor. This is the highest room that can be booked so far and the closest room to Ito Takehiko.

What Zynn didn't know was that his wife and two daughters were living upstairs.

But now he can't care about the whereabouts of his wife and children, because he can't wait to take the Ito family down, so as to further lay the foundation for his future inheritance of the Su family.

So, after he arrived in the room, he immediately called a conference call and pulled in his men under Eastcliff and Aurous Hill, and said coldly: "Listen well, I have two tasks for you now. First, One task is that people in Eastcliff must closely monitor the recent movements of the Wade family members to see if any Wade family members have left Eastcliff and went to Aurous Hill recently, or if any Wade family members have been to Aurous Hill before."

Zynn felt that to find out if Ito Yuhiko came to Aurous Hill to discuss cooperation with the Wade family, the most important thing was to find out if anyone from the Wade family came to Aurous Hill to meet Ito Yuhiko.

After all, Ito Yuhiko is the head of the entire Ito family. Even if Ito Nanako has begun to take over the family business, his status in the family is the highest.

If the Wade Family really wants to talk to him about cooperation, at least the boss, Changkong, must come over and talk with Ito Takehiko.

Such important cooperation, even if the old man Zhongquan came here in person, it is understandable.

Immediately afterwards, he released a second task: "People on Aurous Hill must keep an eye on Ito Yuhiko and find out the trajectory of Ito Yuhiko's activities in Aurous Hill, including where he has been, who he has met, and Tell me as much as possible about who they've talked with!"

Chapter 2599

Early the next morning.

The earliest high-speed train from Suzhou slowly stopped at Aurous Hill Railway Station.

In the business cockpit, there are two people, one old and one young. These two people are Feng Shui master Dan Mai from the United States and his great-grandson Mike.

When Mike got out of the car, he stretched out his hand to support Dan and asked, "Grandpa, this time we are here in Aurous Hill, have you made a divination in advance and figured out whether it is good or bad this time?"

Mike knows his grandfather very well. He has been striving for stability for so many years, so he has long formed a habit: As long as he is traveling far, he will be good or bad divination before going out.

Dan groaned: "At three quarters to the hour today, I made a hexagram, but this time the hexagram is chaotic and disorderly, and luck and bad are half of them."

"Each half?" Mike was surprised when he heard the result.

He has been fascinated since childhood and has also studied Feng Shui fortune. In fact, Feng Shui fortune is most afraid of calculating the result that both good and bad are divided because this result is almost no result and has no reference significance.

The reason why Fengshui luck is popular is that it can measure the focus of everything in the future.

Because most things in the world are not really divided between good and bad, there will definitely be a gap between good and bad, but some gaps are large and some are small.

For example, if a businessman wants to invest in real estate next year, a truly capable Feng Shui master will measure the success of the project for him after a field survey.

If it can be calculated that the feng shui is auspicious and the success rate is high, the boss can confidently continue to move forward;

If it can be calculated that it is due to Feng Shui deviation and low success rate, it can also make him act cautiously, and even make him avoid a big hole.

However, when people look for you, they are asking about good and bad things. You can't tell them that good and bad are equally divided. Then what is the point of asking you to do it?

Therefore, in general, divination and divination account for half of the good and bad results, and most of them are incapable and limited.

Divination equals ignorance.

However, he knew very well the great grandfather's ability, and this result might not be expected in a few decades, so he hurriedly asked: "Grandpa, if it is really mixed, does that mean everything in Aurous Hill is still unknown?"

Dan shook his head: "Everything has a pattern. The unknown reason is that I can't see through it. Therefore, I now feel more and more determined that Aurous Hill is an extraordinary place. There must be some very good people living here!"

"For us, when we visit Aurous Hill this time, we may not see the true face of Mount Lu and return without success; it is also possible to get a great opportunity; it is also possible to accidentally cause disaster..."

"As the saying goes, the blessings depend on the blessings, and the blessings fall on the blessings. Since we can't see the future trend, then we can only do our best to do our own thing if we want to get good results, and don't do anything that hurts the world. This is what the ancestors said, but do good things and don't ask about your future."

As he said, he looked at Mike, and solemnly said: "We are coming to Aurous Hill this time. You must remember to be low-key, low-key, and then low-key. When encountering obstacles, you should try your best to avoid being impatient or arguing with anyone, do you understand?"

Mike solemnly nodded and said, "Don't worry, grandpa, I will follow your instructions."

"Yeah." Dan nodded slightly.

He still knows his great-grandson very well. Although he was born in the United States, he received an education in traditional culture since he was a child. He is low-key and humble and never makes trouble.

While talking, the grandfather and grandson had already left the train station, and Mike asked, "Grandpa, where do we go for the first stop?"

Dan unswervingly said: "Go to Aurous Hill University of Finance and Economics! Regnar's son happened there. We start looking for clues from there."

"Okay!" Mike hurriedly said, "Then wait a moment, I will rent a car across the road."

"No." Dan waved his hand, took a step forward, stopped a taxi, and asked, "Brother, how much does it cost to run this car for a day?"

The taxi driver thought for a while: "It depends on where you are going and how many roads you run. I also have to pay for gas and tolls."

Dan smiled and said, "I will use the car in the urban area. It is estimated that one or two hundred kilometers is the most in a day."

The taxi driver blurted out, "Then you can give two thousand!"

"Two thousand?!" Mike on the side exclaimed, "Your price is a bit too dark, right? You can't watch us coming out of the train station, just subconsciously want to kill us!"

Chapter 2600

The old taxi driver blushed, and then he hurriedly said, "How about fifteen?"

Mike still wanted to talk. Dan interrupted him at this time and said indifferently: "Just two thousand, Mike, give me money."

Mike subconsciously said, "Grandpa, he just said a thousand and five..."

Dan said decisively: "Forgot how I told you? Two thousand, give me money."

Mike immediately nodded, counted twenty hundred yuan bills from his wallet, and handed them over.

In fact, he is not stingy, nor can he afford two thousand yuan. It's just that the feeling that other people obviously slaughter him makes him a little unacceptable.

However, when he thought of his grandfather's words, let him less quarrel with others, he immediately recovered, and then willingly paid for it.

The driver happily took the money, counted it carefully, and said hurriedly, "You two, please get in the car!"

Mike helped Dan into the car, and then he went around to sit on the other side.

The driver asked as he drove in the direction of the station, "You two should be from abroad?"

Mike asked curiously, "How do you know?"

The driver smiled and said, "Whoever is fine in China still takes thousands in cash to go out. We are all on electronic payments, which is safe and easy."

Mike nodded and said, "This is true. Domestic electronic payment is indeed very good, and it is much more advanced than foreign countries."

The driver proudly said, "Of course, a cashless society! You see, after we implemented electronic payments, there are fewer thieves than before."

With that said, he asked, "Where are the two going to the first stop?"

Mike said, "Go to Aurous Hill University of Finance and Economics."

.....

Charlie has been thinking about ocean transportation from last night to now.

He also realized that this is an excellent opportunity for development, but he has never thought about who will be the trader.

Charlie has self-knowledge, he reads few books, knows little about international trade, import and export trade, and foreign exchange collection and settlement. If he is allowed to manage this project himself, he will have no way of starting.

Therefore, to enter this industry, the first task to solve is to find a suitable person.

Claire didn't know what Charlie was thinking about. After she washed, she saw that Charlie was still lying in bed in a daze when she woke up, so she couldn't help asking, "Husband, what are you thinking about in a daze early in the morning?"

Charlie came back to his senses and smiled: "I, I'm thinking about starting a business..."

"Entrepreneurship?" Claire asked in surprise, "Do you want to start a business?"

Charlie nodded and smiled: "I have this idea, but I haven't found an entry point yet."

Claire hurriedly said, "Husband, I don't think you should consider starting a business."

Charlie asked curiously: "Why?"

Claire said earnestly: "Our family is not short of money now. You usually don't make less money when you show Feng Shui to others. If I implement the Emgrand Group's project, our family's money will not be spent, so why pay? Going to work hard to start a business?"

Charlie said earnestly, "But my wife, aren't you working hard to start a business yourself?"

Claire sat down next to Charlie, held his hand, and said seriously: "Husband, starting a business is really hard, and it's the kind of bow without turning back, so I don't want you to be so hard."

As she said, Claire said with emotion: "In the past few years, you have not only taken care of me, family, and that Aunt in the orphanage, but also been under the direction of

my parents and looked down upon by my parents and grandma. It has been hard enough. Now that you can finally relax, why bother to start a business?"
