Chapter 22 Old Mr. Mason's Condition Has Deteriorated Again

"The starting price is 200,000."

Hearing what the system said, Kara sighed. The leftovers were worth 200,000...

There were three buttons in front of the gla\*s wall, marked with one hundred thousand, five hundred thousand, and one million respectively.

In other words, the minimum price increase was 100,000 per click,

Cecilia, who was standing in front of the gla\*s wall, saw blue amounts of money flashing on the gla\*s walls of other boxes. After several rounds of competition, the price had risen to 1.2 million.

"Cecilia, this thing is pretty good. You can buy it and make soup for Old Mr. Mason. Firstly, it will be good for his health. Secondly, he will know that you are a virtuous woman and can make soup. I'm sure he will be impressed by you..."

Cecilia wanted to get this treasure, but other bidders were so competitive. She pressed 100,000 a few times but couldn't get it. In the end, she made up her mind and directly pressed 1 million!

At this time, the audience fell silent.

"2.5 million for the first time!"

"2.5 million for the second time!"

"2.5 million for the third time! Deal!"

"Congratulations to buyer No. 19 for getting a bottle of Heart Pill!"

Kara hadn't expected that the leftovers would be sold at such a high price, "Isa, can you give me the leftovers in the future?"

Isabella looked at her with great interest, "If I give it to you, can you make the medicine?"

"Well, you can help me."

Cecilia finally got it. She was so excited that she hugged her best friend.

The next few items were all porcelain. She was not interested, so she left early and went home to make soup.

By the time the finale appeared, it was already two hours later.

"Mr. Mason, Heart Tonic Weed is here."

Six fresh green plants rose from the ground of the stage. They were soaked in a special potion, and they were very delicate in themselves.

"The starting price is one million."

Green knew that Mr. Mason was determined to get this thing, so he directly clicked the price of one million.

All other boxes were shocked by the generous offer of Box 1, one million!

It was one million!

Obviously, someone was determined to get this thing!

The other boxes were not to be outdone.

“Two and a half million.”

“Three million.”

“Three and a half million.”

“Four million.”

Seeing this situation, Kara said, “Isa, how much shall we pay?”

“Add one million.”

Kara pressed the price increase button, and the total amount flew to five million immediately!.

The audience was in an uproar.

Five million was not the price of six Heart Tonic Weed plants, but one!

The six plants added up to a total of 30 million!

The others didn't dare to follow anymore. Just when Kara and Isabella thought they were about to succeed, a large blue amount of money soon appeared on the glass wall of Box 1, six million.

Seeing this string of numbers, the audience was even more shocked!

Isabella and Kara hadn't expected that Box 1 would be so generous at one time.

Box 3 wasn't to be outdone. “Seven million.”

Box 1 followed calmly. “Eight million.”

Box 3 said angrily, “Nine million.”

Box 1 took it easy, “Ten million.”

The audience fell silent, watching these two big shots fighting against each other...

Box 2 in the middle was ashamed. Why was he caught between the two big shots?

It was so embarrassing!

“Isa, stop bidding. A Heart Tonic Pill made from a plant of Heart Tonic Weed only sells for 10 million!”

Kara looked at Box 1

vigilantly, “It seems the person in there today is a big shot. We can't afford to mess with him.”

“Heart Tonic Weed can save Old Madam Brown’s life.” Isabella pressed another one million price increase, “Today, I must get it.”

“Isa...”

“Box 3, eleven million.”

The audience gasped. No one could believe that a single plant of Heart Tonic Weed could reach a high price of 11 million!

Who was in Box 3? So rich?

“Mr. Mason...” Green hadn’t expected the No. 3 item to be so . popular, “Are you following? It’s already beyond the value of the medicine itself.”

4/7

“Yes.” Benjamin’s eyes were cold and his voice was slightly cold. “Widen the gap.”

“Yes!” Green pressed 1 million three times in a row...

“Box 1, 14 million.”

With the voice coming from the system, Kara was pissed off. “It’s too much! It’s too much! Isn’t it just a few herbs? Why are they so competitive? Who is the person in Box 1? He’s so rich!”

Fourteen million for one plant, and eighty-four million for six plants...

This was not something ordinary people could afford!

“Box 3. fifteen million.”

Isabella pressed the price increase button again.

Kara looked at her thin and beautiful hand, and was taken aback, “Isa, are you still following?”

The total price had reached 90 million...

Even if she made six Heart Tonic Pills and sold them, she would only get back 60 million, and she would lose 30 million!

At this time, Benjamin’s cell phone rang.

It was Bob who took care of his grandpa.

“Mr. Mason, it’s bad! After Old Mr. Mason had the soup sent by Ms. Logan, he suddenly had a high fever. The doctor said that Old Mr. Mason’s condition has deteriorated again, and he is still being rescued... Hurry up and come over!”

Benjamin narrowed his eyes, and said unhappily. “What did she give Grandpa?”

“She said it’s a kind of tonic, and adding it to the soup is good for the heart...”

“You just watched?”

“There was nothing I could do. Old Mr. Mason was very happy to see her. He didn’t listen to me and insisted on having it all...”

Benjamin stood up and left the box.

“Mr. Mason, shall we stop following?” Green sensed his unhappiness “Did something happen to Old Mr. Mason?”

Benjamin said in a cold tone, “He had the soup cooked by Cecilia, and he’s currently being rescued.”

“What? When did Ms. Logan learn to cook soup? She went to see Old Mr. Mason?” Green followed behind Benjamin, “Why don’t you ask Ms. Young to come over and have a look?”

Benjamin stopped suddenly, thinking of the girl with the scalpel, and her clear and confident eyes...

“It was Ms. Young who rescued Old Mr. Mason last time! Mr. Mason, don’t you have Ms. Young’s phone number? Why don’t you call her and ask?”

Benjamin glanced at him and took out his phone.

“Fifteen million for the first time!”

Kara held her breath, clasped her hands together, and kept praying, “Don’t follow. Don’t follow...”

6/7

“Fifteen million for the second time!”

Isabella’s beautiful eyes fell on the large gla\*s wall of Box 1, and the other party had no intention of cutting her off.

“Fifteen million for the third time! Deal!”

“Great!” Kara hugged Isabella and said ecstatically, “We got it! We got it!!”

It turned out that Box 1 was nothing more than this. They couldn’t keep up, so they didn’t dare to follow!

“Congratulations to Box 3 for getting six Heart Tonic Weed plants!”

“Isa, we finally got it!!” Kara was so excited.

At this moment, Isabella’s phone suddenly rang.

She looked down and saw that it was a call from a strange number.

“It’s me, Benjamin Mason.”
