Chapter 53 Brown family

Old Mr. Mason thought for a while, and added, "Let them not block the door, and not block the way of my granddaughter-in-law."

"Yes." Bob replied, but turned his head and thought of an excuse to politely reject the person.

At noon, the people outside the door changed from batch to batch, and they all came to visit Old Mr. Mason because of the name...

People I know and people I don't know block up the corridor!

"Isabella!" Gail couldn't help but say, "You..."

Hearing the voice, Isabella looked back at her, with alienation and indifference in her eyes, she looked away for a second, and obediently followed Bob in. Others didn't know about their relationship, but seeing the Brown family knew this girl, they all looked at the Brown family with admiration!

While the Brown family felt a sense of superiority, they couldn't help but wonder how Isabella got in...

How did she know someone as big as Old Mr. Mason?

"grandfather."

Isabella greeted politely as soon as she entered the ward.

"Isabella, you are finally here! I finally expected you!"

While beckoning her to sit down, Craig couldn't help wondering, "Why are you the only one here? Where's Benjamin?"

"He has something to return to the company temporarily."

Craig was secretly angry. He must be tired of Isabella! It's only been a few days to let people hang up...

Where can he find a girl as beautiful and skilled as Isabella!

I thought their marriage was almost done, but now it seems. that this marriage is still pending!

"Call Benjamin!" Craig was annoyed. "He only has work in his eyes?"

With such a beautiful girl in front of him, he still has other things in mind!

In fact, Benjamin is really not in the mood for work, but he won't be able to have dinner with the little girl tonight until he finishes it.

In order to spend more time with the little girl, he had no choice but to give up taking his grandfather out of the hospital. But the old man didn't know, and thought that he didn't like Isabella and got tired of getting along, so he deliberately left Isabella cold.

“It’s okay, let him be busy.”

Isabella couldn’t be more comfortable without a clingy guy.

But to Craig it sounded like this girl was just making excuses for Benjamin, so virtuous!

“That kid Benjamin has experienced too many things since. he was a child, resulting in apathy and reticence. I will find time to talk to you about his past affairs in the future.”

Isabella was not interested in Benjamin’s past, but she nodded obediently on the surface, looking like a good boy.

Outside the ward, Daisy found that Harris’ eyes had been on that ward since Isabella entered.
