Chapter 65 The Plan

Did he negotiate a billion-dollar deal? Or, did you just acquire a few powerful companies?

Otherwise, how could the corner of his mouth not stop rising?

“Check out what internet celebrity restaurants and attractions are nearby that little girls love to go to.”

Hearing Benjamin’s words, Green suddenly realized. It turns out that Mr. Mason’s good mood has something to do with Ms. Young!

When he entered the office just now, he happened to see someone on the phone with Mr. Mason. Could it be that person was Ms. Young?

“Mr. Mason, you are getting more and more concerned about Ms. Young.

In the past, Mr. Mason would not let him find some Internet celebrity restaurants and attractions, just have a meal and let him handle the work.

Since getting to know Ms. Young, the cold Mr. Mason has also become warm, at least he no longer only has work in his

eyes.

“The old man is right. You can’t just focus on your work. It’s time to think about the big things in life.”

Hearing what Benjamin said, several question marks popped up in Green’s mind.

“Mr. Mason, are you talking about me?”

“Otherwise?” Benjamin glanced sideways, his eyes fell on him, and said lightly, “When you have a girlfriend, you won’t have to work overtime on weekends, and your salary will be mentioned to you.”

Green was stunned, last time he wanted to popularize the benefits of having a girlfriend to Mr. Mason, and wanted to help Mr. Mason step into the palace of marriage as soon as possible... As a result, Mr. Mason was almost dispatched to Africa.

Mr. Mason changed now? Is Ms. Young so attractive? Let Mr. Mason know the sweetness of love?

“Thank you, Mr. Mason! I will definitely find a girlfriend as soon as possible.”

When Green said this, he was about to take the documents and leave. Unexpectedly, out of the corner of his eye, Benjamin’s phone turned on and someone sent him a message.

What surprised Green wasn’t what message the other party sent to Benjamin, but Benjamin’s lock screen wallpaper and home screen wallpaper were all a picture of a girl’s shadow!

This girl’s posture, one look is Ms. Young!

“Good looking?” Benjamin noticed his gaze and asked quietly.

Green lowered his head, not daring to look any further.

“You mean it’s not pretty?”

“Of course, not...” Green broke out in a cold sweat, “Ms. Young’s face value is so high, no words are enough to

describe her beauty. Her beauty is like a fairy descended from the world, unique in the world, and Mr. Mason you are incomparable match.”

Benjamin raised the corners of his lips, “I know quite a few words.”

“The main reason is that Ms. Young is so good-looking!”

“Green.”

“Mr. Mason, I have something to tell you.” Green felt a little uneasy.

“From the age of eight to now, I have treated you badly in terms of treatment.”

When Green heard this, he was stunned. What does Mr. Mason mean?

“No, I didn’t treat you badly. The treatment you gave me is the highest in the industry! I’m already very content!”

“No, you can’t be short-sighted and be content with the status quo.

“Starting from this month, the salary will be doubled again.”

Green was very excited when he heard this, “Thank you, Mr.

Mason, I will do everything you have ordered, especially those related to Ms. Young, to your satisfaction!”

“Um.”

“That’s okay, I’ll go down first.”

Green didn’t expect that a few nice words about Ms. Young would be more effective than finding a girlfriend!

This salary has not been raised for three years! Just because you praised Ms. Young for being good-looking, you can double it!

Green was agitated when he suddenly heard Benjamin’s voice.

“Wait a minute.” Benjamin seemed to think of something, “The few groups that were acquired recently...”

“Mr. Mason, which luxury groups are you talking about? Don’t worry! They are already under our name!”

“Do you think she will like their new series?”

When Green heard it, it turned out that Mr. Mason stopped him because of this!

He hurriedly said, “Mr. Mason, you are really joking! With Ms. Young’s looks, she looks good on anything!”

“Oh?” Benjamin raised his eyebrows and looked at him.

“As long as it is from you, Ms. Young will definitely like it! After all, what you gave is not a gift, but your sincere love for her! Ms. Young will definitely be moved when she

“It’s a holiday this weekend, no need to work overtime.”

Green was ecstatic, “Thank you Mr. Mason!”

the Logan family.

Seeing Williams and Eloise going for a walk in the garden. hand in hand, Scarlet hurriedly called Cecilia to her side, and said in a low voice, “Ms. Logan, how tired you are to line up for Mrs. Madam to buy things yourself!”

Before Cecilia could speak, Scarlet said anxiously, “It’s useless to please Mrs. Mason, the most important thing is Mr. Mason...”

Cecilia frowned at the mention of Benjamin.

“Benjamin’s mind seems to be with his sister. You saw it in the garden last time. He was very indifferent to me. I don’t know if it was because there was something wrong with the soup I made, which made Old Mr. Mason sick. He didn’t have a good impression of me. Well, even Old Mr. Mason has treated me worse than before...”

“Then you have to do something to save the situation.”

Scarlet analyzed it to her, “Now the master and madam still have feelings for you, so naturally they love and spoil you, but as the days go by, their feelings for their biological daughter will become deeper and deeper, and they will become more and more fond of you.” It’s getting weaker!”

“I know.”

“Ms. Logan still wants to catch Mr. Mason...”

“Then what do you think I should do?”

Cecilia was frustrated one after another, unable to take that step. After all, she has been pampered and pampered for so many years, and she has never swallowed her anger so much.

Since Isabella came back to this home, she has been wronged more than she has suffered in the past ten years!

“Ms. Logan, listen to me...” Seeing that there was no one around, Scarlet leaned into her ear and whispered something.

Cecilia hesitated, “Is this possible? What if...”

“No chance!” Scarlet’s eyes flashed a flash of certainty, “Even if Mr. Mason rejects you at first, as long as your sincerity impresses him, there will be no business for her in the future!”

The hesitation in Cecilia’s heart was a little less, and she was more determined than before. At this moment, she heard a voice in the corner, and she was startled, “Who?”

“Ms. Logan, it’s me.” The one who stepped out was Henry.

Cecilia and Scarlet looked at each other, not knowing how much Henry listened to what they just said, both of them. were a little uneasy.

“Ms. Logan, don’t panic, I’m on your side.” Henry said respectfully, “I’m really sorry for scaring you just now.”

Hearing what Henry said, Cecilia made a gesture, “My sister is my parents’ biological daughter. You are not biased towards her, but on my side?”
