Chapter 66 Stay and watch them show their affection?

"I watched Ms. Logan grow up, so I naturally have feelings! No matter what Ms. Logan needs me to do in the future, I will listen to you."

Hearing what he said, Cecilia looked at Scarlet, as if asking Scarlet how credible his words were.

Scarlet nodded, indicating that the man was trustworthy.

Cecilia stepped forward and said with a smile, "You have to be the first to tell me what happens at home after that day."

"Of course." Henry looked at her with a kind light in his eyes, "Don't talk about home, if Ms. Logan needs my help outside, just ask."

"I do need your help with something..." Cecilia motioned him closer and whispered something.

Not long after, Henry came to report, "Ms. Logan, Mr. Mason will have lunch at the Ferris Wheel restaurant at noon."

When Cecilia heard this, she was slightly excited, "The news is reliable?"

"certainly."

Cecilia did not expect that the first task assigned to him would be done so quickly and so well!

She took out a bank card, "In the future, if you behave well, I will deposit money in it."

"I don't want Ms. Logan's money." Henry quickly expressed his loyalty.

"Take it." Cecilia naturally wanted to reward him, "After I get married to Mr. Mason, you and Scarlet can come with me. to the Mason family to enjoy the blessings."

"Thank you, Ms. Logan!" Henry took the card, feeling extremely relieved.

Williams and Eloise came back from a walk in the garden and saw Cecilia dressed up like a blooming white lotus. They couldn't help but ask, "Cecilia, dressed like this...where are you going?"

"A best friend is getting married, I'll go and celebrate for her."

Cecilia is wearing a gorgeous gown, her hair is up, and her jewelry is shining.

She was pampered and raised since she was a child, and she has a superior temperament that is carefully cared for by money and skin care products.

Seeing that she also put on a delicate makeup, Eloise smiled and said, "Cecilia is so beautiful."

"The treasure we've held in our hands for more than ten years, isn't it beautiful!" Williams said cheerfully, "Let Barret take you there."

O

“No need, let Henry deliver it today.” Cecilia said with a smile, “This way my best friend will feel that I value her!”

“Okay, you take Cecilia there...”

The Ferris wheel restaurant, as the name suggests, dine in a gla*s cockpit.

This Ferris wheel has a total of 28 cabins, and each cabin is 25 square meters. When the Ferris wheel is raised to the highest point, it is 128 meters above the ground. You can see the beautiful scenery of half the city and the sparkling

sea....

Since its completion, it has become a check-in place for many Internet celebrities and anchors.

Because the seats are limited, it is very popular after half a year just for booking.

Cecilia didn’t get out of the car, she looked up at the huge Ferris wheel in front of her, and asked suspiciously, “Henry, why is there no one on it?”

It’s noon, and no one comes to this popular restaurant for dinner?

What about the Benjamin people?

“Strange, why is this Ferris wheel motionless, is it broken?”

“Ms. Logan, you don’t know something. If ordinary people want to eat there, they must be able to afford the wait, and they must be able to afford it... because a set meal costs 6999, which is still the minimum consumption...”

and watch them show their affection?

6999 is just a small amount of money for Cecilia, but for ordinary people, it is already a month or two of wages.

After a while, a stretched luxury car came into Cecilia’s eyes, and her eyes lit up, it was Benjamin!

This license plate number, she will never admit it wrong!

“Mr. Mason!” Henry also recognized it, “It’s Mr. Mason’s car! Ms. Logan, did you see that Mr. Mason is here.”

The stretched luxury car pa*sed in front of them and stopped at the far entrance.

Green got out of the car and opened the rear door respectfully.

Before Cecilia’s smile could rise, she saw a girl getting out of the stretched luxury car, with that beautiful face, who else could it be if it wasn’t Isabella?

How could she be in Benjamin’s car?

Could it be that she came with Benjamin?

Before Cecilia could figure it out, Benjamin got out of the car, took Isabella's little hand with his big hand, and walked into the safe passage of the Ferris wheel together.

Henry was obviously also taken aback, why would Mr. Mason come here for dinner with her?

He looked at Ms. Logan's face in the rearview mirror again, it didn't look very good.

what to do?

Only then did Cecilia realize that the Ferris wheel wouldn't turn and there was no one in it, because Benjamin had reserved it!

He wanted to eat with Isabella alone, without being disturbed by other people!

"Ms. Logan, in my opinion, you can also go in and have a meal together, anyway, it's your sister."

Henry expressed his thoughts, "You can only stop their relationship if you go in..."

They couldn't be in the same room, Cecilia thought.

She got out of the car, and the well-dressed figure was noticed by Isabella who was sitting in the glass cockpit. Several question marks appeared in Isabella's mind.

She is dressed like this, is she going to a wedding?

The jewelry all over her body was blindingly blinded by the sunlight.

Cecilia came to the entrance and was politely stopped by the greeter.

Henry hurried forward, cleared his throat, "This is the daughter of the Logan family!"

With the status of the Logan family, entering this restaurant. is equivalent to advertising them.

But the welcome staff said apologetically, "I'm sorry to be booked out today. It's really a pity. I can only look forward to your next visit."

"To be honest, the girl inside is my cousin. I also know that man."

When Cecilia said this, she took off the diamond ring from her hand and stuffed it into the hands of the welcome staff, and said with a smile, "That's right, I have something to do with them, don't worry, if they blame me, I will take care of it."

The reception staff dare not take her things, after all, Mr. Mason's identity is here, if they let someone in privately, it will ruin Mr. Mason's good deed...

The welcome staff hurriedly returned the things, "I'm sorry, please don't embarrass us."

Speaking of this, she hurriedly closed the door, fearing that Cecilia would force her way in.

Henry was a little angry, and was planning to use Williams' identity to scare her.

But Cecilia's eyes dimmed, "Forget it, they don't dare to offend Benjamin, let's go..."

"Let's go now?"

“Otherwise? Stay to see them?” Cecilia glanced at Henry, her tone seemed to be complaining, “Be sure to find out next time!”
