Chapter 72 Punish You Let Me Hug You For Another Minute

Cecilia followed Benjamin until his car was parked near a business, a clothing company owned by the Logan family. The person in charge is Isabella.

She guessed right, Benjamin really came to find that girl!

He left her alone in the conference room for two full hours, and he cared about that village girl. I don't know what's so good about that village girl?

Could it be that in his world, he sees a lot of well-behaved daughters, and occasionally wants to change his taste?

Benjamin got out of the car. He was wearing a white shirt. His facial features were outstanding, and the surrounding scenery was paled by him.

He is always like this, as soon as he appears, he will become the most dazzling star in the audience, easily attracting the attention of everyone around him.

It wasn't until a certain figure appeared that his eyes softened, like sunshine in winter.

"Isabella."

"Waiting for a long time?"

As soon as Isabella came in front of him, he was held in his arms gently and domineeringly.

"miss you."

"

Finally hugging the girl, he had been dreaming of, the corners of his mouth couldn't help but rise up, "Not long, just arrived."

"This is a public place, can you pay attention?"

If I were to hug her in the car, I would have tolerated it, but now I am beside the road, in case someone sees her...

"No way, if you don't hug me for a while, I will miss you. even more later."

Benjamin's eyes portrayed her exquisite facial features, and there was a touch of pampering and tenderness that ordinary people couldn't see on her handsome face, "Is the company busy?"

"not busy."

"did you miss me?"

"You don't miss me when you're not busy?"

Benjamin hugged her tightly again, "I'll punish you for letting me hold you for another minute, no protest."

Why do you suddenly feel that this guy is a little naive?

“If I don’t look for you, you won’t even think about me!” Benjamin’s tone seemed to be coquettish.

Isabella felt a little helpless when she heard him say that,

“There are so many trivial things to deal with.”

“Then will you miss me later?”

“Do you miss me?”

“Benjamin.” Isabella just wanted him to behave better, but unexpectedly, this guy held her face directly, as if he was looking at her precious baby, the love radiating from his eyes was like the Starsun in the night sky, bright and bright.

“No way, who made your face so soft.”

“Where’s the snacks?” Isabella remembered that she had something to deal with later, so she couldn’t stay here for too long.

Benjamin touched her face and played for a while before bringing out the treat.

Isabella saw a dozen or so bags in his hand, but didn’t pick them up, “There are too many, I can’t finish them all.”

“Pick what you like to eat.”

Benjamin held something in one hand, hugged her

reluctantly with the other, stroked her hair, lowered his head and asked, “Aren’t you going to invite me to the meeting?”

“I still have work to do.”

“Then will you miss me for a while?”

”

“Do you want me?”

“Do you want to?” Benjamin didn’t seem to stop until he got an answer.

Isabella had no choice but to grit her teeth and say two words, “I will miss you.”

Benjamin’s usually cold and handsome face smiled dotingly at this moment.

“I’ll miss you too.” Benjamin lowered his head suddenly, and kissed her lips lightly, those beautiful eyes were still full of lingering and loving love, “I’ll pick you up after get off work.”

“Yeah.” Isabella’s face was a little hot, and she was about to leave after picking up her things.

Benjamin still held her hand reluctantly, “What to do. I don’t want to let you go.”

As soon as he saw her, he didn't want to care about anything, he just wanted to be with her.

Before, Isabella didn't know that the legendary cold and ruthless CEO would play hooligans in public, but now that she has seen it, she finds it funny.

"Then you want me to stand here with such a heavy thing and talk to you?"

"Shall I bring you to the door of the company?"

Isabella withdrew her hand, "It's time to get off work in an hour, let's go back."

"Isabella."

Isabella stopped and looked back at him.

"What I said on the Ferris wheel today is true."

He really likes her.

He wants to have dinner with her, go shopping, watch movies, take a walk, watch the sea and watch the stars, and like all lovers, be happy day after day.

Normally, Isabella didn't want to talk to him, but seeing his serious eyes now, she responded lightly, "Got it."

Benjamin watched her leave and quietly followed her pace.

Isabella took a small step, and Benjamin followed. The two kept a short distance until the girl's figure entered the company. Then Benjamin stopped, took out his mobile phone, and called the girl.

He is silently guarding her and accompanying her in his own way.

Cecilia in the car was furious. If she hadn't seen it with her own eyes, she really couldn't believe that Benjamin, who has always been cold and reticent, would take the initiative to do such a spoiled thing to a girl.

It turns out that the man who has been standing at the top of the pyramid doesn't know how to love and pet others, but he just hasn't met anyone he likes!

Since meeting Isabella, the love and tenderness in his eyes is something Cecilia has never seen in her life!

It turns out that Benjamin without his armor is so charming, so likable...

Why? How could that uneducated dead girl get into Benjamin's eyes?

Why can she get Benjamin's unique love and love?

Cecilia was mad with jealousy, her nails digging into her palm. No, she can't let the situation develop like this!

Whether it is wealth, appearance, knowledge, or ability, Benjamin is a top existence!

No one in the world can compare!

She also wants to get the unique love and pampering from Benjamin!

She will replace Isabella and become the woman held in Benjamin's palm!

Seeing Benjamin looking at the company talking on the phone outside the car, it goes without saying that he is talking on the phone with Isabella.

It's been a long time since they separated, and they chatted together again, Cecilia felt her heart was bleeding...

She held back the great jealousy and sadness, "Henry, go back."

"Yes..." Henry was also shocked, and he hasn't recovered until now. He never thought that their relationship would progress so quickly...

At least for now, Ms. Logan has no chance of getting involved...

Before he started the engine, he suddenly noticed Old Mr. Mason's car coming, he was startled, "Ms. Logan, it seems to be Old Mr. Mason's car?"

Cecilia looked up, it really is!

Could it be that Old Mr. Mason also came to visit Isabella?

Thinking about it this way, the car had already stopped, and the first person to get out of the car was Bob. He was also surprised to see Benjamin at the entrance of the company.

"Master, why are you here?"
