Chapter 84 Who Are You?

The phone vibrated a few times at this moment, Isabella picked it up and saw that it was Benjamin calling.

"Isabella." Benjamin's voice was deep and magnetic, "I miss you."

Isabella asked helplessly, "What's the matter?"

"Are you busy with work?" When Benjamin talked to her, his smoky voice had a lazy tone, clear and pleasant, "Do you need me to help?"

"Need not."

"I've been thinking about you all morning." Benjamin's voice overflowed with longing, "I want to finish all your work so that you can spend time with me."

"There is still an hour to see you." Benjamin said with some distress, "I want to video with you."

"Just a moment." Benjamin guessed that she would not agree, and begged before she could speak, "Just a moment."

Isabella was speechless.

"Isabella..." Benjamin pestered again, "I promise it won't

affect your work."

Isabella was so entangled by him that she finally let go, after a while, his video call came in.

As soon as Isabella picked it up, there was a knock on the door.

"Enter."

and

"Ms. Young, here is your coffee." Frank put the coffee on the table respectfully, but did not notice her mobile phone leaning on the tissue box, which was in the video at this time.

"Ms. Young, you are famous again! Now the whole company is extolling your glorious deeds, and someone even wrote you an impromptu poem."

"Oh?" Isabella picked up the coffee and took a sip, rather surprised.

Frank cleared his throat and recited the words seriously.

Isabella was speechless when she heard that.

The person on the other end of the video smiled with interest, as if amused by the poem.

“Ms. Young, from this poem, we can see that everyone has great respect for you... When you threw those evidences in front of those five people today, you were really rude! You know what other people in the company said You?”

Frank’s tone was filled with excitement, “Those female employees said that they were conquered by you and wanted

to marry you! There are also some male employees who plan to confess to you after get off work.”

Isabella just took a sip of coffee and almost choked upon hearing the words.

“They said that within a week of your coming to the company, you’ve uncovered seven big villains, as well as the workers on the production line... They’re all betting that within a week, you can send George to prison!”

When Frank said this, he leaned in front of Isabella and said with a smile, “Ms. Young, I bet ten dollar, I don’t know if I can win...”

Isabella casually said two words: “Less.”

“ah?”

Isabella’s voice was languid, “Refill.”

When Frank heard this, his heart boiled all of a sudden, “Ms. Young, are you sure? If you are sure, I will bet my entire fortune on it!”

“But there is not enough evidence now, the police should let him go...” Frank felt it was a pity.

“Is it okay to let him go?” Isabella raised her eyebrows and said with interest, “I’m still afraid that he won’t let go.”

“Huh??” Frank didn’t know why, why?

No one can guess Isabella’s thoughts, but seeing her full of

confidence, Frank feels faintly that he is going to win!

Be sure to raise more when you look back!

“Oh, by the way, Ms. Young, George also has connections at the headquarters... You have to be careful!”

“Yeah.” Isabella didn’t take it seriously, no matter how big his backer was, he would all be defeated in front of the evidence.

“Ms. Young, you are so domineering at such a young age, what kind of hero will your husband have to dare to stand side by side with you in the future?”

Looking at Isabella’s cold face, Frank thought suddenly.

Isabella looked at the face of the man in the video, who was also looking at her.

Her aura is indeed strong, but Benjamin is not bad either.

“Ms. Young, do you dare to bet?”

“Huh? What’s the best?”

“Bet your future husband must be a very good person! Don’t say anything else, just focus on your top-notch face! He must not be far behind!”

“Are you free?” Isabella said casually, “Why don’t you fill the positions of the five people first?”

“Ms. Young, I suddenly remembered that there is something I haven’t dealt with, so I’m going out first.”

He was just about to run away when he heard a man’s voice.

“Mr. Mason, these documents need your review.”

It was Green’s voice, and he walked into Benjamin’s office, wanting Benjamin to finalize a few projects.

When Frank heard this, his footsteps stopped, “Ms. Young? I seem to hear a man’s voice? Are you hiding a man in the office?”

Green on the other end also seemed to hear his voice, and asked with some doubts, “Mr. Mason, who is talking?”

Then, Green and Frank both found out that their Boss was making a video...

The expressions of both of them have different degrees of shock...

Especially Frank, his mouth can hold two eggs!

“Ms. Young...you, you...”

When did you know such a big guy?

“Are you videoing???”

Is he dreaming?

He actually saw that handsome and top-notch face on Ms. Young’s cell phone!

O Benjamin!

That’s Benjamin, the world’s richest man!

Didn’t it mean that he was cruel, ruthless, and unfeminine?

Why did he video with Ms. Young?

“Ms. Young, you, you won’t...”

“Isabella, why don’t you introduce me?” Benjamin’s voice was full of interest, “Is this your a*sistant?”

Isabella!

Isabella!

He actually called Ms. Young "Isabella"!

This guy has it all!

**

"Hi, my name is Frank, and I'm Ms. Young's assistant... It's a great honor to meet you today!" Frank hurriedly bent down at 90 degrees and said very respectfully, "I didn't know you were in the video just now, so I'm sorry to bother you. Are you Ms. Young's boyfriend?"

"fiancé."

Hearing his fiancé, Frank was even more shocked, his expression froze!

Benjamin is Ms. Young's fiancé!

No wonder Ms. Young is so domineering, so there is such a big backer behind her!

Not to mention the company, the whole world can walk sideways!

"Thank you for your compliment just now."

Frank didn't expect that he would praise Benjamin by

mistake. Fortunately, he didn't say anything wrong just now! Otherwise, life is over!

"Except for you, I really can't think of anyone else in this world who is worthy of our Ms. Young. You and Ms. Young are a perfect couple!"

"Don't worry, I will protect Ms. Young in the company and will not let other men get close to her! If you have any orders in the future, you can tell me directly... I am very willing to help you."

Who is he? Who pays you?
