Chapter 87 Useless

“For such a small matter, do you need to lend his hand?”

How useless is she?

Frank understands that Ms. Young is a career-oriented strong woman who is self-reliant and does not need any external force to handle things.

“Ms. Young, I suddenly admire you more, what should I do?”

Isabella kept her head down and didn't even look at him, “If you have nothing to do, you can help Aunt Cleaning clean the toilet.”

“I'll get to work right away!” Frank left the office in a hurry, because he didn't want to wash the toilet.

Night fell.

Eloise sat on the sofa, took out her mobile phone and called her sons.

“Your sister has been found. She is on summer vacation during this time. You all take care of the work at hand, and those who can go home first. If it doesn't work, you must make time for me!”

“Mom knows you are busy, but your biological sister is back, and the five of you must come back for a while! Do you hear me?”

“Whoever dares to snub my sister or bully her, I will be the first to disagree!”

“You don't need to bring luggage or work when you go home, but you must bring a gift from your sister!”

Eloise made four phone calls, and finally found the fifth number, dialed it and talked again.

“Let me tell you first, don't miss all the festivals this year, especially my sister's birthday, especially you! If you are missing, I will break your leg! Do you hear me clearly?”

Adam on the phone felt aggrieved, “Mom, after all, I'm your own son, and you want to beat me for a younger sister you just found?”

“You still know that you are my son, how many times have you come back to see me this year?”

“Isn't my schedule full? Besides, I usually send a lot of gifts!” Adam's tone was very aggrieved.

Eloise disagreed, “Who cares about your money!”

“Anyway, I don't care, you have to come back to me! Oh yes...” Eloise seemed to remember something, and added, “Tell me in advance when you come back soon.”

“Why, you want to prepare something delicious for me?”

“I've been starving you since childhood?” Eloise's tone was full of disgust.

Adam was a little unhappy.

“A daughter of a family often comes to see me at home recently. That child is beautiful...”

“Stop. I get it. I’m not free!”

“Listen to me.” Eloise didn’t allow him to interrupt, “You’re not too young now, it’s time to get married.”

“Mom, there are older brothers in front of me... Why are you urging me if you don’t urge them?”

“Isn’t it impossible to urge you! Who made people look at you? What can I do?”

“You...” Adam clutched his heart.

“Remember to bring a gift for your sister when you go home, hang up.”

Adam couldn’t tell how wronged he was. If it wasn’t for this younger sister, how long had it been since his own mother called to care about him?

“Honey, are you thirsty? Have a sip of tea first, for beauty.” Williams served a cup of scented tea hospitable, smiling all over his face.

After making five phone calls, Eloise was indeed thirsty, so she took a few sips from the cup.

“I soaked it when you made the fifth phone call. Now the temperature is just right, not too cold or too hot.” Williams waited for her to drink the tea, put the tea cup back on the table, and continued to massage her, “You have worked hard, your hands are sore Not sour? I’ll give you a massage...”

“You take a break too.”

“I’m not tired!” Williams squeezed her hand fondly, “Oh, by the way, Isabella’s return home is such a big deal, when are you going to tell the rest of the family?”

It’s not like Eloise hadn’t thought about it. After a few seconds of meditation, she said, “Your father hasn’t woken up yet, and your mother’s heart is not good. My parents are old and their health is getting worse day by day. Let’s stop Startled them.”

When they are better, tell them to make them happy.

Otherwise, their hearts can’t bear it, their blood pressure rises, new diseases and old diseases come together...

That would be troublesome!

Once they know that Isabella is coming home, the distant and close relatives of the two families will definitely not be able to hide it, and there will be an endless stream of people visiting at that time, it will be annoying to think about it!

It’s fine if it bothers them, but in case Isabella gets annoyed too.

“It was hard to find Isabella. I want to spend more time with her and make up for her.” Williams squeezed his wife’s hand to relax his muscles, “If too many relatives show up, we will spend less time with Isabella, you Say?”

“I also don’t want others to disturb our family reunion.”

Eloise had just finished speaking when she heard the phone. ring. She saw that it was Isabella calling!

Williams looked eagerly, feeling a little sore in his heart: When can my daughter call him?

Eloise cleared her throat, and answered the phone happily and solemnly, “Hello? Baby...

“1

Benjamin and I are out for dinner tonight.”

“Okay, I know, I haven’t left you a meal since Benjamin was by your side!”

“Eat slowly, it’s fun! Don’t worry about your family!” Eloise wanted to talk to her daughter a few more words, but she was afraid that she would get annoyed by talking too much, so she hurriedly said, “It’s nothing, you hang up first.”

“Okay.” After Isabella hung up the phone, she looked at the man in the car, “What’s the matter?”

“Don’t call me by my first name in the future.” Benjamin put his arms around her and asked lovingly, “When can I hear you call me dear?”

Isabella ignored him.

“You can also call me Benjamin.”

Isabella couldn’t yell, “I think Benjamin sounds nice.”

“nonsense.”

“Call me,” Benjamin pestered her, “Call me darling.”

“If you’re annoying, I’ll get out of the car.”

Benjamin immediately became quiet, hugged her and didn’t speak, just rubbed his forehead against her forehead and touched her lips from time to time.

“You are becoming more and more unscrupulous!” Isabella was getting a little angry, when will this hands-on problem be corrected!

“Do you owe someone to discipline you?” Benjamin followed her words, smiling flatteringly and dotingly, “From now on, you will take care of me more and restrain me more.”

“I just need a wife who cares about me.” Benjamin’s eyes were gentle and affectionate.

Isabella looked away, deliberately not looking at him.
