

## Chased Her 221

Chapter 221 Bomsville University Mysterious Professor

Isabella raised the corners of her lips and replied lightly, "Thank you teacher, it's just a normal performance."

The teacher knew that she had always been very strong. In the mock tests in the school before, she was too lazy to write essays and long-winded answers, and all other short questions were correct.

This time, she wrote the answers to both the composition and the lengthy essay, and it was not surprising that she got full marks.

The teacher knows that if the total score is 1000 points, you will definitely get 1000 points! You are a smart kid, and you will definitely be able to skyrocket to 90,000 miles in the future. ]

[In the future, the principal may want to invite you to give a speech at the school to inspire the younger students. For the sake of the teacher, you must come. ]

"good."

After Isabella replied to the teacher, she received a news pop-up reminder that the topic about her had already hit the Internet.

Many people have left messages under the news topic and trending topic, with a total of more than 300,000 discussions.

"Which one is so powerful? Why is there no photo?"

"Such a good academic performance, he should be ugly, right? So the reporter is embarrassed to post it?"

"Would you be fat and short with acne all over your face?"

“Ah? Don’t ruin the image of a top student in my mind!!”

“Does anyone know which university she chose??”

“It is said that this outstanding student has rejected Bomsville University and Washington University. I wonder if there is a better choice?”

“Is there a better school than Washington University and Bomsville University ?”

As soon as the admissions teacher of the Medical University returned to school, Principal Brown put down his coffee cup and said happily, “Quickly, put the news that Isabella has agreed to join our Medical University on the Internet, lest this little girl go back on her word!”

The admissions teacher heard it, huh? Will you go back on your word? Before he left just now, he was a thousand reminders, ten thousand instructions, and asked Isabella to fill in their school, but don’t fill in the wrong one...

If he regretted it, wouldn’t it be true that the experimental equipment that Principal Brown spent a huge amount of money on...was bought for nothing??

“Not going soon??”

“yes!”

Isabella browsed the comment area for a while, and was about to exit the software, when another piece of news came into view.

#Full Score No. 1 Select Medical University# The topic

immediately became the number one in trending!

Mr. Brown released the news so quickly, because he was afraid that she would go back on his word??

Sure enough, Mr. Brown proudly showed off in the group of old men, "I can see Isabella every day from now on, you old men will be envious!"

Mr. Watson, "It sounds like you are not an old man! Oh, by the way, didn't you invite me to be an honorary professor at your school last time? I'm free next time, I'll go!"

Mr. Brown, "Not now!"

He swayed his legs triumphantly, listening to the opera, he didn't know how happy he was.

Mr. Will, "Didn't you ask me to give a speech in your school and inspire the students with my own success stories? I agree!"

Mr. Brown. "I have to think about it now.

Mr. Nick, "You said how boring an old man is at school, surrounded by young people, why not let me accompany you and relieve your boredom!"

Mr. Brown, " Fuck off, Isabella is enough for me, get the hell out of here, I won't entertain you when you come."

When he said this, he deliberately @Mr. Mick, " Isabella was just a name for you at the beginning, and then became a professor after graduation. You haven't seen her for a few days, but with me, you have to Really wait for four years!"

Soon, Mr. Mick came out and replied, "That girl doesn't like to

3/0

study. It may only appear for four days in four years. Don't be too happy."

Mr. Brown," lol, with my equipment, Isabella will have to stay for a year or two..."

Mr. Watson, "Mcan."

Mr. Will, "Shameless."

Mr. Nick, "Crap."

Mr. Mick, "Damn it."

Principal Brown was in a better mood when he saw their gnashing of teeth one by one. He hummed a ditty and tasted the coffee that Isabella honored him a while ago. It was so delicious~~

the other side.

An old professor stepped into the school of Bomsville University, came to the principal's office, and knocked on the door.

"Enter."

H

After the old professor opened the door and came in, he sighed, Mick, what do young people think now? Our Bomsville University is the best university in the United States, but the No. 1 actually chose a medical university? Why is that?

11

“Can’t figure it out?” Principal Mick asked with a smile.

“I can’t figure it out, I really can’t figure it out.” The old professor was hit hard and sat on a chair in frustration. He even came to invite him personally, but the girl still refused him!

4/6

Principal Mick continued to practice calligraphy, and said slowly, “I told you not to go, you chose to go, it’s fine now, I was rejected, and I’m not happy.”

Hearing his words, the old professor suddenly raised his head and 1 asked suspiciously, “By the way, Mick, how did you guess that little girl wouldn’t come to our Bomsville University?”

“Hey, look for yourself.” The headmaster raised his eyes and pointed to the wall behind him.

There are 66 top professors on that wall, who are the 66 most powerful figures since the establishment of Bomsville University!

Even he, an old professor, is not qualified to be on the list...

Why did Principal Mick let him watch this? Is it implying that he is not capable enough, so the little girl refuses?

He was about to ask a question, when he accidentally saw a young and beautiful face among the 66 top professors.

Classmate Isabella ??”

He thought he was dazzled, so he rubbed his eyes, and then took a closer look. It was indeed the appearance of the little girl, and the name was correct, but there was a surname missing: Logan!

Looking at the introduction above, the girl had completed her studies at Bomsville University two years ago and became a specially appointed honorary professor at Bomsville University.

“The professor who taught her back then felt ashamed and called her teacher instead. Because she was young and had many personal affairs, she didn’t take a few classes with us, but she got full marks in the final exam every year.

I

O

The old professor was stunned, and asked after a while, “So, so, she has graduated from Bomsville University? Then why did she take the Enter University exam again ?”

“Oh.” Principal Mick slowly practiced calligraphy, and said disapprovingly, “At that time, she was just in the first year of high school, and she also took part in university content. In less than two years, she got a diploma from our Bomsville University. As for why she participated in the Enter University exam...”

was not recognized by her parents in the Brown family, and she wanted to let her parents know that her grades were not bad through the form of the Enter University exam.

I want to get full marks and get even a little bit of attention and love from my parents.

She knows that her parents have a good face. If she is No. 1 out of 10, then they will have a bright face and maybe they will treat her.

But I didn’t expect that the parents of the Brown family were not relatives...

As for why she didn't tell her parents that she took part-time college studies in high school and got a diploma from Bomsville

University...

That's because her parents didn't believe her. Secondly, she didn't pass the entrance examination to Bomsville University. It was Principal Mick who made an exception and let her take the exam. It wasn't considered a normal admission channel, but her level was already higher than other college students, so Principal Mick It was only then that she was awarded a Bomsville University diploma, but all of this was done in private, and almost no one knew about it.

Chapter 222 Her last name is Logan?

"This girl took a job in our school because of my face, and she only taught students two classes in total, but she is busy, so I can

understand..."

As for why she chose a medical university, Mr. Brown has taught her so many medical skills, so naturally she has to go back and repay her. Mr. Brown also has drugs that he wants to research, and if he joins hands with her, the progress will be faster.

Only then did the old professor realize why No. 1 didn't study at their school. It turned out that he was already a mysterious special- appointed professor at Bomsville University, with a higher status than him...

Fortunately, he still came to find someone to come to school here...

It's embarrassing.

Isabella quit the news software and was about to catch up on sleep when the phone vibrated again.

This time, it was Elder Mr. Mason calling.

“Oh, my good granddaughter-in-law, you are amazing, you got full marks for so many homework! Grandpa is so proud! No, grandpa must reward you! Do you have anything you like?”

Elder Mr. Mason’s excited and joyful voice came from the phone.

Isabella raised a smile and said gently, “No, studying is my task, and I don’t need rewards.”

“Hey, my granddaughter-in-law’s enlightenment, this realm... no, grandpa must reward! If you don’t have something you particularly like, grandpa will decide!”

“Grandpa, there is really no need to spend money.”

“Where is the expense, how can the things that reward you be considered an expense! The money of the Young Family is your money! You don’t have to have a psychological burden.”

Isabella, “..

“Grandpa, think about it...” Elder Mr. Mason said this, and suddenly asked, “ Did Benjamin give you anything?”

Isabella answered truthfully, “No.”

“You brat, my daughter-in-law got full marks, yet she still doesn’t show it!” Elder Mr. Mason was about to get angry when he suddenly had an idea, “ Isabella, don’t tell Benjamin that I’m going to give you a gift.”

Isabella :??

“If what he gives is more interesting and more valuable than me, then I’ll be outnumbered by him! I’ll talk about him after I finish delivering it!” Elder Mr. Mason said a lot more before hanging up the phone.

Isabella calmed down and the phone vibrated again, this time it was a message from Kara.

[Isabella, are you free at 8pm? I got the pill you asked for on the black market in South Africa, only one! But I haven't finished dealing with the matter at hand, so I can't go back immediately. I'll ask any subordinates to send it to you. Can you come to the airport

at eight o'clock tonight? My guy happened to be going to Bomsville for a connecting flight, and he had five minutes in between. ]

Among the medicines that grandparents will use later, there is one medicine that is beneficial for the treatment of brain damage.

But it takes several days to refine this medicine, and buying it directly on the black market can save time.

Isabella's slender fingers quickly replied, "I'll be there on time."

No matter what tonight, she must get it!

the other side.

When Daisy saw the news, she was stunned for a while before she realized, "Mom, Mom! Isabella seems to be No. 1 out of 1!!!"

"How is it possible?" Gail came over, took her mobile phone and took a look, it really is, it says full score No. 1 Isabella, could it be that Isabella's original family name is Logan??"

"How could her surname be Logan ???" Gail's mind suddenly remembered the last time at the piano award ceremony, because Daisy plagiarized Isabella's music. Not long after, Williams suddenly said, whoever cooperated with the Brown family is Fuck them Logan Family!

Could it be, could it be...

Seeing that Gail was about to fall, Michael hurried over to help him, "What's wrong, what's wrong! Even if it's No. 1 out of 10, it wouldn't be so shocking?"

"

Michael, Michael, you, you, look at her surname..." Gail felt that he was out of breath, and he said after a while, "Her, her surname

could be the daughter of Williams and Eloise ????"

"The daughter of the richest man in the United States ??" Michael looked at the surname, "But there is no picture of Isabella on the news, maybe this No. 1 is not about Isabella ?"

Daisy was afraid from the bottom of her heart, if Isabella was really the missing Lady of the Logan Family, then their Brown family would be more than just a part of the family!

The Brown family and the Logan Family are people from two worlds, one underground and the other in the sky!!

"It didn't mention which high school I went to before this perfect score No. 1..."

Before Michael finished speaking. Gail pushed him, "Hurry up and call Isabella's former teacher, and ask if she is the one with the perfect score of No. 1!"

It's full marks again, and the fate of this dead girl is so good??

Michael is still in surprise....

"Hurry up!!!"

Under Gail's urging, Michael made a phone call, his face paled a little.

Especially the teacher said on the phone, "Just now I sent a message to Isabella to congratulate classmate Isabella, and she also promised to come to our school to give a speech... Why, Mr. Brown, don't you know that your daughter's surname is Logan?"

The teacher didn't know until later that Isabella was not a member of the Brown family. During the summer vacation, she met her

relatives and returned to the Logan Family.

As for which Logan Family it was, she didn't know, and she was too embarrassed to ask.

Michael didn't know how he hung up the phone, he was completely confused.

"How is it? Is this No. 1 perfect score her?" Gail asked, "Speak up!"

Michael nodded subconsciously, still in a trance, he didn't expect that Isabella was not ordinary No. 1, but a perfect score!

The teacher praised her on the phone just now. It turns out that her grades in high school have been very good for three years..."

Gail was shocked, "What did you say?"

"Dad, Mom, whether her grades are good or not is one thing. Whether she is the Lady of the Logan Family or not is the key point! Dad, why don't you call and ask someone from the Logan Family company?"

Michael suddenly realized, yes, if Isabella recognizes her ancestors and returns to the richest Logan Family, then the people around must know her!

With their identities, they naturally cannot get in touch with members of the Logan Family, but the company's front desk can always be contacted, right??

Thinking of this, Michael called the front desk of the Logan Family headquarters, "Hi, I'm Michael from the Brown Group. I saw that there was a No. 1 Isabella in the news. I want to ask if it is the daughter of the former Mr. Logan. I think Call him and say hello."

"I'm sorry Mr. Brown, I don't understand what you mean. I don't know much about the Logan Family 's private affairs, but as far as I know, there is only one Lady in the Logan Family."

"Is it Cecilia ??" Michael hastily asked for confirmation.

"yes."

After hanging up the phone. Michael felt that it was a false alarm. Fortunately, Isabella is not the real daughter of the Logan Family. otherwise all the stupid things they did before would have really dragged the Brown family into hell...

When Gail heard what the front desk said, he also breathed a sigh of relief. "I was scared to death, it should happen to be Logan, but it's not the richest man's family..."

After all, this surname is also very common...

Chapter 223 Brother's Long Legs

overseas.

A handsome and sunny boy dressed in trendy clothes just finished a day of recording, left the scene without stopping, and was about to rush to the airport.

“Where are you going, Bradley ?”

The manager hurriedly caught up with him. “It’s so late, you still have to go back to see your sister? There will be a celebration in a while, everyone can be absent but you!”

Bradley, did you hear what I said?” The agent was anxious, sulking while chasing him, “You bastard, what are you doing with such long legs!”

See Logan Bradley entered the elevator, and the manager hurriedly chased after him, and finally squeezed into the elevator room at the last second, panting in embarrassment.

“There are no ghosts chasing you, and you don’t wait for me if you walk so fast!”

“Who made your legs short?”

The handsome boy with three-dimensional facial features finally spoke. The face was too easy to see, so delicate that no flaws could be picked out.

“You...” Looking at this enchanting and handsome face, the

manager couldn’t get angry, so he could only explain, “I know you

are in a hurry to go home to see your sister, but we have been delayed for so many days. It’s almost one night, isn’t it?”

288 (Vouchers

“It’s not your sister, are you not in a hurry?” Bradley raised his handsome eyebrows and warned, “This matter is not negotiable. I 1 have to go back tonight.”

“Okay, okay, you have to go back, can I book a ticket?” The manager stepped out of the elevator and took out his phone helplessly.

He is probably the agent with the least right to speak in history...

In the past three months, they participated in a variety show.

The name of this program is “Go after Dream”. It tells the story of a group of teenagers going through layers of selection. In the end, 99 boys with excellent singing and dancing abilities stood out and were sent by the program team to a beautiful place overseas for a three-month training. Training and stage competitions.

And Bradley, as an international top player, is extremely good at singing and dancing. He was hired by the program group to be the main host and music instructor, leading these interns Go after Great.

Because of the heavy responsibility on his shoulders, Bradley stayed in this place for three full months, leading trainees every day and imparting relevant professional knowledge.

Finally, today’s last day of recording ended, he didn’t stop, he just wanted to go home to see his sister as quickly as possible!

He has been delayed for too many days!

If it weren’t for cultivating newcomers, letting a hundred flowers

bloom in this circle, and setting an example for more younger generations, he really wanted to give up halfway and go home to see his sister!

What agent K meant was that tonight the program team held a celebration party, and all the backstage staff and the selected teenagers would participate. The meeting with my sister has been delayed for so long, so it’s not too late.

But Bradley has a big temper, there is no way, who let him spoil this guy's temper!

When the plane finally took off, Bradley looked into the distance, with a hint of anxiety and uncasiness in his blurred eyes.

“Do you think my sister will like me?” Clear voice was extremely pleasant.

“It will definitely!” K said without thinking, “There is such a popular star brother, so handsome, so sunny, who doesn't like it?”

”

“Look at those fans, when did they not surround you, shouting loudly to give birth to you? When did you appear in traffic without paralysis? The police did not come out? With your popularity, your sister must have heard your song, nine out of ten are still your fans, chasing after you with a pen, begging you for an autograph! Put your heart back in your stomach!”

“...” Bradley thought, if his sister really likes his song, he can sing it to her alone, not to mention signing autographs, as many group photos are not a problem! The C position in the concert will always be reserved for her! Take it with you forever on the show! As long as my sister is happy.

At this time, his sister had just woken up, washed up, and when she went downstairs, she saw Cecilia looking at her jealously, wishing to cut her into pieces.

”

Isabella, are you awake?” Eloise was sitting on the sofa drinking, coffee, seeing her go down the spiral staircase, and said with a smile, “You've been sleeping all day! You must be hungry, right? The meals in the kitchen are kept warm, go eat!”

Myra on the side smiled and said, “Ms. Young can get No. 1. The usual study tasks must be heavy. Now that the grades are out, I can finally sleep with peace of mind! I must have not slept well!”

“This kid loves studying too much.” Eloise said this, looking at Isabella, “ Isabella, in your own home, you can sleep as long as you want, without any psychological burden.”

Isabella smiled slightly, “Okay.”

“Oh, by the way, Elder Mr. Mason asked his personal butler to send some gifts to congratulate you on getting the No. 1 gift, and Benjamin also came here just now, I heard that you are sleeping, and I don’t want to disturb you, left the gift and left.”

Isabella looked around and saw the gifts from Elder Mr. Mason and Benjamin piled up into two hills, as if they were competing with each other.

It’s just a No. 1. Is it necessary to be so grand??

“Shall I have someone move these gifts to your room first?”

“good,”

“I heard from the butler of Elder Mr. Mason that the items inside are all carefully selected by Elder Mr. Mason They must be very

valuable. Elder Mr. Mason is too polite. It can be seen that he really likes you...”

When Eloise said this, Cecilia bit her lower lip unwillingly, the jealousy in her eyes showed, and she wished to replace it.

Isabella was stunned, no wonder when she went downstairs just now. Cecilia looked at her as if she wanted to cat her alive, so it was because of this!

Thinking of this. Isabella raised her lips and felt better. She ate something, talked to Eloise, took the car keys and went out.

As soon as he walked out of the main hall, he saw a servant leading a lady in, and the lady was still holding a lot of gifts.

this Lady Isabella has met a few times before, and every time she came to visit Williams and Eloise with big bags and small gifts.

I heard that her name is Susan, and she seems to be interested in Bradley, but Isabella is not interested in the specific situation. Because there is a long distance. Isabella did not take the initiative to say hello. but turned and went to the garage.

Isabella drove for a full 40 minutes to a journey that usually takes only 20 minutes, and was still not close to the main road of the airport

What day is today??

Isabella recalled it in her mind, it didn't seem to be any important festival, nor was it a holiday.

Could it be that some major event happened in the United States, so those who heard the news were going to run away early?

Otherwise, what are you doing at the airport??

Although she left early, she was stuck on the bridge near the airport, motionless.

As time passed by every minute and every second, if this continues. it is very likely that I will not see Kara's subordinates, and I will not be able to get that little pill!

With that in mind, she started the engine.

## Chapter 224 The Enemy

Many people on the road suddenly heard the roar of a sports car, and saw a white car passing by them, and shuttled forward.

Many vehicles were blocked on the bridge, but this white sports car was able to do a job well in the gap between the cars and shuttle forward at an extremely fast speed, which can be called a miracle!

“How did she drive through such a narrow road?”

“A professional driver?”

“Rush to die ?”

Finally, in the last five minutes, Isabella left the car on the side of the road and stepped into the airport as fast as she could.

As far as the eye can see, there are huge crowds of people.

Many people were holding up luminous signs with a person's name on it: Bradley!

There were also people holding photos and banners, blocking the entire airport!

Isabella couldn't move an inch, thinking to herself, which star is so popular?

Because she doesn't have the habit of chasing stars, and hasn't paid attention to what's happening in the entertainment industry, she doesn't know much about top-notch stars.

At this time, the phone suddenly rang, it was a string of unfamiliar trombones.

Ms. Young, I'm getting off the plane now, is it convenient for you..."

Before the other party finished speaking, the whole airport boiled instantly.

"Ahhhh... Bradley!! Bradley!! Bradley!!!"

A large number of fans flocked to Exit A, Isabella was so crowded that she couldn't stand, her thin body was staggering.

She couldn't hear what the other party said at all, the sound was so loud that it almost burst her eardrums!

"Hello? Can you hear me? Hello?" Isabella could only hear the person on the other end of the phone answering loudly, but it was too loud on her side to hear.

"Ah, there! Let's go there!"

"so hot!!"

"I love you!!"

"I want to marry you!!"

"I want to give birth to you!"

As soon as the handsome and sunny star walked out of Exit A, a large number of fans rushed to go up.

All the security personnel at the airport were dispatched, and they tried their best to maintain order, but this star was too popular, and they couldn't stop the madness of this group of fans.

“Ahhh husband Bradley!! Bradley! Bradley!! Bradley really appeared!!! I love you Bradley!!”

“So handsome!!”

“Another day of being attacked by a handsome face!”

“The body proportions are great!”

“The picture quality can't stop the handsome face!!”

Isabella :...

Crazy, this one and two are not lightly crazy.

She hung up the phone resolutely, and sent a message to the other party, “Which exit are you waiting for?”

“I'm at Exit A, behind that star!”

Isabella 's eyes jumped over the star, and after a long distance, she finally saw the hand behind the star waving with all his strength, and jumped up desperately.

The star was too tall, and the subordinate could only keep dancing and waving his hands, trying to get Isabella 's attention.

Although Isabella noticed it, the distance was full of people and voices, and it was not something she could easily cross if she wanted to.

The big star was wearing sunglasses and a peaked cap, so he

couldn't see his facial features. He waved and nodded to the enthusiastic fans, and he was so kind that he didn't put on airs.

Isabella wanted to squeeze over to get the little pill, but reality didn't allow it, watching the time pass by...

That subordinate was in a hurry to turn around, and pushed through the crowd desperately toward Isabella.

Finally, there was only a distance of less than two meters between them. The subordinate took out a small bottle and stretched his arms to give it to Isabella.

At this time, the star was about to leave, and the fans at the scene frantically followed his back, and the crowd rushed over.

Isabella's fingertips just touched the bottle, but the subordinates still held the bottle and did not let go. The crowd squeezed over desperately. For some reason, the subordinates suddenly found that the cork cap was in their hands, and the bottle was already in Isabella's place....

Isabella got the medicine, he should be happy, but when he saw that the bottle was empty, his face turned pale.

The little pill rolled out at some point and fell to the ground.

Isabella's eyes became dangerous, and even that subordinate felt that he was doomed. If such a valuable medicine was not recovered, Ms. Long would wring his head off when he returned!

Isabella found that the small pill fell at the feet of a certain fan, and she bent down to pick it up, regardless of the crowds of thousands of people rushing to pick it up. Unexpectedly, the fan suddenly took a step forward and kicked the small pill to the front...

Isabella watched helplessly as the little pill rolled in front of the star, and the next second, the star took a step forward...

Stomped that pill flat!!

The complexion of his subordinates became even paler with a swipe. It's over, it's over, it's really over now!!

The priceless medicine was trampled to the ground!

If it is flat, it will be flat, but the pill is stuck to the sole of the star's shoe, and it just follows the star away...

Isabella suddenly burst into flames, this group of crazy fans! As for?!

I can't even catch up now!

The pill made by Mint Herb just left her like this...

Going out today is really out of luck!

When the fans left halfway, the subordinate finally squeezed in front of Isabella, and said guiltily. "I'm sorry Ms. Young, I don't know what's going on, the pill just..."

"Forget it." Isabella knew that she would not be able to chase her back now, and even if she did, the medicine would be dirty and not easy for people to take. "Did you miss the connecting time?"

"Now the two missions that Ms. Kara gave me are all messed up..." The burly subordinate was about to cry at this moment, like a child who had done something wrong.

Ms. Long asked him to finish delivering the medicine and

immediately turn to another matter. Now both things are delayed,

and Ms. Kara lost the money for the pills.

He could almost imagine how pitiful his fate was...

Isabella gave him a sympathetic look, "It's not your fault, I'll tell Kara later that this has nothing to do with you."

"Thank you Ms. Young!" The subordinate said excitedly after hearing this, "In the future, if Ms. Young needs my help, just ask."

"Let's go." When Isabella left the airport, she called Kara, but she couldn't stop laughing on the other end, "What kind of star is so popular? If it wasn't for the fans, I guess you can mention it." The knife killed him."

Isabella was just about to say the star's name, when she suddenly found that her car parked on the side of the road had been scratched and scratched. It should be the star whose fans drove away and scratched her car so badly...

This Bradley!!!

While it was still early, Isabella drove the car to a nearby car repair shop. After all, it was a family car, so it was not good to just drive home like this...

The owner of the car repair shop said that he would not be able to pick up the car until tomorrow. Isabella paid the money and left her contact information before taking a taxi home.

Chapter 225

When Isabella got out of the car at the gate of Riverside Villa, her cell phone rang suddenly.

[Boss, there is some clue about the fire that year. We caught two suspects, but their mouths are tight. I'm afraid they will lose their breath if we continue to fight. Why don't you come over here?]

"Okay." After Isabella hung up the phone, seeing that the taxi driver hadn't left, she got into the car again, "Please go to Woods Villa."

Hearing this, the driver asked in surprise, "Is it that big villa on the top of Nanshan Mountain in the suburbs?"

I heard that it is the private residence of a certain rich man, ordinary people cannot enter!

Some people say that the rich man has a bad temper. Whoever drives his car into the boundary of that mountain, rows of pillars will rise on the road to prevent you from moving forward...

If people in the car get out of the car curiously and want to go in to find out, a large number of bodyguards will appear aggressively.

In short, no one dares to go to that place!

The driver glanced at the rearview mirror, did the girl know the people in Woods Villa?

Riverside Villa again, and South Woods Villa again. It seems that the identity of this little girl is not simple.

However, since it is not easy, why do you have to come out to take a taxi without your own driver and car??

The driver couldn't figure it out.

“You can’t go to the top of the mountain, just send it to the foot of my mountain.”

“Okay, then fasten your seat belt.” The driver quickly stepped on the accelerator and left.

Bradley in a high-end business car had a panoramic view of all this, his star-filled eyes were slightly rippling...

What a beautiful little girl, who is she?

Why does it look so attractive?

He had never seen such a beautiful girl, with a delicate and outstanding small face, long hair fluttering, and a cold aura exuding all over her body.

Whether it’s appearance or temperament, it all depends on his aesthetics!

“She should have just left your house and took a taxi home by herself? She seems to be a good and frugal girl.” Manager K saw his thoughts and praised without hesitation, “Could it be arranged by your mother?” Blind date? The standard this time is not bad!”

-Such a good-looking blind date... Since when did Mother become so

discerning?

“I know you’re going home to accompany my sister, so I’ll give you two days off.”

“Thanks.” Bradley patted him on the shoulder, not forgetting to take the meeting gift for his sister, “Let’s go.”

In the living room, Eloise was sitting on the sofa drinking coffee. when she saw Bradley appearing, she couldn’t help but put down the coffee cup, and stepped forward to give her a good meal.

“You brat, are you finally willing to come back? How many days has your sister been back? You know how busy you are every day...”

Bradley laughed, “Mom, why did your hammer get heavier? Have you eaten too much recently?”

“You brat, do you mean I’m getting fat?” Eloise punched him twice before someone brought over the scales, “I really gained 1 catty, oh my god, tell the kitchen to tell the Don’t be my share of late supper!”

“Where’s my sister?” Bradley smiled, looked left and right, but didn’t see his sister, and scratched his head. Could it be that his sister fell asleep?

“Now you know how to care about your sister? It’s too late!”

Eloise snorted, turned her face away, Bradley was a little confused, what does it mean to be late??

“People are gone???”

“You brat! Can you talk properly?” Eloise couldn’t help but thumped him again, “Your sister is fine, she went out and didn’t come back so soon.”

“Oh...then I’ll go upstairs and take a shower first.”

“Wait, I haven’t finished talking yet...”

Seeing Bradley’s long legs stepping up the stairs in twos and threes, Eloise was a little annoyed, this brat must know what she was going to say, and deliberately avoided her!

Forty minutes later, Bradley went downstairs again, found a place to sit down, picked up a few pieces of fruit on the table, and ate a few pieces.

“My sister hasn’t come back yet?”

Eloise caught him, and immediately said, “What do you say you are busy with every day! How old you are, you don’t even think about the important things in your life!”

Suddenly, she thought of something and couldn’t help asking. “I heard that your circle is very messy... all men like men? You can’t be too...”

“Lol” Bradley nearly choked on grapes, “Mom, what are you talking about!”

Eloise’s eyes, he felt guilty. “Fifth, tell mom the truth, do you have a boyfriend? That’s why you don’t want to go home for a blind date? If you have, tell me, mom is not a pedantic person.” ...”

“Mom, what are you talking about!”

”

“Even if I’m gay, my mother can accept it, at least it’s better than being single!”

“...” Bradley was really convinced, “Mom, I’m not something that can’t be sold at a sale! Your son is full of blood! It’s time for him to be strong!”

“Then why don’t you find a girlfriend? Although you are not handsome, you are not tall, and you are a bit old...”

“Mom, I’m only 22! How old am I?” Bradley couldn’t help retorting.

“Your former classmate, who was the same age as you, named Colin, got engaged a while ago, and her mother went to drink their wedding wine!” Eloise was a little worried when she said this, “When will it be your turn?”

Bradley dropped two grapes into his mouth and said disapprovingly, "It's almost there."

"Really? When?" Eloise was overjoyed, "So you have someone you like? Who is it? Docs mom know you?"

"I do find a girl to be special..."

"Really? Which Lady?" Eloise hurriedly asked, "What's her name? How old is she? Where is she from?"

thank God for the words coming out of the brat's mouth!

"Just tonight, the little girl at our door... looks quite special."

"At the door? You mean Susan?"

"She's Susan?" Now it was Bradley's turn to be surprised. Although he often played together when he was young, Susan went abroad with his parents when he was older. He just came back in the past two years, but his appearance has changed too much? I can't even recognize them.

"Yeah, she came to visit us tonight with a gift. Look at other people's children who are more filial than you!" Eloise couldn't help scolding, "You said you came back from a long distance, and you don't have

any filial piety to your parents!"

"Didn't you say that you don't need to bring anything, as long as the person comes back?"

"I asked you to get married this year, did you hear me!" Eloise muttered a few more words before asking. "How many days off do you have? Susan will come over tomorrow, and I will arrange for 1 the two of you to meet? Don't tell me, I really like girls with short hair and big eyes..."

“Short, short hair??” Now it was Bradley’s turn to be surprised, “The girl I just said has long hair!”

“Long hair???” Eloise recalled. “Tonight there is a lady who brings her daughter as a guest. She has long hair. Do you see if this is it?”

She took out her phone and showed Bradley the photo.

Chapter 226 Speak ill of my sister face to face

“No, no, it’s not this.” Bradley saw the photo of the Lady in the Li family, and repeatedly denied that it was not a little bit worse than the girl at the door.

“Are you sure it’s the girl who came to our house tonight?” Eloise turned on the phone again and showed him photos of other Lady, “Could you remember wrongly? Was it Cindy who came last night? Or Leah the night before?”

She rummaged through one after another, “Isn’t it? Then which one are you talking about?”

“I don’t know either. I seem to see her coming out of our house tonight and getting into a taxi.”

Eloise carefully recalled that the girl who left home tonight, with long hair, was Isabella!

But Isabella drove out by herself, so it shouldn’t be her.

“She’s much prettier than the girls on your phone.”

“Nonsense!” Eloise put away her phone and said with certainty, “The only one that looks better than the one on the phone is your sister!”

“impossible!”

I heard that my younger sister grew up in a small place, and the girl

at the door is definitely more beautiful than his younger sister!

At this moment, a pleasant voice suddenly sounded.

“Mom, I’m back.”

When Eloise heard this, she hurriedly got up, “Isabella is back? Come on, let me introduce you, this is you Bradley, he is back to see you!”

When she said this, she couldn’t help turning her head, “Stinky boy, my sister is back, what are you still doing sitting there? Why don’t you come here soon?”

Bradley saw this pretty face, isn’t it the girl at the door!!!

Is it his sister? dear???

Suddenly, he heard the sound of heartbreak, love seems to have

come, and it seems not...

My heart suddenly became empty...

When Isabella heard Bradley’s name, she suddenly felt very familiar. Then she raised her eyes and saw the height, hairstyle, and

aura...

Isn’t that the big star who crushed her pills at the airport tonight???

This person turned out to be her Bradley Bradley ???

“You are my sister?” Bradley came to Isabella, he raised his head two times, facing the little girl in front of him, he couldn’t help stretching out his hand and pinching Isabella ‘s face, “So cute...you look so beautiful Like a doll.”

“What kind of metaphor are you talking about?!” Eloise almost

rolled her eyes. –

Isabella hated it when someone touched her, but he smiled brightly and was kind and harmless, and she wasn’t angry at all.

“Hi Bradley, my name is Isabella.”

“I know, mom said you are very good, and you are really good.” Bradley pinched her face again.

Isabella ? good??

Bradley had never seen her wild.

“Oh, by the way, this is a gift for you.” Bradley hurriedly took out the gift he had prepared in advance, and said. “I wanted to buy you QY. but the person in charge of the brand has a bad temper. I I wanted her to order one for you, but she actually said she was not available and would not accept it.”

It’s too embarrassing!!

Eloise :???

Isabella ? ?

She has a bad temper??

Why doesn't she know??

“What nonsense are you bastard!”

Before Eloise finished speaking, Bradley said, “I’m telling the truth.

Who doesn't know that guy's temper is notorious in the industry. Asking her to customize anything depends on her mood!”

rolled her eyes.

Isabella hated it when someone touched her, but he smiled brightly and was kind and harmless, and she wasn't angry at all.

“Hi Bradley, my name is Isabella.”

“I know, mom said you are very good, and you are really good.” Bradley pinched her face again.

Eloise :???

Isabella :???

“What nonsense are you bastard!”

Before Eloise finished speaking, Bradley said, “I'm telling the truth.

Who doesn't know that guy's temper is notorious in the industry. Asking her to customize anything depends on her mood!”

Speak

“Shut up, you!” Eloise immediately changed the subject, “You haven't finished what you just said, does the girl you mentioned look as good-looking as your sister? Your sister is the prettiest girl in the world people!”

Speaking of this, Bradley was heartbroken, “Indeed...”

Unexpectedly, this girl is his sister!

Isabella took the gift box with complicated emotions, "Thank you Bradley."

"Why are you being polite to your own Bradley! See if you like it, and if you don't like it, Bradley will buy you a new one!"

Isabella opened it and saw that although it was not QY, it was also a limited-edition jewelry of another top-tier brand, including necklaces, bracelets, earrings, and rings. It was a complete set of jewelry, estimated to be worth hundreds of millions.

"I like it, it's pretty."

"As long as you like it." Bradley couldn't help but pat her on the head again, she was so obedient and cute, so cute.

Ms. Young, are you back? It's just right, the supper is ready, fifth young master, come and eat!"

"Sister, where are you going tonight?" Bradley followed Isabella, familiar and kind, "I saw you took a taxi and went out. Bradley is at home these two days. What can Bradley take you there for?"

"Thank you Bradley."

"You guys eat first, I'll call Miss Logan down." Another servant found that Cecilia was hiding in the room most of the time today, wondering if her grades were not satisfactory, and she was hit.

Bradley had just sat down when the phone rang.

"What did you say? Rejected again? Forget it, forget it, don't ask her to write, that's it..."

After hanging up the phone, Eloise couldn't help asking, "Who? What made you angry?"

Tanya I mentioned before, she's too arrogant! I asked her to write a song, one note is 100,000 USD, but she didn't accept the order, the reason is that there is no shortage of money and no time! Tonight,

the agent asked her again Yes. the price offered is 200,000 USD per note, but they still don't accept it! Tell me, why is she so proud??"

Eloise 's hands froze in the air, and even the servants around were stunned, all looking at Isabella in unison.

Isabella asked softly, "Proud?"

"I'm so proud! You don't know, it's as difficult as heaven to ask her to write a song! How many people in the industry want to ask her to write a song, even if they write a climax, they all refuse!"

"Although she is a famous pianist and composer who is well-known at home and abroad, she can't be so proud! Don't you think so?"

Isabella nodded, so the person who asked her to write the song at a high price was Bradley 's manager??"

Tonight, because she interrogated the two suspects about the fire that year, she didn't expect them to kill herself first, and she was not in a good mood, so she didn't accept the order...

Unexpectedly, it turned out to be a family!

"Sister, you think so too, don't you? You are talking about someone like her who is proud of her talent!"

"Shut up!" Eloise hurriedly interrupted.

Unexpectedly, the more Bradley talked, the more energetic he was, "My brother doesn't need her to write me a song! What's so great..."

Myra on the side couldn't bear it anymore, picked up a bowl of soup and put it in front of Isabella, " Miss Tanya, oh no, Miss Sofia, ah no, Ms. Young, this is your soup, please use it slowly."

Bradley opened his mouth and looked at his sister in disbelief, what do you mean? what's going on??  
Tanya ?? Sofia ?? Are they all his sisters??

Isabella, drink it while it's hot, drink it slowly, and I'll help you beat Bradley after you drink it." Eloise said sweetly, "I've scolded you a lot since I got home..."

" Isabella is Tanya ?? Sofia ???"

How can it be???

Chapter 227

"How is it impossible? Your sister is versatile, isn't she?" Eloise gave him a blank look, as if thinking that he was making too much fuss.

Bradley was shocked for a while before asking, " Didn't Isabella just finish the Enter University exam...

Only eighteen years old!

It is the age of innocence!

How could he be the founder of QY?

And how could it be the famous pianist and composer Tanya ?

What happened in the middle? How can I make my sister change so much?

“Oh, by the way, this time No. 1 is also your sister.”

Eloise 's tone was calm, but Bradley was hit again, shock could no longer be used to describe his mood at this moment.

I heard that this year's Enter University exam is very difficult, twice as difficult as last year. With so many abnormal questions, Isabella can get full marks?

How hard has she worked so hard to achieve today's results?

The point is, just now he satirized her in front of her for being arrogant, bad-tempered, and self-righteous, so is it too late to kneel

down now...

He just returned to the United States, and before he performed well in front of his sister, his image was completely gone...

what to do?

Can he pretend to have a split personality?

Who should I blame??

Bradley, are you back?"

At this moment, a joyful voice pulled Bradley 's thoughts back.

I saw Cecilia happily ran to Bradley, pulled out the chair and sat down happily, her eyes were full of surprise and joy.

Facing Bradley, she felt much more relaxed. She didn't have the timidity and caution of seeing her eldest brother, and she relaxed her whole body.

She said happily, "Bradley, when will you come back? Why don't you tell me in advance, so I can pick you up at the airport!"

"Fifth Young Master is so popular, there are probably a lot of people picking up the plane, we won't be able to get close to him when we get there!" Scarlet said this, and looked at Bradley with a smile, "Fifth Young Master, you don't know that Miss Logan talks about you every day, my ears, almost heard the calluses!"

The servants around were a little speechless. Last time the young master came back, Scarlet said the same thing.

It will really work.

Bradley, what I asked you for last time..." Cecilia hesitated to speak, her eyes were coquettish and expectant.

"It's done for you!" Bradley smiled handsomely, and patted her on the head, "Shirly's ten autographs are in my bag, and I'll bring them to you later."

"Yeah! I knew Bradley was the best for me!" Cecilia smiled, clear and harmless.

Shirly, a Korean dancer who is very good at dancing. Shirly joined Bradley's variety show this year as a mentor, so Cecilia took the opportunity to beg Bradley for Shirly's autograph.

As Bradley's top-tier status, it is easy to get a few autographs.

“I have her WhatsApp, I will push it to you later.”

Hearing Bradley say this. Cecilia was even happier, her voice was a little sweeter, “Thank you!!”

She subconsciously glanced at Isabella.

This glance was provocative and ostentatious, as if to say: Bradley asked me for ten autographed photos as a gift, and even tweeted my idol on WhatsApp, but brought you nothing! In Bradley’s heart, who is more important and who is more important, can you see clearly??

Isabella is a little speechless, isn’t it just ten autographs? As for??

”

Isabella, do you have any celebrities in the circle that you like? If so, don’t talk about autographs and group photos, as long as you like, next time there is an occasion where he is there, I will take you there directly and let you chat face to face.”

“Thank you Bradley, I don’t chase stars.” Out of politeness, Isabella still declined Bradley’s kindness.

Not star chasing???

Cut, Cecilia rolled her eyes, not believing Isabella’s words.

The servant next to her was also a little surprised. A girl of this age doesn’t even follow the stars??

But Ms. Young is no ordinary girl..

“Okay, okay, stop chatting, the supper is getting cold, eat quickly.” Although Eloise didn’t eat, she still picked up a New Zealand mussel.

Bradley was a little touched, picked up the bowl and went to pick it up. “Mom, I haven’t been back for so long, do you still remember what I like to eat...”

Before he finished speaking, he saw his mother shell the mussel and put it in Isabella ‘s bowl.

“Isabella, mom knows you like seafood, eat more!” Eloise took another mussel, removed the shell, and put it in Isabella ‘s bowl, “Tonight’s supper is mainly seafood, and you young people like it again.” Eat barbecue, combine the two, just let it go.”

She doesn’t want to restrict her daughter with “healthy diet”, as long as her daughter is happy, she can do whatever she wants.

Isabella smiled slightly, “Thank you Mom, it’s delicious.”

“Eat more if it tastes good, as long as you like it, I will let the kitchen arrange it every day!” Eloise said this, and then gave Cecilia a mussel.

Although the shell was also removed, Cecilia ‘s heart was not happy, Isabella, Isabella, everything is given to Isabella first, and then to her!

Have you considered her feelings?

The one who clearly agreed to treat her as her own daughter, liar! All are big liars!!

Eloise picked up a bunch of grilled shrimps with salt and pepper. Bradley thought his mother had finally remembered him, and just picked up the bowl excitedly. The next second, he saw his mother put the grilled shrimps into Isabella’s bowl.

“Isabella, this smells delicious, try it.”

“...” Bradley was so obviously ignored that even the servants on the side couldn't help but sympathize with him for a few seconds. Fifth Young Master's family status is so humble and his sense of existence

is so low...

After a while, Bradley saw his mother took the baked poron, and hurried to pick it up with a bowl, “Mom, how do you know I like this...”

Before he could be happy, he saw the roasted poron dropped into Isabella's bowl.

He couldn't help but say, “Mom, I like grilled bolongs too!”

“If you want to eat, can you take it by yourself?” Eloise gave him depressed look, “Broken hand? Can't move? It's good that I didn't ask you to take care of my sister, you're still hypocritical!”

It's my own mother.

Eloise peeled the prawns for Isabella again. Bradley saw that there were several prawns on the plate, thinking that his sister would not be able to eat them all, so he reached out to grab one, but Eloise slapped him before his hand touched the prawns.

“This is for your sister! Can you peel it yourself if you want to eat it?”

Having not been home for so many days, he felt that his family status had been lowered by another level...

It's at the bottom now.

Just when he doubted himself, Eloise suddenly put a Provence crab leg into his bowl. He was overjoyed, but before he had time to express his gratitude and happiness, he heard Eloise's ruthless voice.

“Your sister doesn’t like this, here you go.”

Bradley was bitter, but Bradley didn’t say it.

After finally finishing supper, Cecilia deliberately pestered Bradley to talk, trying to show a brother-sister relationship in front of Isabella.

But Bradley watched Isabella’s leaving back, and hurried to catch up,” Cecilia, do you have something to say next time... I have something to do with Isabella!”

Chapter 228 A Gift For My Brother

What can be the matter?

Seeing the back of Bradley chasing after him, Cecilia was so angry that she couldn’t beat her.

At this moment, Scarlet came to her in a hurry and saw no one around, so she bent down and said in a low voice, “ Miss Logan! I heard them talking that the meeting gift that Fifth Young Master prepared for Ms. Young was a set of CN Diamond limited set...”

“CN has indeed released several diamond suits recently, but one set costs hundreds of millions of dollars!” Cecilia suddenly raised her eyes and said in disbelief, “Could it be that Bradley is willing to spend so much money for a sister who has never met before?”...”

You know, that set of jewelry is limited to the world, and there are countless people who want to order it, and there are many foreign royal families and nobles among them... You don’t have to be rich to order it!

The connections, power, status, and intricate connections involved...

Cecilia also wants to order that set of luxurious jewelry, but she knows that as her adopted daughter, she is not worthy of asking her parents to buy such expensive things!

But Bradley bought it so casually and gave it to that bitch!

The point is, only ten signatures were given to her, which is too partial!!

“Everyone in the family says they will treat you and Isabella equally, but they treat you and Isabella differently. One treats you in heaven and the other in hell!”

Having said this, Scarlet sighed, “ Miss Logan, no matter how good you usually do, you still can’t match this blood relationship...”

Cecilia bit her lower lip unwillingly. Could it be that because of this blood relationship, parents and elder brother can easily take back all the family affection they have given for eighteen years?

Obviously she is the little princess who grew up pampered by the family, and they said that they will make her the most carefree and happiest little princess in the world!!

Liars, all liars!!!

I don’t care about her biological daughter when she comes back!!

if Isabella didn’t come back...

Bradley’s legs were long and he quickly caught up with Isabella, “- Isabella!”

The boy’s clear and pleasant voice came to Isabella’s ears. Isabella just stepped into the door, and turned her head when she heard the sound, her eyes were a little puzzled. “ Bradley, what do you want from me?”

Bradley hurriedly handed over a black card, and said sincerely, "This is the pocket money Bradley gave you. There is no limit, just swipe it casually, just treat it as Bradley's heart."

Isabella looked at the black card in his hand, and was a little surprised. Why did the brothers in the family like to give her money?

"Thanks Bradley." Isabella said gently, "Money, I have some, enough."

Yes, when I asked her to write a song before, she said that she was not short of money and would not take orders.

When I asked her to design jewelry, she also said that she was busy and had no time...

She is not short of money at all!

Not only is there no shortage, as the founder of QY, pianist, and composer, his income has long been in the unit of 100 million.

How could it be so short of money?

But Bradley still insisted on handing it over, and said seriously. "This is Bradley's kindness, you don't accept it, is it because of what happened tonight?"

"Bradley said the wrong thing tonight, it's all Bradley's fault, forgive Bradley?"

Before Isabella could reply, Bradley flattered him again, "Bradley will buy you candy?"

"

." Isabella felt amused, "I forgot what I said tonight."

“Really??” Bradley suddenly showed a happy smile, and couldn’t help pinching her face, “You are so sensible and obedient, Bradley will definitely treat you twice in the future! You must take this card, no reject!”

Just as Isabella was about to say something, Bradley said

domineeringly,” It’s normal for my brother to spend money for his sister! If you don’t accept it, you won’t give brother face!”

When Bradley said this, he softened his tone again, “Accept it...”

‘...’ Isabella was amused, somehow felt that this Bradley was a little cute, she reached out to take his card, anyway, keep it, just don’t spend it.

“You are not allowed to save money for Bradley! If Bradley finds that the money in it has not been touched, then no matter how busy Bradley is, he will fly back and take you to buy it!”

“Got Bradley.”

“So cute!” Bradley pinched her face again, always thinking that this younger sister is so cute and cute.

”

Bradley, how much do you WhatsApp ?”

“Oh yes! WhatsApp!!” He wanted to add his sister to WhatsApp for a long time, but every time he asked Eloise, Eloise made him go home and ask his sister!

He knew what Eloise was worried about!

Isn't it because he is afraid that others won't come back, so he perfunctorily cares about his sister on WhatsApp...

What kind of person is he!

"I'll scan you!" Bradley immediately took out his phone; added it to his sister's WhatsApp in a while, and then he could show off in front of other brothers!

Bradley scanned his sister's QR code business card, immediately added his sister as a friend, and added: Isa.

After Isabella added WhatsApp, she sent him two pictures.

Bradley clicked on it, his eyes widened, "Music score??"

"Original, unpublished, it seems to be quite suitable for you." Isabella's eyes had a gentle light, "It's a meeting gift for Bradley."

A huge surprise hit Bradley, his head was dizzy, and he heard his sister talking in a trance.

"I was really busy in the past, and recently I have to take care of my family's company, so I have no skills..."

After Bradley asked, he found out that his parents had left the company that was about to go bankrupt to his sister to take care of it!!

A while ago, he did hear that his clothing company became famous one after another, but he didn't know that his sister was running it behind the scenes!

This business talent!

This ability!

Sure enough, it perfectly inherited all the good genes of the Logan Family!!

While he had a better impression of his sister, he couldn't help feeling distressed. An eighteen-year-old girl was busy with so many things, how much courage was on her shoulders!

“For these two songs, I will find the best lyricist to fill in the lyrics!

It will never destroy your hard work.” Bradley knew that these two songs are hard to find, once they are released, they will definitely shake the world!

Master Tanya's own composition, coupled with the best lyricist, coupled with his voice, is sure to cause a huge sensation.

But why did he feel that this song took advantage of his sister?

To know that a song by Tanya is priceless...

“The next time you need a song, you can come to me directly, and I can give it within a day.” Isabella is easy to talk to, “If you want to buy jewelry, you can also ask me, and I will help you identify it.”

Although the set of diamond jewelry that Bradley gave her was well designed and used good diamonds, it wasn't worth 100 million at all!

Bradley was paid at least half the price!

But they are big names, so it is reasonable to ask this price.

But as a younger sister, she still loves her brother's wallet...

“Are you caring about me?” Bradley felt that this younger sister was so obedient and sensible...

Cecilia, who was hiding aside, almost vomited blood with anger!

Chapter 229 From Bradley's Showoff

She didn't expect Bradley to give Isabella pocket money, and when he gave it, it was a black card with no quota and no upper limit!

I remembered that my elder brother gave Isabella pocket money last time...

Why are both brothers so nice to Isabella??

And I have been in this family for eighteen years, and my eldest brother and Bradley have never given her pocket money!

Thinking of this, Cecilia 's mood is extremely bad!

“In the future, Bradley will often find you to buy things, let's talk about it first, you are not allowed to give Bradley a discount, hear?”

Bradley would love to have you slaughtered! Willingly!

“As long as Bradley finds me, it's free.” Isabella said obediently.

Bradley suddenly felt that his sister was cuter, and couldn't help rubbing her long hair.

“However, Bradley would like to know, you are so young, how can you start such a big brand, and have such deep knowledge in music, when did you come into contact with these two industries?”

When did you learn how to run a company??

The key is that in such a busy situation, you can still take care of your studies and get the full score of No. 1...

This is not easy!

Isabella didn't hide anything, and replied truthfully, "I happened to know a few elders before, and with their guidance and support, I

made rapid progress."

"So that's how it is."

My sister may not know that others have spent their entire lives, but have not been able to reach her current heights in piano or design!

And she can be so outstanding under the guidance of a few elders, it can only show that she is very smart and very talented!

Take him for example, he has been in the entertainment industry for several years, and although he has become a top player in the world, he is far behind his sister in terms of musical attainments!

The difference is not sporadic!

"Then do you want to enter the entertainment industry after graduating from college? If so, Bradley will help you pave the way."

Isabella raised the corners of her lips, "I'm not interested in the entertainment industry."

“Then what are you interested in?”

“medicine.”

Bradley understood. It turns out that my sister is interested in medical skills. “You Terry is a doctor. When you graduate from university, go to him and let him take you.”

take her?

Isabella nodded with great interest, “Okay.”

“Then...it’s getting late, you should go to bed carly, Bradley is at home these two days, wherever you want to go, you can find Bradley anytime! Bradley is at your service!”

“good.”

“Good night Isa!” Bradley was about to leave, but after thinking about it, he returned and said with a smile, “ Isa, Bradley has a small request, I wonder if you can agree...”

“Huh?” Isabella raised doubtful eyes.

“That’s right, Bradley wants to take a picture with you, do you think it’s okay?”

“...” Photograph?

“Just for a short while, I promise not to waste your time!”

“good.”

Seeing that Isabella agreed, Bradley immediately took out his mobile phone and said happily, "Don't worry, Bradley has the most beauty cameras, try it and find out that this is the best!"

Isabella glanced at the software he clicked – Su Yan, and couldn't help but raise the corners of her lips. It turned out that Bradley was using the software designed by her!

Bradley can I put my arm around your shoulder?"

Isabella nodded.

Bradley was happy and cautious, gently tapped his sister's shoulders

in a gentlemanly manner, and then showed a bright smile to the

camera.

Isabella also raised the corners of her lips, with a hint of warmth in her heart. She didn't expect Bradley to be so approachable and cute>

"Isa, you are so photogenic!" Bradley took a picture, and found that his sister's face was too top-notch, and any shot would be a blockbuster, "Let's change the angle!"

Didn't you just take one picture??"

Isabella did not refuse. and cooperated with Bradley to take pictures. of the corridor from the door of the room, and took pictures of the terrace from the living room on the second floor...

Finally, Bradley was extremely satisfied as if he had found a treasure, "Then Isa rests early, see you tomorrow!"

He rubbed Isabella 's hair and walked away happily.

Isabella was about to enter the room when she inadvertently noticed the figure hiding in the dark out of the corner of her eye.

Oh, it's Cecilia again.

She ignored it, went straight to the door and locked it.

After the people left, Cecilia, who was hiding in the dark, popped up, her facial features were distorted with anger!

Bradley is so eccentric!

Actually took so many intimate photos with Isabella!

Is Isabella so photogenic? In her opinion, she is obviously a country

bumpkin!

Even Isabella wants to pave the way for her after graduation...

It's so pissing off!

Not long after, Cecilia 's cell phone lighted up, and it was a trending message.

# Bradley Change Avatar# topic, it was immediately top trending number one!

He stood on a beautiful terrace looking at the night, although he seemed to be the only one, but careful fans still found another girl in the photo!

At this time, Bradley returned to the bedroom and sent the two songs given to him by his sister to the group for his manager and music team to review.

After reading it, everyone was full of praise.

“This is definitely Tanya 's hand! It's her style!”

“This is a good song!! This is amazing!!”

are not even a shit in front of her!”

“It's so well written... I can't think of anyone else in the world who

can create such talent and artistic conception except Tanya!”

The agent couldn't help @Bradley asked, “You won't use beauty to seduce people to get it?”

They just got rejected by Tanya's side tonight...

In the blink of an eye Tanya privately gave Bradley two tunes?

This is unreasonable!!

“Hahahaha!” Bradley couldn't help showing off, “Didn't expect it? Tanya gave it to me! No money!”

free of charge??

Everyone in the group was stunned, each with a puzzled expression, and then asked.

“free of charge?”

“How can it be possible without money?”

“It probably cost too much, I’m sorry to say?”

“Come on, we’re mentally prepared!”

“It must be 200 million, right??”

“No, just for this level, at least 300 million??”

“Say it, we won’t laugh at you.”

Bradley said very proudly in the group, “Dear sister, no money!”

Sister??

This time, the group was even more shocked. After questioning for a while, it was confirmed that Bradley was not lying, that Tanya was really his own sister!

He wasn't referring to Cecilia, though, there was another sister!

The agent knew who he was talking about, but the others didn't know and were still asking.

“Then why was it so difficult to find someone to ask for a song before? Wasn't she a real sister before?”

“Anyway, keep it secret!” Bradley sent a happy expression, and then sent the song to the elder brother, showing off intentionally, “Isa gave me a big gift on the first day we met. one's gift?”

Chapter 230 Bradley and Benjamin on the bar

Early the next morning.

Bradley received a reply from his eldest brother, only two words.

[ Fuck off]

The eldest brother who has always been restrained and forbearing can actually curse. Bradley is in a good mood. After washing up, he just walked to the balcony to get some fresh air, when he suddenly saw a man holding Isa 's hand in the direction of his gate!

The distance was too far to see the man's face clearly, and before he had time to think about it, Bradley suddenly became furious and rushed out.

“Let go of my sister! Who are you! Who gave you the courage to take advantage of my sister in front of my house?”

Bradley rushed over at once, and as soon as he swung his fist, he was easily intercepted by Benjamin.

“You, Benjamin ??” Bradley was stunned when he saw his friend in front of him. Then he looked at Benjamin holding Isabella ‘s hand and said, “What are you doing, this is my sister!”

He looked protective, “My sister just came home, and I warn you not to think of her! Otherwise, I’ll cut you to death!”

“Beated.”

“What did you say?” Bradley’s eyes widened, thinking he had

“Today, Saturday, I’m going to take Isabella somewhere.”

Isabella??

Bradley held Isabella tighter, his whole body was blinded, and he subconsciously asked, “You, you two, are you familiar?”

Even the title is so intimate??

“Isabella is now my fiancée.”

The word fiancee struck like a bolt of lightning, which stunned Bradley for two seconds.

Isabella is your fiancée?”

Oh yes, the Logan Family has a marriage contract with the Young Family, if Cecilia is not the real Lady, then the person who has a marriage contract with Benjamin becomes Isabella!

“But Isabella just came back to this house. She’s only eighteen years old this year, and she didn’t go to college. You old and cunning guy actually used the name of marriage contract to pester my sister here. Have you asked me about my elder brother’s fist?”

Speaking of this, he waved his fists in a naked warning.

Benjamin looked at him with great interest, and asked calmly,

“Your fist is very powerful?”

This tone, this attitude, is simply too insulting!

Bradley’s fist hardened, “You can try it!”

Isabella, stand back, let me show you Bradley.”

“You bastard, how dare you look down on me!” Bradley rolled up his sleeves and was about to have a fight with him, when he

suddenly saw that Benjamin’s muscles were perfect, and his strength was estimated to be twice as strong. It could be seen that this guy had been exercising a lot!

“What? Scared?” Benjamin felt happier seeing Bradley swallowing

his saliva.

“Whoever is afraid is the grandson!”

Just when Bradley was about to fight, Isabella suddenly said. Bradley, Benjamin is very good to me, don't touch him."

Bradley thought he heard it wrong, and looked back at his sister in disbelief, "Isa, are you speaking for him? That's his way of tricking girls! Who wouldn't be nice to girls? Say some deceitful words, bring you go to play. I will give you a little gift..."

Isabella's eyes were pure, and she asked seriously, "Huh?"

what?

Bradley swallowed, didn't dare to say, just, just cheated into bed like this!!

In short, he took out his brother's identity, protected Isa and said, "You old fox, I have only been abroad for a long time, and you have tricked my sister! Believe it or not, I will let my father beat you!"

Hit, he can't hit the old fox, so let dad come!

As a junior, the old fox must not dare to fight with his elders!

It's not a lottery!

"Uncle is very satisfied with my son-in-law."

"You bullshit!" Bradley didn't believe anything. "How could my dad agree? Right, Isa?"

"He's telling the truth.";

Bradley thundered from the blue, "Dad really agreed?"

Is it my father? How old is Isa? What did dad think? How can you give up??

“A while ago when my elder brother came back, you were beaten a lot, didn’t you? Believe it or not, I told my elder brother and let him beat you later!” Bradley threatened his elder brother again.

“Brother also agreed, and asked me to have dinner together next time.”

“impossible!!”

How could such a difficult person like elder brother agree with other people’s pigs to burrow his own precious cabbage!!

I haven’t seen you for a few days, this guy is getting better at lying!

“I don’t have time to talk nonsense with you.” Benjamin looked at the time, his eyes fell on Isabella gently, “Isabella, let’s go.”

Isabella was about to walk over, but was grabbed by Bradley, “Isa, you can’t go with him today, my brother will take you out shopping!”

Isa would still choose this guy in front of his own brother!

But in the next second, Isabella said, “I promised Benjamin before, why don’t Bradley go shopping next time?”

“You, you promised him?” Bradley didn’t expect that his sister would agree to Benjamin’s invitation earlier, “If you agree, you can break the contract! Just ignore him! Brother finally took two days off, don’t you have the heart to let him stay at home alone? Did you get nagged by your mother?”

Benjamin glanced at his hand, “Let go.”

“If you want to loosen, you must loosen first!”

“I’m taking Isa to dinner.’

Isa can’t go with you today!” Bradley held onto his sister’s hand tightly.

Cecilia, who was hiding in the dark, saw this scene, and her heart, liver, spleen, lungs and kidneys were going to explode!

Unexpectedly, Bradley and Benjamin would fight over Isabella!

What the hell is so good about Isabella!

Isabella, who do you want to go with?” Benjamin held Isabella’s hand all the time, sounding like he was asking for Isabella’s opinion, but the grievance and lingering look in his eyes seemed to tell Isabella: You haven’t been with me for a long time! You promised to accompany me today!

Isabella was a little helpless, ” Bradley, I promise him first, and I will go shopping with you later.”

“Don’t...” While Bradley was heartbroken, he still held his sister’s hand tightly and refused to let go, “Where are you going? Or, take

By the way, let’s see if this guy has any more excessive behavior!

If so, he will never forgive him!

Isabella looked at his handsome face, he was too ostentatious, if she took him with her, it would probably cause a sensation wherever she went!

At the airport that day, he had learned how popular he was.

“I can wear a hat! Wear sunglasses! Wear a mask! I can also be wrapped up like a mummy! Make sure no one recognizes me!”

Isabella said lightly, “Next time.”

Now in broad daylight, it is easy to be recognized.

It’s different at night.

“Isa, are you really going to ditch Bradley?”

Bradley could hear the sound of his heart breaking, he didn’t expect his sister to be bewitched by the bad guys so quickly! I still have to go with him!

What the hell did the bad guys use!

Seeing Benjamin open the car door and let Isabella sit in the car, Bradley couldn’t help but stepped forward and warned, “I’m telling you, dating is fine! But if you dare to move your hands, push your feet, and do something excessive... Don’t blame me, None of our five brothers will let you go!”
