

## Chased Her 241

### Chapter 241 Painful Price

The founder and chief executive of Jessie Capital, Jessie ?!

Jessie Capital is a well-known venture capital group in the United States. The founder Jessie is known as the “God of Venture

Capital”. As long as it is a project that she sees, after investing, it will definitely be a big hit.

Many small businesses can grow bigger and stronger because of their family’s investment.

When he took the project to Jessie Group to ask for funds in person, he was lucky enough to meet this girl.

Although it was far away, he was still shocked when he saw Fred, the US CEO of Jessie Capital, respectful to this girl!

The outside world doesn’t even know that the founder of Jessie is a girl!

His stupid son unexpectedly provoked two big figures who they could never afford to provoke in their lifetime today!

He almost suffocated, and hurriedly bent down to say hello, “ Ms. Young. I didn’t expect it to be you. If you hadn’t agreed to our project and gave us a sum of money, our family would not have the status it is today. It can be said that there is no Jessie Group, without our Adam Group...”

When Benjamin heard it. Jessie Group? Ms. Young ? ? ·

The one who can make Adam so humble is also qualified to approve

the investment project of Jessica Group...

Who else but founder Jessica?

So the little girl is Jessica?

Jessie Isabella?

interesting.

Isabella didn't expect to lose two identities in one day, and was speechless for a while.

"Ms. Young, you are the great benefactor of our Adam Group... How dare that unfilial son miss you..." Adam turned his head, grabbed his son by the ear and came in front of Isabella, kicking him to kneel.

"Say, what did you just do to Ms. Young!"

Adam seemed overwhelmed, took the electric baton from the bodyguard, and hit his son's back hard.

Frank threw himself forward, almost kneeling, his eyes darkened from the pain.

Unexpectedly, my father's attack was quite heavy, and he really beat him to death!

He was in pain for a long time before he said in a trembling voice, "Yes, it's Tiantian... She kicked Ms. Young's back of the chair first, and kicked it several times. I wanted to stand up for her, so I followed suit..."

"You can kick the back of Ms. Young's chair if you want? You can't cut off your legs! If someone kicks the back of Ms. Young's

chair, it's fine if you don't stop it, and let her mess around?"

Adam raised the electric baton again, and hit his son hard on the back, "Stupid! Trash!!"

Jill with angry eyes.

Jill was terrified, her face turned pale, she slumped on the ground, trembling uncontrollably, "Mr. Shen, you, listen to my

explanation..."

"The unclean wild flowers and weeds outside of you will definitely cause trouble for our Shen family! Come here, take them down, and teach her a lesson!!"

After Adam finished speaking, he looked at his son who was lying on the ground and couldn't even get up, and stomped hard again. "I want you to apologize, are you dumb?"

Frank has been spoiled since he was a child, and he has never suffered such hardship. He spat out a mouthful of blood, " Ms. Young, I'm sorry, Mr. Mason, I won't dare to do it next time..."

"Louder!" Adam growled.

"Ms. Young, I'm sorry! Mr. Mason, I'm sorry!!!"

Unexpectedly, Benjamin 's fiancée turned out to be the founder of Jessie Capital Group...

Frank regretted it, he only hated himself for provoking this girl! Get on Benjamin with it!

Isabella looked at him from above, looked at his embarrassed

appearance, and said casually, "Didn't you say that if I don't go with you today, you will embarrass us? Give my fiancée a hard time? You

also said to make a phone call so that my fiancée won't see you tomorrow the sun?"

When Adam heard these words, he felt that his life was over. He knew that Ms. Young would definitely not let them go with just a few words of apology...

Now Adam Group has a market value of 3 billion. If it disappears, it will be gone. The key is that more than 100 lives have been lost in Adam's family...

I heard that Jessie has a very wide network of people, and no matter how big the news is, he can easily suppress it...

Those who offended her before disappeared without anyone noticing...

Benjamin again, he will definitely not let his fiancée be wronged in front of such little people as them!

Thinking of this, Adam closed his eyes, took a deep breath, and seemed to have made a decision!

"This unfilial son is so stupid that he offended you. Today, I must give Mr. Mason and Ms. Young an explanation!"

As soon as he finished speaking, he gripped the electric baton and walked towards his son.

"Dad, what are you doing..." Frank had never seen such a terrifying expression on his father's face, as if he was about to kill him!

He crawled hard, trying to stay away from his father, but Adam came to him step by step, holding an electric baton, and said in an extremely sinister voice, "Say, which leg kicked Ms. Young?"

“Dad, I’m your own son...” Frank crawled away in fear, seeming to guess what his father meant, and said in a crying voice, “If I’m missing a leg. I’ll be useless! Dad, don’t you have the heart Watch me sit in a wheelchair for the rest of my life?”

“Oh, it would be nice to have a wheelchair, what else do you want?”

If you can exchange more than a hundred lives in the entire Shen family with one leg, you should be lucky!

“Since you don’t tell me, just take any one!” Adam raised the baton in his hand and dropped it, and the electric baton hit him hard on his left knee.

“Ah-” Frank yelled in pain, hearing the sound of his bones breaking, he almost passed out from the pain.

Benjamin covered Isabella ‘s eyes with his hand, “Kids don’t look at this.”

child? ?

She didn’t even bat an eye when she shot in LA, calling her a child??

Adam was about to make a move, and Frank screamed in his cars. “Dad, it hurts so much, stop hitting me, I know I was wrong... Please, Dad...”

Adam doesn’t feel hurt, he knows Benjamin ‘s tricks better than anyone else, even if Jessie let them go today, Benjamin won’t make them feel better, he must give an explanation!

There were old tears in his eyes, and he only hated himself for pampering this child too much, which caused him to make an unforgivable mistake...

Now the price is a leg...

Regret is useless!

After a while, he wiped away the tears from the corners of his eyes. and looked at the couple in front of him humbly and flatteringly.

“Mr. Mason, Ms. Young, this traitor has already paid the price. I don’t know if you can hold your hands high and spare us a life.”

“Let’s go.” Isabella took Benjamin’s hand and didn’t intend to pursue further.

Benjamin glanced at Adam, and Adam hurriedly said, “ Don’t worry, Mr. Mason, this rebellious son can only stay at home in the future, and will never have the opportunity to offend you again...”

Hearing this, Benjamin withdrew his gaze and left with Isabella.

Isabella knew that if she and Benjamin ‘s identities were not here today, if they were ordinary couples, they would have ended badly.

Chapter 242 As long as you

“Little girl, how much of your identity do I not know?” Benjamin looked down at the little girl beside him.

“Not much.”

The implication is, there are some??

Benjamin ‘s eyes softened. He didn’t expect the little girl to have so many identities. What did she go through before to become so powerful?

“The Brown family... treated you badly before?” Benjamin asked suddenly, as if expecting something.

“Well, it’s really not that good.”

“Then you must have suffered a lot when you were a child.” When Benjamin said this, he stopped and couldn’t help hugging her.

Isabella was suddenly embraced by him, smelled the cool breath on his body, and suddenly felt a warmth surrounding her, making her cold heart warm up little by little.

“I’ll be here from now on.” Benjamin cupped her face and looked at her lovingly, “If you’re wronged, just tell me, don’t hide it yourself, okay?”

“Okay.” Isabella raised the corners of her mouth and gave him a gentle smile.

The little girl smiled at him??

Benjamin couldn’t help but bow his head and give her a kiss.

The staff of the movie theater were shocked, especially the store manager. They couldn’t believe that Benjamin, who was cold and heartless in the past, would love a girl so much!

It can be seen that he loves the girl in front of him very much, and the sincerity in the eyes is so enviable that it makes people crazy!

sis

So handsome Mr. Mason!

I didn’t expect him to have a warm side!

This girl is so lucky to be held in his hands like this!!

Benjamin left her lips and looked at her lovingly, "I'll carry you away."

Isabella wore a pair of high heels today, and Benjamin couldn't bear her walking hard...

But she reminded in a low voice. "This is a movie theater."

"The movie theater stipulates that you can't hug your fiancée?"

That's not true.

Benjamin didn't care about other people's eyes and held out his hand, but Isabella didn't want to draw attention.

There are people coming and going in the big shopping mall. Besides, when she went to the Jessie Group before, in order to make herself look more mature, she often wore high heels, and she was used to wearing them.

Benjamin didn't wait for her to refuse, he immediately picked her

1. "It's so light, cat more in the future."

Isabella raised her eyes and looked at his eyes. "Can you move your back after eating fat?"

"It's okay to grow another two hundred cattics."

Two hundred cattics, how fat would she be? into a ball?

"Do you want two hundred cattics more?"

“Don’t say two hundred catties...” Benjamin looked down at her and said dotingly, “No matter how many catties you gain, I want you, and I only want you in this life.”

“...” Isabella lowered her eyes, her face was a little hot.

“Don’t think you can leave me if you get fat!” Benjamin said every word, with a touch of connivance and pampering. “You must be cute when you are fat, I can’t help but want to see you when you are fat.”

Then you won’t be able to see it in this life!

“You don’t need to wear high heels when you come out with me in the future.” Benjamin hugged her and walked forward, his figure was slender and domineering, “High heels are not good for your feet, they are uncomfortable to wear.”

“You still understand these?”

“There is a production line of women’s shoes under our company, next time I will take you to pick some on the spot.” Benjamin smiled at her gently, “It’s okay if you don’t like shoes, people, you can think

about it.”

“This guy really confessed his love at the first opportunity!

“God, look, princess hug!”

“That man is so handsome! Tall and handsome!”

“That woman can’t see her face, but she has a good figure, so she must have a good face.”

Benjamin carried Isabella to the car then fastened her seat belt and sent her home.

Bradley raised his watch to check the time, shit! What time is it! Is this Benjamin a bit more modest?

How old is his sister, how can she come home so late??

When the clock pointed to nine o'clock, Benjamin 's car suddenly stopped at the gate of the villa. Bradley saw it and rushed up happily.

His sister is home!

Finally home!

As soon as Isabella got out of the car, she saw Bradley looking at her expectantly and calling her Isa affectionately!

She was a little confused, what is Bradley expecting? Could it be...

"I didn't bring you supper." Isabella said truthfully.

"No no no, Bradley is not hungry! No supper!" Bradley asked with a smile. "Did you go out and have fun today?"

"Well, very happy."

"Have you ever been bullied?"

"No."

With Benjamin protecting her, she was unscathed.

“It’s fine if you don’t have it, it’s fine if you’re happy~” Bradley patted her head, what a cute little sister, she looks so cute and cute!

“You’re her brother!!” Benjamin couldn’t understand such an intimate gesture.

“Isa is so obedient, what’s wrong with me petting and complimenting him?” Bradley didn’t expect this guy to occupy Isa all day today, and he wouldn’t even let him touch Isa’s hair! Reasonable? Is it polite?

“Alright Bradley, let’s go in.” After Isabella finished speaking, she looked at Benjamin again, “Be careful on the road.”

“Okay.” Benjamin also patted her head, but she didn’t expect that she would take the initiative to remind him to be safe, so obedient

and cute.

Benjamin, get your hands off me.”

“Isabella is so obedient and cute, what’s wrong with me petting her and complimenting her?”

“You you you...” Bradley didn’t expect this guy to imitate his tone, and he became even angrier.

“I’ll call you when I get home in a while.” Benjamin looked at Isabella, and there seemed to be endless words in his eyes.

With that affectionate look, Bradley stood in front of them all of a sudden, blocking their sight, “What’s the call! I’ve talked nonsense all day today, isn’t it enough? Isa is going to rest!”

Benjamin automatically blocked his existence, after all, he was a head taller than him, so his cyps naturally fell on Isabella, “See you tomorrow.”

“See what? It’s my turn tomorrow!” Seeing him getting into the car, Bradley couldn’t help saying. “I’m going shopping with Isabella tomorrow! Don’t come!”

It’s hard to take two days off, if Isa is kidnapped by this guy...

Then how does his brother behave?

‘Bradley.’ Benjamin lowered the window suddenly, revealing a handsome face.

“What?” Bradley asked angrily.

“100 million star endorsement, will you accept it tomorrow?”

Mason Group’s star series, Star?

But after thinking about his sister, Bradley didn’t hesitate, and refused with great backbone, “No!”

“Three hundred million.”

Benjamin, don’t talk to me about money, I’m...”

“One billion.”

Bradley immediately opened the car window and asked, “What time?”

Benjamin raised the corners of his lips, “Nine in the morning to nine in the evening.”

“One day??”

This old fox, in order not to let him accompany Isa, will pay him for a day! unacceptable!!

“But if you finish filming early, you can leave.”

“Really? You said it!” After Bradley finished speaking, he looked at Isabella with a smile. “Isa, Bradley will earn you some pocket

money tomorrow and take you out to play the day after tomorrow, be good.”

Chapter 243 Uncle’s Family

Isabella :...

“Bradley, you don’t have to work so hard. I have the money.” Isabella said this, and added, “It’s enough.”

Isabella, be good, be obedient, save as much as you can, a lifetime is so long, there are still a lot of places to spend money, be prepared!” Bradley said this, and patted her on the head with a smile, “Bradley is not hard at all., don’t worry about Bradley!”

she walked into the gate of Riverside Villa, Isabella found that Bradley was wearing a very handsome outfit today, and couldn’t help but said, “The clothes Bradley is wearing today look good.”

“Really? Isa likes it? Then Bradley wears it for you every day!”

“...” That’s not necessary.

in the living room.

Cecilia just went downstairs, and accidentally found a lot of beautifully packaged snacks on the coffee table, and was about to open a package.

As soon as Bradley entered the door, he noticed her movement, and immediately rushed forward to stop him, "Hey, Cecilia! Wait a minute. that's for Isa."

Cecilia's hand holding the snack froze for a moment.

Bradley snatched the snack from her hand, then smiled, " Didn't

Bradley buy you a lot last time? You said you couldn't finish it, and you said you would give it to your classmates... This time, I bought it for Isabella!"

Cecilia raised the corners of her mouth and smiled awkwardly. "It's just a pack of snacks, Bradley, it makes you nervous!"

"You also know that this brand is hard to buy!"

It is a big brand exclusively for the British royal family. Ordinary wealthy families have no channels to buy it. For example, Bradley has to personally come forward to buy all these flavors!

"Isa, come, have some biscuits! Made for the royal family. I heard that the princesses of the royal family also like to eat this."

Bradley opened the package, and as soon as he pushed it in front of Isabella, Eloise walked downstairs slowly.

What if Isabella gets pimples after eating biscuits?" As a woman, Eloise knows better than anyone that girls love beauty, and a pimple on her face is a big deal!

"Then Isa, do you want to eat these?" Bradley handed another snack to Isabella as if offering a treasure.

Eloise glanced at it, and said lightly, "Look, I don't know my sister! Isabella doesn't like this kind of food!"

"Really? Then, what about this, does this little girl like it?" Bradley took another box of macarons with very beautiful colors.

Isabella raised the corners of her lips and said gently, "Bradley, don't worry about it, as long as it's given by you, I like it."

When Bradley heard it, he was overjoyed immediately, and hugged

all the snacks on the coffee table, "Then Bradley will bring it to you, and eat it slowly when you have time! See which flavor you like more, and Bradley will give it to you later." Buy it!"

"Thank you Bradley."

Bradley loved to hear her call Bradley, his voice was soft and sweet. and he couldn't help but say, "Isa, what did you call me just now? It was too windy and I couldn't hear you clearly."

"Bradley." Isabella called out again submissively.

"Hey! Isa is so good! Go back to the room and think about it. If there is anything else you like, Bradley will buy it for you."

"Thank you Bradley."

"Thank you again, why are you being polite to your own Bradley!"

Cecilia on the side was furious and felt very uncomfortable, so she found an excuse and went upstairs!

As soon as she entered the room, she remembered that she had left her mobile phone on the coffee table when she was getting snacks just now, and was just about to go downstairs to get it when she heard Eloise 's voice.

“Oh, by the way, Isabella, here’s your pocket money!” Eloise stuffed a card into Isabella ‘s pocket.

Isabella took it out and took a look, “Why did you give me money again?”

I have given it several times before, give it back?

“Previously. I was given a small amount of money. Today is a card

with no limit. Just swipe whatever you fancy. Don’t waste money!”

Bradley on the side was eating melon seeds, and suddenly raised his head when he heard this, “You just want to compare me! I finally have a place in Isa’s heart!”

“Why, you are allowed to give Isabella something, but I am not allowed to give it?” Eloise didn’t let Isabella shirk, “Hurry up and accept it. I didn’t take it out just now when Cecilia was beside me, lest she think I’m partial.”

Cecilia upstairs heard this, she clenched her fists angrily. How could this be fair??

Obviously very biased!

“Put it away quickly, don’t push it around.” Eloise refused to let Isabella take out the card, held her hand and said. “Your father said that you got a perfect score in the test, so you must celebrate. Right now your grandparents are still in good health.” You haven’t recovered, your grandparents and your uncles are all abroad, and we don’t want to entertain those distant relatives, so we plan to invite your uncle’s family to have dinner at a restaurant owned by Benjamin, and introduce your identity by the way.”

“uncle?”

So, she has an uncle?

“Your father has a younger brother and a younger sister.” Eloise said with a smile, “but your aunt married abroad. They are very busy and rarely come back. After your grandparents recover, I will invite

your aunt’s family again to let our big One more family reunion, most recently with your uncle’s family.”

“good.”

Seeing that she agreed, Eloise arranged, “Then I’ll book the room at the Moonlight restaurant the day after tomorrow. I’ll talk to Benjamin later and ask him to make the biggest room available for us.”

“Okay.” Isabella chatted with her for a while before going upstairs to take a shower.

And Cecilia was so jealous, she didn’t do badly in the exam, but her mother had no intention of entertaining anyone for her.

the next day.

Isabella walked out of the gate of Riverside Villa and brought the prepared gift to Benjamin.

“It’s for you.”

Benjamin was a little surprised, he still has gifts??

Knowing the little girl for so long, this is the first time he has received a gift from the little girl!!

Unable to contain the joy and excitement in his heart, Benjamin opened the bag and saw that there was everything in it.

“I made the clothes myself.”

During this period of time, she made clothes when she was free. After finishing, she felt that the seven or eight sets of clothes were too few, so she prepared other things.

“And this, you are usually busy with work and under a lot of

pressure. If you have nothing to do with this pill, just throw one in

the water and drink it.” Isabella took out a small bottle.

The medicine she makes herself can relieve stress and be beneficial to physical and mental health.

“These are birthday presents?” Benjamin’s voice was filled with emotion and joy.

“No, just...daily gifts.” Isabella explained. “I’ll give you other ones after your birthday.”

Are there other gifts to receive??

Holding the gift in one hand, Benjamin happily hugged her with the other, and whispered softly in her ear, “You are the best gift God gave me.”

Isabella could hear his happiness, she didn’t expect him to be so happy just by preparing something casually.

Mom was right, Benjamin gave her so many gifts, she should give back!

“You even prepared socks for me?” Benjamin found that there were many gifts in the bag for daily use, and he was extremely happy.

## Chapter 244 Sending Her the Most Beautiful Sea of Flowers

“Well, there are pajamas, suits, shirts, socks and so on, and...” Isabella stopped suddenly when she said this, without finishing.

“what else?”

“You’ll see when you go home.”

Seeing a faint blush on Isabella’s face, Benjamin guessed what, leaned into her car and asked softly. “Underwear?”

He raised the corner of his lips, “How do you know what size I wear?”

“Benjamin!”

“You’re so cute when you blush.” Benjamin touched her face, his eyebrows and eyes were full of doting, he didn’t expect the little girl to have a shy side, she was so cute.

In the bag just now, he also saw razors, toothbrush and toothpaste, belts and other things, all of which are needed for daily use.

“My fiancée is so proud.”

Either don’t send it, or send so much at once.

“It’s also the first time for me to give it away. If you don’t like it, you don’t have to.”

“Even if you give me a leaf, it is the best thing in the world to me,

that is..." Benjamin looked down at the bag in his hand, feeling a little bit reluctant.

Isabella raised her eyes to look at him, "What is it?"

"I really want to treasure these things."

These are gifts that Isa personally selected for him, and some of them were designed and made by her herself!

He is really reluctant to use it!

Isabella saw the reluctance in his eyes, "If you like it, I will give it to you later, especially the clothes, if you want them today, they can be delivered to you tomorrow. If you want to cherish them, I can also design a few more sets. Let you treasure it."

Benjamin was amused by her, and rubbed her face, "But I don't want you to work so hard. When did you prepare these?"

Usually the little girl is with him, there is no time to do it at all!

In order to give him a surprise, I must have spared no time...

And he didn't know this, and he often sent the little girl home very

late...

During this time, the little girl must not have enough rest!

Thinking of this made him feel a little distressed.

Isabella saw what he was thinking, and said casually, "It didn't take much time, by the way, my mother wants to invite my uncle's family to dinner tomorrow, so you can come too."

Although Benjamin received a call from Eloise last night asking

him to vacate the largest box, he was still very happy to hear the little girl's invitation, "I'll pick you up tomorrow night."

"No. I'll take the family car."

"Then I'll call you when I get to the restaurant."

"good."

Benjamin opened the car door for her. Today they will go to the largest flower sea in the neighboring city to enjoy the flowers together.

"The journey is a bit far, you should rest first."

"It's okay. I'm not sleepy." Isabella took out her phone to deal with work.

When Benjamin was waiting for the traffic lights, he reached out to cover her screen with a gentle tone.

"Looking at your phone in the car is not good for your eyes."

"You manage quite a lot."

"It's about caring." Benjamin raised the corners of his lips and glanced at her. "You are the only one who cares about me in this life. How dare I care about you, and I can't care about you."

He knows his position in the family in the future, he will always be the last, and Isabella must be the first.

“So, you are quite wronged.”

“It’s a little wronged.” Benjamin looked at her with a smile, “But if the fiancée can care about me more, and care about me more, then

the wrongedness will turn into happiness.”

Isabella put away her mobile phone, pressed the music player in the car, and nice music streamed out all of a sudden.

“You wrote songs for Bradley ?”

“How do you know?” Isabella found out that he was well-informed. Bradley had been at home on vacation for the past two days, and the song hadn’t been written and sung yet. Benjamin got wind of it so quickly?

“He sent it to me last night to show off.”

It turned out to be like this.

Isabella heard the jealousy in his tone, raised the corner of her lips, “If you like it. I will write you two next time.”

“real?”

“Um.”

Benjamin reached out and rubbed her hair, “I know my fiancée has me in her heart.”

After Isabella writes it, he will also send it to Bradley to let that guy know who Isabella has in mind!

Arrived at the largest sea of roses in the neighboring city.

Isabella found that there were seven or eight photographers waiting at the door, and they greeted Benjamin respectfully.

Unexpectedly, Benjamin invited the best photography team in the United States?

“The wedding photos can only be taken after you nod your head,

how about some couple photos now?” Benjamin specially cleared the venue today, and there were only the two of them in the whole field of flowers.

Green drove and personally delivered four large boxes of clothes, all of which were prepared by Benjamin in advance.

One box is for Benjamin 's clothing, and three boxes are for Isabella 's. which contain beautiful dresses, various headwear, jewelry...

Isabella thought it was just a simple viewing of flowers today, so she dressed casually, but she didn't expect Benjamin to be so thoughtful...

“Mr. Mason, please hug Ms. Young, that's right, a princess hug...”

Ms. Young, please lean on Mr. Mason 's chest, smile, and smile a little more...”

“Mr. Mason, you hold this camera and pretend to be taking pictures of Ms. Young, Ms. Young, you lower your head and smell the flowers, yes, this is the pose...”

Isabella cooperated with the filming for an hour, and she was exhausted and paralyzed. A camera assistant ran over to hold an umbrella for her, an assistant wiped her sweat, and an assistant served drinks.

Isabella suddenly had a feeling that they were taking wedding photos.

Green placed all kinds of drinks and delicacies in the glass room of the ball cabin not far away, waiting for them.

“Let’s go over there to rest first.” Benjamin hugged Isabella’s shoulders, raised his hand to let the photography team back down, and took the parasol for Isabella himself.

“We’ll have lunch here.” Benjamin said as he walked, “Do you like roses?”

“Won’t you plant another rose for me?”

“If you don’t like it, you don’t have to plant it.”

“This sea of flowers is really pretty but let’s talk about it first, don’t mobilize people to move roses to your home.”

The last time she said she liked vanilla, it didn’t take long before Benjamin asked someone to plant a large field of vanilla in Moon Lake.

“So you like it?” Benjamin walked into the glass ball cabin, which was very air-conditioned, and Isabella drank half a glass of drink. Not long after, someone sent a contract.

Benjamin signed it and handed it to Isabella.

“Is there still work to be done today?” Isabella was suspicious, took over the contract and saw that it was a resale agreement for this sea of roses.

Benjamin actually bought this sea of flowers and gave it to her!

“you...”

“From now on, this will be yours.” Benjamin pulled a strand of her hair behind her ear, with a dotting look and tone.

Green suddenly felt that he shouldn't exist. Today and Sunday, the two of them were already very sad when they worked overtime, and even ate a big bowl of dog food for no reason, which made it even

more sour...

Why, why do you want to show your affection in front of him as a 1 single dog? Have you considered his feelings?

Chapter 245

The next second. Benjamin kissed Isabella 's lips, and the two embraced affectionately.

Green drank half of the drink and suddenly didn't dare to drink it, for fear of making a noise...

WOO WOO WOO...

Is it too late for him to ask for leave and go home now!

Why!

Why give him a crit blow on the soul!

Isn't overtime hard enough?

After an unknown amount of time. Benjamin stopped, only seeing Isabella.

After Bradley filmed the endorsement, it was completely dark, he took out his mobile phone and called Isabella. "Isa, have you eaten yet. Bradley will take you out to eat!"

"Eat." Isabella's gentle voice came from the phone. "Bradley, did you just finish your work?"

Have you eaten yet?

"No, it's not..." Bradley laughed lol twice in order not to worry her. and lied. "I've already eaten, and I just want to ask you if you want

an extra meal..."

Bradley!" At this time, the agent hurried over and whispered in Bradley's car, "Mr. Mason promised you a billion, and said to transfer you privately."

"oh."

"He asked you to wait a little longer, saying that he will save money to marry a wife in the past few years, and he will transfer the money to you when he finishes his life's major events."

Bradley: ???

What's the meaning??

Transfer money to him in a few years??

Does the old fox plan to give it??

In other words, did he shoot for nothing today?

Fuck!

Early the next morning.

Not long after Isabella arrived at the company, she received a call from Darreld.

[ Boss, have you heard of Moonlight Mall?]

It is a large-scale department store just built by Mason Group this year. It is located in the prosperous area of Bomsville, with an area of up to 400,000 square meters. All the first-line brands are

stationed in it, which can be said to be full of pride.

Ordinary salaried workers may not even have the courage to step in, because any small item inside, even a drinking glass, is thousands of pieces smaller!

Isabella 's tone was indifferent, "I heard, what's the matter?"

[Mr. Mason vacated 20 stores in Moonlight Mall, and officially invited us to settle in QY, free of rent all year round. Today we have set up the venue and moved the clothing and jewelry here. It is the 99th store in the United States! I don't know if you are free, would you like to come and have a look?

"When did it happen?" Isabella had no idea.

[Half a month ago, Mr. Mason wanted to give you a surprise, don't let me tell you. ]

"You still listen to him?"

[Hey, one is my current boss and the other is my future boss, can I not listen? ]

“...” Isabella stood up. “I’ll go take a look.”

Half an hour later, she came to Moonlight Mall. Seeing the majestic QY stores in front of her, she couldn’t help but took out her mobile phone and called Benjamin.

Benjamin was in a meeting when he saw his phone vibrate and raised his hand to signal the Minister of Finance who was reporting to suspend his report.

The audience was silent.

Benjamin slid across the screen, his tone became gentle, “ Isabella, are you looking for me?”

The forty-nine executives at the conference table were stunned. Ist Mr. Mason in a relationship? Have a girlfriend? Also called Isabella...

It’s unbelievable that such gentle words would come out of his mouth!

Moonlight, twenty stores, even the rent is waived? You are quite rich.” Isabella ‘s voice reached Benjamin’s cars.

In a large shopping mall like this, the monthly rent for a store is about 30,000 to 50.000, but the 20 stores vacated by Benjamin are the best location, and they are still in a row. The conservative monthly rent is estimated to be about 1.5 million..

“Do you like it?” Benjamin ‘s tone was a little doting, supporting his fiancée’s career is what a fiancé should do, isn’t it?

“Public to public, private to private, the rent still has to be paid.” She couldn’t take such a big advantage for no reason, her conscience couldn’t bear it.

“It’s so clear to me? If you don’t take advantage of your own people. who else can take advantage of it?” Benjamin ‘s voice is pleasant. “You have to know that as long as you need it, the entire Mason Group can be your stepping stone and help you to rise to the top.”

Everyone in the audience was dumbfounded again. Was Mr. Mason talking about...love words??

Mr. Mason can talk about love??

Mr. Mason ‘s love words contain so much “gold”...

What kind of girl is it that makes Mr. Mason willing to hand over the entire Mason Group ??

This position is not a level that ordinary ladies can achieve, right?

amazing girl...

“In your eyes. I’m very ambitious?” Isabella found it funny.

“I mean, as long as you want, as long as I have.” Benjamin is willing to give up everything, and change her, “Do you need me to go shopping with you?”

“No need.” Isabella said directly, “I’m going back to the company

soon.”

“good.”

“Thank you for the surprise, I accept it.”

“Good boy, I’ll pick you up after get off work.”

“good.”

Benjamin ended the call under the shock of all the executives, and noticed the expressions of everyone, as if they saw the iron tree blooming, and they were all shocked out of their souls, and they haven’t recovered yet.

“Continue.” He returned to his usual indifferent tone.

Only then did everyone withdraw their thoughts...

This is Benjamin, this is their Mr. Mason!

The one just now was so gentle that it was unreal...

Isabella walked into the QY physical store, felt the enthusiasm and sincerity of the staff, and her eyes softened.

Unexpectedly, these salespersons were well trained, with warm smiles and polite manners.

At this time, the store manager recognized Isabella’s identity. rushed over, nodded respectfully, “You are here, I’m sorry I didn’t receive the news, and I didn’t come out to greet you at the first time...”

“I’ll come and have a look, don’t say anything.”

The store manager nodded again and again, is Miss Welch here to inspect? Oops. I forgot to ask my subordinates to behave better today, this is the first day of the official opening of the Moonlight Mall...

“I’ll take a look casually, you are busy with your work.”

“Yes.” The store manager waited for her to leave, and hurriedly told his subordinates, “Behave well for me today! A big shot is here!”

At this time, Daisy took Harris ‘s hand, and just walked to the door of QY. her eyes suddenly became sad.

Scenes from the past come to mind...

“Like it?” Harris noticed her gaze, “Go in and take a look?”

“Brother Harris, forget it...” Daisy bit her lower lip, restrained the embarrassment in her eyes, and pretended to be gentle and sensible, “This brand is too expensive, let’s change it.”

“Tonight is a good day for uncle and aunt to entertain guests and celebrate your high score. You are the protagonist tonight, so you should be dazzling!” Harris remembered that she wore a QY dress and QY’s jewelry, and QY’s high-heeled shoes, are quite nice.

But Daisy didn’t dare to say it, because she plagiarized Tanya ‘s song at the award ceremony, QY felt that she was desecrating their brand, and had already pulled her into the black list...

“Go, go and have a look.” Harris took her hand and walked inside.

Daisy couldn’t shirk it, so she could only follow along.

Chapter 246

“Welcome to the QY counter, may I help you?” A polite counter lady immediately stepped forward and asked gently.

“Hi, my fiancée is going to a dinner party tonight, it’s very important, is there any clothes and jewelry suitable for her?” Harris. asked.

“Of course! Every style of our QY is unique in the world,

guaranteed to make your girlfriend the most beautiful!” The lady at the counter led the way, “This way please.”

“The area of your store is quite large...” Daisy found out that the LV next door only occupied three stores, but this QY was so proud that it took up 20 stores at once, “The rent here must be very high ?”

“Rent-free.” The counter lady smiled politely, “We, QY, have officially cooperated with Mason Group, which is the sincerity of Mason Group.”

sincerity? ?

Mason Group is too rich, with 20 stores, rent-free is free...

Daisy suddenly felt a little envious. Being able to cooperate with Mason Group, QY has a bright future, unlike their current predicament of the Brown family, those big groups have already distanced themselves from them!

It’s sad to think about it.

“This is our dress area, do you need me to recommend it for you? Or

do you want to choose it yourself?”

“I’ll pick it myself!” Daisy stretched out her hand and glanced at each new model, unable to contain her inner excitement.

These dresses are beautiful and ingenious, and she can imagine how she would look in them, and she will definitely be stunningly beautiful at tonight’s dinner.

Daisy, how about this one? Do you want to try it?" Harris just took out a tube top dress and handed it to her.

Daisy's heart was moved all of a sudden, if such a beautiful dress can be bought home...

Suddenly, she had an idea, if she bought it under the name of Harris and she wore it privately, QY probably wouldn't find out, right?

With a brand as big as QY, could it be possible to find her daily whereabouts?

She only wears it secretly tonight..

Thinking of this, she went to the dressing room, and after a while, opened the door and walked out.

Harris noticed that she was wearing such a pink tube top dress, which made her look delicate and Freda-moving. He was looking at her when he noticed a familiar figure from the corner of his eyes.

Isabella ??

Why is she here??

"Brother Harris..." Daisy noticed his gaze and followed suit, her expression suddenly turned ugly, Isabella, why did she come here?

Is this a place she can afford??

Looking at her clothes, it doesn't look like working here. Could it be that her father paid her a lot of money last time and she used it for shopping? Or which funder accompanied her out shopping?

Thinking of this, Daisy looked left and right, but was a little disappointed not to find Isabella 's benefactor.

Isabella 's eyes noticed their existence, and she thought, what a bad luck, and was about to turn around and leave, but Daisy called Lori weakly to her sister.

This elder sister attracted the eyes of several people around.

"I finally saw you today. No matter what, you can't make mistakes again! Just tell Dad what you want to buy, and Dad will buy it for you! Don't do stupid things outside, okay?"

As she spoke, she still wanted to step forward and hold Isabella 's hand, wanting to stage a scene of sisterly love.

Unexpectedly, Isabella kept a distance from her directly, and her eyes were stained with displeasure. "Isn't the lesson from last time not enough?"

"Sister, even if you threaten me and hit me afterwards, I can't just watch you go astray..."

"Am I going astray?"

"There are so many people here, do you want me to say in front of them that you are supported by several benefactors so that you can afford to visit QY...Even if you don't care about reputation, I don't want to hurt you, after all..."

Before Daisy finished speaking, Isabella raised her hand and slapped her hard.

"

Isabella—— "Harris didn't expect Isabella to hit Daisy in front of so many people, and he was a little angry!

She must be jealous.

Jealous of him choosing Daisy instead of her, jealous of him shopping with Daisy instead of her!

I was jealous that he was clearly chasing her some time ago, but he was silent after chasing her!

Daisy got slapped, one side of her face was swollen, her hair was messed up, and she was going crazy with anger!

The lady at the counter who heard the sound asked hurriedly, "Several customers, what happened? What's the matter?"

"I remember that Miss Brown is not qualified to buy the QY brand?" Isabella said suddenly.

As soon as this remark came out, everyone was stunned, even the lady at the counter was stunned. Could it be that this Miss Brown was pulled into the brand black list? If so, how did she have the courage to step in?

"It's you..." Daisy came to a sudden, she guessed that QY couldn't pull her into the black list for no reason, it must be Isabella who used Tanya 's identity to come forward and ask QY to do this...

Otherwise, how could QY embarrass a small customer like her??

"This Miss Brown has misbehavior. QY has already pulled her into the black list. If you don't believe me, you can check."

1288 Vouchers

The store manager who came over heard this and hurriedly said, "Excuse me, miss, please take off the dress and return it to us immediately."

“What black list? What do you mean?” Harris got angry.

Under the watchful eyes of everyone, the fiancée was asked to take off her dress, which was equivalent to slapping him in the face!

He defended angrily, “My fiancée has always been a loyal fan of QY, but this person, you will believe her a few words? I’ll tell you, I’ve bought this dress today!”

The store manager said respectfully “I’m sorry sir, black list customers do not have the right to purchase, please don’t make things difficult for us.”

“Who do you say is a black list customer?”

“Of course it’s the lady in front of me.”

Harris didn’t expect the store manager to believe Isabella’s words so much, “Is there any evidence? You believe everything she says? Did you also believe her when she said I was a black list customer?”

“Yes.” The store manager said every word with force, “As long as she says it, we will believe it.”

This was the first time Harris had seen such a person, but there was nothing he could do about her! After all, this is their shop!

Those who can come here to shop are from the upper class. Today’s incident must not be laughed at, otherwise it will be a laughing stock when it goes back, and Moore will lose all face!

No matter what he said, he wanted justice!

Harris sneered, “Then tell me, how did my fiancée become a black list customer?”

The store manager looked at Isabella after being asked this question.

“Brother Harris, forget it, I’d better take off the dress...” Daisy was about to leave with tears in her eyes because she was afraid that Isabella would tell the truth.

But Harris is determined today and wants to ask for an explanation for her! Holding her hand and not letting her go.

Isabella raised the corners of her lips and smiled coldly, “Didn’t your fiancée tell you that at the last awards ceremony, she was dressed in QY, but was found to have plagiarized Tanya ‘s song. QY

thought she was desecrating the brand and pulled her into the black list If you don’t believe me, you can ask her.”

As soon as this remark came out, the audience was in an uproar.

Oh my god, I didn’t expect this Miss Brown to look like a weak Lori, and dare to copy the song?

Who is Tanya, such a powerful pianist, who dares to plagiarize her music??

Chapter 247 Take Off

Harris was stunned, and looked at Daisy in disbelief, “ Daisy, is what she said true?”

“Brother Harris, don’t ask, since you all believe in her, I’ll just take it off...” When Daisy said this, a layer of tears welled up, looking particularly aggrieved and pitiful.

For a moment, Harris felt that he was such an asshole that he was led astray by Isabella and believed her nonsense!

Daisy is his fiancée, and she gave him the most precious thing. It’s fine if he doesn’t protect her, and he will question her with outsiders!

Thinking of this, he took Daisy 's hand and said domineeringly, "Don't take it off! You say she is a black list user, please show evidence! If not, I will complain to the QY headquarters and let your founder see Look, how you people have tarnished QY's reputation little by little, and how you treat VIP customers!"

When the store manager heard this, he found it funny, and after a long time, these two young people didn't know that the founder of QY was standing in front of them?

That's right, as the store manager, she has been sticking to her post since QY started her business, and she was lucky enough to meet Sofia a few times...

The quality of these two people is obviously not from the upper class, and it is normal to have never seen a Boss...

"If you want evidence, I'll give you evidence." The store manager raised his eyes, neither humble nor overbearing, "What is the full name of this lady, please? Let me look it up."

Each store can log into the internal system to query the user's level

and status.

"Forget it, Brother Harris, let's go!" Daisy took Harris 's hand, a little anxious, "Isn't it embarrassing enough? Even if I find out that I'm not a black list user, so what, just because of their attitude. I Impossible to buy clothes from this brand again..."

Harris felt a little distressed. He really ignored her feelings. He was about to retreat, when he heard Isabella's voice coldly said. "Daisy. the white of the white lotus, Mu who loves vanity. Yao who wants to climb the Yao branch."

"You..." Harris was very angry, isn't this cursing people around the corner!

"Yes, I'll check right away." The store manager seemed to be very respectful towards Isabella.

Daisy glared at Isabella angrily, asking you to talk more? How dare you scold her in different ways!

She was a little impatient while being angry, and begged in a low voice." Brother Harris, I beg you...

Many people gathered around to watch the fun. They saw the store manager walking to the computer and typing on the keyboard. Soon, her face became embarrassing.

"How? Are you a black list user?"

"Quickly tell me! Is this lady a black list or a white list?"

"Why don't you talk? What's going on?"

The store manager's face turned ugly, he glanced at Isabella, and whispered, "The name Daisy was not found in the black list."

"That is to say, my fiancée is not a black list user?" Harris immediately raised his morale, "Now, please all of you apologize to my fiancée! Otherwise, don't blame me for being rude!"

Daisy was a little surprised. Could it be that QY just canceled her user identity and didn't pull her into the black list?

Thinking of this, she showed an expression of the rest of her life!

"What? No apology?" Harris took out his mobile phone and dialed QY's after-sales number. "Your QY counter at Moonlight Mall, the salesperson humiliated the customer and refused to apologize. I hope you will send high-level officials to deal with it. Otherwise, I will report it to you." Media, let everyone see how bad your QY service is!"

After Harris made the phone call, he dialed the official number of the mall. "Call your manager over here, and see how the high-end brand QY in your mall bullies customers!"

During the settlement period, if QY does not provide good service. it is likely to be kicked out of the cooperation list by the mall...

Moonlight Mall is a high-end large department store owned by Mason Group. If it is kicked out, the impact will definitely be big!

After Harris made the phone call, he looked at the store manager and Isabella, "You want to apologize now, it's too late!"

"Who said I wanted to apologize?"

Isabella watched the show from the beginning to the end, as if this matter had nothing to do with her, she raised the corners of her lips, and said with great interest, "It's over? Is there another one

missing? When you usually pretend to be wronged, don't you have to With the support of parents?"

Oh yes, mom and dad...

Daisy didn't expect that Isabella would be so stupid to make such a suggestion!

"Okay, I'm my younger sister, I can't control you, just call my parents..." Daisy called again to tell her parents.

Isabella with some worries, what should I do, the incident is so big. and today is the first day of QY's opening, the word spread...

"Someone wants to send us popularity, why don't we just go on?" After Isabella finished speaking, she lazily added, " Daisy was a six- star user before, you log in to the system and check the black list in the ordinary user list, of course you can't find it arrive!"

Ordinary users range from one star to three stars, with an annual consumption of 300,000 to 2,999,900

Junior VIP, four to five stars, with an annual consumption of 3 million to 9.9999 million

Intermediate VIP is six-star to seven-star, with an annual consumption of 10 million to 29.9999 million

In addition, there are senior VIP, top VIP, supreme VIP and so on...

Everyone was shocked when they heard the words, who is this girl? How does she know the internal system of QY so clearly?

The store manager suddenly realized that this is the case!

Just now, when she saw the clothes Daisy was wearing, she thought her spending power was only at the normal level, so she couldn't find it, so she tried to look up the junior VIP, but she didn't expect that there was still no such person...

"I'm going to check it now!" The store manager logged into the system again, selected an intermediate VIP user, and found that the back of Daisy 's name had turned black, and had a cross.

All usernames are blue, and down the entire column, only Daisy is black!

Now, the crowd was in an uproar.

"Is she really a black list user?"

"As far as I know, if you are pulled into the black list by QY, you will receive phone calls and SMS notifications from them, and they will inform you that you have entered the black list..."

"So, that Miss Brown knew she wasn't qualified to buy it, but she still pretended to be pitiful to Freda, and everyone wronged her, what a scheming idea!"

“There is nothing wrong with the store manager doing things according to the QY regulations, but Miss Brown and this gentleman just yelled for the store manager to apologize. Now please apologize to the store manager and this young lady!”

This young lady refers to Isabella.

Hearing the surrounding voices, Daisy was extremely embarrassed, took Harris’s hand and said, “Brother Harris, I don’t know what’s going on, when did I enter the black list, I didn’t receive any news...”

Harris could more or less hear that she was lying, and was disappointed at once, but with so many people watching, he said gently, “Take off your clothes and give them back.”

Chapter 248 Who Is She?

Daisy was not reconciled, but had to do so. Under the guidance of everyone, she went into the dressing room to change clothes, handed them to the clerk, and was about to leave.

“Wait!” The clerk rushed to catch up, “Miss, the zipper on the waist was broken by you! The side here is also torn!”

Harris frowned upon hearing this, “What kind of fabric are you using?”

So easy to break?

“Sir, your fiancée’s waistline is too thick. This skirt was originally designed for people with thin waists! When your fiancée wears it, she should be able to feel that her waist is squeezed! She probably couldn’t fit it, she was forced to wear it!”

Daisy bit her lower lip. When she was wearing it just now, she took a few deep breaths before she managed to put it on!

In order to have the effect of a thin waist visually...

But I didn't expect that I didn't pay attention when I took it off, and it was torn...

The clerk patiently explained, "It stands to reason that you are black list users and are not eligible to buy, but you damaged the clothes and need to pay for the original price. The original price of this dress is 13 million. Do you pay by card or mobile phone?"

Hearing this, Harris was in a bad mood. Thirteen million, so

expensive?

The clerk saw what he was thinking, and then explained. "This is a style designed by our boss himself. It is made of high-quality fabrics, and the stamens of these flowers on the hem of the skirt are inlaid with diamonds!"

Brother Harris..." Daisy did see the price when she was trying on the dress just now, and wanted to hit Harris hard, but unexpectedly...

People around are talking about it.

"The split part cannot be repaired by ordinary tailors!"

"That is to say, they spent 13 million on an unwearable piece of clothing."

"They are black list users, so even if they buy it, they can't wear it, right? Otherwise, QY can sue them!"

"It's really shooting yourself in the foot with a stone..."

The surrounding sounds entered Harris' ears, and Harris' face became even uglier!

Gail, who came over after hearing the news, saw his daughter and son-in-law being surrounded by a group of people pointing fingers, hurriedly pushed aside the crowd, pointed at Isabella and asked, "Daisy, is this bitch bullying you again? See if I won't deal with it." she!"

After speaking, Gail stepped forward to give Isabella a slap!

Daisy say on the phone that Isabella was embarrassing her and humiliating her in front of everyone, and it happened that Gail and

her husband were working nearby and came in a hurry!

"You bitch..."

Before Gail's slap fell on Isabella's face, Isabella grabbed her wrist!

Isabella just flicked, and Gail fell aside and hit the mirror on the pillar!

"Mom, are you okay, Mom?" Daisy rushed forward to help her, and at the same time gave Isabella a hard look.

Isabella!" Harris yelled, and hurried over to help again, "Auntie, are you okay? You didn't hurt anywhere, did you?"

"This mirror is worth 10,000 USD You should be glad you didn't break it."

Hearing Isabella's light voice, Michael in the crowd was furious, Isabella! How could you become so arrogant? You have eaten all the upbringing that the Brown family taught you these years? You shop assistants, don't you Get her out quickly? Why are you still standing here!"

Drive the boss out? Sorry, they don't have the guts.

Darreld, the person in charge of QY, came. I just heard from his subordinates that something happened at the QY counter, and the clerk bullied the customer?

Although he didn't believe it, but there were people nearby, he still came to see for himself.

Michael saw him, as if seeing an acquaintance, and heaved a sigh of relief, " Mr. Russell, you came just in time, I heard..."

Before he finished speaking, he saw Darreld walking towards Isabella in a hurry, bowing respectfully, "Boss, what happened?" Boss??

Everyone was stunned!

What did Darreld call this girl?

Boss? ?

Even Michael and Gail were stunned, did they hear something wrong??

How could Isabella be Darreld 's boss??

At this time, the manager of the shopping mall received the news and hurried over!

When he saw Isabella, he immediately nodded and bowed, " Miss Welch, I didn't expect you to come here in person, it really made our shopping mall flourish! It's a disrespect, what's going on here? What happened to me? Received a call saying someone was making trouble?"

Miss Welch ???

Michael, Gail, Harris and Daisy 's eyes widened even further!

Up and down QY, there is only one person who can be called Miss Welch, and that is the founder Sofia!!

But how old is Isabella?

She could never be Sofia!!

But if not, why was Darreld and the store manager so polite to her? Even with a hint of humility!

The point is, both Isabella and Sofia have a face!

Isabella said lazily, "It's nothing. It's just a black list user who forcibly bought something from our house. If he couldn't buy it, he would make a fuss here. In the end, he ruined his clothes. It seems he doesn't want to pay for it."

Hearing what Isabella said, Darreld and the store manager were eye-opening. There are such people in the world??

can enter Moonlight Mall are from the upper class. How can there be some people who are so unreasonable and don't pay for damaged clothes?

"Boss, where is he? I'll take care of it." Darreld asked, his eyes searching.

"Hey." Isabella raised her chin slightly, her flamboyant and wanton aura was so breathtakingly beautiful, "That."

Darreld looked over, was it Michael's family? unlucky!

Mr. Russell..." Michael's mind was in a mess, and there was a sense of foreboding at this moment

In the past, he couldn't understand why such a big brand as QY would cooperate with them the Brown family?

And why did Isabella choose to break off the cooperation not long after she left the Brown family....

Seeing Darreld's respectful attitude towards Isabella just now, he seemed to guess something, but he didn't dare to think about it!

Cold sweat broke out on his forehead!

Gail also started to panic. QY used to cooperate with them, but since Isabella left the Brown family, QY inexplicably stopped the cooperation. Later, Daisy plagiarized Isabella 's song, and received a notice from QY, saying that she was pulled to the black list Listed...

Thinking about it this way, could it be, could it be...

"It's because you damaged the clothes and refused to compensate? Then we can only call the police." Darreld looked business-like, and was about to call 110 with his mobile phone, when the Brown family panicked.

"Mr. Russell, wait, it's not that we don't want to pay

compensation..." Michael asked his daughter in a low voice with a smile on his face, and when he learned that the compensation was 13 million, he became anxious!

He doesn't have that much cash on hand now!

Harris also knew that the Brown family's current situation was not as good as before, so he took the initiative to say, "I'll pay."

After all, he was the one who took Daisy out for shopping, and he was responsible for the accident.

“Good boy, lucky to have you, please trouble me!”

Chapter 249

As soon as Michael finished speaking, he heard Harris bite the bullet and ask, “Can you pay in two installments?”

He doesn't have that much money in his card, and neither does his mobile phone.

“Yes.” The clerk brought the cash register in front of him. Harris scanned the QR code and paid 6 million, then took out a card and swiped 7 million...

The people around seemed to regard this as a joke, and after reading it, they left and went shopping...

There are not many left to join in the fun.

“Mr. Russell, can you take a step to talk?” Michael stepped forward with his old face shyly, ignoring the people around him watching, smiling humbly, “QY and Brown Group have been good friends. before, I don't know if there is something later Misunderstand...”

“Good friend?” Seeing that he was still daydreaming, Darreld sneered and interrupted him, “If it wasn't for the boss's intentions, we QY would have cooperated with you before? How worried is your broken company? Points?”

Michael's old face froze.

Boss mean??

So, it was really Isabella who was helping... No, it can't be!!

How old is Isabella!

How could she be related to QY!!

“Boss is the founder of QY. If she hadn’t given you the resources behind her back to help you clean up the mess, with your ability, it would be great to be the first loser in Winter Town. Negative is a negative negative!”

If it wasn’t for Isabella’s help, let alone Winter Town’s first loss. Bomsville’s first loss is possible!

Michael was like a blow to the head, he couldn’t believe it!

How could Isabella be Sofia ?

She hasn’t shown any extraordinary design talent since she was a child!

Gail couldn’t believe it either. If Isabella was really Sofia, why would she work for the Logan Family ‘s clothing company?

Could it be that she is going to steal business secrets?

But the clothing company owned by the Logan Family is the worst- developed among all the industries of the Logan Family. If she doesn’t take care of her QY, what is she going to do in the small company of the Logan Family?

This is unreasonable!

Harris also couldn’t believe that Isabella would be Sofia...

Her status as a piano master is already shocking enough...

Not long ago, she got the full score of No. 1 in the Enter University

exam, and now, she is the founder of QY, Sofia.....

How much of her identity is unknown to others?

Any one is much better than Daisy...

Thinking of this, Harris glanced at Daisy, and suddenly felt that this girl couldn't do anything, she couldn't get on the stage!

And Daisy couldn't hide her shock, her chest heaved, she couldn't believe that Isabella was Sofia...

"Mr. Russell, are you kidding..." Gail smiled awkwardly, "How could she be Sofia? How old is she... What is your relationship with her, is she doing you any favors to keep you here Help me talk?"

Darrelld smiled coldly. "If I remember correctly, the person who called the QY after-sales service hotline and asked the senior management to come over to deal with this farce is your future son-in-law, right?"

The implication is that Isabella didn't have time to discuss with him in advance about acting in this play!

All the blood on the Brown family's faces faded away, and they were so shocked that they couldn't speak...

indeed...

If Harris hadn't made this call, Darrelld wouldn't have come, and Isabella 's identity wouldn't have been revealed...

But, how could Isabella be Sofia!

how can that be possible!

The mall manager at the side cleared his throat and said seriously, "We Mr. Mason said that QY is the most important partner of our Mason Group, now you dare to make trouble in Moonlight Mall and QY's territory, and dare to disrespect Miss Welch, I declare that you four are not allowed to step into our mall from now on! You have been pulled into the black list!"

As long as the faces of the four of them are locked, when entering and exiting Moonlight Mall in the future, the machine will scan their faces, and the alarm will naturally sound.

Security will stop them.

"Manager, don't, if you have something to say, speak up..."

Before Michael could finish speaking, I heard Isabella on the phone, "Lawyer Jin, I want to sue Daisy for multiple defamation and rumors. Well, there is surveillance evidence here. She just damaged my reputation in front of many people. rights and personality rights, I ask her to stop infringing, as for fines, detention, or a public apology...you decide."

When the Brown family heard this, they were horrified.

The last time Daisy plagiarized, Isabella wanted to take the legal route, and in the end they had to pay a lot of money to settle it...

Isabella is amazing, they have already experienced it...

Gail was about to get angry, but when she thought that the girl's identity might really be Sofia, she was a little bit scared again, and she didn't dare to speak.

"Isabella, we are all our own people, why make such a fuss..." Michael hastily smoothed things over.

Fine, he doesn't have much money on hand now, so he can't afford a fine!

Detention, how will Daisy marry in the future? Spread the word bad reputation!

A public apology, it was so embarrassing! Do not do it to death!

Isabella cannot sue Daisy, otherwise the Brown family will lose too much!

"Isabella, if you have something to say, we are all family..."

"Who is with your family?" Isabella was too lazy to talk nonsense with him, "Manager Lee, a black list customer, doesn't seem to be qualified to stand here any longer?"

Manager Lee reacted and hurriedly called the security to take them out!

In a luxury department store like Moonlight Mall, being dragged out by security guards, Gail felt extremely ashamed and shouted, "Let me go, I'll go by myself..."

"What are you doing, let go!" Harris couldn't break free from the security guard's hand, and watched Daisy being held up by two security guards, seemingly in pain. "Let go of my fiancée, you hurt her!"

"Isabella, listen to me, Isabella..." Michael was carried away, his voice getting farther and farther away.

"Miss Welch, I'm really sorry. I have an unshirkable responsibility for what happened in our Moonlight Mall!" Manager Lee hurriedly bowed down to apologize. "Mr. Well, see if you can save face, this

matter..."

He wiped the sweat from his brow, afraid that if Isabella told Benjamin about it, he would lose his job.

“You did a good job.” Isabella affirmed, “Don’t worry, I won’t tell him.”

“Thank you Miss Welch, don’t worry, I will never let such a thing happen again in the future! QY is covered by me, if someone dares to make trouble in your territory, I will not let you off lightly!”  
Manager Lee nodded and bowed again. After flattering for a while, he left.

“Boss, they didn’t do anything to you just now, did they?” Darreld took two steps forward, concerned.

“It’s okay, you are busy with your work, let me take a look at today’s turnover.”

“Yes.” Darreld saw that there was nothing else to do, went around and left.

Isabella walked towards the computer, opened it, and within half a day, she had earned 38 million!

Among them, Harris contributed 13 million.

Chapter 250 They Have Contradictions

A few shop assistants next to her sneaked a glance at her from time to time, she looked so young and beautiful! I didn’t expect their boss to be so young, so good-looking, and talented. The key is the aura all over his body, which is so rustic

so beautiful!

Today they are so lucky to see the Boss!

The surrounding customers are talking about it.

“I didn’t expect her to be Sofia. She looks so good-looking and has such a personality. No wonder she can design so many beautiful clothes!”

“I really want to go up to her and ask for a photo, but I’m afraid of disturbing her!”

“She looks so cold, but she is very polite when talking to the store manager! What kind of fairy boss is this! She has no airs at all.”

“I heard that QY pays very well. After I graduate, I will go to work with her!”

Lucy who won the first prize before, graduated from a prestigious university!”

Isabella noticed that one of the gazes around her was staring at her for a long time, and raised her eyelids, just in time to meet the gaze of a short-haired girl next to her.

The short-haired girl hesitated to speak, her face turned red.

“What’s wrong?” Isabella asked softly.

The girl with short hair blushed even more, hesitated, and walked up boldly, “You, hello Sofia, I like design very much and I am your fan. I, I am not here to ask for autographs and photos with you! Don’t worry...”

Isabella ‘s eyes softened, “Say.”

“That Miss Brown just said that you were outside...” The short- haired girl hesitated for a moment, but said in a low voice, “You said you were supported by a financial backer? You are the founder of QY. Such a big brand doesn’t need a man to support you at all! If If you need a witness, I can testify in court, just now she slandered and spread rumors about you in front of so many people. I saw it all!”

The short-haired girl hurriedly took out a consumption slip from her bag. It was the receipt for her shopping at QY just now. She wrote her number on it and handed it over.

“This is my contact information. If I need to testify. I can do it anytime!”

“Thank you.” Isabella curled the corners of her lips, unexpectedly she was kind, and reached out to take it.

“Then, I’m leaving first...” Although the short-haired girl really wanted an autograph or a group photo, she was afraid of disturbing her, so she could only take regretful steps.

“Not taking a photo?” Isabella asked suddenly.

The short-haired girl froze for a moment, realizing that Isabella was

talking to her, she was so excited that she was about to jump up, but she was afraid of attracting others’ attention, so she hurriedly

covered the corners of her mouth and nodded repeatedly.

The idol actually offered to take a photo with her?

God!

She was so happy, she felt that she was dreaming, it felt unreal! Facing the camera, Isabella showed a smile, cool and good-looking.

The girl laughed so hard that she couldn’t close her mouth. After the photo was taken, she hurriedly said, “Thank you, thank you! Don’t worry, I won’t spread this photo!”

Isabella picked up the paper next to the computer, tore off a random sheet, and signed her name, Sofia.

“for you.”

The short-haired girl stayed where she was, and realized that Isabella had signed her autograph, and couldn't help shouting excitedly. "Ah!"

This scream attracted several scorching gazes from around!

The short-haired girl hurriedly covered her mouth, but the smile in her eyes had already betrayed her. She was so happy that she endured it for a while, and when the sight around her disappeared, she stepped forward and took Isabella's signature with both hands, excited. Gotta say thank you.

Isabella glanced at her and said gently, "You have graduated, you can come to QY for an interview."

Isabella in disbelief. Is the idol inviting her to join QY? But how does the idol know her design level? What if the things she designed were horrible?

"The clothes on your body and the bag on your back are designed by yourself?" Isabella can tell at a glance that she is quite creative.

The short-haired girl was even more shocked. Before she could speak, Isabella continued. "The pen you wrote just now has the Kyoto Institute of Design printed on it. It should be a stationery that is rewarded by the school for good performance?"

The short-haired girl didn't expect her idol to be so careful, so she noticed this and nodded repeatedly. "Yes, it's a reward. I'm going to my senior year soon, and I'm going to have an internship in half a year. I can I really go to QY for an interview?"

she asked with trepidation and excitement..

"Of course, QY welcomes everyone with strength and dreams."

"That's great!!" The short-haired girl was so happy that she thanked Isabella repeatedly, and finally Poll reluctantly said goodbye.

Isabella watched her leave and raised the corners of her lips.

After a while, Isabella was about to go back to the company, but before she could walk out the door, someone stepped on her foot and hit her shoulder.

The girl who stepped on her and bumped into her had a haughty and haughty face. She was dressed as a rich lady. Instead of apologizing, she looked at the shoes and clothes on Isabella's feet. Seeing

that there was no brand logo, her eyes showed a trace of disdain.

She said to her long-haired friend, "QY's clothes don't look very good. After a round, none of them are worth paying for by swiping my card."

"Every style here is designed by the founder Sofia. I think it looks very good. Just like this one, take a look." Very temperamental.

"So-so." The rich lady said casually

"Don't you apologize for stepping on someone?" Isabella's voice sounded immediately.

The long-haired girl turned her head and saw Isabella. She thought she had accidentally stepped on her just now, and hurriedly said, "Sorry, are you talking about me? There are too many people, I didn't pay attention for a while, sorry!"

Isabella looked at the rich lady. She was wearing a dark blue sequined tube top dress, a light blue suit jacket, and a strange sapphire necklace. Her brown curly hair looked elegant and aura, the whole person looks like a chaebol lady, I didn't expect her quality to be so poor.

"No long mouth? Need your friend to apologize for you?"

Hearing Isabella's words, the rich lady raised a smile and asked decently. "Do you know who I am?"

“Of course I know.” Isabella curled her lips coldly, “A person who stepped on others and bumped into others, but didn’t intend to apologize.”

Isabella’s aura is much stronger than hers. Although she doesn’t have any famous brand logos all over her body, her overall momentum and face are easily superior by a few grades.

The rich lady didn’t want to waste time with her, so she smiled condescendingly, “I’m sorry, is that okay?”

“Has no one ever taught you what a sincere apology looks like?”

The rich lady didn’t expect this girl to be quite difficult, so she asked with a smile, “Do you know what clothes I’m wearing?”
