

Chased Her 251

Chapter 251 Donate

“Why, can you walk sideways in Bomsville wearing a new set of SK?”

The lady of the rich family smiled even more charmingly. “Since you know the goods, you should know that this new style is made by SK’s most powerful designer, Xunfeng! The price of this suit. I don’t need to say, I think you know it in your heart, it is your whole life. Can’t afford it.”

The implication is that I can afford such expensive clothes, my status is not something you can afford!

“I thought you were going to say something.” Isabella raised her hand to signal the clerk to come over, “Tell her, the shoes on my feet are dirty, how much is the dry cleaning fee?”

The clerk took a closer look, “My God, it’s QY’s private custom series. I saw it once in an internal training class. A pair costs about 2 million... This is only the dry cleaning fee, and the maintenance fee is about 100,000, but Shoes that have been dry-cleaned do not hold their value, they should not have been worn for a few days, and the initial loss is estimated at 200,000.”

two hundred thousand?

The rich lady ‘s face turned ugly.

The clothes on her body add up to only over one million USD. I didn’t expect this girl’s pair of shoes to be more expensive than her whole body of clothes!

And it’s custom made...

Sofia, the founder of QY, does not take orders casually, and those who can find her to order privately are all prominent figures!

Does this girl have a good family background?

But why can't she see the brand of clothes on her body? Is it also a private order??

Thinking of this, the face of the rich lady became even uglier.

The long-haired girl didn't expect to meet someone richer than them, so she tugged at the corner of Lady's clothes, "Lily, what should I do?"

"It's only 200,000 USD, I can still afford it." The rich lady opened her handbag, took out a check, wrote the amount on it, and handed it over. "Take it."

Isabella didn't take it, but said to the clerk next to her, "Donate it for me."

The clerk, the rich lady, and the long-haired girl were all taken aback.

"Donors just write, you self-righteous ignorant lady." After Isabella finished speaking, she turned and left without expecting an apology from her.

"You..." The lady of the rich family looked at her leaving back, very angry, damn it, if she is found out, she must look good!

The clerk took the check and immediately went to arrange it.

"Lily, who was that girl just now? It feels like her family

background is not simple..."

“In the United States, is there anyone from a better off family than us?” The rich lady raised her chin slightly, apparently not believing

1.

“That’s right, your cousin is now the richest man in the United States, and your Logan Family’s status in the United States is reputable!” The long-haired girl suddenly thought of something. “Didn’t you say that the biological daughter your uncle left behind has been found? You haven’t picked out the dress for tonight’s meeting, so hurry up and have a look?”

“Yeah.” Lily replied, then turned to ask another clerk next to her, “Is this the only thing in your store?”

“We still have a high-end dress area, but the price is unacceptable to ordinary people...”

The clerk didn’t mean anything malicious, just told the truth, but it was especially harsh to Lily’s ears.

“What, do you think we in the Logan Family can’t afford a dress?”

Hearing the surname “ Logan ” and looking at the SK new style Lily was wearing, the clerk hurriedly apologized and led her into the high-end dress area.

There are very few people shopping here, because any item starts at 20 million.

Different from those ordinary dresses just now, every piece here is so luxurious that you can’t take your eyes off it.

Lily just glanced at it, and was attracted by a beautiful backless dress. Immediately, someone took it off the model and tried it on.

It’s not money, it’s a string of numbers.

“Lily, with this dress and the expensive jewelry you have collected at home, if you make an appearance tonight, you will definitely stand out!” the long-haired girl praised with a smile.

Lily curled her lips coldly, needless to say?

“I heard that the girl who was left behind grew up in a small city and moved to Bomsville recently. Even if you don’t wear extravagant clothes tonight, your aura will definitely crush her.”

Lily wasn’t interested in that girl, but it pleased her that Cecilia wasn’t bleeding from the Logan Family.

Heh. Cecilia, let’s see what I do next!

Outside Moonlight Mall.

After the three members of Michael’s family were kicked out, they didn’t leave immediately, but hid behind the flowerbed, eagerly looking in the direction of the exit.

It was midsummer, and the temperature outside was already 39 degrees. Daisy was so hot that the top of her head was almost smoking, and she couldn’t help swallowing her hoarse voice, “Dad. Mom, how long are we going to wait here?”

She felt that she was about to melt, and her whole body was aching from the scorching sun.

“Good daughter, wait a little longer” Michael looked in the direction of the exit and couldn’t help but analyze, “Isabella is No. 1 with a perfect score, she is also a piano master, and now she is the founder of QY. She is also talking about the Logan Family’s clothing company In terms of relationship, maybe I know the senior

management of Logan Family, that Lucy who won the first place in the design competition, seems to have a close relationship with her, not only that, but Mr. Fred Wu of Jessic Capital is also very polite to her!”

Michael remembered that last time, Jessie suddenly withdrew capital and refused to cooperate with the Brown family. He came to ask Fred for a meal, but learned that Fred was going to meet a very important person.

He saw with his own eyes that in the restaurant box, Fred treated Isabella with respect, with a hint of humility and flattery...

“Lee, the manager of the mall, said just now that QY is the most important partner of Mason Group. What does this mean? It means that Isabella knows someone from Mason Group. Think again, last time we saw her pick up Elder Mr. Mason from the hospital with our own eyes. All these signs show that she has a very wide network, beyond our imagination, and our Brown family can be saved!”

Michael secretly swore in his heart that no matter what method he used for a while, he would definitely ask Isabella to help the Brown family tide over the difficulties!

“Doesn’t she care about the old lady the most? If it doesn’t work. let’s stop the old lady’s medicine as a threat...” Gail was so hot that she fanned herself with her hands and felt that she was going to faint. She had been waiting here for half an hour, until when!

“You don’t understand Isabella’s character! She is soft but not hard, the more you threaten, the more she will fight against you!” Now Michael finally understands why after Isabella left the Brown family, the Brown family did not go well...

It turns out that Isabella was once, really, the Wealth God of the Brown family!

At this time, Daisy was very unwilling. Brother Harris spent 13 million just now, and it actually went into that bitch’s pocket! Just think about it and get angry!

The key is that she likes QY so much, she didn’t expect all the styles to be designed by Isabella, it’s so touching!

Why?

Why is Isabella so talented?

Why was it hidden in the past, but now it is revealed?

Chapter 252

Daisy couldn't figure it out, so she simply stopped thinking about it.

"Daisy, what happened to your face?" Under the scorching sun, Gail suddenly noticed a clear palm print on the right side of her face, and immediately guessed something, "Isabella hit you when I didn't rush to the mall just now?"

"No..." Daisy lowered her long eyelashes, and said aggrievedly. "I accidentally bumped into my sister's palm, and it's none of my sister's business..."

Gail was about to get angry, but then she thought again and touched her daughter's face again.

"I've made you feel wronged! Don't worry, we will definitely let Isabella bleed a lot and ask her to give us resources and funds. Be good, bear with me today..."

When Daisy heard this, she raised her eyes in surprise, what's the matter with her mother, it's fine if she doesn't scold Isabella for her. but she is actually asked to endure this humiliation...

Her face was swollen, even if Isabella really got some money and some resources, would it be able to make up for her grievances??

Daisy clearly felt that her mother's attitude had changed 180 degrees, and Daisy felt even more uncomfortable.

After a while, a familiar figure walked out of the mall gate.

Michael rushed over at once, opened the umbrella and put it on top

of Isabella 's head, and smiled flatteringly, "Isabella, you have appeared! Is it hot? Dad just went to the supermarket to buy a parasol. I heard that it can protect against sun. This brand It may not be as good as the QY you founded, but at least it works!"

Isabella glanced at him coldly, without stopping, and then walked forward.

Gail also rushed forward, handed over the newly bought pastries and said flatteringly. " Isabella, my mother just went to the famous cake shop outside the shopping mall and chose a few small cakes for you. Didn't you expect your mother to accompany you when you were young?" Birthday? Why don't we find a place to make up for it in a while, and celebrate in advance by the way, your birthday is coming soon..."

"Yes, yes, I heard that there is a petal restaurant nearby, which is themed with flowers. How about going there? Mom and Dad will sing you a birthday song in advance!"

They smiled and flattered them from left to right, but Isabella didn't stop and walked forward without even answering them.

"Oh, by the way, Isabella, Dad just went to a nearby jewelry store and picked out a new necklace for you..."

Originally Michael was reluctant to take it out, but the previous method didn't work, so he could only reluctantly give up, and took out a small gift box from his pocket.

"This necklace is not an old necklace worn by Daisy, nor is it bought casually. It is the two letters O and Y that Dad went to that famous jewelry store. The two letters O and Y are specially selected. They are all inlaid with broken diamonds. They are sent in advance As a birthday present for you."

Michael handed over the gift box and smiled more kindly.

Now, Isabella's brows and eyes were completely cold, and she said coldly, "I will not withdraw the lawsuit, let alone cooperate with you."

"Isabella, you're being angry again, aren't you!" Michael continued. to smile, that look, how humble and humble.

Gail on the side saw that this trick was not working, so he started to pretend to be pitiful again, and said with snot and tears, " Isabella, my mother has done a lot of mistakes before. I wonder if I can give my mother another chance to treat you well again?"

"..." Isabella walked to the nearby open-air parking lot, pressed the unlock button, and was about to get in the car.

Michael was stunned when he saw that she was driving a top limited car, at least 30 million.

Gail was also stunned. She never expected that the Brown family would sell everything, so to speak, they went bankrupt and bought à Maybach, and Isabella just drove a Rolls-Royce limited edition!

The key is that this license plate number is very beautiful and looks familiar, as if I have seen it somewhere!

At this time, she couldn't remember where she had seen it, but one thing was certain, their Isabella was really rich!

That's right, the founder of QY, how could he have no money!!

At this time, Michael blocked the car door with his body to prevent Isabella from getting in the car, but Gail simply knelt down, tears falling like beads.

Isabella, mom was wrong, what can mom do to forgive me?"

Gail cried, seeming regretful, "Mom really wants to be the same as before, shall we go back to the past?"

Before Isabella could speak, Gail continued to cry, "You are promising now, you don't recognize your mother, right, but all these years, you have grown so big, doesn't it mean that your mother didn't work hard at all?"

Gail wiped away the tears from his face, and regardless of how uncomfortable kneeling on the hot ground, he said tearfully, "How many times when Mom comes home from work, you're already asleep. I'll go to your bedroom and cover you with a little quilt, touch your little face, I don't know how much I like your cute appearance..."

"How many times did my mother want to go back to accompany you, but due to work, I had to ask your grandma for news..."

the Brown family at that time needed me and your father to work hard together... How many late nights, my mother was busy in other places, thinking of you burst into tears....

"

Looking at her hypocritical face, Isabella felt that she had no more patience with them.

"If I wasn't the founder of QY, Tanya, No. 1, and no other connections, would you still kneel here and beg for my

forgiveness?"

When Isabella said this, Gail's tears stuck in his eyes, and he froze

for a moment.

"If I didn't drive a Rolls-Royce today, but rode a bicycle, would If you

still kneel here and confess to me?"

Isabella sneered, "You are just looking at my value and want to get benefits from me, don't insult the identity of mother, you are not worthy!"

"Isabella..." Gail didn't expect her to be so smart now, and was interrupted just as she was about to say something.

"The fate between me and the Brown family was gone as early as the moment you put me on the family tracing website! The debt I owed to the Brown family for nurturing has long been repaid. Since I was a child, I have never taken your The Brown family is so cheap, if it wasn't for grandma, the Brown Group would have disappeared long ago, you still have time to kneel here and beg me for forgiveness?"

Hearing her words, Gail 's face turned pale a little bit, and Michael's mood was even more complicated. He never thought that they should never, never should have offended a Wealth God!

It's too late to regret now!

"Should I call now and have the parking lot security kick you out, or should you get out of the way?"

Unexpectedly, Isabella has become so indifferent now, this parking lot belongs to Moonlight Mall, as long as the security guards come. they will definitely be kicked out.

Michael hurried forward and said flatteringly, " Isabella, don't be like this. If Dad has money, he will definitely give it to you. It's just that the family has been too difficult recently. Your grandma's sickness and hospitalization also cost money. You suc Daisy, we really I can't afford it."

Chapter 253 Participating in the High Score Banquet

"You can't afford to go shopping?" Isabella sarcastically raised the corners of her lips and looked at the gift box in his hand.

“This...” Michael was choked, and he froze for two seconds before he said. “This is the last of my father’s savings. My father said that as long as my father still has it, he is willing to give everything to you!”

Seeing Isabella’s disbelief, Michael added, “You saw it in the mall just now. It was Harris who paid for Daisy to buy things. Dad has no money and can’t afford it.”

“I’ll say it one last time, get out of the way.” Isabella didn’t want to waste words with them anymore.

But Michael pleaded, “Isabella, your sister can’t be detained, and you can’t apologize publicly, otherwise, if it gets out, not only will her reputation be damaged, but her family will also be affected... If she marries Moore in the future, she will be looked down upon by Harris’ parents!”

“It’s not my business?”

Moore ‘s door with something like Daisy?

Moore ‘s threshold so low?

“How about I ask Daisy to apologize to you in private?”

After Michael finished speaking, regardless of whether Isabella agreed or not, he turned to Daisy and said, “Daisy, come here

quickly, and apologize to your sister!”

Daisy on the side reluctantly stepped forward, pretending to be innocent and pitiful, “Sister, I’m sorry, I didn’t know that you were the founder of QY, and I didn’t know that you were really capable, please believe me, I am real I am afraid that you will go astray, out of good intentions...”

Before she finished speaking, she noticed that Isabella ‘s eyes were a little colder, and she hurriedly said. “I’m sorry, please forgive me.”

“Is the word Our Lady written on my face? Get out of here!” Isabella lost all patience and pushed her away, getting ready to get into the car.

Michael hurried to help Daisy, Gail blocked the car door again, Isabella, are you really going to kill your parents?”

When Isabella heard this, she raised her eyebrows, “This will let you all die? Then I’m very happy.”

“...” Gail ‘s expression turned ugly, and when he realized something, he pulled Daisy beside him to kneel down again.

“Aren’t you just mad at Daisy for spreading rumors in front of everyone? I asked her to kneel down and admit her mistake. Is this sincerity enough?”

Hearing this, Isabella curled her lips coldly, “Even if you cut your wrists collectively in front of me, I won’t withdraw the lawsuit, just give up on it!”

“Sister, are you angry because Brother Harris is nice to me? If you really like him, I can give him back to you!”

Daisy knelt on the ground, and Freda cried pitifully. “The main

reason is that he keeps pestering me. I really can’t do anything...”

When she said this, she added sincerely, “I also persuaded him several times to let him stay with you, but he just didn’t listen!”

Isabella originally wanted to get in the car, but when she heard this. she smiled mockingly, “Why, he didn’t tell you that he’s been pursuing me recently?”

This sentence immediately stunned the family of three!

What? ?

Harris has been courting her lately??

“It seems that you didn’t check his mobile phone, and you don’t know how many trumpet accounts he changed to send me messages. I guess, you must have used some dirty tricks to keep his people, but you couldn’t keep him. In his heart. I suddenly feel that you are quite pitiful, living is like a joke.”

After Isabella finished speaking, she opened the car door directly, and the car door hit the mother and daughter, causing them to cry out in pain.

Isabella walked away directly, leaving the mother and daughter hugged together, very frightened. When the car started just now, they were really afraid that Isabella would take the opportunity to hit them.

Michael looked at the direction where Isabella was leaving, he didn’t expect the Rolls-Royce limited edition engine to sound so nice, it is indeed a good car...

On the way back, Daisy took out her mobile phone and called Harris, just about to ask him if this happened.

Unexpectedly, after Harris answered the phone, he said first, “Daisy, I won’t go to tonight’s dinner. I’m a little uncomfortable.”

When Daisy heard this, she immediately guessed that Harris was blaming her for the embarrassing incident at the mall today!

It must be that she can’t get on the stage!

But they, the Brown family, have let the word out, saying that Moore’s people will come, and if their relatives and friends don’t see Harris tonight, they will definitely think they are bragging...

If the Brown family and Moore 's marriage is not counted, then their Brown family will only make people look down upon...

Thinking of this, Daisy retreated, "Brother Harris, my stomach is also a little uncomfortable, and I felt a little sick just now, I don't know if I have... I have a child, don't worry, if I do, I will go Get rid of it, and I will never make it difficult for you."

When Harris heard this, he immediately felt ashamed again, "That time... I took measures, and there shouldn't be any. If I did. I would give birth..."

"But..."

"I'll go to your dinner after I get better. Don't think about it."

When Daisy heard this, she immediately breathed a sigh of relief. "Then you have a good rest, I will wait for you at the restaurant tonight."

After hanging up the phone, she was a little thankful, fortunately, fortunately, there is this matter that can hold Harris back!

She suddenly felt that her idea of dedicating herself was right, at

least when Harris wanted to abandon her, there was still such a thing that could tie his heart.

At night.

Michael, Gail and Daisy still chose to dress up.

Daisy showed up wearing a simple dress. Although it was a famous brand, there was no brand logo on the dress, and her hair was down. looking pure and charming.

As soon as they got out of the car, a family greeted them warmly.

“Hahaha Michael, long time no see! It turns out that the rumors that you can’t make it through the rivers and lakes are false. Look at the cars you drive, and you can afford Moonlight restaurant... I heard that this place is owned by Mason Group. It’s hard to name it!”

The person who spoke was Michael’s former brother Jake. There was always news that the Brown family was about to go bankrupt. Living in a neighboring city, they occasionally heard about it, but they didn’t help. The news is all groundless, fake!

“Gail, you are getting more and more beautiful! Just because of your state and this dress, those gossips must be fake!” The woman who spoke was Jake’s wife Joy, who was also dressed up

beautifully.

Gail said with a smile, “The better we develop, the more people will be jealous!”

Joy thought the same, if they were really about to go bankrupt, how could they have leisure and spare money to hold a banquet here?

Thinking of this, she noticed Daisy next to her, and couldn’t help but wonder, “Who is this? Didn’t you say on the phone that your daughter got a high score in the exam, and you want to invite us to dinner? Where’s Isabella?”

Why is there a girl with temperament and looks not as good as Isabella??

What about the people of Isabella?

Daisy was embarrassed when she heard this, and kept a polite smile.

Chapter 254 Important Guests

Gail patted Daisy on the shoulder and said. "The daughter I'm talking about is Daisy. I'll introduce you to you formally later!"

Joy 's daughter Nell noticed the dress on Daisy and couldn't help asking. "Is your dress new from LV?"

Daisy hummed generously, looked at her with a smile. "You're wearing Dior, right?"

"Good eyesight." Nell smiled. "You look so low-key. You are covered in big brands, but there is no logo. My name is Nell. Nice to meet you."

"My name is Daisy, thank you for coming to my dinner."

Nell was a little surprised, "Your surname is Brown? Is it your dinner tonight?"

What about white Isabella ??

In fact, Nell is quite looking forward to seeing Isabella, because Isabella's personality suits her very well.

"Let's go in first." Michael cheerfully invited his friends to enter.

Tonight, he booked eleven large tables in the lobby on the first floor, with a total of 88 seats, which can accommodate 88 relatives and friends. He planned to announce Daisy 's identity in person in front of everyone.

Because the Moonlight restaurant does not receive other guests

today, there is only their family in the lobby on the first floor. I don't know, I thought they booked the whole floor.

As soon as Gail stepped into the lobby holding Daisy 's hand, many relatives and friends who arrived first stood up and greeted them.

“Gail, long time no see, you guys are getting better and better over the years.”

“It’s so rich, it covers an entire floor in one go.’

“Why haven’t I seen Elder Mrs. Brown? Long time no see, I miss her.”

“Where’s Isabella? Why haven’t I seen her?”

Where’s Moore’s people? Didn’t they say they’d come?”

Gail looked at them with a smile, “Don’t be impatient, everyone. Mr. Moore and Mrs. Moore have caught a cold these days, but their son Harris will be here soon...”

Gail knew that most of these people came for Moore. After all, in the past, Moore’s financial resources were more than twice that of the Brown family. Let alone others, even the Brown family wanted to have a relationship with Moore!

“Waiter, serve some drinks to the guests first.” Gail beckoned to the waiter next to him.

But the waiter stood still, as if he didn’t hear Gail’s words.

Gail was embarrassed, then raised his voice with a smile, and said with a hidden knife. “This waiter, please serve some drinks to the

guests, they are thirsty.”

“Excuse me ma’am, I’m the manager of the lobby. There will be important guests arriving in a while, and everyone has to go with me to greet them. Please wait a moment, and I will send you a few more bottles of wine to apologize later.”

When Gail heard this, his face became even more ugly. She needs the manager to bring her wine?

Just about to make trouble, Daisy said softly, "Then I will trouble you, manager.

The manager ignored her, but lowered his head and said to the person on the intercom. "Are you ready? The guests are coming. soon, why don't you hurry up and line up?"

Daisy, who was ignored, felt very uncomfortable, but because of the presence of so many people, she forcibly endured it.

The guests exchanged pleasantries with Michael and Gail for a while, and they were puzzled when they saw that the food had not been served and there were no drinks or snacks on the eleven big

tables.

One of the children's grandma couldn't help asking, " Gail, when will this meal be served? My grandson is hungry and crying for food."

They came early and have been here for forty minutes!

"I'm sorry, Third Aunt, there are too many people, the kitchen can't handle it, please wait a little longer, the food will be served soon!"

When the third aunt heard it, who was lying, this is Moonlight restaurant, there are so many people in the back kitchen, how could

it be impossible?

What the manager said just now seems to be that there will be important guests coming in a while?

You can't have important guests, so you can't entertain ordinary guests like them, right?

Besides, Gail has booked the whole floor with pride, so he is not considered an ordinary guest, why can't he even serve a drink? This is too strange!

Gail waited for a while, seeing the manager leading a group of waiters talking about something, couldn't help but walked over, holding his breath.

"Manager, when will the food be served? The guests are all hungry!"

"Ma'am, I'm really sorry. Originally, we didn't receive other guests today. You and Mr. Brown insisted on crying and making noise here... We insisted on giving you eighty-eight seats..." The manager couldn't explain.

If it weren't for this, he wouldn't be reluctant to set up eleven large tables for them and set aside a place for them to sit.

"Tonight's guests are very important. Our leaders have explained that we cannot neglect them. Everything depends on them."

"You mean, we can't start if they don't come?"

"It's not like this, madam. I've allocated a place for you, and I'm still taking a risk. If the people above find out that we entertained you in advance and neglected important guests, then we may not even be able to keep our jobs!"

Michael and Daisy watched this scene from afar, seeing that Gail didn't seem to agree with each other, they walked over one after another, before they had time to say anything, they saw the manager received a call, it was an important guest who appeared!!!

The manager took the whole restaurant up and down and everyone went out to greet them neatly.

Gail wants to see who the important guest is tonight!

I saw a beautiful girl stepping out of a luxury RV, followed by a nanny!

This figure, this aura...

Before Michael and Gail could react, they saw the manager and dozens of people greet Isabella respectfully, and then stood apart on both sides, bending down and waiting for Isabella to enter.

Isabella didn't need to think about it, she must have been told by Green that there was a distinguished guest coming tonight, that's why they made such a big show.

After returning to the company today, she happened to have something to do, and she got off work later than usual... Her parents and others came first, and asked the driver to pick her up at the company in a caravan, fearing that she would be bored on the road alone, so she asked Myra to go and accompany her to relieve boredom.

Ms. Young, with this ostentation, it can be seen that Mr. Mason really cares about you." Myra smiled, and just after she finished speaking, she suddenly noticed three familiar figures on the left side of the door.

Isn't this the three people I accidentally bumped into after eating in the restaurant last time?

At that time they insisted on asking Ms. Young's identity...

If she remembers correctly, they seem to be Ms. Young's former adoptive parents and sisters?

Isabella noticed them as soon as they stepped through the door, and after one glance, she looked away, as if they were a mass of air.

Michael was so shocked that he couldn't believe it, "Isabella, why is she here?"

Gail was also a little surprised, "Is she an important guest tonight?"

“The nanny behind my sister seems to be the one we met last time?”

Chapter 255 Saw a Handsome Man

Last time, the nanny seemed to have said that my sister’s biological family had prepared a lot of valuable gifts, and wanted to thank them, the Brown family, for their upbringing over the years, but they didn’t take them...

Could it be that my sister’s native family is really rich? ??

Thinking of this, Daisy subconsciously clenched her fists, extremely unwilling.

Isabella walked into the VIP elevator with everyone’s respectful welcome, and when the elevator door closed, she raised her eyes. just in time to meet the surprised sight of Harris in the distance.

As soon as Harris reached the gate, he was so shocked by the girl’s pomp that he stood there, unable to move.

Why did all the service staff in the restaurant come forward to greet Isabella ?

Isabella is followed by the nanny?

If you read correctly just now, she got out of a caravan, and that caravan is worth tens of millions...

The guests in the lobby were startled one by one, talking a lot.

“Isn’t that Isabella? Why didn’t she even say hello when she passed by, let’s just ignore us, his parents were standing in front of her, she didn’t even take a second look!”

“What the hell is going on? Why does it look like she has become very indissertent, as if she doesn’t know us?”

“What’s the situation? Didn’t Gail say that her daughter got 601 points in the test, and she wants to invite all relatives and friends to dinner? Why did Isabella go upstairs?”

“Is there any surprise waiting for us upstairs? Isabella went upstairs to set up the scene first?”

“Impossible. Isabella didn’t seem to know us like that just now!”

“The floor that Isabella went to just now is the eighth floor. You don’t know. The higher the Moonlight restaurant is, the more expensive the price is. The eighth floor is the highest and the best in the entire restaurant. There is only one private room and a large terrace. It is said that The scenery outside is super beautiful!”

Everyone was attracted by what the last person said, and asked, “How do you know?”

“We have a relative who is doing well in Bomsville. He wanted to book a box last time, but he couldn’t... You need to have contacts and a prominent status! But he said these things, and he said that the scenery on the eighth floor, even if it costs five It’s worth a hundred thousand to take a look! There will be no regrets in this life!”

“How can Isabella go to such a high-end place?”

“Not only can I go up, but the ostentation is so big... What’s going on here?”

Many guests asked Gail one after another. Gail has not recovered yet, but the indifferent face of the girl passing by is always in his

mind.....

An ominous premonition is getting stronger...

How strong is Isabella 's power, financial resources, and ability to get to the 8th floor?

“Brother Harris, are you here?” At this time. Daisy’s voice

successfully diverted the attention of all the guests, and she stepped forward to hold the boy’s hand and asked with a smile. “Why are you standing there so stupidly, come in!”

“This is Moore’s child? It looks very good-looking. As expected, he grew up in a mansion. This temperament, this appearance, is different from ordinary people...”

“In contrast, the girl next to him is not good enough for him.”

“Are they a couple? They don’t look like a good match! If they are really a couple, then the girl has a big advantage.”

When Daisy heard this, her face froze, and she was a little embarrassed.

“It is said that the Brown family has a marriage contract with Moore. Isn’t it Isabella who is engaged to Harris ? Where did this girl come from? Why is she holding Harris’ hand?”

“She stole Isabella ‘s fiancé, why didn’t Michael and Gail come out to say a word?”

“Isabella didn’t get mad because of this, did she?”

Seeing that things had turned into what it is now, Michael simply walked onto the stage and stretched out his hands to signal everyone to be quiet.

“Dear friends and relatives, thank you all for taking time out of your busy schedules to attend tonight’s dinner! Eighteen years ago, a fire caused me to hug the wrong child and bring Isabella home to raise

by mistake. Eight years later, I had the opportunity to find my biological daughter Daisy! The girl you see now is my biological child!”

When Michael said this, he showed a fatherly smile, “ Daisy, come up and say hello to everyone.”

As soon as everyone heard this, they immediately started talking

about it.

“Huh? This is Michael and Gail ‘s biological child? It looks a bit similar.”

“It’s a pity that such a beautiful child as Isabella is not a member of the Brown family!”

“When I went to the Brown family before, I felt strange when I saw Isabella ‘s face. I thought Michael and Gail were so lucky. How could they give birth to such a beautiful girl? It turns out that they are not biological!”

“No wonder Isabella became so indifferent when she passed by just now. I guess she returned to her biological family?”

Michael, what about Isabella? Where did she go? Is she still here?”

Michael heard a lot of people say that Isabella ‘s appearance is better than theirs, and he couldn’t keep his old face, but he still kept smiling when he heard the last questions.

“Isabella has found her biological family and went back not long

ago.”

“So that’s how it is...” Everyone chattered again, Isabella ‘s

biological family seems to be good, it’s such a big show to go out! In comparison, the Brown family looks a bit shabby, and they have treated them badly all these years!

Daisy smiled and Lily took the stage to speak. “Thank God for allowing me to find my biological parents, for allowing me to have such good relatives and friends, thank you very much for coming...”

“Daisy participated in the Enter University exam a while ago and scored 601 points. Tonight’s dinner is to celebrate her high score. It is not a problem to go to a key university. The second is to announce her identity to everyone. The third is to tell everyone in advance Hey, in a few days, Daisy and Harris will hold an engagement banquet, I believe everyone has received the invitations, right? Please invite all relatives and friends to show their respects!”

Everyone heard, Moore and the Brown family will really hold an engagement banquet?

I have to say that the girl Daisy is very lucky. When she came back, she was able to be the daughter of the richest man in Winter Town and the daughter-in-law of Moore.

At this moment, Daisy suddenly noticed a handsome man walking in the direction of the door. He was dressed in an expensive suit to set off his tall and slender figure, and his powerful aura made people feel awe-inspiring. look back...

What a handsome man!

who is he?

Are you a diner here tonight?

Although Daisy couldn’t see where he was going from this direction, if he guessed correctly, he should go to the dining room upstairs, right?

Ever since she was a child, she has never seen such a good-looking man. This figure and this aura are all due to her aesthetics!

In contrast, Harris looks very ordinary!

She never expected that there would be such a noble and cold man in the world. While she was ambitious, she regretted dedicating herself to Harris.

How short-sighted it is!

Chapter 256 Uncle and Aunt's Meeting Ceremony

"Daisy, Daisy ???" At this moment, Michael whispered a few times, and tugged at her skirt.

Only then did Daisy look back and regain her senses.

"Go invite Harris to the stage and let him have a few words with everyone."

Daisy knew that Dad wanted to show off and let everyone know how good his future son-in-law is...

Although Harris seemed to be in a bad mood tonight, Daisy came off the stage softly, took Harris by the hand, and led him to the

stage.

"That Harris seems to listen to Daisy very much. Daisy asked him to take the stage, and he took the stage."

"It feels like the young couple have a very good relationship..."

“It’s a pity, I like Isabella better.”

“Me too.”

Harris came to the stage and said a few words on the scene, and then stepped down politely.

Daisy was being led by him and was about to step off the stage when her gaze inadvertently noticed the direction of the gate, and a trendy man walked in!

He has brown hair, a fashion brand, wearing sunglasses and a mask. His figure, style of dressing, and aura make him a bit like the popular star Bradley ??

Just when she was about to take a closer look, the man was already walking towards the elevator with long legs!

Unexpectedly, the legendary Moonlight restaurant is really Crouching Tiger, Hidden Dragon. The guests who come here are all celebrities, of course, except for Isabella...

Even if Isabella is really good, Daisy doesn’t want to admit that she is worse than her!

As soon as Isabella stepped into the door of the box, she found a new face inside, a beautiful lady with elegant words and deeds.

The years did not leave any marks on her face, she looked as if she was only in her thirties, very young

“Baby Isabella, are you here?” Eloise saw Isabella at a glance, and immediately stepped forward.

Isabella nodded, “Sorry for keeping everyone waiting.”

"It's not long, we just arrived." The lady smiled kindly, looking more approachable.

Eloise took Isabella's hand, came to the lady and introduced. "I'm telling your aunt about your deeds! Come on, let me introduce, this is your aunt, Molly, this is me The Isabella I told you about, Williams and I's biological child!"

Molly said softly, "You are Isabella? You look so good-looking! Sister-in-law. Isabella has a bit of your looks and temperament, but I say something from the bottom of my heart, Isabella is prettier

than you! You are so beautiful Ah, there is a successor!"

When Eloise heard it, Molly praised the two of them in one breath, and laughed even more happily, "Look at your aunt, she can still talk like that!"

"Isabella, I'm your aunt. I'm glad you're back here." Molly reached out her hand when she said this, and shook Isabella gently, with a dignified and elegant demeanor.

"Nice to meet you." Isabella greeted politely.

"I just heard from your mother that you have been managing the clothing company during this period of time? It turns out that you were responsible for all the major deeds of the clothing company a while ago? You are so outstanding! You have inherited your father's business genes and are smart and clever., and inherited your mother's prosperous beauty, beautiful and capable."

When Molly said this, she smiled and looked at Eloise, "You husband and wife, you really will have children!"

Eloise smiled, "I've been praised as a flower by you, and you can still praise it!"

Molly smiled. "I'm telling the truth."

At this moment, a middle-aged man walked out of the bathroom. He was well-dressed and had an outstanding aura. He was stunned when he saw Isabella, as if he didn't expect her to come so soon.

Isabella, let me introduce you. This is your uncle." Eloise stepped forward and introduced, "Lew, this is Isabella."

Lew smiled all of a sudden, and asked kindly, "Are you my niece? You really look like my sister-in-law!"

"I said that Isabella's bluc is better than bluc, look at her eyebrows, facial features, and temperament..." Molly on the side praised Isabella again.

"Hello, Uncle." Isabella greeted obediently.

"Hey, hello! Finally back to this home, you have suffered outside these years! Don't worry, your uncle and aunt will also be your strong backing in the future. If you have any problems, you can ask your uncle and aunt for help! From now on, we will be a family You are dead! Uncle and aunt will treat you even better!"

"Thank you Uncle." Isabella said this, and looked at Molly again, "Thank you Auntic."

"This kid is so polite." Lew smiled, "I heard that you not only have good grades, but also manage the company. You are so outstanding. you should be rewarded!"

When Lew said this, he took out the bank card he had prepared earlier and handed it over, "This is a kindness from my uncle and aunt. You are welcome to come back to this home. The password is six zeros. Buy whatever you like!"

Isabella :...

Give her another card?

Why do people in the whole family send cards at every turn??

“You guys are preparing gifts and sending cards...” Eloise could feel everyone’s attention, which made her feel happier and more moved.

“This card is to welcome Isabella back to this family. It’s our kindness as uncles and aunts. The gift is to reward Isabella for getting full marks in the exam. It’s different, and I have to accept it.”

Having said that, Lew handed over the card.

But Isabella took a step back and said politely, “Thank you uncle, I accept your wish, and the card will not be used.”

“Look, this kid is cheating on me!” Lew smiled and looked at Molly again.

Molly immediately stepped forward and stuffed the card into Isabella’s pocket, “This is from your uncle and aunt, so you can accept it! There is not much money in it, it is our kindness. if you don’t accept it, uncle and aunt will sleep tonight Unconscious!”

Just as Isabella was about to refuse she heard her mother say, “Since it’s your uncle and aunt’s kindness, you can accept it!”

Anyway, they are not short of money, and they also like to use money to express their hearts, if they are not allowed to give it away, they will have sleepless nights tonight!

When Isabella heard this, she felt a little helpless. Seeing Molly stuff the card into her pocket and give her a gentle smile, Isabella said politely again, “Thank you uncle and aunt.”

“Stupid child, you are still so polite to your uncle and aunt!” Molly said this, and checked the time again, “What’s the matter with Lily? You haven’t come yet?”

When she said this, she glanced at Isabella again, as if she was explaining to Isabella, “Just now she met a good girlfriend here, and she said to say hello, and it’s been 20 minutes, and she hasn’t come back yet, so I called to remind her Urge her.”

Eloise immediately said, “No, it’s okay to let her chat with her

classmates a little longer.”

”

Isabella is here, the food is about to be served, can’t everyone wait for her?” Molly said, took out her mobile phone and dialed her daughter’s number.

The next second, a pleasant mobile phone rang from the door, and the door handle was manually moved, and the door was pushed

open.

Chapter 257 Meeting an Unreasonable Girl

A beautiful and proud girl came in, followed by a nanny.

“Lily is here?” Seeing this, Molly hung up the dial, and pretended to condemn, “What’s the matter with you, child, you’ve been away for so long, you see your cousin is here! You don’t even need to remind her!”

Nanny Sara immediately lowered her head and said apologetically, “I’m sorry Ma’am, it’s all my fault.

“Come here soon. Let me introduce you. This is your cousin Isabella. Isabella, this is your cousin, Lily.”

The corners of Isabella's lips curled up. It turned out that the girl who bumped into her shoulder at the mall today, stepped on her shoes and refused to apologize was her cousin Lily?

Didn't it mean that QY's clothes don't look very good, and after shopping around, there is nothing worth paying for by swiping a card?

Why are you covered in QY stuff today?

Perhaps sensing Isabella's gaze, Lily's face became hot, as if she had been slapped.

Isabella here. Her expression flashed with disbelief, but she quickly returned to normal. She pretended to be calm and asked, "Mom, is she the son of my uncle and aunt living abroad?"

"Yes, hurry up and say hello!"

Lily didn't expect that the person who could afford two million shoes casually was her cousin, and she was a little displeased.

"What are you still doing in a daze? Call someone!" Molly gave her a reproachful look, and joked with the people around, "Is it because my cousin is so beautiful that she scared her silly!"

"Madam doesn't know, Miss Lily is very popular today! It is said that when I went shopping in the mall. I met an unreasonable girl..."

the nanny Sara finished speaking, she heard Lily scolding in a low voice. "Sara!"

Which pot is not opened and which pot is lifted!

Sara didn't know that the "unreasonable" girl was Isabella, and thought that the young lady didn't want to speak out about her grievances on today's occasion because she put the overall situation first.

So he added on his own initiative, "Miss has never been wronged since she was a child! Ma'am, you need to come forward to see if it is a blind thing that dares to bully Miss!"

Hearing this, Isabella raised the corners of her lips, and said lightly, "The one who gets bullied should be the one whose feet and shoulders you stepped on and who didn't get your apology?"

Molly heard this, confused, what do you mean??

Eloise reacted quickly, "Isabella, you and Lily met before? Do you know what happened?"

"Yeah, I've seen it." Isabella said casually, "Sister Lily bumped into someone, stepped on him, and didn't want to apologize, but a pair of

shoes cost two million, and Sister Lily claimed 200,000 for dry cleaning, but..."

Everyone asked in unison, "But what?"

"The man didn't take the money, but donated it. I think maybe because of this, Sister Lily felt uncomfortable."

Lily gritted her teeth angrily, but didn't dare to say anything, in case Isabella revealed the identity of that person in a second...

Tonight's dinner will focus on Isabella...

If you are accused by all the elders...

Isabella also guessed this, so she raised her eyes and looked at her with interest.

"You kid!" Molly understood what was going on, and took the lead in teaching. "You bumped into someone's shoulder, stepped on his shoe, and didn't even say sorry? This is too much!"

“mom...”

“I also met a master who was not short of money and donated the money you lost. Now you know?”

When Molly said this, she paused, and then added. “I let your cousin see this. Fortunately, we are all a family, and I didn’t laugh at you. If you do something wrong next time. Mom will have to suspend your card!”

“Understood.” Lily finished in a low voice, looking at Isabella with dissatisfaction in her eyes.

This scene fell into Cecilia’s eyes, and she immediately felt happy.

“Since it’s a short episode, let’s let it pass!” Lew smoothed things out with a smile, “Isabella just came back from work, she must be hungry, Sara, ring the serving bell and let them get ready to serve.”

“Yes.” Sara didn’t expect this to happen, so she went to ring the bell in embarrassment.

It was Lily who murmured two words. “Off work?”

The cousin looks only seventeen or eighteen years old, and she has gone to work to earn money?

Molly heard her voice and took the opportunity to set an example for her. “Your cousin took over a clothing company under the group as soon as she came home, and she is doing well. You should learn more from your cousin in the future!”

Lily didn’t expect that the person who made so much noise in the clothing company recently was not some capable executive, but her cousin...

I didn’t expect this girl to have some skills!

“Your cousin got full marks in the Enter University exam this time. She not only studies well, but also has high abilities and looks beautiful...” Molly was full of praise for Isabella.

Sara, wait a little longer, everyone is not here yet.” At this moment, Williams saw that Sara was going to ring the bell, and hurriedly stopped her.

Everyone was curious, who else didn’t come?

“Bradley came home recently and will be here in a minute, and Benjamin...”

“Benjamin is coming too?” Molly was surprised, her brows and eyes widened,” Benjamin rarely attends such occasions...”

“He’s dating Isabella.” As soon as Williams finished speaking, there was a knock on the door of the box.

” Isabella, it should be that Benjamin is here, go and have a look!”

When Isabella got up. Molly covered herself with a smile, and quickly glanced at the shoes on Isabella’s feet. QY private custom, a pair of about two million, she suddenly understood what was going on, and looked at it with educational eyes Lily glanced.

Lily lowered her head and her breathing became lighter. She didn’t expect her mother to guess what happened so quickly.

When Isabella went to open the door, Benjamin was standing at the door. Today he was dressed very formally, he was handsome and tall, and he seemed to be meeting a parent.

“I have something to do at the last minute, so I’m late.” Benjamin. looked at Isabella dotingly, “Are all uncles and aunts here?”

“Well, it’s all inside.”

“Meet the parents, don’t you give me a little courage?” Benjamin saw her turn around and leave, stretched out his hand to her, and looked at her expectantly.

Isabella :...

How many times has he met her parents, and the threshold of the family has been broken by him. In terms of courage, no one is less than him. Didn’t he just want to take this opportunity to hold her hand?

Seeing that she didn’t move further. Benjamin stepped forward to hold her hand lovingly.

The two families sitting at the dining table saw them walking in hand in hand, and the sharp-eyed Molly suddenly noticed the necklace on Isabella’s neck. It was the crown necklace that the old lady Si made a sensation in the world and was priceless!

Chapter 258 The Ignored Person

It is said that such a precious thing is only handed down to granddaughter-in-law...

Could it be that Isabella has already been approved by Mrs. Si?

But the old lady Si is in a vegetable state, and there is no sign of improvement...

Could it be Elder Mr. Mason?

Unexpectedly, Isabella just came back to this house, not only loved by her elder brother and sister-in-law, but also loved by Elder Mr. Mason, and Benjamin. Looking at Cecilia, the jealousy in her eyes is overflowing, she is really impatient child.

“1

Benjamin is here?" Williams stood up cheerfully, motioned to the seat beside him, and said, "Come and sit by my side."

"I'm sorry, I've got something to do. I'm late." When Benjamin said this, he looked at Lew and Molly again, and the gentleman said politely. "I'm really sorry for keeping everyone waiting, and I'll punish myself with three drinks first."

He picked up the wine on the wine table, poured a drink and drank three glasses in a row.

Even though Williams and Eloise said no, and even Lew and Molly tried to persuade him, Benjamin finished three glasses of wine.

His demeanor is cold and noble, and his aura is too strong to ignore, with masculine masculine charm, which is fascinating.

"This child is too out of touch!"

"This drink is really good. After three glasses, my face will not blush and my heart will not beat. Benjamin, sit down quickly, are you hungry?"

"Don't wait for Bradley, serve the food first!"

"Brother-in-law, good evening." Cecilia greeted with ulterior motives. She attended today in all her costumes, just to show Benjamin a little more.

Lily also called Brother Benjamin, but Benjamin just nodded. slightly, and his eyes fell on Isabella, without staying on them for a second.

Cecilia 's eyes flickered with disappointment.

Benjamin, I heard that you are very busy recently? No matter how busy you are, you must pay attention to your body. Although you are still young, it is a good thing to be ambitious, but when you are old, you are sore here and there like me. It is not worth it! Or Pay more attention to rest, body first!" Lew smiled and cared.

Molly kept the lady's smile and said with a smile, " Benjamin doesn't need you to remind me! He has a wife in charge..."

"Hahaha also..."

Molly took a tender look at Benjamin, then at Isabella, " Benjamin is handsome and hard-working, and Isabella is talented and beautiful. They are really a perfect match!"

"Isn't it hahaha..." Lew laughed, "Benjamin, my eldest brother

finally found his daughter back, and you have to treat her better in the future! Otherwise, we who are uncles and aunts will not agree!"

"Don't worry Mr. Logan and Mrs. Logan, I will cherish this fate and treat Isabella well." When Benjamin said this, he gave Isabella a loving look.

Lew saw that the atmosphere was almost heated, changed the subject. and asked with a smile. "I heard that you have recently acquired several groups, and also photographed Yangxi and Yangdong. I heard that Yangxi is Want to build a community? Yang Dong wants to build another top luxury department store?"

As soon as Lew's voice fell. Williams interrupted with a smile. "Hey, I don't talk about work today. It's rare that Benjamin came over and drank three more glasses of wine. Uncle also wants to toast you. Recently, you are taking care of Isabella and are busy. thanks for the effort..."

He poured a glass of wine, and Benjamin added another glass for himself. He picked it up and clinked the low glass, "What did uncle say, you are lucky to be able to take care of Isabella..."

“Hahahaha, you kid can talk...”

Just as Williams was about to drink, he heard Eloise and Isabella remind in unison. “Don’t drink too much.”

At this moment, both Williams and Benjamin paused for a while, and then put down their glasses at the same time.

“Well, it’s time to cat, so don’t drink for now!” Williams smiled. obviously afraid of his wife.

“Uncle is right, this wine is my toast.”

“Yes, yes, you also regarded me as drinking...”

Everyone else can see that Williams listens to Eloise very much, and Benjamin listens to Isabella very much...

I saw Benjamin looked at Isabella ‘s face with concern, and whispered in Isabella ‘s ear, “I was late just now, so I punished myself with three drinks, and I won’t drink from now on.”

“oh.”

“What are you doing at the company today? Why are you leaving work so late?” Benjamin asked her with his head down, looking at her expression.

Isabella ‘s eyebrows and eyes are extremely delicate, with a trace of otherworldly coldness, combined with the wildness exuding from her bones, it is very beautiful.

“There just happened to be a temporary cooperation, and the partner came to the company.”

So Isabella stayed to talk about cooperation, and finally the other party signed the contract readily.

“Which partner is it?”

“YC.”

“This one is good.” Benjamin agreed, “Reliable.”

Isabella laughed, “It’s rare to hear these two words from your mouth.”

The way they communicate in low voices looks intimate and natural.

Lew, Molly and Lily can all see that their relationship is not just a play on the spot because of the marriage contract, it can be seen from their eyes that they really have been in love for a long time.

At this moment, someone knocked on the door of the box, and Bradley pushed the door open.

He took off his sunglasses, his face was handsome and sunny. “I’m sorry I’m late!”

As soon as he entered the door, he greeted everyone with a smile. and then searched for Isabella, rubbed her hair, “Sister, I’m here! Come on, take a seat!”

Benjamin was sitting next to Williams, Isabella was sitting next to Benjamin, and Cecilia was next to Isabella. As a result, Bradley insisted on adding a seat, sitting between Isabella and Cecilia.

In fact, he wanted to sit between Benjamin and Isabella, but he was afraid of the fists of his parents and Benjamin...

“How about Isabella, is she busy today?” After sitting down, Bradley looked at Benjamin before waiting for Isabella’s answer, “Look how hard it is for Isabella to manage a company at such a young age, and you won’t help share it.”

“I want to share too.”

But his wife refused, so he had to find other ways to cooperate in private, which was too difficult.

“I can handle it.” Isabella was clearly speaking for Benjamin.

The corners of Benjamin’s lips instantly rose, and it was obvious that his wife dotes on him very much!

“Don’t worry about the company tomorrow, Bradley will take you out to play?” Bradley actually wanted a chance to get close to his sister, but before Isabella refused, he said coquettishly, “Bradley will start work in a few days., you won’t see me for several months.”

Isabella’s ears will be clean by then,” added Benjamin.

“You can’t wait for me to leave quickly!”

Lily noticed that Cecilia’s face was embarrassed. From the moment Benjamin entered the door until Bradley appeared, both of them focused on Isabella, and neither of them gave Cecilia a second look...

Chapter 259

I don’t know how long it took, Bradley suddenly remembered that there was someone beside him, and immediately looked over, Cecilia ?”

“Hey.” Cecilia finally heard Bradley call her, and raised the corners of her mouth, before a smile could break out on her face.

“How many points did you score on the Enter University exam ?” Bradley hasn’t asked her score since returning home. He only knows that Isabella got a perfect score!

Although Bradley’s voice was very low, Cecilia’s face was still a bit embarrassed, and she could even hear Lily next to her snorting and secretly laughing.

Bradley.” Lily yelled with a smile, and said proactively, ” Cecilia scored 722 in the test, and I got 731.”

“I heard that the exam questions are quite difficult. You can get 731, which is very impressive.”

Lily raised her chin and glanced at Cecilia with interest. Before she could cheer up, she heard Bradley add something.

“However, the most powerful one is Isabella.” Bradley said this, seeing the restaurant manager serve another dish, picked up the serving chopsticks, and put some into Isabella’s bowl first. Isabella, eat more, you are too thin!”

Benjamin peeled a shrimp for Isabella and put it in her bowl. Not to

be outdone, Bradley picked up the crab peeling tool next to him,

picked out the crab meat, and put it in Isabella’s bowl.

Eloise added food to Isabella. Williams added soup to Isabella, and the whole family’s attention was on Isabella.

Calculation flashed across Lily’s eyes. She lowered her eyes and glanced at Cecilia’s floor-to-ceiling skirt. After pressing down with the foot of the chair, she picked up a glass of orange juice and pretended. “Cecilia. I’ll toast you with orange juice instead of wine...”

Before she could finish her sentence, she pretended to be unsteady and spilled it on Cecilia’s skirt.

“Ah...” Cecilia didn’t expect this little bitch to play tricks in front of so many people.

Molly has seen through this kind of trick for a long time, and only pretended to condemn, “Lily, why are you so careless, why don’t you apologize to Cecilia!”

"I'm sorry Cecilia, I didn't mean to!" Lily looked remorseful.

"Are you okay?" Bradley took out a few tissues and wiped Cecilia's skirt, but he didn't notice the intrigue between the girls.

The hem of the skirt is too long, and it can't be wiped off in two or three strokes.

Cecilia didn't like having a fit in front of so many people, especially when Benjamin was still there. She stood up, "I'll go to the

bathroom to deal with it first."

A schadenfreude flashed in Lily's eyes, because she had already pressed the hem of Cecilia's skirt with the leg of the chair just now.

Cecilia was in a hurry to go to the bathroom, and just as she left her scat, she suddenly fell to the ground with an ah.

"Cecilia, are you okay? Why did you fall?" Lily hurriedly stepped forward to help her, actually watching her embarrassment from a close distance, and gave her a smug wink. "Did you trip over because your skirt is too long? You are too upset Be careful! You didn't fall, did you?"

"You..." Cecilia didn't have time to get angry.

Lily immediately admitted her mistake. "It's all my fault. I accidentally soiled your dress, which made you rush to the bathroom to deal with it, which caused you to trip over the skirt and wrestle. After a while, the dinner is over, so go to my house and pick out a new dress.", just take it as my apology, don't lie on your stomach, it's cold on the ground, let me help you up!"

When Lily pretended to go to help her, she stepped on her skirt on purpose. Before Cecilia could stand up, she immediately fell down and knelt on the ground with a plop, only to hear the skirt tear a few times, and it split...

Seeing this, Lily hurriedly said. " Cecilia, don't worry, I'll help you block it!"

On the surface, she used the broken skirt to help her cover, but in fact, she deliberately made trouble to let Cecilia show more spring...

"Go away!" Cecilia immediately pushed her away angrily,

subconsciously covered her exposed legs, and stood up with Scarlet 's support in shock.

Lily hurriedly apologized, and still didn't forget to look at Williams and Eloise. "I'm sorry, uncle, auntie, I didn't mean it, I just wanted

to toast you a glass, but I didn't hold the glass firmly... It's all because I put on hand cream before going out, It was a little slippery when holding the cup...I'm really sorry! I just wanted to help Cecilia up, but I didn't expect Cecilia to fall again...I'm really sorry,

Cecilia!"

She apologized very sincerely, and even took her shawl forward. " Cecilia, you can wrap around it first!"

Cecilia was so angry that she hugged her skirt and walked towards the bathroom without even looking at her.

Lily bit her lower lip aggrieved, and said with her hands on the shawl." Is Cecilia mad at me?"

"Wait for her to come out in a while, and then you can apologize to her!" Molly smiled and looked at Williams and Eloise after finishing her education, "I'm really sorry, this child is reckless. I'll say sorry for her, later When Cecilia comes out, if you want to beat or scold, please do whatever you want."

"Lily didn't do it on purpose, forget it." Although Eloise felt a little sorry for Cecilia's embarrassment in wrestling, the mother and daughter both apologized, and they couldn't make things difficult. It seemed

that they didn't mean anything malicious, so they could only say, "Scarlet, go to the RV Get a spare gown, put it on Cecilia, see if there is any injury, and bring the medicine box if there is any."

"Yes." When Scarlet passed by Lily she deliberately stepped on her skirt. From this angle, only Lily felt that the skirt was stepped on. She looked at Scarlet 's back, oh, old thing, not even Cecilia. Logan Family planted, why are you so loyal!

Isabella could tell at a glance that Lily had ulterior motives, but it was none of her business. She ate the food on the plate and chatted

with the two people around her as if nothing had happened.

Restaurant lobby.

The waiter saw many guests walking around and eating at other tables, making the entire first floor messy, so he couldn't help but stepped forward and reminded, "Sorry gentlemen, you can't sit at this table."

After he finished speaking, he looked at the women next to him, "Sorry ladies, this place is not within the scope of consumption."

He even saw an old woman holding a two-year-old child about to pee on the soil of indoor green plants, and hurriedly stepped forward to stop her, "Sorry, madam, the bathroom is 200 meters to the left in the front corridor." s position."

"Is it okay for my grandson to fertilize this tree? He can't hold it anymore! Two hundred meters? It's too far away!" While talking. the child urinated, soiling the soil and the carpet...

"My nephew has taken over the entire hall, and we can't even sit down? You're too busy?" A middle-aged man, smoking a cigarette, gave the waiter a disdainful look, patted the table dissatisfied, and said. "Take your The manager called over, I want to complain to you!"

‘Mr. Brown only reserved eleven tables and eighty-eight seats, and did not reserve other areas. Even if you ask the manager to come over, the result is the same. Unless Mr. Brown adds money, otherwise you can only be in the front Consume there.’

Chapter 260

“Nonsense!” Michael ‘s cousin obviously didn’t believe this nonsense, and several relatives and friends around him also quarreled.

“Your status is low, and you don’t know anything about the booking. I don’t blame you, but if you don’t call the manager today, then don’t blame us for being rude!

“That’s right, call your manager over here! Apologize to us personally!”

“What kind of attitude, being a waiter makes you feel superior? What right do you have to control us?”

One of them even blew on the waiter’s face, showing a look of disdain.

“I’m sorry, sir, smoking is not allowed here.” The waiter remained polite, “Mr. Brown does not have a private room. If you don’t believe me, you can ask him. Our restaurant has a distinguished guest today, and the manager himself serves in the private room. He can’t come over. Please forgive me

“What do you mean by that, don’t you look down on people?”

“Why, the guests in the private room are the distinguished guests. We are all booked out, not even a green onion? What’s your attitude!”

“Michael must have booked the room, otherwise why is there no one in the whole hall?”

“Yes, call him!”

At this time, Gail saw them making a scene, and hurried over and asked, "What happened?"

Harris is still here, if he sees the virtue of the relatives of the Brown family, wouldn't it discredit Daisy?

Several relatives explained the matter clearly to her, and the waiter did not forget to add, "Madam, if you and Mr. Brown hadn't insisted on asking the manager to vacate the space in front of you for a banquet, we The manager is not receiving other guests today. and now the area here is all dirty...

There are leftovers on the table, nut shells on the ground, cigarette butts everywhere, who knows who pressed the cigarette to extinguish it on the carpet, the carpet has a few holes!

This is the first time that Moonlight restaurant welcomes such unqualified customers.

"If you insist on spending in this area, then the service fee will have to be added by 20%..."

After all, the carpets are all dirty and torn. The cleaning and maintenance will definitely take a lot of time and money...

Gail, tell him, did Michael book the show?"

"Now the whole place belongs to the Brown family, I tell you, I can do whatever I want!"

"The service fee must be included in the reservation, and now you want us to add more money in disguise? Didn't you say that Moonlight restaurant is owned by Mason Group? Your Mason Group, the food looks too ugly, right?"

Several other waiters hurried over to help stop it.

"Sir, you tore all the carpets in our dining room, and we didn't say much, but the carpets were imported from Italy. We didn't intend to ask you to pay for it, but just charged a service fee."

“Just now, someone was using the soil of the green plant in front of us. That green plant is very delicate, and it takes only five days to water a little. It is a special variety from France, and it costs two million USD.”

“Madam, these people are your guests, please say something.”

A few waiters were very polite, but a bunch of relatives were still yelling.

“Two million, why don’t you grab it? Open your mouth and shut your mouth to start with a million? My grandson is peeing there to help you fertilize. If you don’t thank you, let it be, and want to extort money?”

“Eighty-eight of us spend here with you, have you made a fortune? Are you still not satisfied, and still ask for money in disguise? Have you never seen money in your life? Have you lost money?”

“Too much! You must call your manager over today!”

“What if I get dirty!”

At this time, someone picked up a plate of leftovers and poured them directly on the carpet.

“Cousin, wait a minute!” Gail was still in shock, and it was too late to stop it.

Several other relatives followed suit, crushing cigarette butts on the carpet and pouring soup on the green plants...

“Fourth cousin! Sixth cousin!” Gail was about to faint.

an ancient vase while making trouble.

Coincidentally, there was no carpet on the place where it fell, and there was only a crash, and the vase fell apart.

The whole hall suddenly fell silent

“This is a vase from the Qing Dynasty. One costs three million.”

Hearing the waiter’s words, Gail’s feet went limp, and he became very dizzy.

Harris saw the gangster style of the big family, and was immediately dissatisfied with their quality, but Daisy went to the bathroom and hadn’t returned at this point.

Gail called Michael, and the waiter called the team leader.

“I’m sorry, Mr. Brown, you really have to pay now.” After hearing what happened, the team leader verbally calculated the account. Three million for vases, two million for green plants, and five million for carpets, we can Provide the original proof of purchase, if you don’t pay, we can only call the police!”

“Team leader Chen, it’s a misunderstanding, it’s all a

misunderstanding...” Michael wanted to hook up with the team leader, but the team leader didn’t like it.

Mr. Mason, are also dining in the restaurant today. If this incident alarms him, I don’t need to tell you, you should know what the consequences will be.”

When Michael heard this, he immediately felt bad!

The legendary Benjamin is cold-blooded and ruthless, whoever dares to make trouble in his territory will definitely die too long!

Michael, didn’t you book the room! What are you afraid of him doing!”

“Besides, we, Michael, the richest man in Winter Town, can’t afford to pay these millions? Who do you underestimate!”

“...” Michael wiped the sweat from his forehead, and suddenly saw Harris not far away, and he hurriedly said, “You guys wait for a while.”

Then I went to Harris to intercede.

“Good son-in-law. I really have to leave this matter to you! You also know that uncle doesn’t have that much cash on hand...”

Getting used to looking for benefits from his future son-in-law has become one of Michael’s daily habits.

But Harris said with an ugly face, “Uncle, to be honest, I don’t have much money left in my card...”

“Then look, can you help share some of the burden? Uncle’s relatives have lived in the countryside since childhood and have

never seen the world. They really didn’t make trouble on purpose...”

Harris looked in the direction of the bathroom, Daisy still didn’t come back, he really didn’t want to be taken advantage of, but Michael called his son-in-law, his tone was almost pleading.

Michael even said, “Daisy’s grandma said that when she gets better, she will give Daisy all the shares in her hand as a dowry. Marrying Daisy will definitely make you look good...”

“Uncle, that’s not what I meant...”

“Then why are you still hesitating?” Michael continued to ask and persuade.

After all, he was a kid who had just entered college, was fooled by Michael, and finally told the truth, “I can only afford three million, and that’s all I have left in my card.”

“Okay, then you transfer the three million to my account, and I will transfer it to others...”

Although Harris was reluctant, he still transferred three million in the end.
