

## Chapter 58

That's impossible! I just told everyone that Selena had married the President of JNS Corporation, but now she's become the President herself. That's... Roland thought.

Soon, Selena was surrounded by many people who had been wanting to cooperate with JNS Corporation. Naturally, they wouldn't let this chance slip through their fingers.

Meredith had looked around the venue in search of Selena, but the latter was nowhere in sight. However, since she was a public figure, it was inappropriate for her to stay there for a long time, so she went back to Megan's room. Therefore, she wasn't aware that Selena had arrived.

On her way back to the room, she came across Joaquin, Jameson, and Juniper in the corridor.

Why are they so close to each other? They're triplets!

Meredith was flustered upon seeing this. As long as Juniper was still alive, the secret in the past might be exposed one day.

Since her previous failed attempt, she hadn't dared to make another move.

Having said that, she knew she had to kill this girl.

At that instant, Meredith was hesitant. Many people had

attended the wedding on this day, so the venue was a mess, and no one would pay attention to kids. Therefore, an accident might easily happen to a kid.

A kid might fall down the stairs, eat poisonous food or go missing accidentally... No. Today is Megan's wedding, and Pierre will come as well. It's not the right time for me to do such a thing.

Meredith cast away her murderous idea.

"Jojo, Jamie, come to me!" She beckoned to Joaquin and Jameson.

Seeing Meredith, Jameson ran toward her and called out, "Mommy!"

Joaquin frowned and turned to Juniper subconsciously. Previously, they had promised Pierre that they would tell everyone they had no mother. But now... the secret is exposed.

"Juniper, let me introduce her to you. She's my mommy!" Jameson beamed at Juniper.

However, Juniper's expression darkened. "Didn't you say that you have no mommy?"

If they have a mommy, it means that Mr. Handsome has a wife! Moreover, I know this woman. She claimed to be my aunt in the cake shop previously.

"Oh, no!" Jameson immediately covered his mouth, finally realizing that he shouldn't have exposed this secret.

"Who told you they have no mommy? Where are your manners?" Meredith pulled Jameson to her back and glowered at Juniper. "Jojo, come here."

As Joaquin was walking forward, Meredith said in an arrogant tone, "They're the noble young masters of the Fowler Family, so they're not supposed to play with a wild child like you. Got it?"

"Who are you calling a wild child?" Juniper glared at her. "I don't want to play with them either!" Then, she snorted and shot the twins a look before leaving the place.

I have to tell Mommy about this!

"Juniper!" Jameson wanted to race after her, but Meredith pulled him back. "Jamie, you're the page boy today, so you can't go away. Follow me."

With that, Meredith brought the twins to Megan's private room, but her sister was nowhere to be found.

"Both of you, stay in this room and don't go anywhere!" Upon finishing her words, Meredith stepped out of the room and closed the door. Right then, she came across a waiter in the corridor, so she called out to him.

Inside the room, Joaquin walked toward the door and pressed his ear against it.
